Love the outdoors? Join the Club!

Founded in 1876, the 90,000-member Appalachian Mountain Club (AMC) is America's oldest nonprofit conservation and recreation organization. We promote the protection, enjoyment, and wise use of the mountains, rivers, forests, and trails of the region. We encourage people to enjoy and appreciate the natural world because we believe that successful conservation depends on this experience.

If you live in Southeastern Massachusetts and want to spend more time enjoying the outdoors, we invite you to ***“Join the Club.”*** No prior experience is required!
