## **SNEL Sign Up Procedures**

Short Notice Email List (SNEL) has several purposes. SNEL is used to notify group members of (1) last minute cancellations or changes of Show and Go activities, (2) upcoming activities that have open spots, and (3) chapter events posted to ActDB.

Sign up for SEM SNEL emails through Google Groups. You will need a Google account. It does not need to be gmail. You can use any email address to create a Google account. You can also link a non-Gmail email address to an existing Google Account. Find out more about joining Google Groups without a gmail address or linking to another email address <u>here</u>. Google Group has various collaboration functions; SEM SNEL uses Google Groups only to send emails.
