Sean Buckley, one of the volunteer Instructors at MLS, is working with local chapters to publish articles on MLS and share information about the school with local chapter membership. To keep MLS running strong for another 60 years, we need to make sure the folks who would benefit and enjoy it most are aware of the school. I wanted to reach out to you to share how I, as a local chapter member, appreciated both the SEM training and MLS. I think many other folks would enjoy taking that next step and having a fantastic adventure in New Hampshire. You can learn more about [MLS here](#).

Adult trail crew vacations in California

Join one of two week-long crews volunteering on trails in the beautiful Bay Area of northern California. Based out of comfortable hostels in the heart of the Golden Gate National Recreation Area, our Adult Volunteer Vacation participants will lend a hand to maintain the popular trail network and have some time to enjoy the sights and sounds of San Francisco. When it is still snowy and cold in the northeast, it's pleasant and mild in northern California! To get more information and register, visit [March 11-18, 2018](#) and [March 18-25, 2018](#). See the full list of Volunteer Vacations [here](#).

White Mountains—March 2-4

Free Leadership Training Day in May

Written by Doug Griffiths, Education Chair

The next one-day [SEM Leadership Training](#) course will be held on Saturday, April 7, 2018 at the Foxboro Recreation Department Rec Hall; 68 Mill Street; Foxboro, MA 02035. This course prepares trip leaders for managing groups they will be leading on AMC-sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to ensure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip-leader candidates are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. Lunch and refreshment breaks are provided. This course is offered at no cost to chapter members.

This training is required for prospective AMC-SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management. All those interested in this Leadership Training course may also wish to consider Wilderness First Aid training coming up May 5-6, 2018.

To register, please contact AMC-SEM Education Chair Doug Griffiths RedDougG@aol.com or 508-758-4315 after 6 PM.

Learn to React, Respond, Save Lives

Written by Doug Griffiths, Education Chair

The next two-day Wilderness First Aid training course will be held Saturday and Sunday, May 5-6, 2018 in Foxboro, MA. The course runs 8:00 AM to 4:00 PM both days with an optional CPR course available Saturday at 4:00 PM. The course will be given at the Rec Hall; 68 Mill Street; Foxboro, MA 02035.

Instruction is provided by SOLO, experts in providing wilderness medical training. Their excellent courses have been well received by AMC members for years, and we look forward to continuing to sponsor their trainings.

Pricing is as follows: \$170 AMC Member Price, \$185 for non-AMC members. Price includes lunch and break service both days. The optional CPR course costs an additional \$35.

Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify.

The training is required for most AMC-SEM trip leaders, but is a great experience for any outdoor enthusiast. I would encourage any AMC member to consider taking this course. You will find it exciting and stimulating.

To register, contact Education Chair Doug Griffiths RedDougG@aol.com or 508-758-4315 after 6 PM.

EDUCATION

Sat., Apr. 7. Leadership Training Workshop, Foxboro Recreation Department Rec Hall, 68 Mill Street, Foxboro, MA 02035.

This course prepares trip leaders for managing groups they will be leading on AMC sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to insure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip leader participants are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. The usual schedule is 8 am to 5 pm. Lunch is included and refreshment breaks are provided. This course is offered at no cost to AMC members. For Southeastern Mass chapter members, this is the first step in becoming a trip leader, followed by several co-leads with current chapter trip leaders, arranged in the weeks or months after this program. This training is required for prospective SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management. L Douglas Griffiths (508-758-4315 after 6 pm, RedDougG@aol.com)

Sat., May 5-6. Wilderness First Aid Two-Day Workshop, Foxboro Recreation Department Rec Hall, 68 Mill Street, Foxboro, MA 02035.

Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6 pm, RedDougG@aol.com)

Sat., Feb. 24. Hike--Monk's Park and Little Bay, Bourne, Bourne, MA. This 2 hour hike over approximately 4 miles is in Bourne Conservation Trust properties of Little Bay and Monk's Park. We will hike wooded trails and a fire road with views of Little Bay from the bluff. A beach walk section will be included with views of Buzzards Bay. The terrain is frequent, moderate rolling hills on the wooded trails throughout the hike. Dress for wind on the beach. From Bourne Bridge/Cape side, take Route 28S toward Falmouth for 1.7 miles. Go right on Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 1.3 miles, cross County Road onto Beach Street for .2 mile. Go left onto Shore Road (Cumberland Farms on corner) for 1 mile. Go right onto Valley Bars Road and Monk's Park is at the end. Park at the end just before the underpass. L Robin McIntyre (508-789-8252 before 9 p.m., robinm McIntyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training.)

Sun., Mar. 11. Hike Cape Cod Canal/Town Neck Sandwich, MA. Taking advantage of low tide, we will hike 4-5 miles along the canal, along Town Neck & Boardwalk beaches which vary from very rocky terrain to soft & hard packed sand, then through the Town Neck neighborhood. Gather at 12:45 for a 1 p.m. start from Sandwich Recreation Area parking lot at end of Freezer Rd off Tupper Rd, Sandwich. Heavy rain cancels. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader.)

CAPE HIKING

Thu., Mar. 15. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with some moderate hills. It offers views of the ponds and some wildlife. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go .5 miles and turn left onto Valley Bars Road. Go .3 miles and pull up in back of the Weary Traveler's Club into their parking lot--the driveway is a U shape around the back of the club. L Robin McIntyre (508-789-8252 before 9 p.m., robinmcintyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training.

Sun., Mar. 18. Hike Ryder Beach, Truro, MA. Beach to woodland trails, hills, and scenic bay views. Route 6, then left on Prince Valley Road to the end. Right on County Road, then an immediate left on Ryder Beach Road. Park at the end. Meet at 12:45 p.m. 2 hours. L Janet Kaiser (508-432-3277 before 9 p.m., jtkaiser@comcast.net)

Sat., Mar. 24. Walker Lookout and Beech Tree Trail Hike, West Barnstable, MA. A moderate hike with some hills. A wonderful view from Walker Lookout. Some fire roads and a some beautiful trees on the Beech Tree trail. Then a gentle climb up to the highest point in Barnstable with another beautiful view. If it is clear you can see Martha's Vineyard. Good boots of a mid height are recommended. This hike is under 5 miles but will feel like more. L David Selfe (508-771-0620 after 5, kdselife@comcast.net, lever 1 hike leader of Cape Hikes with over 500 miles on Cape Cod)

Thu., Apr. 5. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! Meet at 9:45AM for 10:00AM start. Cold Storage Beach parking: RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9:00PM, shaferhayden@gmail.com)

(FT) (NM) Sun., Apr. 15. Falmouth, Beebe Woods Hike (C3D), Falmouth, MA. Spring stroll through woods, passing ponds and a farm. Meet at 12:45pm. 2 hours. Take Route 28 South to hospital lights, then 0.6 miles to a right on Depot Avenue. Continue 0.4 miles up the hill and past Highfield Hall into the parking lot at Cape Cod Conservatory. If question about weather, contact Leader. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., Apr. 19. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills. We will have views of Back River from the Leary Property. Icy trails may be a reason for cancellation of this hike due to the hills. L Robin McIntyre (508-789-8252 before 9 p.m., robinmcintyre@comcast.net, Robin is a third year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Apr. 22. Hike and Clean Up John's Pond Mashpee, MA. To celebrate Earth Day we will hike and clean up along the wooded trails along John's Pond and Moody Pond. Gloves and bags for the clean-up will be provided. From Falmouth RT 151 West, Turn North (L) on Currier Rd, then Right on Ashumet Rd. In short distance, Ashumet bears off to right, continue straight on Hooppole Rd. (No road sign). Go 1.5 miles and turn Right on Back Road. Go 0.6 mile to large beach parking lot. From Mashpee Rotary take Rte. 151 to Falmouth and proceed to Barnstable Fairgrounds and turn R onto Ashumet Rd., at stop sign turn R to continue on Ashumet which will become Hooppole continue 1.5 miles to R on Back Rd., go 0.6 miles to parking lot at John's Pond. L Jane Harding (508-833-2864 before 9 PM, janeharding@comcast.net) L Nancy Wigley (nrwigley@verizon.net)

Thu., Apr. 26. Hike Shawme Crowell State Park Sandwich, MA. Hike cleared trails with some up/down hills. We will hike to a view of Cape Cod Canal or the Adventure Park at Heritage Gardens. Driving directions from Sagamore Bridge take 1st exit and turn R onto Sandwich Rd and continue to merge with 6A bear L and follow to Rte 130 turn R go short distance entrance to park is on R drive past guard booth and follow road until you come to dumpsters. Park around dumpsters. From upper Cape take Rte 6 to exit 2 and turn L onto Rte 130 follow through town and continue until you see entrance to Shawme Crowell on L drive past guard house and follow road to dumpsters. Meet at 9:45 AM for 10 AM start. L Jane Harding (508-833-2864 before 9 PM, janeharding@comcast.net)

CAPE HIKING

Sun., Apr. 29. Hike Maple Swamp, Service Rd., East Sandwich, MA. Hike historic area which dates back to glacial erosion. This hike has lots of steep climbs and declines with uneven terrain. Hiking boots and poles strongly recommended. Driving directions to start take Rte 6 to exit 3 Quaker Meetinghouse Rd and turn S off of ramp. Take first L onto Service Rd and look for Maple Swamp parking area on R past Mill Ln. Meet at 12:45 PM for 1 PM start. L Jane Harding (508-833-2864 before 9 PM, janeharding@comcast.net)

Sat., May 5. Hike Moraine Trail Hike, Falmouth, MA. Nine mile, 5-hour, moderately difficult, one-way, hike along moraine and pond with lunch stop. Meet in Goodwill Park in Falmouth at 0915, and we will carpool at 0930 to the hike start at 1000. Bring lunch, water, and your favorite tick prevention. Poison ivy is also found along the trail. Hike cancelled if rain. Please phone or email leader if any question about cancelling due to weather. From Mashpee rotary, take Rt. 151 west 3.4 miles to Left at Sandwich Rd. Go 3.7 miles and turn Right on Brick Kiln Rd at light, and go 0.9 miles and turn Left on Gifford St at light.. After 1.1 miles take a Right to enter Goodwill Park and follow road 0.3 miles to parking. L John Gould (508-540-5779, jhgould@comcast.net)

Sun., May 13. Hike Santuitt Pond and River, Mashpee, Barnstable, MA. Hike along woodland trails around Santuitt Pond and River past a newly refurbished herring run and hopefully find some Bird's Foot violets in bloom around a cranberry . Celebrate Mother's Day by hiking this scenic area. Take mid-cape highway to Exit 5 (Rte 149) and turn South to Rte 28. Turn R on Rt. 28 and follow to R on Santuitt-Newtown Rd. Go 0.8 mile to yellow gate on L; park on grass along edge of road. Meet at 12:45 pm. L Nancy Wigley (508-548-2362, nrwigley@verizon.net) L Jane Harding (508-833-2864 before 9 PM, janeharding@comcast.net)

(BC3) Thu., May 24. Hike Long Pond, Goodwill Park, Falmouth, MA. Traverse Falmouth's Town Forest on rolling wooded trails. Enjoy scenic views of Long Pond, Grews Pond and Angel Mirror Pond. The Angel Mirror Trail, a relatively new trail, has some steep, narrow sections. Sturdy shoes, layered clothing, plenty of water, snacks, sunscreen and tick repellent are strongly recommended. Be aware that the Cape is a known tick habitat. Poison ivy is abundant in the woods and along the sides of the trail. Meet promptly at 9:45 for trail talk and introductions. This hike begins in Goodwill Park at 10 AM. We will hike approximately 2 1/4 hours, about 4 1/2 miles. It is rated B3C, moderate pace, average terrain. A picnic lunch follows the hike. Please bring your own sandwich, and drink plus a salad, side or dessert to share with the group. Questions, call leader Cathy Giordano 508-243-3884 Directions: From Bourne bridge (Cape side) - Rt, 28S to Brick Kiln exit From Rt. 151 W (near the end) to Rt. 28S to Brick Kiln exit Then bear left off exit ramp. Travel 1.2 miles. Turn R at traffic light onto Gifford St. for 1.1 miles. Look for anchor chain fence on right. Turn right into Goodwill Park. Continue on paved road. Park in lot on right near Grews Pond and covered picnic area. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

Thu., May. 24. The 2nd Annual Wilson Mountain Lady's Slipper Hike, Wilson Mountain/Whitcomb Woods - Dedham/Needham line- Route 135, MA. Lady's Slippers galore! In a good year there are hundreds on both sides of the well marked trail to the summit of Wilson Mountain on the Dedham/Needham line. Easy access off Route 128. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. There are well marked trails to the summit of Wilson Mountain on the Dedham/Needham line. Managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, gazebos. Total hike is 5 - 7 miles at a moderate pace. Bring water snacks/lunch, sturdy footwear. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 before 8:00 pm, k-cohen@comcast.net) CL Walt Granda (508-999-6038 Before 8:00 pm)

HIKING

Fri., Jun. 1-3. Hiking weekend at the (low) Harvard Cabin with Boston Chapter, (the low cabin on route 16 between North Conway & Pinkham Notch). This is a joint Boston H/B and SE Mass chapter trip. Using the historic Harvard Cabin as our base, we will set out on hikes in the Pinkham Notch or nearby area. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants' abilities. On Saturday, we will likely offer two options if the group fills: one moderate/easier 4,000-footer mountain and one moderate/more strenuous 4,000-footer. On Sunday, we might go for another 4,000'er or often we opt for a shorter hike on the way home (perhaps a 52 With A View peak). You will help us as we prepare breakfast, a post-hike happy hour, and dinner on Saturday and a breakfast on Sunday. Trip fee of \$80/members and \$85/non-members includes two breakfasts, one dinner, and happy hour snacks (planned and shopped for by the leaders, but prepared and cleaned up with the help of all participants). Boston H/B leaders: Erika Bloom and Claudine Kos. SE Mass leader: Leslie Carson. SE Mass coleader; Ken Carson. For those on the Boston REGI system, please register through REGI. For those in SEM not on REGI, please contact Erika Bloom (email preferred). L Erika Bloom (508-951-1001 before 9 PM, erikabloom1234@gmail.com) L Leslie Carson (lrc929@comcast.net) CL Ken Carson.

SKIING

Fri., Feb. 23-25. Cross Country Skiing in Waterville Valley, 5 Old Waterville Rd., Campton, NH. Join us for a cross country skiing weekend in Waterville Valley, NH. We will stay at the Mountain Fare Inn. The Inn features en suite rooms with full breakfast & nearby skiing. This is a collaborative trip with the Narragansett Chapter. L Jeannine Audet (508-493-8221, milmod@aol.com) L Barbara Hathaway (508-662-0724, barb224@tmlp.net) CL Karen Rudio (508-397-2316, karenrudio@comcast.net), R Barbara Hathaway (508-662-0724, barb224@tmlp.net)

Fri., Mar. 2-4. XC Ski White Mountains, Intervale, NH. Can you think of a better way to begin the month of March than XC-skiing in the White Mountains? Join the SEM and Forty Plus chapters on Mar. 2 for 2 nights lodging at the Old Field House in Intervale, NH. Room rates are from \$125 to \$135 per night plus tax and include a hearty breakfast on Saturday and Sunday mornings. Visit their website www.oldfieldhouse.com for a complete description of their rooms and amenities. After registering by phone with the AMC Leader, call the Old Field House at 800-444-9245 to reserve your room. If you don't have a roommate, leader or innkeeper will try to match you up with one or you have the option of paying for a single supplement. We'll ski at Jackson, Great Glen, or Bear Notch - or right out the door on the Intervale trails. Bring your snowshoes, too. Walt Granda and Len Ulbricht are able to lead snowshoers or hikers. The weekend begins with pizza, salad, and socializing on Friday night (nominal charge) around 6:30. Bring a snack to share at Happy Hours and your favorite beverage. Space is limited, so reserve a spot soon. L Barbara Hathaway (508-880-7266 before 9 pm, barb224@tmlp.net, XC Skiing and Hiking Leader and past XC Ski Committee Chair for Southeast Mass Chapter.) CL Wayne Cardoza (Leads trips for Forty Plus chapter), R Barbara Hathaway (508-880-7266 before 9 pm) barb224@tmlp.net.

'Take it Outside' at April 14th Open House

Written by Maureen Kelly, Former Chapter Chair

The Appalachian Mountain Club (AMC) [Southeastern Massachusetts Chapter](#) (SEM) is holding its annual "Take it Outside" open house event once again this year at beautiful Myles Standish State Forest in Carver, MA on Saturday, April 14, 2018 from 10:00 am to 3:30 pm. The event, hosted in conjunction with the Friends of Myles Standish State Forest, is open to all (AMC members and non-members alike) and will feature a variety of fun outdoor activities. These include a nature walk, beginner and intermediate hikes, beginner and intermediate bike rides, trail work activities, informative mini-workshops, and a free lunch for participants.

Participation is free. For more information or to register, readers should visit <http://activities.outdoors.org/search/index.cfm/action/details/id/103107>.

Continued on page 3

View from the Chair:

Is it finally time to get off the couch?

Have you ever heard the expression, “If not now, when?” Some believe it had its origins in ancient Jerusalem. Others credit U.S. Presidents Kennedy, Reagan, or Obama with the expression. In recent years, I’ve notice that it’s gained a lot more traction. A large national outdoors conservation club is now using “If not now, when?” as a rallying cry to solicit more funding because of the cutbacks in government funding and threats to the environment. I’m sure you have heard it in the media—it’s even been used on *Saturday Night Live!*

I like this expression because it is an immediate call to action! But rather than using it to raise funds, I have a different take on “If not now, when?” This relates to getting off the couch and “getting outside” with your other SEM chapter members. Our chapter is approaching 4,000 members. It’s somewhat perplexing to see less than 10 percent of our membership typically participate in the more than 300 hikes, bike rides, paddles, ski trips, and other fun events that our enthusiastic and well-trained volunteer leaders put on every year.

Over the past year as your Chapter Chair, I’ve had the opportunity to meet many of our wonderful chapter members. Unfortunately, all too often I hear excuses for not participating in activities like, “Yes, I saw that Full Moon Hike at Borderland and considered going, but I thought I might be too tired after working all day.” Or, “I really like to hike, but I’m so busy” or “I saw that bike ride along the canal and wanted to go, but then something came up.” It appears that, as with anything else, getting outside and becoming more active requires overcoming significant inertia.

So, to all you members out there who have not participated in a recent AMC Southeastern Mass. Chapter event, my question is: “If not now, when?” Here are just a few upcoming events you may wish to consider:

- Full Moon Hike on March 29th at Borderland State Park
- Leadership Training Workshop April 7th
- Red Line Hiking in the Blue Hills begins April 12th
- “Take it Outside 2018” Open House event April 14th at Myles Standish State Forest
- Hike and Clean Up John’s Pond in Mashpee April 22nd

Some of these activities take place during the week, some on weekends, some during the day, and some at night. In other words, there’s pretty much something for everyone who would like to get outside. You can find all SEM activities on our website (www.amcsem.org) by selecting the type of activity you’re interested in in the yellow box at the top center of the page.

Hope to see you outside...and soon!

Open House April 14

Continued from page 1

This popular annual event is targeted at individuals and families who would like to become more active outdoors and meet like-minded people. It also provides an opportunity to learn more about the AMC Southeastern Massachusetts Chapter, which offers a wide variety of hiking, bicycling, paddling, skiing, trail work, and conservation activities for newcomers and experienced outdoorspeople alike.

All Open House-related activities will start at the Interpretive Center at the Myles Standish State Forest Headquarters located at the intersection of College Pond and Cranberry Roads in Carver, MA. For more information about the event, contact Maureen Kelly at mokel773@aol.com.

See all the events on page 9. For more details or to register, select those you might be interested in and follow the links. Everyone is welcome!

High Cabin Winter Weekend

Written by Mike Woessner, Hiking Vice Chair

This past February 23, five hearty souls donned heavy back packs and hiked the two miles from the AMC's Cardigan Lodge, gaining 1,258 feet of elevation up to High Cabin. High Cabin is a popular rustic retreat for backcountry enthusiasts looking for a secluded escape with breathtaking scenery. It sits protected a half-mile below the summit of Mt. Cardigan (3,155') just below the tree line.

High Cabin accommodations include twelve bunks with mattresses in the main room heated by a wood stove. There is a dry sink and a two-burner propane stove in the kitchen area. A composting toilet is conveniently located on the porch.

Upon arrival our first priority is to get the woodstove going. Next, we check out the stream behind the cabin for running water. This year we are lucky, water is running. In past years it has been frozen solid, forcing us to melt snow for water. Once the water is filtered and the stove is heating the cabin nicely, we settle in for the weekend. Since there are only five of us this year, the accommodations are spacious. In past years we have had up to ten in the cabin, and with all of the winter gear it gets quite close.

Soon our exclusive chef, Luther, has dinner simmering on the stove, and we break out our libations and snacks for a quick "Happy Hour" before dinner. Our first night's dinner is cream of broccoli soup and pulled pork

sandwiches. Chocolate chip cookies for dessert! After clean up, we discuss the next day's hiking plan. We decide to first summit Mt. Cardigan and then head over to Mt. Orange via Rimrock and the Skyland Trail.

Saturday morning breaks cloudy, but not too cold, temps just around freezing. After a quick breakfast, we get our gear, including micro spikes, snowshoes, water, and lunch. We also carry essential group gear among the five of us. Should we encounter an emergency, we have a group First Aid kit, small stove, water, hot chocolate, a 0° sleeping bag, z-fold ground pad, and an emergency shelter.

Heading up to the summit of Cardigan, the wind is stiff and the weather is cloudy, with rime ice forming on surfaces. There is very little snow, so we use micro spikes to get us to the summit. Not much of a view today. We huddle on the leeward side of the fire tower, out of the wind. After making a few adjustments to gear we head back into the wind and follow the cairns down the West Ridge Trail to the Skyland Trail junction. Once we are on the Skyland, we climb through a thick spruce forest and soon emerge on the summit of Rimrock. Up over the "rim" and down into the saddle between Rimrock and Mt. Orange, the trails are mostly ice with a little snow around the summits. We are soon at the summit of Mt. Orange and the weather has lifted a little so we get views to the northeast. We can see what looks like Franconia Ridge and other summits in the Whites.

Checking the trail markers: Luther Wallis, left, Doug Craib, Les Lechowicz, Bill Swanton. *Photo by Mike Woessner*

Continued on page 5

Whiteout Snow Conditions

Continued from page 4

After a brief lunch, we are off again. We head east down the Vistamount Trail, which is tricky at times due to the ice on the trail. Vistamount intersects the Clark Trail just south of the Holt-Clark Cutoff. We now head back west, uphill to Hurricane Gap, the home of High Cabin. We stop to admire the view at PJ Ledge with great views to the east.

Back at the cabin, we once again gather wood and water to have our dinner. This evening Chef Luther has prepared chili and cornbread. Since this all had to be hauled in on our backs, Luther had taken the time to dehydrate his chili. All that had to be added was water. The cornbread was from a mix as well. We all ate our fill and there were no leftovers, which is good because all trash has to be packed out as well. After dinner we gather round to play a card game, "ButterScotch," and swap hiking and camping stories that get more interesting as years go by.

Sunday morning, we awaken to whiteout snow conditions. We pack our gear, give the brooms a good workout, then head out into the maelstrom. Soon we are down in heavy forest and out of most of the wind. The snow continues for the rest of our hike out. Back at Cardigan Lodge, we say our goodbyes and well wishes for future hikes together.

Into the maelstrom: Doug Craib, left, Bill Swanton, Leszek Lechowicz, Luther Wallis. *Photo by Mike Woessner*

Volunteer of the Month: Barbara Hathaway

Written by Jeannine Audet, Skiing Chair

Each month the SEM recognizes one of our amazing volunteers. We are thankful for the wonderful people who donate their time and energy to lead terrific trips. This month the Skiing Committee recognizes BARBARA HATHAWAY for her continuing contributions.

Barbara served the AMC SEM for many years as Ski Chair, stepping down in November, 2017. She has been a highly-active Skiing leader, organizing multiday overnight trips in New Hampshire for several years. Barbara is an energetic, organized, and enthusiastic leader. She knows how to ensure an enjoyable trip with her warm and friendly manner.

Thank you, Barbara, for all you do!

Barbara will receive a Volunteer of the Month Certificate and a \$50 gift card.

We ♥ Volunteers!

See page 2 for OPEN positions or email chair@amcsem.org to learn how you can use your time and talents to help your fellow AMC-SEM members!

Hiking in on the Zealand Road *Photo by Mike Woessner*

Escape to Zealand Falls Hut

By Paul Miller, SEM Winter Hike Leader and Communications Chair

On Friday, March 2nd, while almost everyone else in Massachusetts was hunkering down for what the weather forecasters predicted would be a severe winter Nor'easter with significant coastal flooding, thirteen SEM winter hikers drove up to New Hampshire in driving rain for our 2018 Winter Series Overnight trip to the AMC Zealand Falls Hut. Zealand is one of the three AMC huts that stays open in winter on a "caretaker" basis—which just means we carry in and cook our own food.

Luckily for us, while the storm back home ultimately reached near-epic proportions, by the time we passed through Franconia Notch the temperature dropped a few degrees and the rain turned to snow, tapering off to flurries by the time we arrived at the trailhead parking area off Rte. 302 in Twin Mountain. And the weather stayed nice for us in the mountains the entire weekend, with partly cloudy-to-sunny skies and mild winter conditions with temps in the high 20s to low 30s during the day and "balmy" temps in the low 20s at night.

After lugging our heavy winter backpacks 3.5 miles up the snow-covered Zealand Road (closed in winter) to the actual trailhead, we hiked in another 2.3 miles on the pretty Zealand Trail up to the hut. Once there, we checked in with Josh, the amiable caretaker, selected our bunks in the comfortable bunkrooms, and enjoyed

our traditional "happy hour" in the hut dining room. After happy hour, we had a wonderful dinner of tortilla soup, pulled pork, and cornbread prepared by Luther Wallis, and then we settled in for a serious evening of socializing before hitting our bunks at around 9:00 pm.

While we chowed down to a hearty morning breakfast of coffee, juice, oatmeal, and pancakes prepared by Mike Woessner, Sal Spada, and others; George Danis was leading a group of six more participants up the trail to spend Saturday night with us at the hut.

After breakfast, we broke off into two groups for the day's hikes. Mike and Leslie Carson led a group up to the summit of Mt. Hale (4,055 ft.). Ken Carson and I led another group up to Zeacliff and then on to the summit of Mt. Zealand (4,265 ft.). On the way back, we met George and a couple other of our Saturday hike-in participants at Zeacliff, where the skies had magically cleared, enabling us all to enjoy the fantastic views into Zealand Notch.

Once back at the hut, we socialized some more during our pre-dinner happy hour and then enjoyed a yummy spaghetti and meatball meal prepared by Leslie, Ken, and others. After dinner—with our own group of 19, a smaller group from the Boston chapter, and assorted other guests—the dining room became a bit crowded and somewhat raucous, but no one seemed to mind! Once again, we hit our bunks at about 9:00 pm.

Sunday morning, we had a quick breakfast of bagels & cream cheese before packing up, shouldering our somewhat-lighter winter backpacks, and hiking six miles to the cars. We hit the road to Massachusetts to survey the damage from the storm and (for several trip participants) clear away the debris and wait for the power to come back on!

For us winter over-nighters, at least, it was a fabulous weekend that, once again, demonstrated the many joys and some of the challenges of winter hiking.

Hearty Ken Carson.

Free Leadership Training April 7th By Doug Griffiths, Education Chair

The next one-day Leadership Training course will be held on Saturday, April 7, 2018 at the Foxboro Recreation Department Rec Hall; 68 Mill Street; Foxboro, MA 02035. This course prepares trip leaders for managing groups they will be leading on AMC-sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to ensure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip-leader candidates are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. Lunch and refreshment breaks are provided. This course is offered at no cost to chapter members.

This training is required for prospective AMC-SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management.

All those interested in this Leadership Training course may also wish to consider Wilderness First Aid training coming up May 5-6, 2018.

Instruction is provided by SOLO, experts in providing wilderness medical training. Their excellent courses have been well received by AMC members for years and we look forward to continuing to sponsor their trainings.

The AMC Member Price is \$175; non-AMC members pay \$185. Price includes lunch and break service both days. The optional CPR course costs an additional \$35.

Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify.

The training is required for most AMC-SEM trip leaders, but is a great experience for any outdoor enthusiast. I would encourage any AMC trip participant to consider taking this course. You will find it exciting and stimulating.

To register for either or both training courses, please contact the AMC-SEM Education Chair, Doug Griffiths, at RedDougG@aol.com or 508-758-4315 after 6 PM.

CAPE HIKING

Sat., Mar. 24. Walker Lookout and Beech Tree Trail Hike, Barnstable, West Barnstable, MA. A moderate hike with some hills. A wonderful view from Walker Lookout. Some fire roads and a some beautiful trees on the Beech Tree trail. Then a gentle climb up to the highest point in Barnstable with another beautiful view. If it is clear you can see Martha's Vineyard. Good boots of a mid height are recommended. This hike is under 5 miles but will feel like more. L David Selfe (508-771-0620 after 5, kdsselfe@comcast.net, lever 1 hike leader of Cape Hikes with over 500 miles on Cape Cod)

Thu., Apr. 5. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! Meet at 9:45AM for 10:00AM start. Cold Storage Beach parking: RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9:00PM, shaferhayden@gmail.com)

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC SEM 2018 - Beginner's Hike with a Naturalist, East Head Reservoir Trail, Myles Standish State Park Carver, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for a Beginner Hike. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants! We will hike the loop around the reservoir taking note of some of the flora and fauna, relatively flat trails with roots, stones, etc. creating some foot hazards. Good walking shoes, ideally hiking footwear and long pants are highly recommended. Bring water for hydration. Hike will be slightly over 3 miles and 2 hours in duration. Meet up at 9:45 AM so we can start promptly at 10 AM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net, Cape Hiking chair for AMC-SEM, organizes 2 - 3 hikes a week from Sept. to May across the Cape. Jane leads many Cape hikes.) CL Nancy Wigley (nrwigley@comcast.net, Nancy is a lifetime member of AMC, frequent leader of Cape Hikes and a trained naturalist.) CL Janet Kaiser (jtkaiser@comcast.net, Janet is a long time member of AMC and currently leads many Cape Hikes.), R Jane Harding (P O Box 874, East Sandwich,, MA 02537, 508-833-2864 Before 9 PM, janeharding@comcast.net)

(FT) (NM) Sun., Apr. 15. Falmouth, Beebe Woods Hike (C3D), Falmouth, MA. Spring stroll through woods, passing ponds and a farm. Meet at 12:45pm. 2 hours. Take Route 28 South to hospital lights, then 0.6 miles to a right on Depot Avenue. Continue 0.4 miles up the hill and past Highfield Hall into the parking lot at Cape Cod Conservatory. If question about weather, contact L. leader. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., Apr. 19. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills. We will have views of Back River from the Leary Property. Icy trails may be a reason for cancellation of this hike due to the hills. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Apr. 22. Hike and Clean Up John's Pond Mashpee, MA. To celebrate Earth Day we will hike and clean up along the wooded trails along John's Pond and Moody Pond. Gloves and bags for the clean-up will be provided. From Falmouth RT 151 West, Turn North (L) on Currier Rd, then Right on Ashumet Rd. In short distance, Ashumet bears off to right, continue straight on Hooppole Rd. (No road sign). Go 1.5 miles and turn Right on Back Road. Go 0.6 mile to large beach parking lot. From Mashpee Rotary take Rte. 151 to Falmouth and proceed to Barnstable Fairgrounds and turn R onto Ashumet Rd., at stop sign turn R to continue on Ashumet which will become Hooppole continue 1.5 miles to R on Back Rd., go 0.6 miles to parking lot at John's Pond. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net) L Nancy Wigley (nrwigley@verizon.net)

Thu., Apr. 26. Hike Shawme Crowell State Park Sandwich, MA. Hike cleared trails with some up/down hills. We will hike to a view of Cape Cod Canal or the Adventure Park at Heritage Gardens. CAPE HIKING

Sun., Apr. 29. Hike Maple Swamp, Service Rd., East Sandwich, MA. Hike historic area which dates back to glacial erosion. This hike has lots of steep climbs and declines with uneven terrain. Hiking boots and poles strongly recommended. Driving directions to start take Rte 6 to exit 3 Quaker Meetinghouse Rd and turn S off of ramp. Take first L onto Service Rd and look for Maple Swamp parking area on R past Mill Ln. Meet at 12:45 PM for 1 PM start. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sat., May 5. Hike Moraine Trail Hike, Falmouth, MA. Nine mile, 5-hour, moderately difficult, one-way, hike along moraine and pond with lunch stop. Meet in Goodwill Park in Falmouth at 0915, and we will carpool at 0930 to the hike start at 1000. Bring lunch, water, and your favorite tick prevention. Poison ivy is also found along the trail. Hike cancelled if rain. Please phone or email leader if any question about cancelling due to weather. From Mashpee rotary, take Rt. 151 west 3.4 miles to Left at Sandwich Rd. Go 3.7 miles and turn Right on Brick Kiln Rd at light, and go 0.9 miles and turn Left on Gifford St at light.. After 1.1 miles take a Right to enter Goodwill Park and follow road 0.3 miles to parking. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., May 10. Hike--Great Neck Preserve, Wareham, Wareham, MA. This 4 mile, 2 hour hike in the Great Neck Preserve in Wareham is on wooded trails through New England Forestry Foundation and Wildlands Trust lands. There are several hills and some wet areas. Hikers will pass a sheep farm, see Swan Pond, and have views of marshes with Buzzards Bay in the distance. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 3rd year Level I SEM/Cape hike leader with WFA training) L Jane Harding (janeharding@comcast.net, Jane is Cape Hike chair for AMCSEM with over 4 years of hike leadership experience.)

Sun., May 13. Hike Santuit Pond and River, Mashpee, Barnstable, MA. Hike along woodland trails around Santuit Pond and River past a newly refurbished herring run and hopefully find some Bird's Foot violets in bloom around a cranberry . Celebrate Mother's Day by hiking this scenic area. Take mid-cape highway to Exit 5 (Rte 149) and turn South to Rte 28. Turn R on Rt. 28 and follow to R on Santuit-Newton Rd. Go 0.8 mile to yellow gate on L; park on grass along edge of road. Meet at 12:45 pm. L Nancy Wigley (508-548-2362, nrwigley@verizon.net) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Thu., May 24-24. Hike Long Pond, Falmouth, Goodwill Park, Falmouth, MA. Traverse Falmouth's Town Forest on rolling wooded trails. Enjoy scenic views of Long Pond, Grews Pond and Angel Mirror Pond. The Angel Mirror Trail, a relatively new trail, has some steep, narrow sections. Sturdy shoes, layered clothing, plenty of water, snacks, sunscreen and tick repellent are strongly recommended. Be aware that the Cape is a known tick habitat. Poison ivy is abundant in the woods and along the sides of the trail. Meet promptly at 9:45 for trail talk and introductions. This hike begins in Goodwill Park at 10 AM. We will hike approximately 2 1/4 hours, about 4 1/2 miles. It is rated B3C, moderate pace, average terrain. A picnic lunch follows the hike. Please bring your own sandwich, and drink plus a salad, side or dessert to share with the group. Questions, call leader Cathy Giordano 508-243-3884 Directions - From Bourne bridge (Cape side) - Rt, 28S to Brick Kiln exit From Rt. 151 W (near the end) to Rt. 28S to Brick Kiln exit Then bear left off exit ramp. Travel 1.2 miles. Turn R at traffic light onto Gifford St. for 1.1 miles. Look for anchor chain fence on right. Turn right into Goodwill Park. Continue on paved road. Park in lot on right near Grews Pond and covered picnic area. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

Thu., Mar. 29. Bird Street Conservation land hike Stoughton MA, Bradley Lessa Park Stoughton MA. Easy, flat 4.5 mile hike on conservation land in Stoughton MA. Pretty lunch spot by pond. Bring traction devices. May be wet and slushy in areas. Rain cancels. Route 24 to exit 18B (Rte 27 N Stoughton MA). At light take left;; Go .4 miles to next light. Go right onto Pleasant Street. Follow Pleasant 1.3 miles to end. Turn right onto Route 138. Follow 138 2.0 miles to Plain Street on left. Town Spa restaurant is at corner. Follow Plain Street for 1.3 miles to intersection. Take left onto West Street. Go .5 miles and Bradley Lessa Park will be on left Follow dirt road to end. GPS 1239 or 1251 West Street. L Rachel Thibeault (508-583-5534 before 8:00 PM, ratebo@yahoo.com) CL Nancy Perlman (617-980-4878 before 8:00PM, nancyclist@gmail.com)

Thu., Mar. 29. Full Moon Hike at Borderland State Park, 259 Massapoag Ave, Easton, MA. Hike in the Moonlight at Borderland State Park. This hike will be a moderate pace, 4-5 miles and will last approximately 2 hours. Headlamps, water, and sturdy boots are a must. Dress for the weather. Registration is required. Trip details will be sent after registration, several days before the hike. L William Cannon (508-649-6730, bcannon56@gmail.com) L Patricia McNally L Nancy Coote , R Bill Cannon (508-649-6730, bcannon56@gmail.com)

Sat., Mar. 31. 15 Mile Plymouth Wishbone Trail hike, Ellisville Harbor State Park, MA. The Plymouth Wishbone Walking Trail was set up in 2007 by a local Boy Scout and runs from Myles Standish headquarters all the way to Ellisville Harbor State Park on Cape Cod Bay in Plymouth. It is approximately 15 miles in length. Most of the trail is in the State Forest or in other conservation property. The original layout had about a third of the hike along local dirt roads. We have now found ways to avoid the roads for the most part. The hike ends on the beach at Ellisville. This is a very long walk. Please do not come on this walk if you aren't regularly hiking at least seven miles plus fairly regularly already. People always want to know how long it will take-- I would estimate seven hours in total including the carpool, regular breaks and a stop for lunch. You need to wear good shoes, bring your lunch and lots of water. Sunscreen and tick protection are also recommended. We will meet at Ellisville Harbor State Park (off Route 3a in Plymouth north of Route 3 exit 2) and will carpool to Myles Standish State Forest headquarters Please drive to the inner parking lot for a nice view and so that you are not tempted to end your hike on Route 3a at the end of a long day. L John Bescherer (508-742-7973, johnbescherer@gmail.com, John has been leading hikes in and around Myles Standish State Forest for nearly 10 years.)

Tue., Apr. 3. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. HIKING

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Morning Nature Walk with a Birder - East Head Loop, Myles Standish State Forest, Carver, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for a Morning Nature Hike with birder Glenn d'Entremont, from 10-12. All events begin from Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants! This Nature Walk is a great opportunity to meet a well-known birder who will identify birds in the local Plymouth / Carver habitat. This walk will be slow-paced with many stops to look for birds along the East Head Pond Loop. The Nature Walk will last about 2 hours. Bring your cameras! L Maureen Kelly (617-943-4288 4-8 pm, mokel773@aol.com) CL Glenn d'Entremont

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Afternoon Beginner Hike - East Head Pond Loop, Myles Standish State Forest, Headquarters on Cranberry Rd., MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for an afternoon Beginner Hike. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants! This will be a slower paced hike along a nature trail that loops around the East Head pond reservoir. We will stop at some numbered trail posts to observe the various plants outlined in the free Interpretive Program guide provided by Myles Standish State Forest. The loop is 2.6 miles long and we will plan to be on the trail for about 2 hours. Our hike will start at 1:30 pm. Please bring some water. Registration is required, however everyone is welcome whether you are a new member, non-member or newly active. L Robin McIntyre (robinmcintyre@comcast.net) CL Bill Vickstrom

(C) (FT) (NM) (AN) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Afternoon Family Hike, Myles Standish State Forest, Carver, MA. Family Hike during Southeastern MA Chapter Open House at Myles Standish State Forest. L Jeannine Audet (508-493-8221 evenings, milmod@aol.com)

(FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC SEM 2018 - INTERMEDIATE MORNING HIKE, Cherry Pond, Myles Standish State Forest, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for an Intermediate Morning Hike to Cherry Pond. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants on our return! We will leave together to drive to the hike start. The hike to Cherry Pond follows the Hooper House Trail starting near College Pond before heading off on unmarked trails. We will do a 5 mile circuit that passes several pretty ponds. Bring water and snacks. L John Bescherer (508-742-7973, johnbescherer@gmail.com, John has been leading hikes in Myles Standish State Forest for almost 10 years.) CL Sue Mulligan (milmod@aol.com)

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Intermediate Morning Hike - The Bentley Loop, Myles Standish State Forest, Carver, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for an Intermediate Hike. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants! This hike will be the Bentley Loop -- 3.7 miles of beautiful woodlands with rolling hills, open meadows and several ponds. It is one of the most used and loved trails in Myles Standish State Forest. Because it is well marked, it is also one of the better trails to walk in the winter in case there is still a snow coating obscuring the trail bed. Since all hikes will meet at the Myles Standish headquarters for the open house, we will make a short five minute drive to the trail head once we are gathered. We encourage newcomers to join us for this walk. Dress in layers and bring water. L Catherine Giordano (508-243-3884 Before 9pm, cmgiordan@msn.com) CL Vickstrom, William (774-454-7386 Before 9pm, wrwick@comcast.net, Bill has been leading hikes in Myles Standish State Forest for many years. He is the President of the Friends of Myles Standish State Forest), R Catherine Giordano (508-243-3884 before 9 pm, cmgiordan@msn.com)

(FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC SEM 2018 - INTERMEDIATE AFTERNOON HIKE, Pine Barrens Path, Myles Standish State Forest, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for an Intermediate hike. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. A FREE LUNCH will be available for all Open House participants starting at noon! Once we assemble (at about 1:15pm), we will carpool to the hike start. The Pine Barrens Path runs north and south for almost the entire length of the state forest. We will do only a section of it in the two hours allotted for this hike. Bring water and snacks. The trail is moderately hilly but is not difficult. It goes through one of the prettiest parts of the park, well away from the camping areas. L John Bescherer (508-742-7973, johnbescherer@gmail.com, John has been leading hikes in Myles Standish State Forest for almost 10 years.) CL George Danis (danisdad51@outlook.com)

HIKING

Thu., May. 24. The 2nd Annual Wilson Mountain Lady's Slipper Hike, Wilson Mountain/Whitcomb Woods - Dedham/Needham line- Route 135, MA. Lady's Slippers galore! In a good year there are hundreds on both sides of the well marked trail to the summit of Wilson Mountain on the Dedham/Needham line. Easy access off Route 128. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. There are well marked trails to the summit of Wilson Mountain on the Dedham/Needham line. Managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, gazebos. Total hike is 5 - 7 miles at a moderate pace. Bring water snacks/lunch, sturdy footwear. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 before 8:00 pm, k-cohen@comcast.net) CL Walt Granda (508-999-6038 Before 8:00 pm)

Fri., Jun. 1-3. Hiking weekend at the (low) Harvard Cabin with Boston Chapter, (the low cabin on route 16 between North Conway & Pinkham Notch). This is a joint Boston H/B and SE Mass chapter trip. Using the historic Harvard Cabin as our base, we will set out on hikes in the Pinkham Notch or nearby area. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants' abilities. On Saturday, we will likely offer two options if the group fills: one moderate/easier 4,000-footer mountain and one moderate/more strenuous 4,000-footer. On Sunday, we might go for another 4,000'er or often we opt for a shorter hike on the way home (perhaps a 52 With A View peak). You will help us as we prepare breakfast, a post-hike happy hour, and dinner on Saturday and a breakfast on Sunday. Trip fee of \$80/members and \$85/non-members includes two breakfasts, one dinner, and happy hour snacks (planned and shopped for by the leaders, but prepared and cleaned up with the help of all participants). Boston H/B leaders: Erika Bloom and Claudine Kos. SE Mass leader: Leslie Carson. SE Mass coleader; Ken Carson. For those on the Boston REGI system, please register through REGI. For those in SEM not on REGI, please contact Erika Bloom (email preferred). L Erika Bloom (508-951-1001 before 9 PM, erikabloom1234@gmail.com) L Leslie Carson (lrc929@comcast.net) CL Ken Carson.

(FT) (NM) Thu., Jun. 7. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 13th year of the Red Line series! SOCIALS

(C) (FT) (NM) (AN) Sat., Apr. 14. AMC SEM Wants You to TAKE IT OUTSIDE 2018 - AMC SEM's Open House at Myles Standish State Forest, Myles Standish State Forest, Carver, MA. Join AMC Southeast Mass Chapter along with the Friends of Myles Standish State Forest for our Open House - TAKE IT OUTSIDE WITH AMC SEM 2018. We offer beginner and intermediate hikes, bikes and nature walks. All participants receive a free lunch. Come explore the pine barrens of Myles Standish State Forest while you learn about AMC SEM's outdoor activities. L Maureen Kelly (617-943-4288 4-8pm, mokel773@aol.com, Maureen is a past SEM Chapter Chair and four season hike leader. She enjoys introducing people to great hikes.), R Maureen Kelly (617-943-4288 4-8 pm, mokel773@aol.com)

TRAIL WORK

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Morning Trail Work Event, Myles Standish State Forest, Carver, MA. Join AMC SEM Chapter Open House event with the Friends of Myles Standish at Myles Standish State Forest in Carver for a Trail Work event. All events will begin from the Headquarters on Cranberry Rd where there is plenty of free parking. Also, FREE LUNCH for all Open House participants! We will have two trail work sessions, one in the morning (10-12) and one in the afternoon (1:30-3:30). We will be working with the Friends of the Myles Standish State Forest and the DCR to replace the deck boards on two bog bridges. We will be removing rotted boards and replacing them with new ones. As an alternate activity, we will also be doing light trail work cutting back vegetation on a path that is getting overgrown. No experience is necessary for either activity. Please wear long sleeves, long pants and sturdy shoes. The AMC SEM Trail Crew Leaders will provide gloves, trail tools, instruction and supervision. We encourage beginner and experienced trail volunteers alike. Please bring water. L Peter Tierney (pxtierney@aol.com) CL Skip Maysles (piks126@yahoo.com)

(C) (FT) (NM) Sat., Apr. 14. TAKE IT OUTSIDE WITH AMC 2018 - Afternoon Trail Work Event, Myles Standish State Forest, Carver, MA. Apple Blossoms by Ken Cohen has been chosen for an exhibit at the Blue Hills Trailside Museum gallery. *Photo by Ken Cohen*

[Spring celebrated in exhibit at Trailside Museum](#)

One of AMC-SEM member Ken Cohen's large framed photographs, *Apple Blossoms*, was chosen as part of an ongoing art exhibition at the Blue Hills Trailside Museum in Milton, MA. *April Showers & May Flowers: New England Reborn* displays the works of 19 local artists through June 24.

Ken will be among the artists honored at the gallery on Wednesday, May 2, at 6:30 p.m. The reception is open for all to enjoy the artwork and to explore the indoor nature center. Refreshments, Ken reports, will be plentiful.

"Please let me know if you plan to attend—or, if you can, just appear at your leisure!" said Ken. "The *Apple Blossoms* image was captured a couple of springs ago at The Arnold Arboretum in Jamaica Plain. Many angles and exposures were attempted to get just the one I had hoped for."

Here is a [link](#) to the exhibit and the reception details. Sue Scheible's article on the exhibit for the April 16 issue of the *Patriot Ledger* can be viewed [here](#).

The regular gallery hours are Tuesday through Sunday from 10 am to 5:00 pm.

View from the Chair: “Volunteer High”

The topic of this month’s View from the Chair has a double meaning: 1. Volunteering often provides a natural “high,” and 2. the level of active volunteers in our chapter also appears to be at an all-time “high.”

Several studies have shown that volunteering can have significant health benefits. Volunteering provides many people with an emotional high. Volunteering helps us stay socially connected and grow as individuals. I am pleased to be able to report that we had 20 members attend our chapter’s recent Leadership Training workshop. Many are now well on their way to becoming actively involved as volunteer leaders.

Second, it’s great to be able to mention here that the volunteer level in the SEM Chapter is also at an all-time high at the board level. For the second year in a row, all 15 voting SEM Board positions are filled. Unlike typical “armchair” boards, SEM board members are all very active in what the chapter does and accomplishes. This year we also have a significant increase in vice chairs, which are important positions because they help ensure continuity of leadership. Just in the last month-and-a-half we’ve added two new vice chairs: Conservation Vice Chair (Nancy Coote) and a Paddling Vice Chair (Luther Wallis).

We’re also excited about our new ad hoc committee for “Young Members,” chaired by Susie Schobel. This new Young Members Committee will have its first organization meeting at the end of May, so we want to get the word out to as many people as possible. It’s no secret there has been a “graying” of the AMC membership, so this is an important initiative for our SEM Chapter. I know many of you reading this have children in their teens, 20s, and 30s who might want to get outdoors with their peers, so let them know about this new group and check out the [AMC SEM Young Members Facebook page](#).

Even though the SEM Chapter has a “volunteering high,” we can always use more volunteers, including activity leaders. And at the board level, we still need Vice Chairs for our Biking, Communications, Education, and Paddling Committees. If you wish to improve your mental health and well-being while helping out your chapter, you can contact me at chair@amcsem.org.

Hope to see you outside!
Barry Young,
AMCSEM Chapter Chair

Good times for all at the 2018 AMC-SEM Open House Event

By Paul Miller, SEM Communications Chair

Photos by Ken Carson

The Southeastern Mass. AMC Chapter held our annual Open House Event on Saturday, April 14th at Myles Standish State Forest in Carver. If you didn't get a chance to "take it outside" with us, you sure missed a good time! Thanks in no small part to the cooperation of the weather gods, more than 130 people turned out for the event, held in conjunction with the [Friends of Myles Standish State Forest \(FOMS\)](#). For many participants, this was their first encounter with the AMC and/or the SEM chapter and I think we made a good impression. Thanks to the weather and our friends at the "Friends," we were able to host a range of fun outdoor activities, including a nature walk with a professional birder, beginner and intermediate hikes, a family hike, beginner and intermediate bike rides, and several trail work events.

Bill Cannon and Maureen Kelly

Thanks, once again go out to John Bescherer from the Friends, and our own Maureen Kelly for organizing this event, and also to all the activity leaders and support people who made the event possible.

Welcome to the SEM Open House!

We also had several "learn stuff" talks on outdoor photography, bike safety, conservation, and the AMC High Mountain Huts—plus an impromptu kayaking demonstration. And, of course, everyone was treated to a hearty lunch thanks to the efforts of Sandy Santilli and others on our Membership Committee. All Open House participants received a nifty green SEM bandana and we sold 21 imprinted t-shirts, enabling us to donate the profits (\$105.00) to the ["School on Wheels Massachusetts,"](#) which support local students affected by homelessness with tutoring, mentoring, and school supplies.

The food crew laid out a feast for all the hungry Open House participants.

Trail workers at Open House replace popular park boardwalk

Photos by Ken Carson

At the Open House on April 14, a trail crew of SEM members and Friends of Myles Standish cleared brush and worked on replacing one of the boardwalks on the popular trail that goes around the East Head Reservoir.

As the spring hiking season finally gets underway, volunteers will be needed to clear deadfall and repair the ravages of winter. If you are interested in helping to make trails clear and safe, check the Trail Work listings or contact the chapter's Trails Chair Peter Tierney at trailschair@amcsem.org

Successful Leader Training Workshop Welcomes Eighteen New Graduates

By Doug Griffiths, Education Committee Chair

The Southeastern Massachusetts Chapter presented its Leadership Training Workshop for 2018 to an enthusiastic group of eighteen aspiring trip leaders on Saturday, April 4th, in Foxboro. We are grateful to the dedicated chapter volunteers who presented the talks this year at our program. Year after year, our experienced trip leaders donate their time and expertise to encourage members to step into the leadership role.

AMC Leadership Training Manager Colby Meehan traveled from New Hampshire to add her expertise to the workshop. AMC central office maintains a staff of trainers ready to augment local education efforts and provide backup to answer complicated or controversial questions that may be encountered by local chapter volunteers. Leaders and presenters prepare lectures,

Leaders in training learn trip planning and posting, participant screening, leader styles for different group dynamics, risk management awareness, leave no trace principles, running a show-and-go trip, and how to progress through advanced levels of leadership.

We welcome our new workshop graduates and look forward to joining their trips. I encourage everyone to talk to the leaders and co-leaders on your next AMC venture and find out what it's like to be a leader. Keep an eye out for our yearly leader training workshop next April 2019.

AMC's Colby Meehan

but also provide personal insights into what it is like to start out as a beginning trip leader. Questions and discussion are an important aspect of getting prospective co-leaders to become comfortable with taking the first step towards leading trips. Our workshop includes practice scenarios, stimulating and fun, that help develop confidence as participants prepare to take on their first co-lead.

Paul Brookes considers a practice scenario.

'Red Line the Blue Hills' starts 13th year of weekly hikes

Article & Photos by Alan Greenstein

Long-term hike leader Joe Keogh led a group of 31 hikers on the first hike of the "Red Line the Blue Hills" series on April 12. This is the 13th year of this popular weekly activity, which runs every Thursday evening at 6 pm from April through mid-September.

The dual goals are to Get Outdoors and enjoy nature and to hike every inch of every one of the 125 trails in this state park. The hike leaders make every effort to minimize the duplication of trails hiked, but the availability of trailhead parking results in some duplication. In the best of circumstances, a regular Thursday night attendee will complete the circuit in 1.5 years based solely on the Thursday hikes, but hiking additionally on one's own is encouraged.

The April 12 hike was on flat land. It encircled Houghton's Pond and continued on Old Route 128 to the Pudding Stone Rock, where Bob Vogel read the Oliver Wendell Holmes poem about the rock. Hikes will become more rigorous as attendees become conditioned and the length of days increases. Sign up to receive the weekly email notice of meeting locations and trail routes at RLBH_registrar@amcsem.org.

Joe honored four hikers who had completed a circuit and awarded them their patches: Susan Dew, Ellen Thompson, Bill Doherty, and Peter Tierney.

Susan Dew gets her RLBH patch from hike leader Joe Keogh.

Joe Keogh presents her RLBH patch to Ellen Thompson.

Bill Doherty completes the RLBH to earn his patch.

Pete Tierney is proud to receive his RLBH patch.

Spring conditioning series gets off the ground

March 27: The first day of the 2018 Blue Hills spring conditioning series finds 25 participants on the summit of Buck Hill with the Boston skyline in the distant background. Though it is spring, note the remnants of winter snow and the hikers wearing micro-spikes for snow-covered trails. *Photo courtesy of Ken Carson*

Enroll now for Mountain Leadership School

Mountain Leadership School is the AMC's most comprehensive outdoor leadership development program. MLS uses a learn-by-doing approach to teach the interpersonal and technical skills needed to lead and stay safe in the backcountry. Instructors are experienced outdoor leaders who keep the content relevant to today's challenges. The program is applicable whether you hike solo, with friends, or lead trips. Topics include: leadership styles, group dynamics, accident scene management, trip planning, and map and compass.

AMC is excited to offer three formats this year: standard, advanced, and Women's only. All courses are based out of the AMC Highland Center, and are 5 days with 4 days in the backcountry. June 2018 sessions enrolling now. More information: www.outdoors.org/mls.

To register, call AMC Reservations at (603) 466-2727. Scholarships are available for Chapter members! E-mail leadership@outdoors.org for an application.

Teen Wilderness Adventure and Advocacy Program

In partnership with The Wilderness Society, AMC is excited to launch a new Teen Wilderness Adventure Advocacy and Program. The program will take place July 15 - July 28, 2018.

The program will combine wilderness backpacking in the White Mountains and a canoe adventure in New Hampshire's Lakes Region with learning about our public lands and developing advocacy skills. The advocacy training will culminate with a visit to Beacon Hill in Boston.

Financial aid is available. [More info >](#)

"Princess" Pam Johnson won the White Line the Blue Hills finale costume contest. Note the St. Patrick's Day theme.

Volunteer of the Month: Leslie Carson

By Mike Woessner, Hiking Chair
Photo by Ken Carson

Each month the SEM recognizes one of our amazing volunteers. We are thankful for the wonderful people who donate their time and energy to lead terrific trips. This month the Hiking Committee recognizes Leslie Carson for her continuing contributions.

Leslie joined the SEM-AMC in 2004 and shortly after realized her passion!

She became an SEM Leader in 2006, and there was no stopping her from there.

As a Level 2 leader, Leslie has led many day and multi-day hikes in the White Mountain area, as well as Vermont, the western part of Massachusetts, and Maine. As a Level 3 leader, Leslie has been involved with the Backpacking Series, as well as participating in Backpacking workshops. Finally, as a Level 4 leader, Leslie has helped lead the hikes and participates in the workshops that happen during the winter months.

Leslie has also been involved with the SEM's Executive Board for many years: Treasurer 2009-2011; Hiking Vice Chair 2014-2015; Hiking Chair 2016-2017.

In addition to her many contributions to SEM, Leslie also serves as an AMC August Camp leader and AMC Adventure Travel leader.

Thank you, Leslie, for all you do! Leslie will receive a Volunteer of the Month Certificate and a \$50 gift card.

Appalachian Mountain Club**

Save the Date
for our first ever
Chapter Retreat
on Cape Cod
Sept. 21 -23, 2018

This year, as an alternative to Chapter Hut Weekend in New Hampshire, we will be assembling on Cape Cod in East Sandwich at Camp Burgess for a weekend of biking, hiking, paddling, and socializing with some of the finest outdoor enthusiasts around: Your fellow SEM members.

Just think, you can take a bike trip, hike a trail paddle a kayak/canoe, ALL IN A SINGLE WEEKEND and all in Southeastern Mass., and we'll even throw in a couple of evening campfires!

So save the date. Planning is underway. Volunteers to help out are always welcome.

For further information contact your Retreat Coordinator, Len Ulbricht, at lenu44@gmail.com

Volunteers clean up at John's Pond for 2018 Earth Day Observance

By Jane Harding, Cape Hiking Chair
Photos by Dave Selfe

Eleven individuals participated in this hike to clean up around John's Pond in Mashpee. We collected about eleven bags of rubbish and hiked approximately 3.8 miles on Earth Day, April 22.

Sunset Paddle

Wednesday May 16

Lake Rico

Taunton, MA

Come join us for an evening off Cape Paddle. We will be on the water for 1 ½ hours. We'll be finishing up just as the sun sets.

This trip is open to all levels of Kayak and Canoe Paddling for Adults (18+).

Contact the Trip Leader for more details:

Luther Wallis lew89@comcast.net

BICYCLING

Sat., May 5. Chatham Stage Harbor, Cape Cod, Mass. Scenic ride about 30 miles starting at the Cape Cod Rail trail in Dennis. Lots of scenery along the way including Stage Harbor and Coast Guard station in Chatham. Lunch break in Chatham at local venue. Easy pace between 12-15 mph. Helmets required. Start time is 10:00 AM, tires pumped and ready to ride. To register for this ride, contact the leader, Jeff Hyman at 774-521-9235 or email at jsh17@comcast.net. L Jeffrey Hyman (Jsh17@comcast.net) CL Joe Tavilla , R Jeffrey Hyman (Sandwich, MA 02563, 617-930-4029 8am-8pm, jsh17@comcast.net)

Sat., May 19. Rochester-Marion ride, Saturday, May 19th, Rochester-Marion ride, 9am start. Around 33 miles over flat terrain. Beautiful lakes, ponds and ocean scenery. From Rochester We'll head to Marion with great views of the Weweantic River, Sippican Harbor, Buzzards Bay, Kittanset Golf Club and the ponds in Rochester. Near the end of the ride We'll stop at the Robins Nest for ice cream. Easy 12-13 mph pace. Please have tires pumped and bike ready for the 9:00 AM start. Helmets required. To sign up and get directions to the start, contact the leader, Jack Jacobsen at 508-353-3708 or email at trailschair@amcsem.org Contact leader for start exact location. L Jack Jacobsen (508-353-3708 8:00AM-8:00 PM, cyclejac51@yahoo.com, Long time AMC bike leader xtordinary.)

CAPE HIKES

Thu., May 3. Hike Quashnet River, Falmouth / Mashpee. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About ½ of the hike will be on moderate rolling terrain. Arrive at 9:45 for a 10:00 AM start. From the Mashpee Rotary take Rte. 28N towards Falmouth. Follow Rte. 28 for 2.1 miles to a right on Martin Rd. (just after crossing the Falmouth town line). Parking is in a small lot or along Martin Rd. L Deborah Hayden (508-274-2820 before 9 PM, shaferhayden@gmail.com)

Sat., May 5. Hike Moraine Trail Hike, Falmouth, MA. Nine mile, 5-hour, moderately difficult, one-way, hike along moraine and pond with lunch stop. Meet in Goodwill Park in Falmouth at 0915, and we will carpool at 0930 to the hike start at 1000. Bring lunch, water, and your favorite tick prevention. Poison ivy is also found along the trail. Hike cancelled if rain. Please phone or email leader if any question about cancelling due to weather. From Mashpee rotary, take Rt. 151 west 3.4 miles to Left at Sandwich Rd. Go 3.7 miles and turn Right on Brick Kiln Rd at light, and go 0.9 miles and turn Left on Gifford St at light.. After 1.1 miles take a Right to enter Goodwill Park and follow road 0.3 miles to parking. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., May 10. Hike--Great Neck Preserve, Wareham, MA. This 4 mile, 2 hour hike in the Great Neck Preserve in Wareham is on wooded trails through New England Forestry Foundation and Wildlands Trust lands. There are several hills and some wet areas. Hikers will pass a sheep farm, see Swan Pond, and have views of marshes with Buzzards Bay in the distance. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 3rd year Level I SEM/Cape hike leader with WFA training) L Jane Harding (janeharding@comcast.net, Jane is Cape Hike chair for AMCSEM with over 4 years of hike leadership experience.)

CAPE HIKING

Sun., May 13. Hike Santuit Pond and River - Barnstable - Mashpee, Barnstable, MA. Hike along woodland trails around Santuit Pond and River past a newly refurbished herring run and hopefully find some Bird's Foot violets in bloom around a cranberry . Celebrate Mother's Day by hiking this scenic area. Take mid-cape highway to Exit 5 (Rte 149) and turn South to Rte 28. Turn R on Rt. 28 and follow to R on Santuit-Newtown Rd. Go 0.8 mile to yellow gate on L; park on grass along edge of road. Meet at 12:45 pm. L Nancy Wigley (508-548-2362, nrwigley@verizon.net) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Thu., May. 17. Hike -Mashpee-Mashpee River Woodlands (C3C), Mashpee Neck Rd, Mashpee, MA. Wooded walk along Mashpee River. Take Orchard Rd. off Rte.28 to end. Turn R. then quick L onto Mashpee Neck Rd. Go 1.1 miles to Mashpee River Woodlands Pkg.Lot on R. Meet at 9:45AM. Hike 10 am - 12 pm. L Farley Lewis (508-775-9168 Before 9 PM, farlewis@comcast.net)

Thu., May 24. Hike Long Pond, Falmouth, Goodwill Park, Falmouth, MA. Traverse Falmouth's Town Forest on rolling wooded trails. Enjoy scenic views of Long Pond, Grews Pond and Angel Mirror Pond. The Angel Mirror Trail, a relatively new trail, has some steep, narrow sections. Sturdy shoes, layered clothing, plenty of water, snacks, sunscreen and tick repellent are strongly recommended. Be aware that the Cape is a known tick habitat. Poison ivy is abundant in the woods and along the sides of the trail. Meet promptly at 9:45 for trail talk and introductions. This hike begins in Goodwill Park at 10 AM. We will hike approximately 2 1/4 hours, about 4 1/2 miles. It is rated B3C, moderate pace, average terrain. A picnic lunch follows the hike. Please bring your own sandwich, and drink plus a salad, side or dessert to share with the group. Questions, call leader Cathy Giordano 508-243-3884 Directions - From Bourne bridge (Cape side) - Rt, 28S to Brick Kiln exit From Rt. 151 W (near the end) to Rt. 28S to Brick Kiln exit Then bear left off exit ramp. Travel 1.2 miles. Turn R at traffic light onto Gifford St. for 1.1 miles. Look for anchor chain fence on right. Turn right into Goodwill Park. Continue on paved road. Park in lot on right near Grews Pond and covered picnic area. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

EDUCATION

Sat., May 5-6. Wilderness First Aid Two Day Workshop, Foxboro Recreation Department Rec Hall, 68 Mill Street, Foxboro, MA 02035. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6 pm, RedDougG@aol.com)

HIKING

HIKING

Thu., May 10-10. Thurs. Morning 10:00 AM Blue Hills Hike, Blue Hills Reservation, Milton, MA. Hike the Skyline Trail for its great workout. This is a trail that goes up & down a number of steep hills, with rocky and uneven footing. We do the S-N skyline loop that takes us around 1 ½ - 2 hours, and then continue for another 1 ½ -2 hours in and out to Buck Hill. Hiker has the choice of opting out after completing the n-s skyline loop at ranger station. Moderate pace. Around 6-6.5 miles total. L Sui-Wen Yang (617-417-0757, linsuiwen4@gmail.com)

Sat., May 12. Intro to hiking and Backpacking workshop, 68 Mill Street Foxboro (F. Gilbert Hills State Forest). Classroom session for those interested in learning about hiking and introduction to backpacking skills for those interested in expanding their hiking into overnight backpacking trips. Class to focus on gear and skills required for single and multi-day excursions. L George Danis (339-236-0597, danisdad51@outlook.com) L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.)

Sat., May 12. 8-mile woodland hike in the Blue Hills, Blue Hills. This year our annual spring woodland end2end hike traverses the Blue Hills from North to South. We hike from Shea rink to Donovan elementary school. Other than a short but steep climb up Buck Hill and a long and gentle descent off Buck Hill we will stay in the woodland valleys and hike along flat or gently inclined trails. The total distance is 8 miles and we will hike at a moderate pace ideal for walking and talking at the same time. There will be brief but frequent stops along the way. This popular hike is limited to 24 people so register early to avoid being waitlisted. Some highlights include the site of the winter carnival, amazing views from the top of Buck Hill, an abandoned portion of Old RT 128, a leisurely break at Houghton's Pond concession stand (here soups and sandwiches are available for purchase), relaxing waters at the pier on Ponkapoag Pond and a horse bridge with a history. Since we are keeping to lowlands, heavy rain or flooding will cancel. Also, one of the leaders, Paul, will have his well-behaved dog with him. L Paul Brookes (603-799-4399 After 9am and before 8pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) Thu., May 17. Stepstone Falls and More Hike. This loop hike starts off on a gravel road, taking us downhill to the Ben Utter Trail. We then follow the Falls River, passing along the way remnants of a gristmill and a sawmill, signs of times gone by. Once we reach Stepstone Falls, we will take a snack/early lunch break, then return to the beginning of the trail. We will continue our walk on the Escoheag Trail. This section includes a gradual uphill through hardwood forests, reaching a renovated stone pavilion before we return to our cars. Total mileage approx 6 miles. IT IS STILL HUNTING SEASON IN ARCADIA, FLUORESCENT ORANGE IS REQUIRED UNTIL 5/31. L Peggy Qvicklund (774-893-3011 before 9 pm, qvickan@comcast.net)

Thu., May 24. The 2nd Annual Wilson Mountain Lady's Slipper Hike, Wilson Mountain/Whitcomb Woods - Dedham/Needham line- Route 135. Lady's Slippers galore! In a good year there are hundreds on both sides of the well marked trail to the summit of Wilson Mountain on the Dedham/Needham line. Easy access off Route 128. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. There are well marked trails to the summit of Wilson Mountain on the Dedham/Needham line. Managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, gazebos. Total hike is 5 - 7 miles at a moderate pace. Bring water snacks/lunch, sturdy footwear. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net) CL Walt Granda (508-999-6038 Before 8:00 pm)

(FT) (NM) Thu., May 31-31. Thursday Morning Hike - World's End (C3C), World's End, Hingham, MA. World's End (C3C). Meet at 10am, \$6 pp non-Trustees members. Moderate 4-5 miles. Explore unique peninsula in Boston Harbor with stunning views, hilly, carriage ways and rocky paths. There could be muddy sections. Wear layers, wind protection, good shoes suitable for weather and conditions. Bring water, snacks/lunch. Directions at <http://www.thetrustees.org/places-to-visit/greater-boston/worlds-end.html>. L Eva Das (borsody@gmail.com)

Fri., Jun. 1-3. HIKING WEEKEND AT THE (LOW) HARVARD CABIN WITH BOSTON CHAPTER, Harvard Cabin (the low one, on route 16 between North Conway & Pinkham Notch). This is a joint Boston H/B and SE Mass chapter trip. Using the historic Harvard Cabin (the low one, on Rt. 16) as our base, we will set out on hikes in the Pinkham Notch or nearby area. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants abilities. On Saturday, we will likely offer two options if the group fills: one moderate/easier 4,000 footer mountain and one moderate/more strenuous 4,000 footer. On Sunday, we might go for another 4,000'er or often we opt for a shorter hike on the way home (perhaps a 52 With A View peak). You will help us as we prepare breakfast, a post-hike happy hour and dinner on Saturday and a breakfast on Sunday. Trip fee of \$80/members and \$85/non-members includes two breakfasts, one dinner, and happy hour snacks (planned and shopped for by the leaders, but prepared and cleaned up with the help of all participants). Boston H/B leaders: Erika Bloom and Claudine Kos. SE Mass leader: Leslie Carson. SE Mass coleader; Ken Carson. For those on the Boston REGI system, please register through REGI. Sat., Jul. 14. Map and compass for beginners (Sat), Blue Hills. Come learn basic navigation skills using a map and compass to find your way. In this indoor and outdoor class, you'll learn the parts of a compass, how to read a topographic map and how to use them in tandem. You'll also learn some basic orienteering skills such as how to bushwhack from one trail to another by following a bearing. The Saturday after the workshop (July 21) there will be a directed hike & bushwhack, for class participants only, where you will have an extended opportunity to practice the skills you learned in the workshop. All activities will take place at the Blue Hills Reservation. No prior skills required for the class session on the 14th. To participate in the activities the following Saturday you will need appropriate hiking gear including sturdy boots for the bushwhack and be able to hike approximately 4 miles with a day-pack. Participants will need to come to class with a sighting compass. Prior reservation is required, and class size is limited to promote small group learning. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. View from the Chair: What's NEW!

This month I thought I would highlight some things that are new and exciting about your chapter, so here goes:

- **Membership** – For the first time since the founding of the Southeastern Massachusetts Chapter 42 years ago, the membership has now exceeded 4,000 members. While we are still one of smaller of the twelve organized chapters from Maine to Virginia, we are one of the most active! Many thanks to our great leaders who put on amazing events for our membership.
- **Chapter Retreat** – This year marks a first. We are replacing our White Mountain Chapter Hut weekend with our Chapter Retreat, to be held September 21-23 in Sandwich on the Cape. We are offering lodging, meals, and several activities for a very reasonable price. Best of all, you don't have to drive four hours to get there! Activities include hiking (easy, moderate, long), paddling, and biking. In addition, we have several other events planned, such as mini-seminars (photography, map and compass), climbing wall, zip lining, pontoon boat rides, yoga, and, of course, campfires. See more about the retreat in an article in this newsletter.
- **Young Members Group** – I am pleased to announce the formation of a Young Members Group within our Chapter, Chaired by Susie Schobel. The first social/organizing meeting will be held on June 14 at 7 p.m. at the New World Tavern in downtown Plymouth. This group is for 20's, 30's, and the "Young at Heart," so all are welcome.
- **Flat Water Paddling** – Newly elected paddling Vice Chair, Luther Wallis, has initiated a series of after work mid-week paddles for both kayaking and canoes. The next paddle is scheduled for June 12th at the NIP in Bridgewater, MA. If you have a place you would like to paddle after work, let Luther know.

These are just a few of the exciting things happening in YOUR SEM chapter. If you don't see an offering that suits your desire to get outside, let me know and we'll see if we can set something up.

Hope to see you outside soon!
Barry Young,
AMC-SEM Chapter Chair

Spring cycling: Pedals and petals

Written by Paul Audet

On a beautiful sunny spring day, six riders enjoyed a 21-mile ride through Westport and Dartmouth, MA. Temps were in the 60s with a light breeze. We rode past farms with stone walls, conservation land, the Westport River and the Slocum River. There were a few challenging hills—"Handy Hill" in particular, which seems to find its way into most of Jeannine's rides. Our group stopped at Parson's Preserve, part of the Dartmouth Natural Resources Trust, to view the beautiful daffodil fields and the rapidly moving waters of the Slocum River.

With Slocum River in background, cyclists Jeannine Audet, left, Nancy Durfee, Barbara Gaughan, Deb Varrieur, Johanna Vanstrein. *Photo by Paul Audet*

Two weekend get-aways in June!

We have two opportunities coming up to get away for a weekend outdoors.

June 1-3, is our hiking weekend with the Boston H/B Chapter to the (low) Harvard Cabin on route 16 between North Conway and Pinkham Notch, NH. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants' abilities.

June 8-10, is the SEM/NH Inter-Chapter Backpack Trip to the Mt. Greylock State Reservation. We'll hike Mt. Prospect, Mt. Williams, Mt. Fitch, and summit Mt. Greylock for a total of 13 miles with elevation gain/loss of 3050 feet. We'll camp out overnight. Hiking experience and appropriate gear is required.

See the Activities listings for more information and registration details for both trips!

Red-Lining reveals the beauty and variety of the Blue Hills Reservation

Written by Susan Drew

(Sue just completed her first year hiking with AMC-SEM and has been active in Thursday evening Red-Lining.)

The Blue Hills Ski Area. For many, this is all they know of the Blue Hills. Few ever venture any farther.

I am grateful to the AMC and to the Red Line hiking group for showing me that the Blue Hills Reservation is so much more. Red-Lining refers to walking every inch of every trail in the park and tracking it on an official Blue Hills Reservation map.

The 125 miles of maintained trails through the park offer a true rural sanctuary. The very name “Blue Hills” summons up images of skiing and rocky hilltop climbs. True, these things do exist and in fact form the

cornerstones of the reservation. Yet each trail offers something different, if you dare to delve into them and wander.

Sue receives her Red-Lining patch from Joe Keogh.

You may be surprised to find sun-drenched meadows, freshwater ponds, tree-shaded trails carpeted with soft pine needles, grassy hills, lowland marshes, and flowing streams. I’ve witnessed stunning scenic views, crimson sunsets, heard tales of local regional history and caught the occasional glimpse of moonglow across the surface of a pond.

Why did I join AMC? The short answer is that I admire the club philosophy. I knew I liked hiking and the outdoors. Still, I was hesitant. Would I be able to keep up? Could I climb the hills? Could I walk the miles? I learned that the Red Line hikes welcome everyone and are structured to start easy at the beginning of the season and work up to the more difficult trails. I enjoyed hearing accounts of previous hikes and about the friendly and entertaining group of hikers. This was the motivation I needed.

Boardwalk over the bog. *Instagram photo by wikebaby.*

At first, I couldn’t imagine myself walking every inch of every trail in the park. I frankly thought this was nuts! My only goal was to get exercise outdoors and meet some new friends. Nevertheless, over time I realized that “Red Lining” is a clever idea for providing a more compelling and motivating activity, and many of my fellow hikers were participating. It became clear to me that this was an achievable goal, and I wanted to see for myself if I was capable of attaining it.

I finished my Red Line in November of last year. To finally achieve this milestone is very satisfying. I feel privileged to have a unique and intimate knowledge of the Reservation and to belong to a group of truly awesome people who collectively care for and respect this little piece of wonderland.

A smiling Ralph Jensen enjoys a quiet paddle with the SEM Paddling group. *Photo by Barry Young*

New Flat Water Paddling Group

Written by Barry Young, Chapter Chair

Newly elected Paddling Vice Chair Luther Wallis has initiated a series of after-work mid-week paddles in Bristol and Plymouth counties. These paddles are suitable for both kayaks and canoes and are also suitable for all skill levels of paddling.

Recently kayakers enjoyed an early evening paddle on Lake Rico in East Taunton, bordering Massasoit State Park. The next flat water paddle will be held June 12th at Lake Nippineckit—"The Nip"—in Bridgewater, MA. For details, see the event currently listed on our website and stay tuned for more paddles to come.

Karen Singleton and Ken Jones enjoy a Paddling adventure on Lake Rico. *Photo by Barry Young*

Volunteer of the Month: Barbara Gaughan

Written by Bernie Meggison Biking Chair

Each month the SEM recognizes one of our amazing volunteers. We are thankful for the wonderful people who donate their time and energy to organize events and activities and lead terrific trips. This month the Biking Committee recognizes Barbara Gaughan for her continuing contributions.

We have a woman within our midst who exemplifies a perfect team player, willing to step up to the plate whenever needed, and an organizer extraordinaire! Barbara's recent performance at our Open House was awesome, keeping the biking events and bikers together. To Barbara, a well-deserved, "Hip, Hip, Hooray!"

Thank you, Barbara, for all you do! Barbara will receive a Volunteer of the Month Certificate and a \$50 gift card.

Bring your bikes!

BICYCLING

Tue., May. 29. Road Cycling - Sunset and Full Flower Moon Ride, Massachusetts, Cape Cod. - 22+/- Miles & 2+ hours. Flats & wind with hills in Sagamore Highlands. Start time: about 2 hours prior to sunset. Registration required. Contact leader paulbcurrier@comcast.net We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff. Return to the recreation area and along the canal to Buzzards Bay for sunset at Mass Maritime or perhaps from Three Mile Outlook. We'll return along the canal for a flowery moonrise over the Sagamore Bridge Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. - Full Flower Moon - In most areas, flowers are abundant everywhere during this time. Other names include the Full Corn Planting Moon, or the Milk Moon. Lights strongly suggested. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Sat., Jun. 2. Daily Brew coffee bike ride, Sandwich, Ma, 9:30 am. Start at the Sandwich marina parking lot opposite the Coast Guard Station. We will ride the Cape Cod canal through Monument Beach and stop at the Daily Brew coffee house in Pocasset . Return via ocean views in Pocasset and Monument Beach. Pace will be 12 -15 mph, Helmets ARE required. Distance about 30 miles and return about 1:00 pm. Any questions please contact Jeff Hyman at 774-521-9235. Please arrive at 9:15am to sign in, have tires pumped, water bottles and ready to ride at 9:30. L Jeffrey Hyman (774-521-9235 9am-8pm, jsh17@comcast.net), R Jeff Hyman (774-521-9235 9am - 8pm, jsh17@comcast.net)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.

Always looking for additional hike leaders! Contact hikingchair@amcsem.org.

(FT) (NM) Thu., May. 31. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 13th year of the Red Line series! L Joe Keogh (jpkeo24@gmail.com) L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Michael Swartz (swartz@brandeis.edu), R Sue Svelnis (781-849-9299 before 9 pm, suesvelnis@gmail.com)

(FT) (NM) Thu., May 31-31. Thursday Morning Hike - World's End (C3C), World's End, Hingham, MA. World's End (C3C). Meet at 10am, \$6 pp non-Trustees members. Moderate 4-5 miles. Explore unique peninsula in Boston Harbor with stunning views, hilly, carriage ways and rocky paths. There could be muddy sections. Wear layers, wind protection, good shoes suitable for weather and conditions. Bring water, snacks/lunch. Directions at <http://www.thetrustees.org/places-to-visit/greater-boston/worlds-end.html>. HIKING

Fri., Jun. 1-3. HIKING WEEKEND AT THE (LOW) HARVARD CABIN WITH BOSTON CHAPTER, Harvard Cabin (the low one, on route 16 between North Conway & Pinkham Notch). This is a joint Boston H/B and SE Mass chapter trip. Using the historic Harvard Cabin (the low one, on Rt. 16) as our base, we will set out on hikes in the Pinkham Notch or nearby area. This rustic cabin has an upstairs sleeping loft (sleeping bags/pads on a shared floor space), an outhouse, cold running water. Simple but fun! Exact hikes will be determined Friday night depending on leaders and participants interests, latest weather/trail conditions reports, and participants abilities. On Saturday, we will likely offer two options if the group fills: one moderate/easier 4,000 footer mountain and one moderate/more strenuous 4,000 footer. On Sunday, we might go for another 4,000'er or often we opt for a shorter hike on the way home (perhaps a 52 With A View peak). You will help us as we prepare breakfast, a post-hike happy hour and dinner on Saturday and a breakfast on Sunday. Trip fee of \$80/members and \$85/non-members includes two breakfasts, one dinner, and happy hour snacks (planned and shopped for by the leaders, but prepared and cleaned up with the help of all participants). Boston H/B leaders: Erika Bloom and Claudine Kos. SE Mass leader: Leslie Carson. SE Mass coleader; Ken Carson. For those on the Boston REGI system, please register through REGI. For those in SEM not on REGI, please contact Erika Bloom (email preferred). L Erika Bloom (508-951-1001 before 9 PM, erikabloom1234@gmail.com) L Leslie Carson (lrc929@comcast.net) CL Ken Carson

Sat., Jun. 2. White Mountain Summer Hiking Series Kick-Off Hike. Want to hike the mountains of New Hampshire, but don't know how to start. Wish you had a group of trained, experienced, hike Leaders to teach you everything you should know to hike safely? Here you go.. The SEM Chapter is offering a 'Summer Hiking Series', during which we will take you from 'What you need to know' to the summit of a NH 4800 foot peak. The series starts June 2nd, with a training hike at the Blue Hills where, in addition to hiking, you will learn about clothing, food, equipment, conditioning. It will be followed by several New Hampshire hikes, ranging from 'Piece of cake,' to 'Boy, that was a real challenge!' On this first hike we will do a combination of hiking and learning. There will be a lot of 'up and down' hiking, to start getting in shape, while testing out our clothing and gear, and getting used to the 'flow' of a hike. Interested? Then sign up for this hike! Summer Hiking Series dates; July 7 - Mount Hedgehog 2,532', August 4 - Jennings Peak 3,460', September 8 - Mt. Moosilauke 4,802' Successful completion of each hike qualifies you for the next hike.) Registration required, contact leader to register for this hike. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.), R Robert Vogel (N. Easton, MA, vogel.r@comcast.net)

Sat., Jul. 14. Map and compass for beginners (Sat), Blue Hills. Come learn basic navigation skills using a map and compass to find your way. In this indoor and outdoor class, you'll learn the parts of a compass, how to read a topographic map and how to use them in tandem. You'll also learn some basic orienteering skills such as how to bushwhack from one trail to another by following a bearing. The Saturday after the workshop (July 21) there will be a directed hike & bushwhack, for class participants only, where you will have an extended opportunity to practice the skills you learned in the workshop. All activities will take place at the Blue Hills Reservation. No prior skills required for the class session on the 14th. To participate in the activities the following Saturday you will need appropriate hiking gear including sturdy boots for the bushwhack and be able to hike approximately 4 miles with a day-pack. Participants will need to come to class with a sighting compass. Prior reservation is required, and class size is limited to promote small group learning. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. Free Bike Safety Checks from AMC-SEM

By Bernie Meggison, Biking Chair

On Saturday, June 16, I started the first AMC-SEM complimentary bike safety checks program. It was at the starting point parking lot on the Cape Cod Rail Trail in Dennis. Time frame: 9 a.m. to 1 p.m.

Thirty-nine bikes were checked for general safety issues: brakes, tires, shifting and bearings on the handle bars, pedals etc. In general, it was total success. Many people were interested to learn about AMC. I had a supply of our ***“Love the outdoors? Join the club!”*** flyers.

Hopefully this effort will increase the awareness of AMC—and our SEM chapter. I’ll try to perform this service one day a week on weekends at these locations:

- | | |
|----------------------|---------------------|
| Dennis Rail Trail | Falmouth Rail Trail |
| Nickerson State Park | Cape Cod Canal |

Thanks to you all for your support!

View from the Chair: Have a Great Summer—Outside!

Summer is officially here and that’s when most people think about being outside. We have a full line-up of hikes—local hikes like our Red Line the Blue Hills series and, of course, the more challenging hikes up north in the “Whites” or out in the Berkshires. Several paddling trips on the Cape and some exciting destination bicycle rides are also coming up. Check out our activities [on our website](#).

When you go on an AMC event this summer, why not ask a friend to come along? Hopefully, your friends will have a good time and will want to join the club, but AMC membership is not necessary to go on our hikes, bike rides, and paddles.

While we have several activities going on this summer, the Executive Board will be taking a brief break from our monthly meetings. *The Breeze* will not be published in July and August, but please continue to send your articles and photos to [the Breeze editor](#) so everybody can read about “How I spent my summer!” when we publish again in September.

This fall we will hold our first ever Chapter Retreat! Join us September 21-23 at Camp Burgess in East Sandwich for a weekend of biking, hiking, paddling, and socializing with some of the finest outdoor enthusiasts around, your fellow SEM members. Just think, you can take a bike trip, hike a trail, **and** paddle a kayak/canoe **all in a single weekend** and all in Southeastern Massachusetts. Plus we’ll throw in several special events and a couple of evening campfires, too. Further details can be found in [the trip listing](#).

Hope to see you outside!

Mt. Monadnock hike via uncrowded Pumpelly Trail doesn't disappoint

By Paul Miller, Communications Chair & Hike Leader

At 4.4 miles each way, the Pumpelly Trail is the longest route up to the 3,165-foot summit of Mt. Monadnock. But it's also one of the least crowded routes and arguably the most scenic.

Rather than starting from the often-bustling park headquarters off Poole Road in Jaffrey, NH, the Pumpelly trailhead is at quiet Dublin Lake on Lake Road in nearby Dublin, NH. The trail starts out very gently through some pretty woods on Wildland Trust property, but eventually starts climbing steeply up to the Pumpelly Ridge. From there it keeps poking up above tree line, offering "teaser" views to the still-distant Monadnock summit.

Nice views from the summit! *Photo by Dio Goncalves*

Eventually, after passing the intersection with the Cascade Link and Spellman Trails, the Pumpelly Trail breaks free of the tree line. The dramatic views in several directions include one up to the summit, upon which many hikers can often be seen milling around. After passing several other trail intersections and alpine bogs, hikers finally start the final approach to the summit. Some steep and rugged sections include a few fun scrambles.

On Saturday, June 16, Walt Granda, Anne Duggan, Peggy Qvicklund, and I led seven other AMCers from the SEM and Boston Chapters up the Pumpelly Trail to the summit of Grand Monadnock. The weather was beautiful, the views excellent (as promised), and the trail uncrowded until we approached the summit. As could be expected on a nice day such as this, the summit was swarming with dozens of hikers of all shapes, sizes, and ages...who all appeared to be on a natural high.

Approaching a major trail intersection on the Pumpelly Trail. *Photo by Dio Goncalves*

We took in the expansive views and hungrily consumed our lunches on the summit, before heading back down to the trailhead. We descended via the same route, which in this direction offers nice views down to Dublin Lake for much of the way.

Discoveries at World's End

Photos by Ken Cohen

Thursday, May 31, was a near-perfect weather-day for our five-mile hike at World's End in Hingham. Leader Eva Borsody das, Ed Fopiano, and I had a very scenic, moderate to fast-paced trek. (I presume many of the usual Thursday participants were well into the Thursday cycling series.) The Thursday hikes will resume in September.

Additional AMC Fall Outdoor Events

If you can't join us for our own [Southeastern Mass. Chapter Retreat on Cape Cod](#), Sept. 21 to 23, you may want to consider two other outdoor options:

The AMC [Fall Hiking Week](#), Sept. 28-Oct. 5, at Woodward's Resort in Lincoln, NH. This event is being put on by our friends at the Connecticut AMC Chapter. There will be several guided hikes each day, ranging from easy to challenging. Last year they offered a total of 38 hikes over the week. All meals are included, as well as afternoon tea & cookies and pre-dinner social hour snacks/appetizers. Stay for the week or a few days. For registration information, a tentative hike schedule when it's available, and any other information, please visit www.fallhikingweek.org. Registration deadline is Aug. 31.

The Connecticut chapter is also hosting an AMC [Fall Gathering](#) Oct. 12-14 in Woodstock, CT. Camp Woodstock on the shores of Black Pond offers heated cabins, unheated yurts, and a campsite with parking close by. Numerous hiking, biking, and paddling activities will be led by experienced local leaders. Additional activities will be offered at camp, and there are nearby sites for daytime touring. See details and registration [information here](#).

Maureen Kelly, left, Len Ulbricht, and Jeannine Audet on Owl's Head summit June 23, 2018. Maureen completed her 47th 4000-footer and Len his XLVIII-th. *Photo by Jeannine Audet.*

Speak Up for Conservation!

Campaign for renewal of the Land and Water Conservation Fund (#SaveLWCF)

The Land and Water Conservation Fund (LWCF) is a visionary and bipartisan federal funding program for protecting our nation's most special places. From Sterling Forest in the New York Highlands, to White Cap Mountain in Maine, to the Appalachian National Scenic Trail, LWCF has funded the protection of some of our most iconic landscapes and trails in the Northeast.

In December of 2015, after briefly allowing the LWCF to expire, Congress reauthorized the Land and Water Conservation Fund for three years. Now the clock is ticking down once more, with just three months to go until LWCF expires again on September 30, 2018. As a leader within the nationwide LWCF Coalition, AMC is calling on our elected officials to permanently reauthorize LWCF and provide full and permanent funding to unleash the true promise of this critically important conservation and recreation program.

AMC Voices are Needed!

Countless AMC outdoor trips have been hosted in places protected by this program, many of which may still be private property or would have been lost to development if not for LWCF. But one reason LWCF is threatened with expiration is that most people do not know its role in protecting the places they love. So, this year we are shining a light on this unsung hero of conservation!

For the year leading up to September 30, 2018, AMC and our LWCF Coalition partners launched the 52 Weeks Campaign to celebrate and feature every place that we could that has benefited from LWCF funding. This is a great opportunity to get outside to these places and share what you now know about LWCF. Encourage people to communicate with their elected leaders about permanent reauthorization of the fund.

Call to Action:

1. Schedule or attend a trip on LWCF-protected land between now and September 2018.
2. Share photographs on social media using the hashtag: #SaveLWCF.
3. Speak up by going to the [Action Center](#) on Outdoors.org and sending a letter on LWCF to your Members of Congress. Use the drafted sample letter to get started. We will also be keeping our #SaveLWCF webpage up to date with current news, events and ways to get involved:

<http://www.outdoors.org/articles/blogs/conservation/save/wcf/>

2018 AMC Teen Trail Crews Open

It's not too late to sign up for an AMC Teen Trail Crew this summer! We have a variety of crews still available from the Delaware Water Gap to northern Maine. Sign up for a week-long crew or one of our 2-Week programs. We have base camp and backcountry crews to choose from to match up any experience level or interest. These volunteer trail crews also qualify for community service and provide up to 40 hours of service per-week! Check out the [full list of programs](#) and sign up today!

Sign-ups still open for AMC Teen Wilderness Adventures

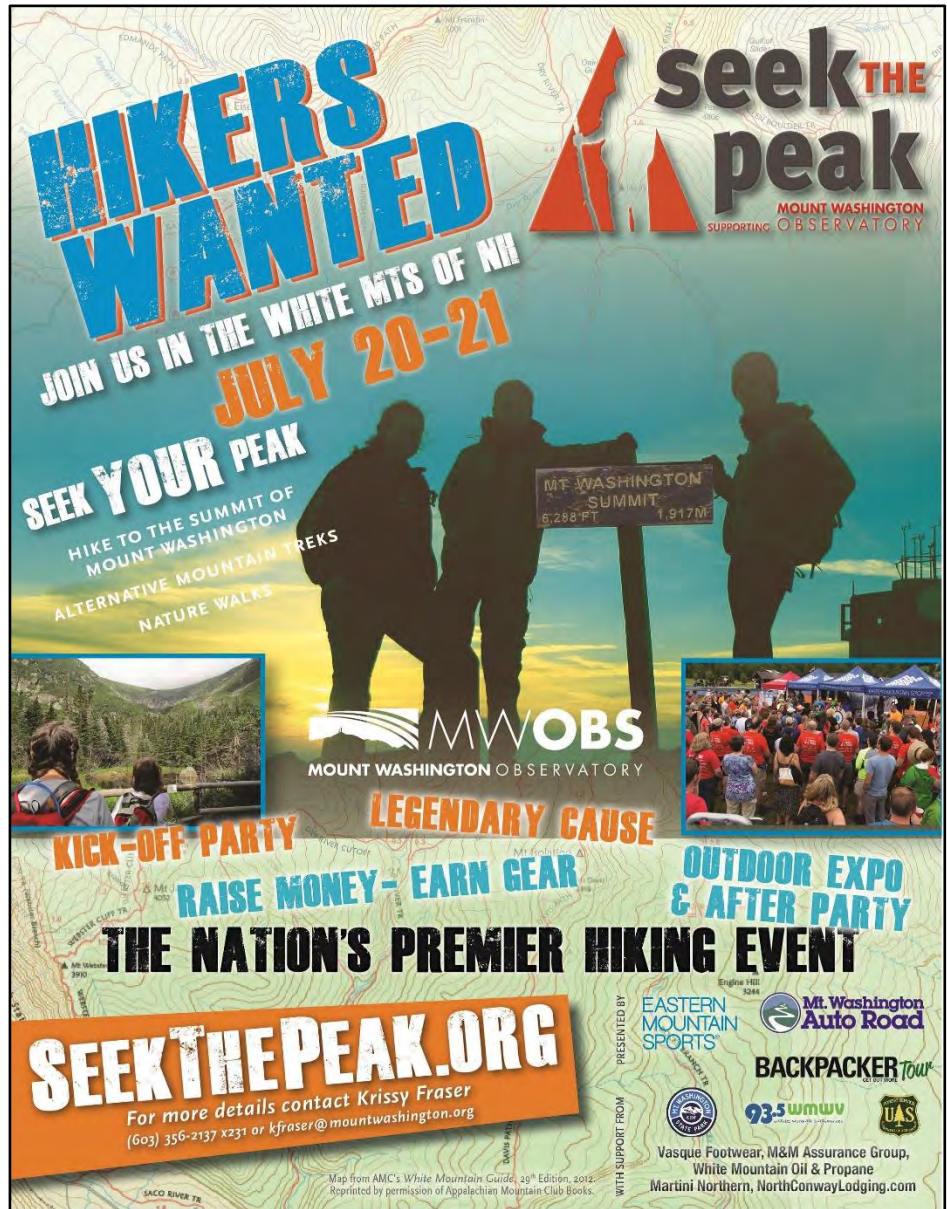

It's not too late to sign up your teen for an AMC Teen Wilderness Adventure! Are they interested in spending time on the water this summer? We have many different paddling programs, including multi-sport, canoeing, and whitewater kayaking! Check out our [teen paddling programs](#).

Volunteer Crew Vacations in New Hampshire and Maine

Looking for an exciting vacation opportunity where you can give back to some of the northeast's most iconic locations? Join an AMC Volunteer Trail Crew in the White Mountains or Cardigan Mountain in NH, or Baxter Park, Acadia National Park, or the 100 Mile Wilderness Area of ME.

These crews are open to all 18 and older and can match any experience level. The crews are an excellent way to have fun, meet new people, and give something back to the places you love. Check out the [full list of programming](#) and sign up today!

BICYCLING

Sun., Jun. 24. Great Adventure Ride #2. Start 10:00 AM--Explore the scenic, hidden Cape Cod. Traverse Punkhorn, Nickerson, Bells Neck and more on quiet paved roads, sidewalk bikeways, dirt roads. Larger tire bike or mountain bike recommended. This is a relaxed pace ride with lunch stop--bring your lunch, water, snacks. Approximately 20 miles-- 3 hours+/- This ride is a large loop, self-contained ride; bring necessary equipment to sustain your cycle. We will not be near services. This is a No Drop ride. Start Dennis Senior Center, 1045 MA-134, Dennis, MA 02660, Route 134 and Setucket Road -- Park away from building. Arrive 9:45 for 10AM start. L Paul Corriveau (508-362-0451 8:00 AM-8:00PM, paulcorri@gmail.com, Long long time MTB'r These trips are always exciting. Lots of hidden places and the great outdoors.)

Thu., Jun. 28. Sunset and Full Strawberry Moon Ride. - 22+/- Miles & 2+ hours. Flats with hills in Sagamore Highlands. Start time: 2+ hours prior to sunset. Registration required. Contact leader paulbcurrier@comcast.net. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands. Back to and along the canal to Buzzards Bay for sunset at Mass Maritime. We'll return along the canal for a strawberry moonrise over the Sagamore Bridge. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice; lights if you have them. Cancellation/rescheduling sent to registered riders only. "Full Strawberry Moon-June"—this name was universal to every Algonquin tribe. However, in Europe they called it the Rose Moon. Also because the relatively short season for harvesting strawberries comes each year during the month of June, so the full Moon that occurs during that month was christened for the strawberry! L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Sun., Jul. 1. Gravel Adventure Ride #3—Start 10:00 AM--A mixed terrain tour featuring scenic bicycle sidewalks, quiet paved roads, dirt roads, cart ways and trails. See Princess Beach, Ye Olde Stoney Brooke Cart Way, Hayes Conservation and more. Relaxed pace, No Drop ride. Bring water, lunch, snacks. Carry necessary equipment to sustain your cycle also--tubes, etc. No services available. Approximately 20 miles--3 hours +/- . This ride is a loop. Larger tire bike (mountain bike, cycle cross, hybrid, gravel bike, etc.) is necessary. Tire size 1-1/4 (32mm) or larger recommended. Start Dennis Senior Center, 1045 MA-134, Dennis, MA 02660 Route 134 and Setucket Road--Park away from building. Arrive 9:45 AM for 10:00 AM start. Register for updates, weather, cancellations, etc. L Paul Corriveau (508-362-0451 8:00 AM--6:00 PM, paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF) bicycle routes.)

Sat., Jul. 21-21. Osterville Village Day Bike Ride, Barnstable (Cape Cod) MA. Ride Leader: Joe Tavilla silverski6184@comcast.net 508 450 1934 Start time: 9:00 AM Distance: 35(+/-) miles Terrain: Flat, rolling terrain, small hills Start Location: Osterville MA - Contact ride leader for details Ride Description: This is a "Follow-The-Leader" style ride. We will ride together at a group pace with occasional scenic view and water stops. The ride will be on the less traveled Cape Cod roads thru the villages of Osterville, Centerville, Craigville, Hyannis, and Hyannisport. Riders will visit several beaches and the Points-Of-Interest listed below. The ride will end in time for all to enjoy the activities, food, music and classic/antique automobile parade that are part of Osterville Village Day. Lunch at end of ride. Points-of-Interest: The Craigville Conference Center; Lewis Bay; the John F Kennedy Memorial; a small but exotic sports car collection; the Korean War Memorial; Osterville Village Day; the Kennedy Compound; Parade of Classic & Antique Automobiles; Hyannis Golf Club. L Joe Tavilla (508-450-1934, silverski6184@comcast.net)

(FT) (NM) Thu., June 28. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 13th year of the Red Line series! L Joe Keogh (jpkeo24@gmail.com) L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. (A3B) Sat., Jun. 30. Mount Jefferson via Caps Ridge Trail, Mount Jefferson, NH. Mount Jefferson (5,712 ft) is the third highest peak in White Mountains. It is named after Thomas Jefferson, the third president of the United States and is flanked by Mount Adams to the north-east and Mount Clay to the south. With two distinct ridges leading to the summit: Ridge of the Caps and Castle Ridge, and three glacial cirques: Jefferson Ravine, Castle Ravine and the Great Gulf, Mount Jefferson offers unparalleled vistas all around with perhaps the most striking view down the Great Gulf with the Carter Range beyond. We will ascend Mt Jefferson via Caps Ridge Trail, traverse a portion of the Presidential Ridge via Gulfside Trail and descend via Jewell Trail (approx. 8 miles). We will meet at 8:30am at the Ammonoosuc Ravine trailhead parking and proceed to the Caps Ridge trailhead by hiking Boundary Line trail and Jefferson Notch Road (2.6 miles). This is a loop hike of approx. 10.6 miles total length that we will be covering at a moderate pace over steep and challenging terrain. The caps of the Ridge of the Caps are steep and exposed sections of the ridge, which require scrambling during the ascent. THIS HIKE IS NOT SUITABLE FOR BEGINNERS and you will be asked about your above-tree-line experience when you register for it. Please contact Les lhi2015@yahoo.com to register for this hike. L Leszek Lechowicz (lhi2015@yahoo.com) L Christine Racine

HIKING

Sat., Jul. 7. North Twin Hike, White Mountains. Ascend North Twin Trail to summit of North Twin Mountain. Trailhead parking lot (fee/permit) at Haystack Road (FR 304) 2.3 miles west of Twin Mountain Village. Trail includes 3 crossings of Little River (each way) so water shoes are mandatory. Book time 3 hr, 40 min (4.3 miles) each way. Rain cancels due to river crossing. L George Danis (339-236-0597 Evenings 7-9 pm, danisdad51@outlook.com) CL Len Ulbricht

Sat., Jul. 7. Summer Series 2018 Hike #2 Mt. Hedgehog. This is the second of our Summer Hiking Series. We will be climbing Mount Hedgehog in the Sandwich Range which is north of Mt. Passaconaway. This small but rugged mountain rises between Downes and Oliverain brooks and commands views over the Swift River Valley. The UNH trail loop to the ledges of Hedgehog Mt. offers fine views for a modest effort. UNH Trail (WMNF; Map 3:J8) 4.7 mi. round trip, 1,400 ft. elevation gain. L Mike Woessner (508-577-4879, stridermw@hotmail.com, Mike Woessner is a Level 5 Hike Leader with the Southeastern Massachusetts Chapter of the AMC. He has leaded hikes in the White Mountains in all seasons for the past 12 years. Mike has completed AMC's Mountain Leadership School as well as the Adirondack Mountain Club's (ADK) Winter Mountaineering School.) Sat., Jul. 14. Map and compass for beginners (Sat), Blue Hills. Come learn basic navigation skills using a map and compass to find your way. In this indoor and outdoor class, you'll learn the parts of a compass, how to read a topographic map and how to use them in tandem. You'll also learn some basic orienteering skills such as how to bushwhack from one trail to another by following a bearing. The Saturday after the workshop (July 21) there will be a directed hike & bushwhack, for class participants only, where you will have an extended opportunity to practice the skills you learned in the workshop. All activities will take place at the Blue Hills Reservation. No prior skills required for the class session on the 14th. To participate in the activities the following Saturday you will need appropriate hiking gear including sturdy boots for the bushwhack and be able to hike approximately 4 miles with a day-pack. Participants will need to come to class with a sighting compass. Prior reservation is required, and class size is limited to promote small group learning. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. PADDLING

Sat., Jul. 28. Leader's Choice Paddle, Cape Cod. If one of my previous Barnstable Harbor paddles is cancelled because of weather, this paddle will do that one. Otherwise I'll try to pick something we haven't paddled recently. Contact me the week of the paddle for more information. PFDs are required and a spray skirt may be necessary depending on wind and wave conditions. L Ed Foster (erfoster@comcast.net)

Wed., Aug. 1. Paddle Mashpee/Wakeby Ponds, Sandwich, Maspee. Paddle 2 fresh water ponds. Lunch at end of Wakeby pond on beach. about 7 mi total Wear life jacket, bring spray skirt in case of wind, bring water & lunch. Register with leader for time & directions. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau (paulcorri@gmail.com)

Sat., Aug. 4. Paddle Lewis Bay, Lewis Bay, MA. We'll circumnavigate Lewis Bay, have lunch on Egg Island (it only appears at low tide), and perhaps explore Hyannis Inner Harbor. Arrive no later than 10:15 for a 10:30 departure. Bring water and a lunch. PFDs are required and a spray skirt may be necessary depending on wind and wave conditions. Plan on a 6.5 mile trip. L Ed Foster (erfoster@comcast.net)

CHAPTER RETREAT

Fri.-Sun., Sep. 21-23. Hike, Bike, Paddle, and Socialize at SEM Chapter Retreat, East Sandwich, Cape Cod. Come join your fellow Southeastern Mass. Chapter members at our first-ever Cape Cod Chapter Retreat weekend. We'll enjoy the 300 acres of forests, fields and fresh water ponds at the Camp Burgess Outdoor Education and Retreat Center in East Sandwich, MA. We'll offer a variety of hiking, biking and paddling events to choose from during this fun weekend, plus workshops on bike maintenance/repair and map & compass orienteering, and even a yoga session (bring your mat). Socialize with your fellow SEMers while strolling the camp grounds or at the social hour before dinner, or perhaps take a pontoon boat cruise from the camp's Spectacle Pond waterfront. For the more adventurous, try the zip line or climbing wall. After dinner, gather around a campfire to share war stories or relax in the camp's cozy lodge. There are two registration options, the full weekend Friday to Sunday, or Saturday day only. The full weekend includes two nights accommodations in gender-specific camp bunkhouses with bathroom facilities and hot showers, two breakfasts, two dinners, Saturday lunch, and two pre-dinner BYOB social hours...all this for just \$187.00 per person. Saturday-only registrants can join in any hike, bike, paddle, stay for the social hour and dinner, and close out the day by the evening campfire, for \$30.00 per person. For further information about our Chapter Retreat, contact Len Ulbricht at lenu44@gmail.com. L Len Ulbricht (lenu44@gmail.com), R Sandy Santilli (smsantilli@comcast.net)

Summer slipping away with Moonlight Paddle

By Barry Young, Chapter Chair

Ten hardy kayakers gathered August 25th for a moonlight paddle at Tispaquin Pond in Middleboro. After enjoying a traditional cookout of burgers, sausage, hot dogs, and several delicious "dishes to share," paddlers were on the water around 7:15 p.m., just in time to watch the sun set over the quiet waters. About half-an-hour later, the full moon was clearly visible as the kayakers took a leisurely paddle around the perimeter of the 200-acre pond. This paddle was part of the Chapter's new initiative of flat water paddling in Bristol and Plymouth County.

L: Kayaks are ready to launch. R: Watching the sun set over quiet waters.

View from the Chair: “We Are Growing!”

Did you know the membership of the AMC Southeastern Massachusetts Chapter has just surpassed 4000 members? AMC consists of twelve chapters from Virginia to Maine, and although we are one of the smallest chapters, we are very active, offering a variety of hikes, bicycle rides, paddling trips, ski trips, as well as opportunities to do trail work and other volunteer activities.

Check out our latest schedule of activities on our website at <http://activities.outdoors.org/search/index.cfm?grp=10> and, if you don't find something that appeals to you, send me an email at chair@amcsem.org and I'll try to find a leader to plan a trip just for you.

We have recently started a Young Members Group, and they are off to a great start. Check out their Facebook Page at <https://www.facebook.com/groups/AMCSEMYoungMembers/about> for recent and future activities.

Here is another great idea to get outside and meet some of our members: The cutoff date for reserving a bunk for our Chapter Retreat overnight at Camp Burgess in Sandwich has passed, but you can still participate in all the daytime activities on Saturday, September 22nd. This includes several hikes, bike rides, clinics, and paddles on Saturday. What could be better than spending some time outside on the Cape in the fall?

While membership in AMC is a very worthwhile way to support the outdoors, conservation, and the environment, don't just be an “armchair member”—take full advantage of your membership by participating in one of our activities!

*Hope to see you outside!

Nominations Open for Chapter Distinguished Service Award

By Barry Young, Chapter Chair

Nominations are now being accepted for the annual AMC-SEM Distinguished Service award, our Chapter's highest service award. Any active SEM Chapter member may nominate someone.

Nominees should fulfill the following criteria :

- Must be a current AMC-SEM member and have been active with the SEM Chapter for more than 5 years.
- Has significantly contributed to different committees
- Has contributed to the AMC Club in addition to committee work
- Has contributed "above and beyond" the usual SEM high level of volunteer service

The selection process is conducted by a secret vote by the Nomination Committee, which consists of previous award recipients and is coordinated by the previous year's winner. The winner of the award will be announced at our Annual meeting on November 3rd. Until then, the winner is a surprise! Winners receive a Gold Plated Sierra Cup, a certificate, and have their name added to the SEM Distinguished Service Award plaque.

If you wish to nominate someone, start gathering your facts to support your nominee and fill out the DSA Nomination Form, which you can receive by contacting the Chapter Chair (chair@amcsem.org), or look for it to be posted soon under Documents on our website.

To learn more about the award, visit our website at <http://www.amcsem.org/about.html>

AMC Nominations due November 15

Do you know an outstanding volunteer who goes above and beyond in their role? Nominate them today to receive an award at AMC's Annual Summit Celebration on Saturday, January 26, 2019, in Norwood, MA.

Volunteers are the lifeblood of the AMC. These passionate and dedicated members give more than 500,000 hours of their time each year. AMC's Clubwide Awards recognize and highlight the magnitude of their contributions to our mission.

The Distinguished Service Award recognizes AMC volunteers who have contributed outstanding efforts to the mission of the Club for a sustained period of time, and at the very highest levels. This award highlights long term commitment to enhancing and sustaining the integrity of the Club's conservation, education, and recreation values, with a special acknowledgement that the recipients have developed a complete understanding of the values and goals of the entire organization.

The Volunteer Leadership Award recognizes one or more dedicated volunteers who, in addition to contributing many hours, demonstrate outstanding passion and commitment and are instrumental to AMC's activities, programs and mission. Previous award recipients are not eligible.

The Joe Dodge Award is presented to a member who best exemplifies the type of high quality public service and mountain hospitality that were the hallmark of longtime AMC Huts Manager Joe Dodge's long and distinguished career at Pinkham Notch. The Award focuses on actions that relate to AMC activities in the White Mountains, particularly the huts and trails and Pinkham Notch.

Nominations are due on November 15, 2018. Visit outdoors.org/awards for more information, and [click here](#) to submit a nomination. We look forward to hearing from you!

Unexpected partnership tackles Falmouth Moraine Trail work

By Len Ulbricht, Chapter Vice Chair
and Cathy Giordano, Cape Hiking Vice Chair

Usually when people are asked about clearing trails in the summer, the somewhat negative response—people traveling, not enough help, ticks, mosquitos, too hot, etc.—usually means “Forget it.” This was not the case when the 300 Committee was approached about the Falmouth Moraine Trail.

Len Ulbricht and I hiked the nine-mile Moraine Trail as a possible long hike for Saturday, September 22nd, at AMC-SEM’s Retreat Weekend. This scouting exercise revealed many trees down and trails overgrown. A somewhat overwhelming task for anyone to clear!

Phone calls relayed the need for extensive trail work to Alex Zolo and Lucy Helfrich of the 300 Committee Land Trust, which has oversight responsibility for the trail. They were encouraging! “We’ll see what we can do” in

late June was followed by “We’d appreciate your help and guidance on Monday, July 16th.” The 300 Committee tapped resources from AmeriCorps of Bourne and AMC to begin a massive job of restoring the trails.

On July 16, Tarryn Szalay and her energetic group of twelve AmeriCorps people arrived at the trailhead complete with chain saws, brush cutters, hard hats, gloves, safety glasses, chaps, loppers, smiles, and an awesome attitude! Tarryn divided her team into two groups. Charlie Peterson, Trails person for the 300 Committee, led one section of trail clearing. The second group, working in another section with the majority of blowdowns, was led by the AMC-SEM Chapter’s Len Ulbricht, Chapter Vice Chair, and Cathy Giordano, Cape Hiking Vice Chair. Both groups worked from 8:30 am to 2:30 pm in 80-plus-degree heat, clearing large sections of the Moraine Trail!

It was a pleasure to be part of such a wonderful team effort! We wish we could tell you that all nine miles of the trail have been cleared, but it just was not possible, given our winter storms, very rainy spring, and limited availability of resources. So we’ll be looking for some of you to lend a hand on Saturday, Sept. 15. Register as a volunteer with Cathy Giordano cmgiordan@msn.com.

The crew from the 300 Committee, AmeriCorps, and AMC-SEM made a big start on much-needed trail work. *Photo by Cathy Giordano*

Volunteer of the Month: Jean Orser

By Ed Foster, Paddling Chair

Each month the AMC-SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Paddling Committee recognizes **Jean Orser** for her numerous contributions.

Jean is one of only four leaders who volunteer to lead eight or more trips a season, and she's done this for many years. Jean is also responsible for the pictures that go into our trip reports and that adorn the trip listings on the AMC website. She attends most of our paddles and brings a batch of freshly-baked brownies to share with all the paddlers. Without Jean we'd be running significantly fewer paddles and the ones we did run would not be as enjoyable.

Thank you, Jean, for all you do!

Jean will receive a Volunteer of the Month Certificate and a \$50 gift card.

Teach, Share, & Learn: Summit session proposals due Sept. 14

Do you have a great idea for a session at the 2019 Annual Summit? AMC's 143rd Annual Summit will be held on Saturday, January 26, 2019 in Norwood, MA. Submit a session proposal by filling out [this survey](#). All proposals are due by Friday, September 14th. If you know someone who would be a great presenter, please share the survey with them. We get our best ideas from you!

AMC's 'A Mountain Classroom' Program By Andy Muller, N. Country Youth Education Director

AMC's successful [A Mountain Classroom](#) Program (AMCR) is now providing great environmental and leadership development programming to students in schools from Maine to Pennsylvania. Serving more than 9,000 youth a year, AMCR utilizes AMC sites to engage youth in science and outdoor activities for youth development.

Through the power of outdoor experiences, A Mountain Classroom increases students' ecological understanding, inspires their personal growth, and develops community.

On a foggy, pea soup day, students climb the fire tower on the Appalachian Trail near the AMC's Mohican Outdoor Center in NJ.

Map & Compass for Beginners was an amazing experience!

By Dio Gonclaves, Communications Vice Chair

The Map and Compass class by Paul Brookes on July 14th was nothing less than an amazing experience! The course included as a training aid a 3-D model of a mountain (built by Paul himself), three hours of in-class instruction, and practice outdoors, topped off with a three-hour hike in the Blue Hills to practice our newly learned skills.

Paul was extremely knowledgeable, and his teaching style easy to follow. This made the learning experience very productive. Starting with the basics of directions on a map (N, NW, NE, S, SW, SE, E, W), and leading to different types of maps available, Paul had all the materials ready to make everything simple for beginners. After each short lesson, we gathered around in small groups to practice what we had learned.

Without question, the most impressive part of this class for me was the 3-D model of a mountain that Paul made and brought to enhance the class experience for visual learners like me. The 3-D model made it easy to understand how contour lines are created around a mountain and to easily identify the

valleys, ridges, slopes, and summits, amongst others. Overall, an amazing in-class experience followed by the best part of the day—lunch!

After three hours of acquiring all the classroom knowledge provided, we headed out in our small groups to practice our skills. Although I didn't track the distance of our short hike, it was a moderate one, which allowed us to practice the techniques Paul had just taught us. This included orienting our maps every time we reached an intersection, and being aware of our surroundings to know what to expect and what type of terrain we should be reaching ahead.

During our first bushwacking exercise, we used our compasses to follow a bearing. ("What's a bearing?" you ask. I advise you to take the next class available.) Once we had the system down, we were able to move very quickly and finally reach our destination.

On our second bushwacking exercise, we followed a contour line, trying to stay at the same elevation. In the end, this enabled us to reach our destination, which was very rewarding.

Hopefully, Paul will offer this course again sometime soon and, if so, I strongly advise all hikers and hike leaders to take advantage of this excellent opportunity to learn how to avoid getting lost in the woods through basic (but essential) map and compass skills.

Charlie Farrell, longtime AMC and SEM Member, has been involved with the project since the early concept phase. Here he unearths field stones for transport to the bridge location. *Photo by Barry Young*

Bridge building continues Sept. 18th

By Barry Young, Chapter Chair

The Southeastern Massachusetts Chapter is building a wooden foot bridge over a stream near the outlet of Dr. Durfee's Mill Pond in the Fall River BioReserve. The 14,000-acre reserve sustains the native biodiversity of the region, while offering an extensive network of trails for hiking, biking, and cross-country skiing.

The concept of the bridge project started more than a year ago, and construction started this summer. At the end of July, a work party of six AMC-SEM hardy workers began building the fieldstone abutments for both ends of the bridge.

A planned construction and assembly date was postponed due to excessive heat, and now the construction of the bridge is planned for Tuesday, September 18th. The stream bed is dry this time of year, but in the spring, there is two feet of rushing water under the bridge. If you are interested in helping to build the bridge, contact Barry Young at chair@amcsem.org.

Skip Maysles, left, and Paul Brookes, right, move field stones to build the bridge abutments at both ends of the bridge span. *Photo by Barry Young*

A hardy work crew constructs the fieldstone abutments at both ends of the planned new bridge. The old wooden single plank bridge in the photo will be replaced with a new wider bridge. Left to right: Skip Maysles, Bob Vogel, Pete Tierney, Paul Brookes, Charlie Farrell. *Photo by Barry Young*

AMC opposes power line project

By Kaitlyn Bernard, Maine Policy Manager

Recently, Massachusetts put out a request for proposals to bring additional renewable energy to the state. Central Maine Power's "New England Clean Energy Connect (NECEC)" proposal was selected through that process.

The proposal includes a transmission line project through Maine to transport HydroQuebec hydropower to Massachusetts. The proposed line would include 53.5 miles of a new 150-foot-wide cleared corridor through undeveloped forest. The remaining 91.5 miles would be co-located within existing transmission corridors, but would entail widening of the corridor and/or the installation of taller towers in many areas.

The Appalachian Mountain Club (AMC) is opposed to the New England Clean Energy Connect (NECEC) transmission line as currently proposed.

AMC has four primary concerns with this project:

- The significant scenic impact to the Kennebec Gorge, a nationally significant whitewater boating area whose value is recognized in a wide range of state laws and policies.
- The increased scenic impact to the Appalachian Trail.
- The fragmenting impact of the new corridor through undeveloped forest of high ecological value and conservation interest.
- The lack of evidence that the project will provide real greenhouse gas reduction benefits.

[You can read our full position on our website.](#)

AMC strongly believes that we need to transition away from a fossil fuel-based economy and address climate

change impacts. These efforts require a variety of tools, including increased energy efficiency and the development of new renewable energy sources. Technological advances and new market tools offer cost effective alternatives to the current large scale energy generation and long distance transmission model with its large environmental foot print. The impacts of this project and lack of evidence that it is generating new renewable energy resources are concerning. We are more interested in exploring new models including distributed energy and local renewable generation that would eliminate the need for a 145-mile transmission line.

AMC is closely following this issue and will alert interested members when there are opportunities to weigh in. We expect opportunities for public comment to be scheduled later this fall. To stay in the loop, please join [AMC's Conservation Action Network](#) or contact AMC's Maine Policy Manager Kaitlyn Bernard kbernard@outdoors.org.

Adventure Travel Leadership training Nov. 2-4 in Charlton, MA

Take your leadership skills to different parts of the world by becoming an AMC Adventure Travel Leader! This workshop provides important training to people who have AMC chapter leadership experience to transition to more complex and longer trips, domestically and overseas.

Emphasis is on planning, marketing, trip management, people skills, risk management, and reporting. Includes procedures and guidelines for researching, proposing, and leading AMC Adventure Travel trips.

Visit [this page](#) for more information and to download an application. Questions? Contact [Nancy Holland](#).

2019 Group Sales Reservations

Group reservations are open for most volunteer-led trips for the 2019 season! Group sales for the Corman Harriman Outdoor Center in New York open October 1.

To reserve group space for an AMC trip, call 603-466-8059 or email AMCgroups@outdoors.org. And, don't forget about the AMC Leader Lodging Benefits! We look forward to seeing you at our lodges and huts next year.

CHAPTER RETREAT

Fri.-Sun., Sep. 21-23. Hike, Bike, Paddle, and Socialize at AMC-SEM Chapter Retreat, East Sandwich, Cape Cod. Come join your fellow Southeastern Mass. Chapter members at our first-ever Cape Cod Chapter Retreat weekend. We'll enjoy the 300 acres of forests, fields and fresh water ponds at the Camp Burgess Outdoor Education and Retreat Center in East Sandwich, MA. We'll offer a variety of hiking, biking and paddling events to choose from during this fun weekend, plus workshops on bike maintenance/repair and map & compass orienteering, and even a yoga session (bring your mat). Socialize with your fellow SEMers while strolling the camp grounds or at the social hour before dinner, or perhaps take a pontoon boat cruise from the camp's Spectacle Pond waterfront. For the more adventurous, try the zip line or climbing wall. After dinner, gather around a campfire to share war stories or relax in the camp's cozy lodge. While it's too late to register for the entire weekend, you can still join the fun on Saturday. Saturday-only registrants can join in any hike, bike, paddle, stay for the social hour and dinner, and close out the day by the evening campfire, for \$30.00 per person. For further information about our Chapter Retreat, contact Len Ulbricht at lenu44@gmail.com. L Len Ulbricht (lenu44@gmail.com), R Sandy Santilli (smsantilli@comcast.net)

BICYCLING

Sun., Sep. 16. 25 Miles of beautiful scenic country ride, Rochester, MA. Rochester, Lakeville, Freetown Ride. 1pm start. Nice scenic 25 mile ride passing by farm land, cranberry bogs and lakes and ponds. Ice cream stop near the end of the ride at the Robins Nest. Easy pace ride between 12-13 mph. Helmets are required. Please have tires pumped and bikes ready to roll at event starting time. To sign up and get info on the start location contact the leader, Jack Jacobsen (508-353-3708 8:00 AM- 8:00 PM, cyclejac51@yahoo.com, Long time bike leader)

Sat., Oct. 6. Cycling & Wine Tasting, Westport Rivers Winery & Vineyard, Westport, MA. Join us for a 20- 25 mile ride through beautiful Westport, MA, followed by a wine tasting & tour. We will ride past farms, conservation land & beaches at a 12-15 mph pace. There will be some moderate hills. We will end with a private group tour & wine tasting at Westport Rivers Winery. Helmets required. Have bikes ready to roll for the start time listed. Attendees must be over age 21. Non riding guests are welcome to attend the wine tasting portion of this event. Cost of the event is \$15.00 per person. Please pay ride leader on the day of the event. This event must have a minimum of 10 attendees to reach a tour minimum. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) CL Barbara Gaughan (barbaragaughan12@comcast.net)

CAPE HIKING

Sat., Sep. 15. Prune the Falmouth Moraine #2, Falmouth, Massachusetts, MA. The AMC-SEM Retreat weekend is fast approaching! The Falmouth Moraine Trail is being offered as a long hike on Saturday, September 22 and it needs YOUR HELP. Thanks to a cooperative effort involving AMC, the #300 Committee of Falmouth and AmeriCorps of Bourne in July, work began to clear brush and fallen trees from two sections of this trail. Nine Miles! Lots to clear! We're looking for volunteers to help prune back summer vegetative growth on portions of the Moraine Trail. This involves cutting back fern, huckleberry, sweet pepper bush. Nothing big. Hedge clippers, brush cutter/weed whacker should do. Tools are not provided. Please bring your own. Registration is required. Kindly contact: Cathy Giordano cmgiordan@msn.com 508 243-3883. Meet up info will be emailed to once registration is complete. L Catherine Giordano (508-243-3884 before 9 pm, cmgiordan@msn.com)

Thu., Sep. 20. Hike--Great Neck Preserve, Wareham, MA. This 4 mile, 2 hour hike in the Great Neck Preserve in Wareham is on wooded trails through New England Forestry Foundation and Wildlands Trust lands. There are several hills and some wet areas. Hikers will pass a sheep farm, see Swan Pond, and have views of marshes with Buzzards Bay in the distance. Please note that the parking and trailhead is not the entrance to Great Neck Preserve--see the directions for parking below. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 3rd year Level I SEM/Cape hike leader with WFA training) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net, Jane is Cape Hike chair for AMCSEM with over 4 years of hike leadership experience.)

Thu., Sep. 27. Hike - Yarmouth, Greenough Ponds (B3C), Yarmouth, MA. Walk through Yarmouth Botanical Gardens, Dennis & Greenough Ponds. Meet at 9:45, 2 hr. Exit 7 off Route 6 to North, right on 6A, at sharp turn go right on Summer St. to beach parking lot. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Sun., Oct. 7. Hike-Brewster, Punkhorn Parklands (C3C), MA. Wooded, hilly trails with pond views. Route 6 Exit 9B, 2 miles to a right on Satucket, then bear right at Stony Brook Road. In 0.3 miles, turn right on Run Hill Road. 1.3 miles to parking lot on the left. Meet 12:45 pm 2 hours. L Janet Kaiser (508-432-3277 before 9 p.m., jtkaiser@comcast.net)

Thu., Oct. 11. Hike Eagle Pond Cotuit, MA. Hike in historic conservation land, some roads to Cotuit Bay and around a white cedar swamp. Terrain is fairly flat, many roots and most trails are wide. Driving Directions: Take Rte 6 (mid Cape Highway) to Exit 5) and turn S on Rte 149, follow signage and take 149 to Rte 28, Turn R. At traffic light with shopping plaza on R and CVS on L turn L onto Putnam Ave. Travel a mile or less until you see dirt cutout on L. Park in cutout. From Falmouth take Rte 28 towards Hyannis and at lights in Marston Mills with shopping plaza on L and CVS on R, turn R on Putnam Rd and proceed a mile or less until you see dirt cutout on L, park in cutout. Meet at 9:45 AM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

(FT) (NM) Sat., Oct. 13. Hike Cape Cod Canal/Town Neck Sandwich, MA. Taking advantage of low tide we will hike 4-5 miles along the canal, along Town Neck & Boardwalk beaches which vary from very rocky terrain to soft & hard packed sand then through the Town Neck neighborhood. Gather at 8:45 for a 9 a.m. start from Sandwich Recreation Area parking lot at end of Freezer Rd off Tupper Rd, Sandwich. Heavy rain cancels. L Barbara Gaughan (781-572-1321 Before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader.)

Thu., Oct. 18. Hike Coast Guard Beach Eastham, MA. 2 hour hike. Visit Salt Pond, salt marshes, Coast Guard Beach. Directions: From Route 6 take Right into National Seashore Salt Pond Visitors Center. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sun., Oct. 21. Hike along the Quashnet River, Falmouth / Mashpee, MA. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About ½ of the hike will be on moderate rolling terrain. Meet at 12:45 for 1:00PM start. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

CAPE HIKING

Thu., Oct. 25. Hike--Sagamore Hill and Scusset Beach State Park, Sagamore, MA. This 4 mile, 2 hour hike is on wooded paths to historic Sagamore Hill, along level wooded trails in Scusset Beach State Park, and along the Cape Cod Canal service road. Dress for wind along the canal. Go over the Sagamore Bridge, taking Exit 1A/Scusset Beach Road. Go 1.5 miles to the parking area, passing through a traffic light, pass McDonald's on the right, pass the fire station on the left. You will see the sign for Scusset Beach State Park. Pass the guard shack. Fairly soon on the right you will see the Headquarters sign. Park in that lot, on the near end of the parking lot near the road. L Robin McIntyre (508-789-9752 Before 9 pm, robinmcintyre@comcast.net, Robin is a third year Cape hike/SEM leader with WFA training.) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net Jane is the Cape Hike AMC SEM chair with several years of hike leadership.)

(AN) Sat., Oct. 27. Hike - Wellfleet, Griffin Island, MA. Wooded trails, hills, out to dunes return. Meet 9:45 AM. Rte 6, left at lights toward Wellfleet Center, left on E. Commercial St. Turn Right on Chequessett Neck Rd. Continue to Great Island Parking Lot on Left. Over 2 hours. L Janet Kaiser (508-432-3277 eve before 9 p.m., jtkaiser@comcast.net)

Thu., Nov. 1. Hike Mashpee River Woodlands (C3C), Mashpee Neck Rd, Mashpee, MA. Wooded walk along Mashpee River. Take Orchard Rd. off Rte.28 to end. Turn R. then quick L onto Mashpee Neck Rd. Go 1.1 miles to Mashpee River Woodlands Pkg.Lot on R. Meet at 9:45AM. Hike 10 am - 12 pm. L Farley Lewis (508-775-9168 Before 9 PM, farlewis@comcast.net)

Thu., Nov. 8. Hike Long Nook Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sun., Nov. 11. Hike Shawme Crowell State Park Sandwich, MA. Two hour hike on wooded trails through the scenic campground. Driving directions: Take Rte 6 to Exit 2, Rte 130 and turn N. Stay on Rte 130 until you see entrance sign for Shawme Crowell. Turn into Shawme Crowell and turn right past entrance booth and follow road until you come to open space and paved cutout on R. Park along road off pavement if possible. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

(NM) (AN) Thu., Nov. 15. Hike-Barnstable-Crooked Cartway (C3C), MA. Wooded walk to The Walker Point Observation Deck. Take Rte. 149 to Rotary at Cape Cod Airport, Marstons Mills. West on Race Lane for 1.1 miles. Right onto Crooked Cartway to end. Meet 9:45AM. 2 hours. Hike 10 am - 12 pm. L Farley Lewis (508-775-9168 Before 9 pm., farlewis@comcast.net)

Sun., Nov. 18. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills throughout the hike. This is not a novice hike. We will have views of Back River from the Leary Property. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Dec. 9. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training)

Sun., Dec. 16. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Sep. 27. Wilson Mountain and Whitcomb Woods Hike, Dedham/Needham, MA line, MA. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. There are well marked trails to the summit of Wilson Mountain on the Dedham/Needham line. Managed by the Massachusetts Department of Conservation and Recreation. After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River and gazebos. Total hike is 5 - 7 miles at a moderate pace. Bring water snacks/lunch, sturdy footwear. Rain cancels. Dogs on leash O.K. No fees. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net) CL Walt Granda (508-971-6444 Before 8:00 pm, wigranda@aol.com)

Sat., Oct. 13-14. Hike Greenleaf Hut, Mt. Lafayette, and Franconia Ridge, Franconia Ridge, NH. Starting from the trailhead in Franconia Notch, we'll hike up the Old Bridle Path to the AMC Greenleaf Hut at treeline, where we'll explore the area and enjoy a hearty dinner prepared by the hut croo before spending the night at the hut. After breakfast Sunday morning, weather and trail conditions permitting, we'll summit Mt. Lafayette and then take the beautiful Franconia Ridge Trail over Mt. Lincoln to Little Haystack before returning to the trailhead via the Falling Waters Trail. Due to the potentially winter-like weather and trail conditions, at least some prior winter hiking experience will be required for participants. We may also require microspikes and other winter gear, footwear, and clothing. L Paul Miller (508-369-4151 before 9:00 pm, paulallenmiller@verizon.net, An experienced four-season hike leader, Paul likes to maintain a moderate hiking pace.) L Anne Duggan (ab.duggan@verizon.net)

PADDLING

Sat., Oct. 6. Paddle Chase Garden Creek, Yarmouth Port, MA. Paddle Chase Garden Creek and tributaries Judah's and White's Brook. See Greys Beach, Bray Farm, shell processing plant, & Chapins Beach. Plan on a 7 to 8 mile paddle. Wear PDF, Bring spray skirt in case of wind. Bring water and lunch. . L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

Wed., Oct. 10. Paddle Swan Pond & River, Dennis Port, MA From Swan Pond town *landing paddle down the river to its mouth on Nantucket Sound. Venture into the Sound if it's not too windy.* Lunch on a pretty beach. Return and circumnavigate Swan Pond. Plan on a 7 to 8 mile paddle. Wear a PDF and bring a spray skirt in case of wind. Bring water & lunch. Register with leader for put-in location. L Jean Orser (jeanorser@gmail.com)

Sat., Oct. 20. Paddle Nauset Marsh from Mill Pond, Orleans, MA. Paddle from the put-in on Mill Pond into Nauset Marsh. Lunch on beach. Circle the marsh and return to put-in for a 7 to 8 mile paddle. Wear PDF, bring spray skirt in case of wind, bring water & lunch. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com, jeanorser@gmail.com)

Wed., Oct. 24. Paddle The Herring River, north, West Harwich, MA. Paddle upstream to Coy Brook and up Coy Brook as far as the tide allows. Then paddle through the East Reservoir to the Herring River to lunch at North Road bridge. After lunch we'll paddle to the West Reservoir to see herring run and then return downstream for an 8 to 9 mile paddle. It's usually very colorful in the fall with lots of birds. Wear a PFD, bring a spray skirt in case of wind, bring water & lunch. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

TRAILS

Sat., Sep. 15. Trail clean up on Skyline Trail at Blue Hills, Milton, MA. No experience necessary! Everyone welcome! SEM Trail Maintenance in the Blue Hills Trail: Part of Skyline Trail (AMC-SEM's adopted portion) When: Saturday, September 15, 2018 (weather permitting) Time: 9:00 am to approx. 12:00 pm Where to meet: 8:45 am, Main (large) Parking Lot of Houghton's Pond on Hillside Street. Meet at north end of lot near the exit. Directions: From Rte 93 (old Rte 128), take exit 3. Follow Blue Hill River Road northerly. At stop sign/junction of Hillside Street, turn right. Main parking lot will be on right. Type of work: easy maintenance, clearing steps, trimming vegetation, removing loose rocks, cleaning water bars, etc. SEM will supply tools, gloves and snacks. Please bring water, any special food, wear appropriate clothing (long pants/long sleeve shirt, boots, hat), sunscreen, bug spray, etc. Register by Thursday, September 13 with Skip Maysles at piks126@yahoo.com. Leader: Pete Tierney, Co-leader: Skip Maysles. L Peter Tierney (piks126@yahoo.com) CL skip maysles, R Skip Maysles (piks126@yahoo.com)

Tue., Sep. 18. Build a Bridge!, BioReserve, Fall River, MA. The AMC Southeastern Massachusetts Chapter is building a wooden bridge over a stream in the Fall River BioReserve. The rock about ants are now in place and we are beginning construction of the bridge itself. You do not need any construction experience in order to help in this effort, just a willingness to help carry some lumber (many hands make light work) and a sincere desire to want to make a difference improving some trails and protecting the environment. Contact registrar, Barry Young (barry.young@comcast.net) for more info. L Barry Young (Barry.young@comcast.net).

Happy Trails!

Thumbs-up for first chapter retreat weekend

By Len Ulbricht, Chapter Vice Chair

Our chapter's first-ever Cape Cod Retreat, held Sept. 21-23 at Camp Burgess in East Sandwich, offered a variety of experiences. In addition to hikes, bike rides, and paddles, those attending enjoyed workshops on bike maintenance and winter storage tips, landscape photography, and orienteering exercises with a compass. For the adventure-minded, there was a climbing wall and zip line, and for the easygoing, a pontoon boat ride on the camp's lake. Social hour on that Friday even featured a graceful bald eagle cruising overhead! *See more photos on Page 4.*

View from the Chair: ‘A BIG Thank You!’

As I write my last “View from the Chair,” I wanted to take this opportunity to thank you, the SEM membership, for honoring me with the privilege to serve you as your Chapter Chair for the last two years. I also want to thank the SEM Board and all the wonderful leaders and volunteers who made the last two years a wonderful success for SEM.

As a Chapter, we have accomplished a lot in the last two years—way too many things to list here. However, I would like to highlight a couple of notable achievements. First, thanks to our nominating committee and many other volunteers, we now have almost a full slate of committee vice chairs. Two years ago many of these positions were listed as “OPEN”. Second, in the last year we have initiated a Young Members Group and they are off to a great start. Both of these accomplishments bode well for the future of our chapter.

I hope to see many of you at the Annual Meeting and Dinner on November 3rd to thank you in person. If you have not already signed up, please do so now. It promises to be a great time, at a great venue, and with a great speaker.

Hope to see you outside!

Joe Keogh honored at dinner celebrating 13th RLBH season

By Alan Greenstein

Nancy Coote organized a terrific dinner gathering held on September 27 to celebrate the conclusion of the 13th season of the ever-popular Thursday night "Red Line the Blue Hills" (RLBH) hike series. Twenty-five hikes were scheduled in 2018 between April and September, with one cancellation due to thunder and lightning.

Bill Cannon and Joanne Newton each completed 21 hikes and were rewarded with Blue Hills maps. In total, 84 hikers completed at least one hike. Sixteen hikers completed anywhere from the basic Redline Series (1st time completion) to the very impressive Gold Series, for those who have hiked every inch of every trail in the Blue Hills ten times or more.

Joe Keogh hands out a trail map of the Blue Hills for Bill Cannon, who completed 21 hikes. *Photo by Bill Dougherty*

Joe Keogh, principal hike leader for the series, was honored for his ten consecutive years of exemplary leadership, a highlight of the evening to be sure. Joe is a master at planning the hikes with the goal of covering every trail with a minimum of duplication, and facilitating the completion of the entire circuit in approximately 1.5 hiking seasons. He is appreciated for his strong, confident and patient leadership. Joe personally completed his Gold series (10 times around) in September, hiking 159 miles over 96.5 hours on the trail.

Joanne Newton receives a Blue Hills trail map from Joe Keogh for completing 21 hikes. *Photo by Bill Dougherty*

Woods Hole Oceanographic Institute

2018 Annual Meeting and Dinner

Special Guest Speaker

Carl Wirsen, Jr.

Woods Hole Oceanographic Institute will speak on

“The Deep Sea”

ALVIN Deep-Diving Submersible

The deep sea (with an avg. depth of 2.3 miles) is the largest biosphere on Earth. While it covers more than 70% of our planet’s habitable space, the deep sea remains relatively unexplored and – until recently – was inaccessible to humans. Only three people have ever visited the deepest parts of the ocean, and for a *total* of less than three hours.

The relative sparse life forms in the deep must withstand total darkness, extreme cold, and great pressure. Any food sources are a result of photosynthesis at the distant surface.

New discoveries made in the deep sea have allowed astrobiologists to propose new questions and experiments in their search for life on other bodies in the solar system. Going “deeper” than the deep sea is a new effort to describe the potentially vast “deep subsurface biosphere.”

In his fascinating presentation, our guest speaker, Carl Wirsen, Jr., will discuss how new technologies, using advanced surface ships as well as human-occupied (HOV) deep diving submersibles, such as [ALVIN](#); remotely operated vehicles (ROV), such as [JASON](#); and autonomous underwater vehicles (AUV), such as [SENTRY](#); are helping advance our understanding of these deep sea environments. Mr. Wirsen will discuss his long-time involvement with ALVIN, including his observations made after its accidental sinking in 1968 to ALVIN’s newest capabilities, such as the ability to dive to 20,000 ft.

Based on science, we know that our ocean is the major stabilizing resource on Earth, yet it is under assault from pollution sources such as plastic, over-harvesting of its biological resources, and increased warming and acidification from greenhouse gases. At the SEM Annual Dinner, Mr. Wirsen’s presentation should help us all put the AMC’s mission to help conserve the earth’s natural resources into even better perspective.

Prepare for outdoors winter fun at SEM workshop November 3rd

By George Danis, Hiking Vice Chair

In the winter months, many of us think about going skiing or escaping to somewhere warm, but have you thought about winter hiking and snowshoeing? Do you like to be active and outside, but the thought of getting cold keeps you indoors?

Then come join us on Saturday, Nov. 3, 2018, for an informative afternoon that will change your mind about hiking and being outdoors in the winter months. The workshop at the Bourne Community Center cafeteria runs from 12:30-3:30 p.m. with clothing and gear demonstrations. Light lunch/snacks will be provided.

You will learn about necessary clothing and gear, nutrition and hydration requirements, winter conditioning, winter issues and how to avoid them, and why we love to hike in the winter. The workshop is free to all and is a prerequisite (or prior winter hiking experience) to join us for the SEM Winter Hiking Series.

The workshop leaders are George Danis, Leslie Carson, Paul Miller, Ken Carson, Maureen Kelly, Eva Borsody Das, and Anne Duggan. To register, contact George at danisdad51@outlook.com or call 339-236-0597 before 9 p.m. After the workshop, join us for the SEM Annual Meeting & Dinner at the Bay Pointe Club in Bourne. (Registration is separate—see listing.)

The Bourne Veterans Memorial Community Center is located at 239 Main Street in Buzzards Bay, MA.

Adventure Travel Leadership training Nov. 2-4 in Charlton, MA

Take your leadership skills to different parts of the world by becoming an AMC Adventure Travel Leader! This workshop provides important training to people who have AMC chapter leadership experience to transition to more complex and longer trips, domestically and overseas.

Emphasis is on planning, marketing, trip management, people skills, risk management, and reporting. Includes procedures and guidelines for researching, proposing, and leading AMC Adventure Travel trips.

Visit [this page](#) for more information and to download an application. Questions? Contact [Nancy Holland](#).

2019 Group Sales Reservations

Group reservations are open for volunteer-led trips for the 2019 season! Group sales for the Corman Harriman Outdoor Center in New York opened October 1.

To reserve group space for an AMC trip, call 603-466-8059 or email AMCgroups@outdoors.org. And, don't forget about the AMC Leader Lodging Benefits! We look forward to seeing you at our lodges and huts next year.

Volunteer of the Month: Paul Corriveau

By Bernie Meggison, Biking Chair

Each month the AMC-SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Biking Committee recognizes **Paul Corriveau** for his numerous contributions.

Paul is a long time AMC-SEM leader. He is out on his mountain bike almost seven days per week, and he knows all the hidden jewels of the off-road trails on the Cape. Even experienced MTB riders are amazed at his knowledge of each individual trail.

This season, Paul has lead almost ten rides in the woods and trails. The feedback from riders is 100 percent positive. He has a few more rides up his sleeves for October and beyond.

Paul's efforts have awakened a whole new group to our SEM cycling community. Congratulations, Paul! Thanks for your support!

Paul will receive a Volunteer of the Month Certificate and a \$50 gift card.

New 2019 rules for 100-mile patch, but time to finish in 2018

By Mike Woessner, Hiking Chair

Register now for your 100-mile patch for 2019! Registration is simple: just send an email with your name to hikingchair@amcsem.org.

The AMC-SEM Hiking Committee awards a patch to SEM hikers who hike 100 miles. The spreadsheet on our web site (amcsem.org) documents the hiking mileage. To qualify you must be a member of the SEM Chapter of the AMC. Only AMC-led hikes (any chapter) count. Mileage starts at the beginning of the calendar year.* Enter your mileage and identify your hikes on the spreadsheet, which can be found under HIKING on our web site. The tracking of your mileage is based on the honor system. After completing your miles, send an email to the hikingchair@amcsem.org to receive your patch.

**Rules have been changed by the Hiking Committee. Starting 2019, you must complete your miles within the calendar year. So if you already have close to 100 miles this year, get out and finish to be "grandfathered" in.*

AMC award nominations due Nov. 15

Nominate a fabulous AMC volunteer for a club-wide award. Nominations for AMC's volunteer awards—Volunteer Leadership, Distinguished Service, and Joe Dodge—are due on November 15, 2018. Visit outdoors.org/awards for more information, and click the button below to submit a nomination!

Submit your nominations today!

A 2018 group heads out on a snow-covered trail at Noble View. Photo by Paul Brookes

Sign up early for 2019 weekend at Noble View Outdoor Center

By Paul Brookes, Noble View Weekend Registrar

This year the SEM Chapter puts on its sixth annual winter weekend at Noble View Outdoor Center in Russell, MA, about two hours west of Boston. As in past years, it is being held the second weekend of February (Feb. 8 through 10, 2019). I have attended three of the Noble View weekends and each has been relaxing and renewing, amongst the company of good people. I highly recommend it. This year I have offered to help put it together, and I wanted to tell you a bit about it from a mashup of my prior years' experiences.

Noble View itself is an amazing hidden gem. It is one of the AMC's larger land holdings. Located on 358 acres atop a quiet, pristine mountaintop, it offers great views of the Pioneer Valley to the east of Mount Wachusett. From the deck of the cottages, the hill offers a great sledding area before the tree line starts. The trails wind through quiet woodlands, passing cellar holes, brooks, and a pair of stunning waterfalls.

One great aspect of the location is a paved and plowed access road that allows you to drive right up to the Noble View center, unpack, and then park your car 100 yards back down the road in a convenient and safe parking lot on the Noble View property. If you're new to winter

activities, this is a great way to experience cross-country skiing, snowshoeing or winter hiking without the additional challenge and stress of having to backpack all your food and equipment up to your base camp.

The center boasts three buildings: two modernized cottages with electricity and woodstoves (that keep the cottages toasty) and a heated bathhouse with composting toilets, hot showers, and running water for cleaning dishes. It's all quite comfy. The chapter reserves all rooms in both cottages for the weekend, so we have the place to ourselves.

People arrive any time after 3 pm Friday, depending on when they get out of work. I try to get there early, unpack, choose my room, and head for the main cottage, which includes the kitchen, to meet people as they arrive. On Friday night there is no fixed time for dinner, so those arriving late after work don't miss out. Hot food is available in the kitchen throughout the evening for people to grab when they get there. For all other meals, we sit down and eat together.

Later Friday evening one of the leaders presents the organized activities that are available, as well as the logistics of Noble View. There is no on-site caretaker, so we pack out what we bring in and keep the woodstove running. The cottages remain toasty.

On Saturday we get up for a hot breakfast and then people prepare for their morning activities. In years when there's enough snow, a snowshoeing hike is offered as well as cross-country skiing. We take different trails, so those snowshoeing don't mess up the (hopefully) pristine snow for the cross-country skiers. The activities have always been well-organized and led by experienced SEM leaders. We go at a pace comfortable for all, and no one is talking about mileage or conditioning.

Due to the relatively low elevation, over the years we have been able to explore trails that are snow-covered, icy, or free from snow and ice. It doesn't make a difference; we always have a great time.

Most people take part in one of the organized activities (bring your own equipment), but others choose activities of their own or simply sit in front of the fire and read. That's what I love about Noble View: It's relaxed, unpretentious, and easy-going.

Continued on page 9

Social time at Noble View in 2017. Photo by Walt Granda

Noble View weekend

Continued from page 8

After the morning activity, we return to the cottage for a hot lunch that the volunteer cooks (amazing people) have been preparing. This year Sandy Santilli and Hadley Donaldson will be our cooks. A hot lunch after a morning's hike warms the body and renews the spirit.

After lunch and a short time to recoup, those who choose an afternoon activity start kitting up again. The leaders will take us on different trails. Some years we go down and view the frozen Big Pitcher and Little Pitcher waterfalls, a stunning sight in the winter.

After returning from the afternoon hike, it's social hour before dinner. Some people go to their bunkrooms to rest; others bring out their own wine or beer and share appetizers in the two comfortable lounges or the kitchen area. With the fire roaring and folks regaling one-another with our stories; laughter is heard throughout the cottage.

Saturday dinner has been a sumptuous affair or, at least after a long day hiking, it has always seemed that way. Once again I feel the cooks have outdone themselves.

After dinner, if the sky is clear, I grab whoever will come with me to go out star-gazing. The mountaintop is pitch black and the stars can be amazing. I see others heading off to yoga, offered by Jeannine Audet. Some hardy souls are heading out for a short headlamp night hike.

I get back from star-gazing to find the cottage settling down, with small groups chatting on the sofas with glasses of wine, another group focused on a jigsaw

puzzle spread on a table, and another group laughing loudly as a tall *Jenga* tower comes crashing down.

As the evening wears on, people slowly start heading up to their rooms. After a while I head upstairs to my room, which I share with two others, and get ready for bed after a long and enjoyable day.

The next morning we get up for a hearty breakfast and then head out for our chosen morning hike, snowshoe trail, or cross-country ski. After we return from the morning activity, lunch is laid out. It is "leftovers Sunday." I pick some of my favorite leftovers and sit down with my hiking companions at one of the common tables.

During lunch one of the leaders thanks those who helped and goes over with us the sweeping and cleaning we need to do to leave the place in good shape for the next crew. All food must go, so I grab some for the car and set off for the drive back home, thinking to myself, "Wow! What a perfect winter weekend!"

This is a fun; relaxing weekend, and I highly recommend it if you've not done Noble View before. If you have, then come again and keep the great spirit going. The registration fee of \$105 per person for AMC members or \$115 for non-members is the same as last year. You can't beat that for two nights' comfortable lodging and hot meals from dinner Friday night to lunch on Sunday.

If you're interested in attending the Noble View weekend, email me at PaulBrookes1966@outlook.com. I'm the registrar. I recommend you register sooner rather than later, as in the past it has filled up fast.

Save the Date – AMC’s 2019 Annual Summit!
January 26, 2019 – [Four Points by Sheraton, Norwood MA](#)

Please join AMC in kicking off another year in the outdoors! No matter what adventures you are planning for 2019, the 143rd Annual Summit has something for you. This event will connect both newcomers and lifelong members with valuable resources and provide opportunities for meeting people with similar interests and passions.

Annual Summit is AMC’s thank you to our dedicated volunteers and members! We welcome you to sign up for a combination of workshops, trainings, and meetings that matches your interests. The full list of offerings is available at outdoors.org/annualsummit.

This event will feature:

- Interactive workshops led by AMC experts and outdoor pros
- Organization-wide committee meetings
- A delicious buffet lunch
- AMC’s annual volunteer service awards
- The 143rd Annual Business Meeting
- Early evening reception, with complimentary drink and hors d’oeuvres
- Updates on AMC’s work in conservation, recreation, and education

For those interested in staying over Friday and/or Saturday night, AMC will arrange for special group rates. Visit our registration page after October for more details.

Registration Opens November 1st!

Early Bird Special Pricing: Pay \$35 when you register before January 1, 2019.

Regular Rate of \$45 applies after January 1, 2019

Register starting November 1 at www.outdoors.org/AnnualSummit

Sat., Oct. 20. Cranberry Country Cruise, MA. Nice 33 mile ride through the cranberry bog country of Rochester, Middleboro, and West Wareham. Easy ride pace 12-13 MPH. Start time 9:00 SM. Contact ride leader for start location Ride leader: Jack Jacobsen @ 508-353-3708 or email, cyclejac51@yahoo.com Helmets required. Please have tires pumped and ready to roll at the 9:00 AM start. L Jack Jacobsen (508-353-3708 8:00 AM- 8:00 PM, cyclejac51@yahoo.com, Long time AMCSEM leader)

Sun., Oct. 21. Adventure Ride #11, Dennis Senior Center, Dennis MA. Bicycle Adventure Ride # 11 "Tour De Graves" Mid-Cape Edition Sunday October 21, 2018 This ride is a leisurely exploration of some of the oldest grave sites in the Mid-Cape Area. Cape Cod has some of the most beautiful classic carved stones in the country. We will view these fine examples of 1600's thru 1800's Grave Stone Art -- Winged Skulls by Lamson and Noyes of Boston, Stevens Carvers of Newport and William Coye of Plymouth. Brief stops with narrations at various graveyards including small pox cemeteries, remote single entombments and the Longest Columbarium in New England. Native American resting places will also be visited. This is a "No Drop " tour. Relaxed pace ride. A larger tire bike is recommended -- we will ride on dirt cemetery paths, gravel roads, cart ways and bicycle side walks in addition to quiet paved back roads. Self Contained Ride. Bring Water, Snacks, Lunch, etc. Carry the proper equipment to maintain your bike--tubes, tools, etc. Register for Updates, Weather, Cancellations, Changes, Etc. paulcorri@gmail.com Meet at the Dennis Senior Center 1045 MA-134, South Dennis, MA 02660 (Corner 134 and Setucket) Park away from building. Mileage --- 25-30 Miles, Allow 4+ Hours Arrive : 9:45 AM Leave : 10:00 AM. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF)) (paulcorri@gmail.com)

Wed., Oct. 24. Sunset and Hunter's Moon Road Cycling, MA.- 22+/- Miles/ 2/2.5 hours. Flats & Hills. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff for a peek at Provincetown in the distance. Return to the recreation area and along the canal to Buzzards Bay for sunset at MMA or on Three Mile Outlook. Then back along the canal for moonrise over the Sagamore Bridge. Traditionally, tribes spent the month of October preparing for the coming winter. This included hunting, slaughtering and preserving meats for use as food. This led to October's full Moon being called the Hunter's Moon and sometimes Blood Moon or Sanguine Moon. Contact leader for further information. Ride starts around two hours before sunset. Alt.date Tue.Oct. 23 Please have tires pumped and ready to roll at the start time. Helmets are required Be aware that it will be dark at the end of the ride,,,, lights are strongly suggested. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Fri., Nov. 23. Sunset & Full Beaver Moon Road Cycling, MA.: 22+/- Miles/ 2 +/- hours. Mostly flat - a couple of small hills. We'll ride from Sandwich Recreation Area at the end of Freezer Road in Sandwich to Monument Beach and return along Shore Road and through Gray Gables and Mashnee Island for sunset at Tidal Flats Recreation Area across the canal from MMA. Return along the canal for moonrise over the Sagamore Bridge. For both the colonists and the Algonquin tribes, this was the time to set beaver traps before the swamps froze, to ensure a supply of warm winter furs. This full Moon was also called the Frost Moon. Contact leader for further information. Ride starts around two hours before sunset. Alt. date - Sat. Nov. 24 Please have tires pumped and ready to roll at start time. Helmets required. It's going to be dark at the end of the ride,,, lights are strongly suggested. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

BICYCLING

Sat., Dec. 22. Sunset and Full Cold Moon Cycling, MA. - 22+/- Miles/ 2 +/- hours. Flats & Hills. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff for a peek at Provincetown in the distance. Return to the recreation area and along the canal to Buzzards Bay for sunset at MMA or on Three Mile Outlook. Then back along the canal for moonrise over the Sagamore Bridge. Contact leader for further information. Ride starts around two hours before sunset. Alt. date Fri. Dec. 21 December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Note: Please have bike ready to roll at start time. Helmets are required. Lights are suggested for this ride. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Tue., Jan. 1. SEMAMC 16th Annual New Year's Day Road Cycling, MA. - We'll cycle the streets and Shining Sea Bike Path from North Falmouth to Woods Hole and return for 27+/- miles for 2/3 hours or so. We'll do a shorter ride if the weather is iffy. We'll start at the Shining Sea Bike Path parking lot in North Falmouth. First re-group is Old Silver Beach and a look toward Marion, Rochester, Mattapoisett, Fairhaven, New Bedford and Puget Sound. Perhaps I'll include a couple of side tours into Gunning Point and Racing Beach areas. Then we're on to Woods Hole for refreshments. The return ride will bring us to Nobska Light and then the Shining Sea Path. Start time - late morning with riders and tires pumped and ready to roll. Helmets, water, spare tube required; user pump and tire changing tools would be a plus. Contact leader - paulbcurrier@comcast.net - 508-833-2690 - for start time and registration Helmets required. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

Sun., Oct. 21. Hike along the Quashnet River, Falmouth / Mashpee, MA. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About ½ of the hike will be on moderate rolling terrain. Meet at 12:45 for 1:00PM start. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Oct. 25. Hike--Sagamore Hill and Scusset Beach State Park, Sagamore, MA,. This 4 mile, 2 hour hike is on wooded paths to historic Sagamore Hill, along level wooded trails in Scusset Beach State Park, and along the Cape Cod Canal service road. Dress for wind along the canal. Go over the Sagamore Bridge, taking Exit 1A/Scusset Beach Road. Go 1.5 miles to the parking area, passing through a traffic light, pass McDonald's on the right, pass the fire station on the left. You will see the sign for Scusset Beach State Park. Pass the guard shack. Fairly soon on the right you will see the Headquarters sign. Park in that lot, on the near end of the parking lot near the road. L Robin McIntyre (508-789-9752 Before 9 pm, robinmcintyre@comcast.net, Robin is a third year Cape hike/SEM leader with WFA training.) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net Jane is the Cape Hike AMC SEM chair with several years of hike leadership.)

(AN) Sat., Oct. 27. Hike -Wellfleet, Griffin Island, MA. Wooded trails, hills, out to dunes return. Meet 9:45 AM. Rte 6, left at lights toward Wellfleet Center, left on E. Commercial St. Turn Right on Chequessett Neck Rd. Continue to Great Island Parking Lot on Left. Over 2 hours. L Janet Kaiser (508-432-3277 eve before 9 p.m., jtkaiser@comcast.net)

Thu., Nov. 1. Hike Mashpee River Woodlands (C3C), Mashpee Neck Rd, Mashpee, MA, Wooded walk along Mashpee River. Take Orchard Rd. off Rte.28 to end. Turn R. then quick L onto Mashpee Neck Rd. Go 1.1 miles to Mashpee River Woodlands Pkg.Lot on R. Meet at 9:45AM. Hike 10 am - 12 pm. L Farley Lewis (508-775-9168 Before 9 PM, farlewis@comcast.net)

(FT) (NM) Sat., Nov. 3. Stroll down Memory Lane and Hike Great Neck Preserve, Wareham, MA. A great way to connect with fellow members of AMCSEM. This hike will be paced to meet the skills of the group. This 4 mile, 2 hour hike in the Great Neck Preserve in Wareham is on wooded trails through New England Forestry Foundation and Wildlands Trust lands. There are several minor hills and some wet areas. Hikers will pass a sheep farm, see Swan Pond, and have views of marshes with Buzzards Bay in the distance. Rain will cancel the event. For directions to meet up, please contact the hike leaders. After the hike, join us for the 2018 annual Meeting and Dinner at the Bay Pointe Club in Onset. Social hour begins at 4:30. See the link to register for the Annual Dinner. come and join us! L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 3rd year Level I SEM/Cape hike leader with WFA training) L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net, Jane is Cape Hike chair for AMCSEM with over 4 years of hike leadership experience.)

CAPE HIKES

Thu., Nov. 8. Hike Long Nook Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sun., Nov. 11. Hike Shawme Crowell State Park Sandwich, MA. Two hour hike on wooded trails through the scenic campground. Driving directions: Take Rte 6 to Exit 2, Rte 130 and turn N. Stay on Rte 130 until you see entrance sign for Shawme Crowell. Turn into Shawme Crowell and turn right past entrance booth and follow road until you come to open space and paved cutout on R. Park along road off pavement if possible. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

(NM) (AN) Thu., Nov. 15. Hike-Barnstable-Crooked Cartway (C3C), MA. Wooded walk to The Walker Point Observation Deck. Take Rte. 149 to Rotary at Cape Cod Airport, Marstons Mills. West on Race Lane for 1.1 miles. Right onto Crooked Cartway to end. Meet 9:45AM. 2 hours. Hike 10 am - 12 pm. L Farley Lewis (508-775-9168 Before 9 pm., farlewis@comcast.net)

Sun., Nov. 18. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills throughout the hike. This is not a novice hike. We will have views of Back River from the Leary Property. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Dec. 2. Hiking Bell's Neck Conservation, Sand Pond, Rt 139, Harwich, MA. 4.5mi hike in Bell's Neck Conservation Land, Harwich. Hike along East & West reservoirs, cranberry bogs, marshland & herring run. The herring should be running and the mayflower should be sighted! Meet at 12:45 p.m. for a 1:00 p.m. start. Rt. 6 Exit 10. S on Rt 124. Rt on 39S x 1.9mi to Sand Pond prkg on right. HEAVY rain cancels. L Barbara Gaughan (781-572-1321 before 9 pm, barbaragaughan12@comcast.net, Cape Cod hike & bike leader)

Sun., Dec. 9. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training)

Sun., Dec. 16. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

HIKING

HIKING

Thu., Oct. 25. Arnold Arboretum - Autumn Peak Hike, Jamaica Plain, MA. Arnold Arboretum hike - including two hills with vistas and the "explorer's garden", spectacular fall foliage in this "tree museum". 4 -5 mile hike at a moderate pace. Bring water, sturdy footwear, snack or lunch. Meet at the visitors' center (Hunnewell Building) located at 125 Arborway, Jamaica Plain at 9:45 for prompt 10:00 am start. Plenty of on-street parking along the Arborway; or walk to the entrance from the Forest Hills Orange Line T-stop. Free admission. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net)

Sat., Oct. 27. 7 mile hike on the Bay Circuit Trail, Sharon, MA. Our 7-mile point-to-point hike on the BCT (a 230-mile long multi-use trail!) will begin in Sharon. We will hike through Borderland State Park, stopping near the Borderland Visitor Center to enjoy lunch together. We will hike out of Borderland and down the power line trail (although not gorgeous, we may see deer and lots of birds!) We will hike into the "Fox Mountain Lot" which does not have a mountain but we may get lucky and spy a fox! We will hike into the very pretty Beaver Brooks woods areas and if we remind our fearless leader, he will point out the spot where the last bear in Easton camped out! L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) CL Pamela Johnson (617-448-4446, pjohnson8992@gmail.com), R Pamela Johnson (617-448-4446 Before 8 P.M., pjohnson8992@gmail.com)

Sun., Oct. 28. Mt Roberts hike, NH. Enjoy late Autumn colors on this moderate hike to Mt Roberts, in the Castle in the Clouds Conservation Area. The distance is approx. 5 miles RT, with an elevation gain of 1,300 ft. With several view spots along the way, and the open summit, you'll understand why Mt Roberts is on NH's "52 With A View" list! Plan on wearing sturdy footwear, (not sneakers) and fleece or wool clothing for layering. (No cotton). L Peggy Qvicklund (774-893-3011 before 9 pm, qvickan@comcast.net) L Karen Singleton (karen.singleton@comcast.net)

Sun., Oct. 28. Presentation on Backpacking the Appalachian Trail 100-Mile Wilderness, First Parish of Norwell, 24 River Street, Norwell, MA. 7pm - 8pm. Registration is not required Overview: In mid-August of 2017 Dexter Robinson along with Bill Vickstrom, Bryan Jones, and Joe Marrone backpacked the Maine Appalachian Trail 100 mile wilderness. The 100 mile wilderness is generally considered the wildest section of the entire 2187 mile AT that runs from Springer Mountain, Georgia to Mt. Katahdin, Maine. This trail section is one of the more challenging to navigate and traverse and includes backpacking over a mountain range and numerous stream crossings. The trail offers a wide variety of trail conditions from a gentle walk in the woods to boulder fields. In this presentation Dexter Robinson will share his preparation and experience backpacking this section of the AT using a gear display, photos and video clips. L Dexter Robinson (dexpcdoc@gmail.com)

Thu., Nov. 1. Thurs Morn. Hike Moose Hill Audubon, 293 Moose Hill Pkwy, Sharon, MA. Meet at 9:45 AM Moose Hill Audubon This is a 4-5 mile moderately paced hike which includes both MassAudubon and Trustees of the Reservation land. The hike is relatively flat with some gentle climbing. Mass Audubon members park for free, but there is a \$3.00 parking fee for non-members. Be sure to bring water, lunch, rain gear, and wear sturdy boots. Heavy rain cancels. L Hans Luwald (508-668-0462, hans.luwald@gmail.com) CL Nancy Perlman (617-980-4878, nancyclist@gmail.com), R Nancy Perlman (617-980-4878, nancyclist@gmail.com)

Sat., Nov. 3. SEM Winter Hiking Workshop, Bourne Community Building Cafeteria 239 Main St. Buzzards Bay, MA. In the winter months, many of us think about going skiing or escaping to somewhere warm, but have you thought about winter hiking and snowshoeing? Do you like to be active and outside, but the thought of getting cold keeps you indoors? Then come join us for an informative afternoon that will change your mind about hiking and being outdoors in the winter months. You will learn about necessary clothing and gear, nutrition and hydration requirements, winter conditioning, winter issues and how to avoid them and why we love to hike in the winter. The workshop is free to all and is a prerequisite (or prior winter hiking experience) to join us for the SEM Winter Hiking Series. The workshop runs from 12:30-3:30 with clothing and gear demonstrations. Light lunch/snacks will be provided. After the workshop, join us for the SEM Annual Meeting/Dinner at the Bay Pointe Club in Buzzards Bay (registration is separate- see listing). L George Danis (339-236-0597, danisdad51@outlook.com) L Paul Miller

HIKING

Thu., Nov. 8. Blue Hills Hike – Ponkapoag Pond - Canton, MA. Moderate to fast pace, with occasional stops. 4 ½ - 5 mile hike around The Pond, approx. 10:00am-12:30pm. Please arrive by 9:45 am for a prompt 10:00 am start. Bring snacks/lunch & water. We'll take a break at the AMC Camp. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net)

(C) (FT) (NM) Sat., Nov. 10. Duxbury Round Pond Conservation Area Intro. Hike, MA. Pleasant, app. three-mile, two-hour long hike around kettle hole pond, active cranberry bogs (and inactive bogs being reclaimed through natural succession), former bog reservoir, and mixed white pine and red oak forest. Mostly flat with minor hills. Trail partly coincides with Bay Circuit Trail. Bring one liter of water, snacks, and rain jacket, wear comfortable shoes for trails with roots and some rocks. This is a great hike for beginners and/or nature lovers! L Paul Miller (paulallenmiller@verizon.net, Paul is an experienced four-season hike leader who likes to hike at a moderate pace that's comfortable for everyone.) CL Craig MacDonald (781-424-2490 9:00 am to 9:00 pm, Experienced hiker that has logged hundreds of miles hiking locally in Blue Hills, New Hampshire White Mountains, throughout the Hawaiian Islands and international treks in Nepal, Patagonia and European Alps. Particularly fond of alpine environments and winter hiking.), R Craig MacDonald (Phone calls only, no email, [781-424-2490](tel:781-424-2490) 9:00 am to 9:00 pm)

Thu., Nov. 15. Thursday AM Hike on Bay Circuit Trail through Walpole Conservation Land, 109 Robbins Road, Walpole, MA. Meet at 10am at the VFW Post at 109 Robbins Rd in Walpole for a 4.5 mile hike on the Bay Circuit Trail through Conservation Land. Mostly flat but with a few steep, but short sections up and down eskers. L Hans Luwald (508-668-0462 Before 9 pm, hans.luwald@gmail.com) CL Debbie Lepore (617-778-4339 Before 9 pm, dlepore2@gmail.com)

Tue., Jan. 1. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register; you will also be asked to attend the excellent SEM winter hiking workshop on November 3. If you have a scheduling conflict you can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

Tue., Jan. 29. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register; you will also be asked to attend the excellent SEM winter hiking workshop on November 3. If you have a scheduling conflict you can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. Fri., Feb. 8-10. Winter Hiking and Cross-Country Ski Weekend - Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its seventh annual winter weekend at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. Noble View sits atop a pristine mountaintop with beautiful trails that wind through quiet woodlands. Hiking, snowshoeing, and cross-country skiing will be offered, depending on conditions. Participants will need to bring their own equipment. The cottages have electricity, water, and wood-stove heating. A short walk from either cottage is a bathhouse with toilets and hot showers. This popular event is limited to 28 participants so register early. PADDLING

Wed., Oct. 24. Paddle The Herring River, north, West Harwich, MA. Paddle upstream to Coy Brook and up Coy Brook as far as the tide allows. Then paddle through the East Reservoir to the Herring River to lunch at North Road bridge. After lunch we'll paddle to the West Reservoir to see herring run and then return downstream for an 8 to 9 mile paddle. It's usually very colorful in the fall with lots of birds. Wear a PFD, bring a spray skirt in case of wind, bring water & lunch. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

Happy Trails!

Eighteen hikers—plus Sonny—turned out for the Oct. 25th Autumn Peak Hike at the Arnold Arboretum in Jamaica Plain. The 4 to 5-mile hike included two hills with wonderful vistas, spectacular fall foliage, and "the explorer's garden." More photos on page 7. *Photo by Ken Cohen*

SEMers turn out for Annual Meeting & Dinner

By Paul Miller SEM Communications Chair

As just one indication that our AMC Southeastern Mass. Chapter is doing just fine, thank you, almost 120 SEM members and their guests turned out for our 2018 Annual Meeting & Dinner at the beautiful Bay Pointe Club in Buzzards Bay on November 2nd. This was a new venue for us, since we've managed to outgrow most of the previous facilities we've used for this annual event. This is a good thing, even if it does make a little extra work for our already hard-working Membership Committee.

As usual, a social hour with cash bar and free appetizers preceded the business meeting. This gave everyone a chance to schmooze with members whom they may not have hiked, paddled, biked, or skied with recently, and to meet some of our newer members.

Barry Young, outgoing Chapter Chair, kicked off the blissfully short business meeting with some upbeat comments about the health and vitality of the chapter. Barry highlighted the fact that, for the first time in many years, we have *almost* a full [slate of officers](#) lined up for the coming year. (Anyone out there interested in serving as Chapter Vice Chair?)

(Continued on page 3)

View from the Chair: The Challenge of 'FG19'

Let me begin my first "View from the Chair" with a note of appreciation to you, our AMC Southeastern Mass. Chapter membership, for your confidence and support in electing me Chair of your Executive Board. And I especially thank Barry Young for his past leadership of the chapter and personal guidance. Barry patiently brought me (more-or-less) up to speed these past nine months while I served as Vice Chair. It is an honor to serve this chapter and work with such a fine Executive Board.

I was spurred to join AMC after learning about and hiking with the SEM's Thursday hiking group ten years ago. It's been a great "ride" ever since. I've had the opportunity to develop my hiking and leadership skills, lead hiking trips, serve a couple of stints on the Board as a committee chair, be a trip leader for AMC Adventure Travel, and now serve once again on the Executive Board. Over those years I have come to love this chapter, its members, its volunteers, and the contributions it makes to the overall AMC community.

Looking ahead, 2019 will be a once-in-a-decade challenge for the SEM. In addition to continuing to offer a variety of outstanding hikes, bike rides, and paddles, and serving our community with trail work and conservation initiatives, it is our chapter's turn to host AMC's annual Fall Gathering next October, which we've started to refer to as "FG19." This event draws 200-plus attendees from all 12 AMC chapters for a weekend of outdoor activities, educational workshops, and cross-chapter socializing. Your Executive Board has already begun planning for FG19 and you can expect regular progress updates as the new calendar year progresses. In the meantime, save the date October 18-20, 2019 for FG19.

Hope to see you out and about outdoors, of course. And don't forget to keep checking our activity listings on the AMC [ActDB trip database](#) to find an SEM activity that appeals to you.

Thanks!

AMC-SEM Annual Meeting & Dinner

(Continued from page 1)

Then the members voted in the new slate of officers, including new Chapter Chair Len Ulbricht. Len has already served on the SEM Board in multiple capacities, including Chapter Vice Chair, Education Chair, and Membership Chair. He is also a very active SEM hike leader. Obviously, Len brings a tremendous amount of experience and dedication to the Chair position, which bodes well for the chapter in the coming years.

Next, Chapter Secretary Ann McSweeney presented the [2018 SEM Annual Report](#), prepared by the Communications Committee with input from our activities chairs. Patty Rottmeier presented the Treasurer's Report, which indicates the Chapter's finances are in good order.

Our guest Faith Salter, AMC Director of Volunteer Relations, commented on the recent move of the headquarters staff from the traditional (and very cramped) building on Joy Street on Beacon Hill to spacious new digs in City Square in Charlestown. Faith said she often uses the SEM as a role model for other AMC chapters, including some much larger ones. Thank you Faith! She also brought us up to date on the important AMC Youth Opportunity Program, which over the years has helped get many thousands of young people outdoors, including many from inner city neighborhoods who might otherwise never have an opportunity to do so. AMC provides leadership and loaner equipment for YOP activities.

After our buffet dinner served by the Bay Pointe Club's gracious staff, Joe Keogh—last year's SEM Distinguished Service Award recipient—presented this year's DSA Award to Maureen Kelly. Maureen has indeed served the chapter in a distinguished manner over the years as Chapter Chair, Vice Chair, Conservation Chair, four-season hiking and backpacking leader, organizer of multiple SEM Open House events, and all-around amazing person. For other awards, Jane Harding, Cape Hikes Chair and Cathy Giordano, Cape Hikes Vice Chair, presented a service award to Robin McIntyre; and Mike Woessner, outgoing SEM Hiking Chair, presented service awards to George Danis, Paul Brookes, and Paul Miller.

Joe Keogh presents the 2018 SEM Distinguished Service Award to Maureen Kelly. *Photo by Barry Young*

After Membership Chair Sandy Santilli and Vice Membership Chair Ellen Thompson raffled off a bunch of AMC guidebooks and headlamps, Len introduced our distinguished guest speaker: Carl Wirsen, Jr., from the Woods Hole Oceanographic Institute. In his fascinating and eye-opening presentation, "The Deep Sea," Mr. Wirsen showed how new technologies, such as deep diving submersibles and autonomous underwater vehicles, are helping advance our understanding of the deep sea environments and what this means for us land-dwelling creatures.

All in all, it was a great evening. If you didn't make it this year, you might want to consider joining us at next year's SEM Annual Meeting & Dinner.

(More photos on page 4)

New hiking series launched: the Weekend Local Hikes

By George Danis, Hiking Chair

SEM has a rich history of offering hikes based on a common theme. Examples include Red Line, White Line, Thursday morning, Full Moon, Introduction to Hiking, Winter Hiking, and the Spring Conditioning series. I'm pleased to announce the latest iteration of this program—the Weekend Local Hikes series.

The local hikes series is designed to offer an option to people who are looking for a local hike but are unable to attend the other programs which take place during weekdays. While there are numerous weekend hikes listed in the ActDB many of these are in the Whites or western Mass and therefore require a long drive to reach the trailhead. This series will offer an option that does not require a lot of advance planning (carpooling, overnight stay, etc.) and is more open to last minute decisions.

The program is entirely leader run with a calendar of available dates and planned events listed on the SEM web site under the hiking committee. The dates are listed in a spreadsheet and can be accessed by all SEM members. The goal of the spreadsheet is to present a “snapshot” of planned hikes and

available dates. Leaders can post a hike and people looking for one can quickly scan the spreadsheet to find one that appeals to them. Full hike details will still need to be listed in the ActDB – the spreadsheet is simply a convenient place to get an idea of what has been planned.

This is a new program that relies on leaders to access and post their hikes on the spreadsheet as well as in the ActDB. As a new program it may take some time to really take off but I also think this is a great addition to our other series and one that fills a need. All leaders are encouraged to use the spreadsheet as part of their hike planning process. The Thursday series has had great success with this approach and I believe we can build on that success with this new program.

The winter series workshop was an amazing event, with a large group of participants fully engaged and eager to learn and share their own experiences. With a diverse group of instructors, this workshop was very informative and kept everyone engaged. *Photo & caption by Dio Gonçalves*

Winter hiking series workshop

By George Danis, Hiking Chair, and
Dio Gonçalves, Communications Vice Chair

On Saturday, November 3rd, forty-one “hardy” participants gathered for the 2018 Winter Hiking Workshop held at the Bourne Community Center. The group consisted of both people with some experience hiking in the winter and those who were new (and intrigued) by the idea of trying something different.

This program is a staple of the Hiking Committee and generally attracts a large audience, but this year’s program may well have set a record for attendees! The participants represented a good mix of SEM members and attentively listened to and engaged the presenters with questions and discussions about clothing, food, hydration, etc. The presenters were experienced winter hikers and were eager to share their knowledge with the group.

An integral part of the program is a series of four winter hikes for which classroom participants are given priority placement. The hikes are designed to introduce newcomers to the joys and issues associated with hiking in the winter. The hikes become increasingly challenging in terms of altitude and likely conditions and culminate

with an overnight stay at a White Mountain hut (Carter Notch). The issues associated with hiking include proper clothing, food, and hydration, as well as equipment needed to safely enjoy a day outside when weather conditions may include snow, ice, wind, and cold temperatures. In true SEM tradition, the attendees warmly embraced the prospect of being outside under these conditions!

The classroom session is conducted by experienced four-season hikers who are eager to share their experience and love of winter hiking with anyone willing to listen. Many thanks to Paul Allen, Leslie and Ken Carson, Maureen Kelly, Anne Duggan, Eva Borsody-Das, and Suzie Schobel for their enthusiastic and knowledgeable presentations that thoroughly engaged the audience.

A note from the workshop participant By Dio Gonçalves

For those who think that hiking is over when winter arrives, you missed our Introduction to Winter Hiking Workshop this year with a great deal of information, including proper clothing, equipment, heat management, physical conditioning, and—most important—hydration and nutrition.

Need an excuse to eat a few extra calories? Well, winter hiking is what you need. With the cold weather, your body needs extra calories to keep your body warm. Therefore, you can afford to have some extra calories to keep your body going. Equally important is hydration. Your body needs extra water, as well, so it is very important to hydrate even more than during the summer months. A tip from the workshop: The best way to truly hydrate is to drink plenty of water the day before, so your body is hydrated before you begin your hike.

If you missed our 2018 Winter Hiking Workshop, plan to attend the next one available. It is a great workshop and a must if you are planning to start winter adventures. Always do your research when planning your winter hikes. Share your planning with someone at home, and plan to check in when you arrive back in your vehicle. As always, be safe and enjoy the great outdoors.

Winter Hiking Workshop

(Continued from page 6)

Layer, layer, layer is Rule #1 for clothing when hiking, especially in the wintertime. Heat management is crucial during winter months. Rule #2 is NO COTTON! It's important to wear material that will not hold moisture and will dry quickly, such as merino wool, polyester, nylon, etc. A tip from the workshop: It's better to begin your hiking on the cooler side, as you heat up quickly and you can always add more layers. *Photo & caption by Dio Gonçalves*

Be ready to carry more weight. In addition to the extra clothes you should always bring, winter hiking will add a few items to your pack, but who doesn't enjoy trying new gear? I sure do. During this workshop we were able to see some interesting gear such as microspikes, crampons, and snowshoes. Having the appropriate gear is always important, but during winter conditions it can be the difference between life and death. *Photo & caption by Dio Gonçalves*

Volunteer at AMC's lodges, huts, campsites, and more!

Our volunteers are passionate about helping people enjoy the outdoors and learn about the natural world. The AMC has a variety of volunteer opportunities based at our Outdoor Program Centers, including **Information Volunteers**, **Volunteer Naturalists**, **Program Volunteers**, and **Volunteer Alpine Stewards**.

Information Volunteers welcome hikers and overnight guests, orient them to the facility, and offer advice about nearby hiking trails, outdoor gear, and activity programming. Depending on location, they may also lead nature walks and evening programs, assist with retail sales, or help guests with boats and paddling equipment. Information They serve at six AMC backcountry huts, at Hermit Lake Shelters, and at AMC's Mohican, Harriman, Pinkham, Highland, Cardigan, and Medawisla lodges.

Volunteer Naturalists provide outreach during self-designed presentations, activities, and nature walks. Throughout their stay, Volunteer Naturalists also offer trail advice, answer natural history questions, and promote the Junior Naturalist program. Naturalists can offer a variety of programs over a few days, or focus on just one or two topics; they can gear their programs toward kids, adults, or both.

Program Volunteers lead short guided hikes or nature walks, interact with guests using hands-on educational displays at "Table Talks," and lead other outdoor/nature activities. These "Walk-on Programs" are free and open to the public; participants often include novice hikers and families with children. Program Volunteers serve at Pinkham and Highland.

Volunteer Alpine Stewards provide outreach education to help protect the fragile alpine ecosystem on Franconia Ridge and Mt. Washington. Stewards engage with hikers about Leave No Trace principles, alpine ecology, trail conditions, and backcountry safety. Stewards also collect data for AMC's Mountain Watch and perform light trail maintenance.

For more information about any of these volunteer roles, or to request an application, please contact Kyra Salancy, AMC's Outdoor Program Centers Volunteer Coordinator, at amcvolservices@outdoors.org.

Volunteer of the Month: Ken Cohen

By Mike Woessner, Outgoing Hiking Chair

Each month the AMC-SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! Ken Cohen is November’s Hike Leader Volunteer of the Month.

Ken has volunteered as a Southeastern Massachusetts Chapter (SEM) Class I Hiking Leader for the past 18 months, having organized approximately a dozen trips in the Blue Hills, Wilson Mountain, Arnold Arboretum, and other local hiking destinations. His “specialty” is planning hikes in local areas not usually traveled by SEM hikers. Ken offers a unique experience, as in his annual Wilson Mountain Perennial hike, searching for Lady Slippers.

Ken is an avid photographer with a specialty in “the art of nature” and enjoys sharing his photographic knowledge with others. He’s a year-round hiker and snowshoe enthusiast. He is also a longtime member of “Trail Watch” in the Blue Hills, occasionally assisting the DCR Park Rangers. Currently Ken is an active ad-hoc member of the Board of Trustees for the Friends of the Blue Hills.

Congratulations Ken on a job well done!

Ken will receive a \$50 REI gift card.

Land and Water Conservation Fund

Our biggest and single most important opportunity for sustained conservation funding lies in successfully completing our campaign to permanently reauthorize the Land and Water Conservation Fund (LWCF) with full, permanent, dedicated funding. AMC has been working toward this goal for many years as a regional leader within the [national LWCF Coalition](#).

2018 has been a climactic year in this campaign, as AMC and the national Coalition faced the second expiration of LWCF in just three years, as well as concerted attacks on the program’s funding. Learning from the experience of successfully saving LWCF in 2015 (though only for the short term), we kicked off a year-long countdown to raise the visibility of LWCF, underscore to the public and lawmakers what is at stake, and bolster our Congressional champions on both sides of the aisle to fight for permanent authorization and full, dedicated funding of LWCF.

Status: The months leading up to the 2018 mid-term election have been incredibly eventful for LWCF. The backdrop of extremely tight races across the country has given our campaign increased resonance and leverage, especially in the Mid-Atlantic where conservation is a winning issue and a rare bright spot of bipartisan compromise. Here is where things stood when Congress left for their election recess:

Support for LWCF permanent reauthorization is now solid in the House of Representatives, but opponents still stand in the way of dedicated funding.

Permanent reauthorization PLUS full, permanent, dedicated funding of LWCF moved forward in the Senate with bipartisan support.

Despite these positive moves, time ran out and LWCF expired on September 30.

Congress will come back for a lame duck session to consider several outstanding issues before the end of the year. LWCF has reached the point of urgency and salience where it is seen as one of these “must deal with” issues, but the election results may change existing dynamics in both predictable and unexpected ways.

Get in touch with your elected leaders to let them know that you are still waiting for them to permanently reauthorize this important funding source.

‘Winter’ hiking in October on Mount Lafayette

By Paul Miller, [Communications Chair & Hike Leader](#)

On the weekend of October 13 & 14, Anne Duggan and I led five other AMC hikers up to the AMC Greenleaf Hut near the summit of Mt. Lafayette in Franconia Notch. While, based on the calendar, this was not technically a “winter” hike, we required participants to have winter hiking experience and gear, since you never know what weather and trail conditions you’ll encounter up there in October. As it turns out, this was a good call.

The weather was damp and relatively mild with temps in the 50s on the drive up to Franconia Notch on Saturday morning. The thermometer had dropped a bit by the time we got to the crowded Old Bridle Path (OBP) trailhead parking area in Franconia Notch. This being prime “leaf peeping” season, our group was lucky to get the last three possible parking spots. We also lucked out in that it stopped drizzling just about the same time we were ready to start hiking.

While the often-excellent views on the OBP were obscured by low clouds, we still had a nice hike up to the hut, encountering only a few wet and icy spots along the way. But by the time we reached the hut in the early afternoon, the wind had picked up, the thermometer dropped, and the views were obscured (and remained that way until just before sunset). At the hut, a ranger

was advising inadequately equipped hikers to stay off the ridge. We ate our trail lunches and then spent the afternoon socializing until the young hut croo was ready to serve all 48 guests a hearty turkey dinner. The croo’s after-dinner skit was among the best I have ever seen!

Our initial plan had been to summit Mt. Lafayette the next morning and then traverse the Franconia Ridge over Mt. Lincoln to Little Haystack and return to the trailhead via the Falling Waters Trail. However, come Saturday morning the high peaks forecast called for temps in the 20s, 20 to 30 mph winds (with gusts at 40 to 50 mph), with gradual clearing skies, but continuing cold and windy conditions. Not at all good conditions for traversing the very exposed Franconia Ridge.

Sunset from the Hut. *Photo by Sal Spada*

(Continued on page 10)

View up to Mt. Lafayette from the Hut. *Photo by Sal Spada*
‘Winter’ on Mt. Lafayette

(Continued from page 9)

After our croo-served breakfast at the hut, we geared up, shouldered our packs, and headed up the Greenleaf Trail toward the 5,260-ft. summit of Mt. Lafayette, about one mile away and 1,000 feet above the hut. About halfway up to the summit, we started to feel the full force of the wind, and the increasingly icy trail conditions soon forced us to stop to slip on our microspikes. As we got closer to the summit, we were totally in the clouds, so no views. It was even windier on the summit and very cold.

While some among our group expressed an interest in continuing across the exposed ridge; I didn’t think that was a good idea. So, instead, we backtracked down the Greenleaf Trail. After a while, the clouds finally lifted.

On the Old Bridle Path. *Photo by Sal Spada*

Eric & Wendy. *Photo by Margo Flavin*

This allowed us to enjoy a fabulous view across Franconia Notch toward Cannon Mtn., Lonesome Lake, and the Kinsmans; and back up toward the summits of Lafayette and Lincoln.

We stopped briefly at the hut to bask in the sunshine and grab a snack and then continued down on the OBP, encountering quite a few people heading up the trail. At one of the stunning overlooks, we stopped to watch some guys fool around with a video camera-equipped drone, which was kind of cool. As is often the case with me, I slowed down quite a bit toward the end of the hike, but everyone else did just fine. Despite our change of plans, when we got back down to the trailhead, everyone was smiling broadly and thanked Anne and me profusely for a wonderful weekend. For an SEM hike leader, it doesn’t get much better than that. *(Continued on page 11)*

AMC's 2019 Annual Summit – Register Today!

January 26, 2019 – [Four Points by Sheraton, Norwood MA](#)

Please join AMC in kicking off another year in the outdoors! No matter what adventures you are planning for 2019, the 143rd Annual Summit has something for you. This event will connect both newcomers and lifelong members with valuable resources and provide opportunities for meeting people with similar interests and passions.

Annual Summit is AMC's thank you to our dedicated volunteers and members! We welcome you to sign up for a combination of workshops, trainings, and meetings that matches your interests. The full list of offerings will be available at outdoors.org/annualsummit starting in October.

This event will feature:

- Interactive workshops led by AMC experts and outdoor pros
 - Organization-wide committee meetings
 - A delicious buffet lunch
 - AMC's annual volunteer service awards
 - The 143rd Annual Business Meeting
 - Early evening reception, with complimentary drink and hors d'oeuvres
 - Updates on AMC's work in conservation, recreation, and education
- For those interested in staying over Friday and/or Saturday night, AMC will arrange for special group rates. Visit our registration page after October for more details.

Registration is Open!

Early Bird Special Pricing: Pay \$35 when you register before January 1, 2019.

Regular Rate of \$45 applies after January 1, 2019

Register at www.outdoors.org/AnnualSummit

Mount Rainier

AMC's August Camp 2019

Experience magnificent Mount Rainier National Park! See stunning waterfalls, alpine meadows carpeted with wildflowers and grand scenic vistas on dozens of easy to challenging hikes led by trained AMC volunteers. Visit Mount St. Helens. Trek across the shoulders of one of the highest and most dramatic peaks in the lower 48 states.

Camp in the small former lumbering town of Packwood, WA, adjacent to the park. Just arrive and enjoy the activities and camaraderie. Everything's provided: tents, hearty, delicious meals prepared by our staff, local transportation and a free shuttle from Seattle-Tacoma International Airport.

July 13 through August 10. Attend one week or two. Detailed information and registration will be posted at augustcamp.org by early December. Camp filled by mid-January last year, so don't miss out! Registration opens January 2, 2019.

Week 1:	July 13 — July 20
Week 2:	July 20 — July 27
Week 3:	July 27 — Aug. 3
Week 4:	Aug. 3 — Aug. 10

One Week: \$975 for members; \$1150 for non-members.

Applications are accepted beginning January 2, 2019 in the order in which they are received. Get sign-up information after December 1 at our web site, augustcamp.org.

BICYCLING

Sat., Dec. 22. Sunset and Full Cold Moon Cycling, MA. - 22+/- Miles/ 2 +/- hours. Flats & Hills. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff for a peek at Provincetown in the distance. Return to the recreation area and along the canal to Buzzards Bay for sunset at MMA or on Three Mile Outlook. Then back along the canal for moonrise over the Sagamore Bridge. Contact leader for further information. Ride starts around two hours before sunset. Alt. date Fri. Dec. 21 December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Note: Please have bike ready to roll at start time. Helmets are required. Lights are suggested for this ride. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Tue., Jan. 1. SEMAMC 16th Annual New Year's Day Road Cycling, MA. - We'll cycle the streets and Shining Sea Bike Path from North Falmouth to Woods Hole and return for 27+/- miles for 2/3 hours or so. We'll do a shorter ride if the weather is iffy. We'll start at the Shining Sea Bike Path parking lot in North Falmouth. First re-group is Old Silver Beach and a look toward Marion, Rochester, Mattapoisett, Fairhaven, New Bedford and Puget Sound. Perhaps I'll include a couple of side tours into Gunning Point and Racing Beach areas. Then we're on to Woods Hole for refreshments. The return ride will bring us to Nobska Light and then the Shining Sea Path. Start time - late morning with riders and tires pumped and ready to roll. Helmets, water, spare tube required; user pump and tire changing tools would be a plus. Contact leader - paulbcurrier@comcast.net - 508-833-2690 - for start time and registration Helmets required. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

(FT) (NM) Thu., Nov. 29. Hike--Great Neck Wildlife Sanctuary, Wareham, MA. This 4 mile, 2 hour hike in the Great Neck Wildlife Sanctuary in Wareham is on wooded trails through Mass Audubon lands. The trails are relatively level with roots and rocks to navigate. There are several large trees to step over across the trails. We will do a portion of the hike silently as a Muir walk in hope of seeing some wildlife. No dogs are allowed by Audubon rules. There is a view of Bass Cove from the Osprey Overlook. Go over the Bourne Bridge and continue on Route 25 for 6.7 miles. Take Exit 2, Onset/Wareham/Glen Charlie Road. Bear right on the ramp and continue through 2 traffic lights. As you cross Route 28/6/Cranberry Highway, the name changes to Depot Street. As you cross Onset Ave/Minot Ave., the name changes to Great Neck Road. Stay on Great Neck for 3.1 miles, turn right onto Stockton Short Cut Road. The Sacred Hearts Spirituality Center is on the left and a small Audubon sign is on the right. The parking is shortly on your left. Park tightly so we can fit all of the cars. Be alert for deer as you approach the area! L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net) Robin is a 3rd year Level I SEM/Cape hike leader with WFA training)

Sun., Dec. 2. Hiking Bell's Neck Conservation, Sand Pond, Rt 139, Harwich, MA. 4.5mi hike in Bell's Neck Conservation Land, Harwich. Hike along East & West reservoirs, cranberry bogs, marshland & herring run. The herring should be running and the mayflower should be sighted! Meet at 12:45 p.m. for a 1:00 p.m. start. Rt. 6 Exit 10. S on Rt 124. Rt on 39S x 1.9mi to Sand Pond prkg on right. HEAVY rain cancels. L Barbara Gaughan (781-572-1321 before 9 pm, barbaragaughan12@comcast.net, Cape Cod hike & bike leader)

CAPE HIKING

Thu., Dec. 6. Hike White Crest Beach C3C, Wellfleet, MA. Pretty wooded trails leading to the White Cedar Swamp boardwalk. Rolling terrain with one steeper sand hill. Meet at 9:45 for 10:00 start...2 hours. Rte 6 to right on Lecount Hollow Rd. Left at Ocean View Rd just before beach parking lot. At 0.9 mi turn right into White Crest Beach parking lot. L Pat Sarantis (508-430-9965 Before 9:00 PM, patsarantis@gmail.com)

Sun., Dec. 9. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training)

Thu., Dec. 13. Hike - West Falmouth-Quaker Woods, West Falmouth, MA. Rolling woodland trails, water views, historical sites. 2 1/4 hours, Meet 9:45 AM. From Bourne Bridge (cape side) follow Rt 28 south. Take the Thomas Landers exit. Bear R, continue to stop sign. L on Rt 28A for 1 mile. R onto Old Dock Rd. Park on R in lot near bike path. Sturdy boots, traction devices like Yaktraks, Stabilicers, Layers for warmth, snacks, water. Questions call Leader: Cathy Giordano 508 2433884. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

Sun., Dec. 16. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Dec. 20. Hike Bourne Farm and Beyond, West Falmouth, Massachusetts, MA. Enjoy hiking the wooded trails at Bourne Farm and Cardoza Farm in West Falmouth. Some hills. Weather will dictate the decision to go beyond these areas to the beach or to the pond and bog areas. Dress in layers. Bring water, snacks, traction devices such as Yaktrax for icy areas. We meet at Bourne Farm at 9:45 am to begin the hike. From the Bourne Bridge (cape side) take Rt 28 south From Rt 151 West take Rt 28 south Then take the Thomas Landers exit. Turn right (West) off the ramp. At the stop sign turn right, make a quick left into Bourne Farm. Park here. Call leader Cathy Giordano if you have questions 508 243 3884. L Catherine Giordano (508-243-3884 Before 9 PM, cmgiordan@msn.com)

Sun., Jan. 6. Hike--Great Neck Wildlife Sanctuary, Wareham, MA. This outing will be in one of 2 forms--2 miles snow shoeing or 4 mile hiking, depending on weather and trail conditions. It will take place in the Great Neck Wildlife Sanctuary in Wareham, on wooded trails through Mass Audubon lands. The trails are relatively level but require negotiating roots and rocks. There are several trees to step over on the trails during hiking. We will avoid most step overs for snow shoeing. No dogs are allowed in the sanctuary by Audubon rules. There is a view of Bass Cove from the Osprey Overlook. Go over the Bourne Bridge and continue on Route 25 for 6.7 miles. Take Exit 2, Onset/Wareham/Glen Charlie Road. Bear right on the ramp and continue through 2 traffic lights. As you cross Route 28/6/Cranberry Highway, the name changes to Depot Street. As you cross Onset Ave/Minot Ave., the name changes to Great Neck Road. Stay on Great Neck for 3.1 miles. Turn right onto Stockton Short Cut Street. At the turn, Sacred Hearts Spirituality Center is on your left and a small Audubon sign is on the right. The parking is shortly on your left. Park close together to maximize available parking. L Robin McIntyre (508-789-8252 Before 9 pm, cmgiordan@msn.com) Robin is a 3rd year Level I SEM/Cape hike leader with WFA training)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.
Always looking for additional hike leaders!

Thu., Nov. 29. Thurs AM Hike Through Burrage Wildlife Mngmt Area Hanson, MA. Meet at 10 AM in the parking lot off Hawks Avenue in Hanson to explore this property managed by the Mass. Division of Wildlife. We will hike on flat trails through old cranberry bogs, along Burrage Pond, and through woodlands. Our hike will include a section of the Bay Circuit Trail that passes through the area. No need to register. Contact leader with any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com)

Sat., Dec. 1. Winter Series Hike #1 - Mt. Wachusetts, MA. Join us for the first in this year's popular Southeastern Mass. Chapter's Winter Hiking Series and discover the fun, beauty, and camaraderie of winter hiking. We'll be doing an enjoyable, approx. 4.5-mile loop hike with some elevation gain and loss at Mt. Wachusetts in Princeton, MA. Weather permitting, we should enjoy expansive views from the fire-towered summit and, if we're really lucky, get an opportunity to try out some of our specialized winter hiking gear as well as practicing "layering" for winter hiking. Participation in the SEM Winter Hiking Workshop on Nov. 3rd (or equivalent) and/or significant winter hiking/showshoeing experience required to participate in this series. L Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net) L George Danis (danisdad51@outlook.com)

Sat., Dec. 1. Blue Hills Fowl Meadow Hike, 1216 Brush Hill Rd. Milton, MA. Join the 'Red Line the Blue Hills' hikers as they finish their season by hiking 9 miles of Fowl Meadow along the Neponset River. The terrain will be mostly flat and probably wet in some areas. Meet at the northern parking lot 1216 Brush Hill Rd., Milton for a 9:30 start. No registration required. Bring lunch and a smile. L Michael Swartz (swartz@brandeis.edu) L Susan Svelnis (suesvelnis@gmail.com)

Sun., Dec. 2. Holiday caroling hike around Houghton's pond, Blue Hills, MA. Join us for some holiday cheer as we hike around Houghton's pond singing holiday songs to whatever critters are listening. Song sheets will be provided and will include both traditional Christmass carols celebrating the birth of Christ as well as secular holiday songs. All singing abilities are welcome, no need to be able to hold a tune, Just come with a heart full of holiday cheer. The hike is flat and just over 1 mile. No registration required, meet at Houghton's Pond Visitor center at 10am. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (781-848-9506, camaccurtain@aol.com) L Claire MacDonald

(FT) (NM) Thu., Dec. 6. Thurs. Morn. Hike-Cornell Farm/Little River Reserve, Smith Neck Road, Dartmouth, MA. Meet at 9:45 at Cornell Farm parking area for a 6-mile hike. The hike will explore the DNRT Frank Knowles-Little River Reserve and the Trustees Cornell Farm. The trails will take us on a boardwalk through wetlands, pass stone walls and farmhouse foundations. Some trails could be wet and soggy so waterproof footwear is suggested. Weather or trail conditions may shorten the hike. Bring snacks/lunch, rain jacket and at least one liter of water. Heavy rain will cancel. Hunting is not allowed on the DNRT trails but is allowed on the town owned property where we will be hiking. Since it is hunting season, hikers should wear blaze orange hats and vests. L Walt Granda (508-971-6444 before 9 PM, wgrand@aol.com)

Thu., Dec. 13. Thurs. AM Blue Hills Hike/Snowshoe - Ponkapoag Pond, Canton, MA. Moderate to fast pace, with occasional stops. 4 ½ - 5 mile hike around The Pond. Approx. 10:00am-12:30pm. Please arrive by 9:45 am for a prompt 10:00 am start. Bring hiking shoes, micro-spikes or similar traction devices, snacks/lunch & water. We'll take a break at the AMC Camp, down near the pond, weather permitting. Steady rain or heavy snow cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net) Year-round hiker and snow shoe enthusiast. Join groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader for the past 18 months having organized approximately a dozen trips in The Hills and other local hiking destinations. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for Friends of The Blue Hills. Avid nature photographer.)

HIKING

Sat., Dec. 15. Snowshoe #1, TBA, MA. Snowshoe #1 - We will be chasing snow in the White Mountains for the first of our winter snowshoes. Hike location will be announced 1 week prior to the trip. The snowshoe will be approximately 5 miles with 1000-1500 ft of elevation gain. Must have full winter gear, snowshoes, and microspikes. Preference will be given to the SEM winter hiking workshop attendees. L Anne Duggan (508-789-5538 before 9 pm, abduggan12@gmail.com) L Eva Das (borsody@gmail.com), R Anne Duggan (177 Rounseville Road, Rochester, MA 02770, 508-789-5538 before 9 pm, abduggan12@gmail.com)

(FT) (NM) Thu., Dec. 20. Borderland State Park/Bay Circuit Trail, Borderland State Park, MA. Meet at 10AM at Borderland SP parking lot on Massapoag Avenue on the Sharon/North Easton border for a six-mile hike, including portions of the Bay Circuit Trail with pond views. Bring water, lunch, layers, sturdy footwear. Rain or storm cancels. Parking fee is \$5.00 for residents, \$6.00 for non-residents.. L Deborah Lepore (617-778-4339 before 9 PM, DLepore2@GMail.com) L Hans Luwald (508-668-0462 Before 9:00 PM, hans.luwald@gmail.com) CL Hans Luwald (508-668-0462 before 9 pm, Hans.Luwald@GMail.com)

Thu., Dec. 20. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come hike under the Full Moon. We will be meeting at the Maintenance Entrance to Borderland about 500 feet from the Main Entrance at 5:45. The Hike will be approximately 2 hours. Around 5 miles. Please dress for the weather. Micro spikes, and snow shoes may be in order for this time of year. A Poop sheet detailing the hike will be sent out to all who register. When registering, please include the date of the hike, your contact number and a description of your latest hike. L William Cannon (508-697-3560, bcannon56@gmail.com) L Nancy Coote (bcannon56@gmail.com), R Bill Cannon (bcannon56@gmail.com)

Thu., Dec. 27. Blue Hills hike-- Yellow triangle, Meet at Houghtons Pond parking lot. 840 Hillside Street Milton MA. This hike follows the yellow triangle starting behind Ranger headquarters: very hilly in sections, no rock scrambling though. Traction devices necessary. Rain or snowstorm cancels. L Rachel Thibeault (774-360-2539 before 8:00 PM, ratebo@yahoo.com)

Tue., Jan. 1. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register; you will also be asked to attend the excellent SEM winter hiking workshop on November 3. If you have a scheduling conflict you can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) HIKING

Sat., Jan. 5. Winter Series Hike #2 - Mt. Roberts, Moultonborough, NH. Join us for the second hike in our popular SEM Winter Hiking Series to Mt. Roberts. This is a beautiful 5.5-mile, 1350' elevation hike with moderate difficulty. Mt. Roberts is the westernmost peak in the Castle in the Clouds complex in the Ossipee Mountains. While the summit features strong views to the north, perhaps the most scenic portion is the ledge area along the Mt. Roberts Trail. The Lake Winnepesaukee views from this section are second to none. - All Trails In addition to appropriate winter-rated hiking boots and appropriate (non-cotton) clothing, depending on conditions, microspikes and/or snowshoes may also be required for this hike. Participation in the SEM Winter Hiking Workshop or equivalent and/or significant winter hiking/snowshoeing experience required to participate in this series. L Maureen Kelly (mokol773@aol.com) L Paul Miller (paulallenmiller@verizon.net) L George Danis CL Susan Schobel (susan.schobel@gmail.com), R Susan Schobel (susan.schobel@gmail.com)

Fri., Feb. 8-10. Winter Hiking and Cross-Country Ski Weekend - Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its seventh annual winter weekend at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. Noble View sits atop a pristine mountaintop with beautiful trails that wind through quiet woodlands. Hiking, snowshoeing, and cross-country skiing will be offered, depending on conditions. Participants will need to bring their own equipment. The cottages have electricity, water, and wood-stove heating. A short walk from either cottage is a bathhouse with toilets and hot showers. This popular event is limited to 28 participants so register early. We will hike 5 hilly miles in the Blue Hills from the State Police Barracks on Hillside Street to Buck Hill and return. Bring water, lunch, sturdy footwear, rain gear. Storm cancels. L Deborah Lepore (617-778-4339 Before 9:00 pm, DLepore2@GMail.com) CL Hans Luwald (508-668-0462 before 9:00 PM, hans.luwald@gmail.com)

Tue., March 19. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. The last hike of the series will be a shorter hike followed by a social lunch at one of the local restaurants. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register. You will also be asked to attend the excellent SEM winter hiking workshop on November 3. If you have a scheduling conflict you can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (781-848-9506, camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

SKIING

Fri., Jan. 11-13. Cross Country Skiing in Waterville Valley, 5 Old Waterville Rd., Campton NH 03223. Join us for a cross country skiing weekend in Waterville Valley, NH. We will stay at the lovely Mountain Fare Inn, & ski beautiful trails at nearby Waterville Valley Resort. Late check out from the Inn allows us to ski on Saturday & Sunday. The Inn provides a hot breakfast & we will have dinner at local restaurants. After skiing, we enjoy Happy Hour at the Inn (BYOB & a snack to share). L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) L Barbara Hathaway (barb224@tmlp.net), R Barbara Hathaway (508-662-0724, barb224@tmlp.net)

Fri., Mar. 1-3. Cross Country Skiing- The Old Field House, 347 NH 16A, Intervale NH. Join us for a weekend at the Old Field House in Intervale, NH. We will cross country ski, snowshoe &/or hike, depending upon the snow conditions. The Old Field House is a cozy B & B, with a hearty breakfast included. There are many opportunities for outdoor activities and shopping close by. Dinners will be at local restaurants. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) CL Barbara Hathaway (508-662-0724, barb224@tmlp.net), R Barbara Hathaway (508-662-0724, barb224@tmlp.net)

Happy Trails!

First-ever "Caroling Around the Pond" troupe at Houghton's Pond on December 1st.
Photo and video by Paul Brookes

Caroling Around the Pond

By Pam Johnson, Hike Leader, & the Troupe

Sixteen festive carolers gathered together at Houghton's Pond on Saturday morning, December 1st, to embark on the First Ever "Caroling Around the Pond" hike! With jingle bells, sparkling garlands, reindeer antlers, and Christmas trees adorning their heads (yes, trees on their heads), the merry band set out on a beautiful, sunny day to sing both sacred Christmas hymns and traditional holiday tunes while hiking around Houghton's Pond.

Paul Brookes pitched (no pun intended) the idea to Cathy MacCurtain, Claire and Craig MacDonald, and Pam Johnson at a White-Lining planning meeting and without missing a beat (sorry!) all were on board with the plan! Paul, Cathy and Claire were in charge of refreshments—hot cider, cookies, and eggnog cake. Pam took the lead on creating the "Caroling Around the Pond" book of 20 tunes and even included some creative verses about the AMC and our chapter! You can tune in right here:

https://1drv.ms/v/s!AiqwzZ_0nJEkj9YCWruY77hr3TNQBq

(If you don't listen to it all, start from 35 seconds in for the special verse.)

Continued on Page 3

View from the Chair: Best Winter Activities

I was talking to an arborist the other day about some dead and dying ash trees on my property that need to be cut down. My initial thought was that the emerald ash borers have finally arrived. But he explained that, while they are certainly coming, they haven't reached our area yet. Instead, something in the soil is killing those ashes, but he didn't mention what that might be. He went on to say that the tree cutters are very busy now and will be working throughout the winter and all year round. "Winter is best for tree work," he explained. "No bugs, brisk fresh air, and, if you get cold, you can go sit in the truck to warm up."

But SEMers know, especially those who attended our recent Winter Workshop, that dressing in layers and continuous movement (plus the occasional use of chemical hand and toe warmers) will keep us warm—no truck needed. Yes, winter *is* best for many outdoor activities and SEM has a full schedule for you.

Here are a just a few suggestions:

[SEM's 16th Annual New Year's Day Road Cycling](#) on the Shining Sea Bike path from North Falmouth to Woods Hole.

In addition to our weekly local winter day hikes/snowshoes, try something further afield, such as [Winter Series Hike #2 to Mt. Roberts](#) in New Hampshire on Jan. 5th, offering views of ice covered Lake Winnepesaukee; [Winter Series Hike #3 to Mt. Kearsarge North](#) on Feb. 2nd to enjoy views of the snow-covered White Mountain range; or, if you've participated in previous Winter Series hikes (and have the right winter gear), please consider joining us for the [Winter Hiking Series Overnight](#) trip to beautiful Carter Notch.

Consider a weekend getaway to my favorite: [The Old Field House Weekend in Intervale, NH](#), March 1st-3rd to XC ski, snowshoe, hike (or just do some shopping in nearby North Conway if that's your preference).

Hello, Winter! I don't know about you, but I'm going outside. Hope to see you out and about, too. Just don't forget to dress in layers...and keep moving!

In Memoriam: Alan Alexis

SEM member Bill Vickstrom recently informed the *Breeze* that our fellow SEM member, Alan Alexis, has passed away. According to Bill, Alan was a good friend and a very strong and adventurous hiker. Here are some comments from his obituary:

“Alan M. Alexis, of Duxbury, MA, died on Nov 24th. Al graduated from Rutgers University in New Jersey in 1973. Alan was an avid hiker, having hiked the highest points in 48 of 50 states. He participated in many AMC activities including hiking all of the Mid State and North South Trails. He was interested in the environment, reading, cooking, traveling and listening to jazz and blues music. He was a member of the Jones River Historical Society in Kingston.”

We'll miss you Alan!

The Appalachian Trail,
NH White Mountains.

Ledger: Hikers stop at ‘Eddie’s Tree’

Hike leader Ken Cohen reported that the December 13th hike around Ponkapoag Pond received excellent press coverage, thanks to reporter and AMC-SEM member Sue Scheible.

The group paused at the new maple tree planted at the golf course in memory of Eddie DeSantis, an AMC-SEM member and Blue Hills Trail Watch volunteer. There were 30 hikers, many of whom remembered Eddie and his legend.

The article and photos can be found [here](#).

Thanks, Sue and Ken!

Ponkapoag chorus (Continued from Page 1)

As the merry troupe made its way around the pond, stopping to regale one another with lovely melodies, they also entertained many folks who were simply enjoying a day outside hiking around the pond! Still in fine voice after singing all 20 tunes, they gathered once again at the Houghton’s Pond Visitor Center for the surprise grand finale—a rousing rendition of “Twelve Days of Christmas” Hawaiian style! Thanks to Claire MacDonald we sang of “One mynah bird in one papaya tree!”

Pam has offered to lead this event again next year! Perhaps “Caroling Around the Pond” will become a new SEM chapter tradition! So, if you missed the first Hike & Sing, we hope you will join us in 2019!

Winter Series Hike #4 set for March 1-3

The fourth and final trip in AMC-SEM’s 2018-19 Winter Hiking Series will bring us to remote and pristine Carter Notch in New Hampshire. On Friday, March 1, we’ll hike or snowshoe into the AMC Carter Notch hut via the very pretty 3.8-mile long Nineteen-Mile Brook Trail, with a (mostly) gradual 1,900-foot elevation gain. On Saturday, we’ll visit a nearby 4,000-foot peak, such as Carter Dome and/or Wildcat A, and then hike out on Sunday. Possible option for just staying Saturday night.

Previous winter hiking experience and full winter gear required, including microspikes, snowshoes, crampons, insulated winter boots, and zero-degree sleeping bag. Preference given to those who have participated in previous SEM Winter Series hikes/snowshoes this season. Leaders are Paul Miller, George Danis, Maureen Kelly, and co-leader Dio Gonçalves. [See details here.](#)

‘Weather Gods’ Shine Down on SEM Winter Series #1 Hikers

By Paul Miller, Hike Leader

Photos & captions by Dio Gonçalves

Even with several last-minute cancellations, seventeen members showed up at the Balance Rock trailhead in the Mt. Wachusett ski area parking lot on Saturday, Dec. 1st for the first trip in this year’s popular SEM Winter Hiking Series. This included a nice mix of newcomers to winter hiking and more experienced winter hikers.

The weather was great; with crisp, sunny skies; temperatures in the low 30s; and hardly any wind at all. Shortly after hitting the trail, we had to stop to adjust clothing layers to keep from over-heating. Soon after that we stopped once again to slip on our microspikes to avoid slips on the increasingly snow-packed hiking trails. Unusual for a winter hike, due to the warmth of the sun and lack of wind, we didn’t even have to “layer up” again when we arrived at the summit to stop to enjoy the views and eat our trail lunches. We also spent a lot more time on the summit than is usual for a winter hike.

The hike back down to the trailhead was equally enjoyable and—although we never rushed—we completed this 4.1-mile loop hike in good time, particularly for such a large group. May the “weather gods” bless us with equally nice weather for the rest of the hikes in this year’s Winter Series!

The view from this summit was breathtaking! With no wind at the summit and little to no cloud cover, we were able to experience Mother Nature at her finest.

Co-leading this hike was a great experience. Everyone got along very well, and everyone had something different to share. The group dynamic was phenomenal, and the pace outstanding. It almost seemed as if they had all been doing this for a while.

This was my first winter hike, and all the tips I gathered from our winter hiking workshop were very useful. I began with fewer layers than I expected, and it wasn’t long before I had to remove layers. The climb was very moderate, a great opportunity for my first winter hike.

Spend the Weekend!

Enjoy hiking, snowshoeing, and cross-country skiing with AMC-SEM friends at the Noble View Outdoor Center in Russell, MA.

Register NOW!

Volunteer of the Month: Bob Vogel

By Skip Maysles, Trails Chair

Each month the AMC-SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! **Bob Vogel** is December's Trails Volunteer of the Month.

If you're hiking behind Bob, beware of sudden starts and stops! Bob is always in trail maintenance mode, clearing downed twigs from the trail with his hiking poles as he walks along, clipping low-hanging branches that whack him in the face (he's tall), and stopping to saw trees that have fallen across the path.

He is also very good at cajoling friends and family members to help him in his efforts to keep the trails in tip-top shape. This past summer he ran a number of events in the Blue Hills combining hiking, trail work, and instruction in trail maintenance for newcomers. Whether he is participating in a formal trail maintenance event or out on his own, Bob epitomizes devotion to keeping our trails in good shape for the enjoyment of all hikers.

Congratulations to Bob, and thank you for a job well done!

Bob will receive a Volunteer of the Month certificate and a \$50 REI gift card.

Paul Brookes Completes His 10th Redline of the Blue Hills

By Pete Tierney, Trails Vice Chair

Those of us who play the Redline the Blue Hills game know the fun of marking a trail as "done" on our map and the rather disheartening feeling of realizing just how many trails are in the Blue Hills and how much we have left to do. That feeling gives way to a sense of accomplishment as the map fills up with marked trails and is finally complete. Paul Brookes finished the cycle from the first mark on the map to the fully marked map *for the tenth time* on December 5th of this year!

By completing his tenth Redline, Paul enters Goldline status, joining Joe Keogh and Michael Swartz in that exclusive club. He began his tenth go-around on September 13th of this year and seven weeks, 40 trips to the Blue Hills Reservation, and 165 miles later, he completed the effort.

The End!
To see Paul, his suit, and his dog, Sunny, in action, [go to this address.](#)

Photo by Pam Johnson

The accomplishment was more noteworthy because this year's unusually heavy rainfall caused extensive flooding of the Fowl Meadow section closest to the Neponset River. The trail that parallels the river is underwater in many places and some spots are chest-deep. To ford these spots, Paul relied on home-made waders constructed of heavy-duty trash bags and (of course) duct tape. Though he looked somewhat like the monster in the old horror movie *The Creature from the Black Lagoon*, the outfit worked, more or less, and Paul waded his way into Goldline status.

Thursday Hikes to Burrage Pond and Cornell Farm at Little River Reserve

Photos & Captions by Ken Cohen, Hiking Leader

Leader Rob MacDonald takes charge.

Heading into 20 mph winds with 20-degree chill factor.

Navigating a narrow crossing.

Rob MacDonald & Ken Cohen up front. *Photo by Sue Svelnis*

What a great sky!

Nineteen hardy hikers turned out November 29 for a cold and windy hike through the Burrage Pond Wildlife Management Area in Hanson with leaders Rob MacDonald and Sue Svelnis.

Thursday Hikes

Happy to be here!

Continued from Page 6

On Thursday, December 6, Walt Granda led 20 hikers for a sunny outing at Cornell Farm at the Little River Reserve in Dartmouth.

Hello, Cornell Farm!

Goodbye, Farm!

Which way now?

Crossing the bridge over frozen water.

Croo dreams do come true at Zealand Falls Hut!

By Pam Johnson

More than a decade ago I learned about the AMC High Huts in the New Hampshire White Mountains and immediately fell in love with the culture of mountain hospitality offered by the hut “croos”—those amazing teams of young, very strong people who prepare all the meals and keep the huts running. Heartbroken that I would not ever be able to apply to be on a croo due to responsibilities of family and job demands, I happily purchased an AMC High Mountain Huts blue apron and set to work in my own kitchen, always wondering if I had what it takes to be a hut woman.

On Sunday, July 15, 2018, I was enjoying a much-needed pedicure after finishing up the Carter Moriah Range. I apologized to the technician that my feet were a mess due to all the hiking I had recently done. With toes bubbling away in the foot bath, the woman sitting next to me, Meredith, struck up a conversation about hiking in New Hampshire. Sitting next to Meredith was her daughter Rebecca Anderson (nee Atkinson) with her toes bubbling away too. The three of us talked animatedly about hiking and the huts.

Unbeknownst to me, Rebecca was texting with Abby Mnookin. Abby (now living in Vermont) and Rebecca (now living in California) had been planning and dreaming about their 20th Old Hutwomen (OH) Madison Croo reunion for months at Zealand Fall Hut, working as fill-in croo from July 17-19, 2018. Two of their Reunion Croo had to drop out at the last minute. Rebecca had recruited her aunt, Nancy Thomas, another OH, as one replacement, but they still needed one more. Rebecca told Abby she might have found a “substitute” and Abby said, “Ask her!”

So Rebecca asked me, “How would you like to come up to Zealand Falls Hut this week and work on the croo? We’ll hike in on Tuesday, work Tuesday, Wednesday, and Thursday morning, and then hike out Thursday afternoon once the croo arrive. What do you think?”

Wait. What just happened? Stunned, I replied, “Are you serious? This is actually my DREAM job! Seriously? You’re inviting me to come wash dishes at the hut? This is SO exciting! I think I can make this work! Can I call you when I get home?” Phone numbers were exchanged, pedicures finished, and wheels set in motion.

Who knew Pam wanted to “croo”?

Rebecca and Abby would have their 20th Mad Croo reunion, Nancy would be working in the hut with her niece 44 years after being the first ever female Hut Master at Greenleaf, and I would be washing dishes at Zealand! The stars had aligned! All the dreams were falling into place!

On Tuesday, Rebecca and her eight-year-old son Huck, Nancy, and I met at the Zealand Trail, and we set off to Zealand Falls Hut where we were greeted by Abby Mnookin and her six-year-old daughter Lucy.

Under the expert tutelage of the seasoned OH croo, I quickly learned the art of washing dishes in the hut! Abby, Rebecca, and Nancy easily fell back into the comfortable, organized, and efficient roles of Hutwomen, and in a blink dinner was being served—for 40 people!

Continued on Page 11

Biking in South Africa with AMC Adventure Travel

By Barbara Gaughan

Sometime last spring I saw the posting—AMC Adventure Travel Garden Route to Cape Town. Tempting! I checked out the prospectus. I was hooked. Not only was the destination exotically desirable, but I had previously biked with both leaders—Biking the Whites and Bicycle Tour of Lake Champlain Islands—and **knew** the group would be in good hands. I would not be disappointed.

Upon completion of the application and phone screening and securing my spot as one of 14 travelers, anticipatory doubt set in. I knew I could bike 40 miles in a day, but I had never biked 40 miles for eleven consecutive days. Could I **really** do this trip **enjoyably**? Initially I signed on for a road bike. E-bikes were an option. Should I? Shouldn't I? Was I selling out by choosing the latter? I chose the latter. Of the 14 cyclists, only two had chosen road bikes. The leaders made an executive decision—e-bikes for all—and one route/group each day rather than two ride options.

British Air took me from Boston to London/Heathrow to Johannesburg to Port Elizabeth, the longest leg being 11.5 hours. Inflight movies, reading material, compression/anti-embolism stockings, and over-the-counter diphenhydramine helped to make two days of air travel tolerable.

Arriving early, my fellow SEMer Patty Williams and I stayed two nights at the Brooke's Hill Suites in Port Elizabeth. There we met up with some other early birds, including Rami Haddad, our trip leader *extraordinaire* from AMC's Boston Chapter. We toured this seaside city on Nelson Mandela Bay on foot, taking in the Campanile, colonial City Hall, Donkin Reserve and Lighthouse, Piazza Mosaic and Pyramid. Sun, a light breeze, and warm temps delighted us.

Saturday and Sunday were for relaxing, checking the bicycles for fit and tire pressure, and getting acquainted. We transferred in our van support to Addo Elephant National Park, established in 1931 to save the Eastern Cape Elephant from extinction. We were treated to many sightings, not just of some of the 700 elephants in the park, but kudu, red hartebeest, zebra, Cape buffalo, warthog, myriad birds, and the dung beetle—which has the right of way in the park!

Barbara Gaughan, left, and Patty Williams with the majestic Jonkershoek Mountains in the background.

Our guide shared his wealth of knowledge of some of the 1,500 plant species in the park. That night we stayed in individual cottages at the Zuurburg Mountain Village. Best outdoor shower with a mountain view!

Monday turned out to be an adventure in spades. Our leaders needed to plan an alternate route due to smoke from forest fires. We also had to deal with strong 20+ mph headwinds, cool temps, and some rain. A word about the bikes here: We got to test drive them on a 6 kilometer loop in the Van Stadens Wild Flower Reserve. Four modes were available—eco, tour, emtb, and turbo. Let's just say that those of us with no fear let those bikes sing in turbo to combat those headwinds on our route along the boundary of the Tsitsikamma Mountain Range to Jeffrey's Bay. On our maiden ride, *#brakeforbaboons* became my mantra. Really!

Tuesday we woke to pouring rain and a temperature of 13°C (55.4°F). Rami and Mike Barry, the co-leader who is also from the Boston chapter, cancelled ride plans. A few ventured a walk about the town anyway, a few took the van a short distance and were treated to drier weather in which to hike, and some hunkered down in the fire-placed living room of the main lodge. Later in the day, we transferred to Kynsha Quays for a cold brew at Mitchell's Brewery and a lagoon boat ride. Two dramatic cliffs known as The Heads guard the entrance to the lagoon, which stretches to the Indian Ocean. They mark one of the most dangerous harbor entrances in the world.

Continued on Page 10

South Africa Bike Adventure

Continued from Page 9

I won't detail the day-by-day routes and sights. Suffice it to say each day was an adventure, and each day was different from the one before and the one to follow. For our rides, we climbed Montagu Pass (800 m/2,625 ft), Robinson Pass (850m/2,789 ft), and Op de Tradouw Pass (950m/3,117 ft); cycled landscapes varying from the evergreen coast to the dry expanse of Little Karoo; pedaled level ground through olive estates and vineyards; bucolic sheep farms; dairy, beef, and ostrich farms; and traveled the foothills of the Outeniqua Mountains, Swartberg Mountains, Langeberg Mountains, and Hex River Mountains. The surface varied from paved roads and gravel roads in decent shape to washboard bone-grinding gravel and a cement road built between 1946 and 1950.

We were asked to have our phones equipped with *maps.me*, our *ridewithgps* routes and *WhatsApp*. Personally, I didn't trust my ostrich-sized brain to navigate with the app comfortably, so my strategy (successful) was to cycle with the lead group and pair up with a buddy who was secure in their use of the apps and iPhone battery life. There were several lost cyclists, but all found their way back to the fold.

Accommodations ranged from simple to sumptuous. We stayed on a charming historic working farm (search for Oue Werf Country House and Manor in Oudtshoorn), in a charming boutique hotel (search for Karoo Art Hotel in Barrydale), a resort with hot springs (search for Avalon Springs Resort, Montagu), to name a few. Every lodging had a pool.

It's a big pink...
bike rack?

Yep.

Secure your
wheels here in
Stellenbosch,
South Africa.

Barbara Gaughan receiving an ostrich hug at the Congo Ostrich Farm in Schoemanshoek, SA.

Meals were generously portioned. A full English breakfast was an option almost every day, along with fresh fruit, yogurt, granola, breads. Dinners allowed the adventurous to try ostrich in many variations as a stew, as carpaccio, as steak, and barbecued. Springbok, the name of the SA rugby team, is also a menu item served as steak or as carpaccio. To my knowledge, no one tried monkey gland sauce.

Sightseeing excursions were plentiful. We toured Congo Caves, caverns that began forming 20 million years ago.

At Congo Ostrich Farm, we learned, among other factoids, that the ostrich's brain is smaller than its eyes! I also learned from my fellow cyclists that there is a great YouTube video of cyclists being chased by an ostrich in South Africa!

Continued on Page 11

Zealand Falls Hut

Continued from Page 8

We introduced ourselves to the hut guests and shared the story of how the Zealand Falls Hut Fill-In Croo 2018 came to be. All of the guests were delighted to be a part of this once-in-a-lifetime adventure!

With Tuesday night dinner dishes done and Wednesday breakfast prep underway, we were coming together as a team (with a lot of help from Lucy and Huck!). Nancy shared the history of how women came into leadership roles in the huts and recalled her experiences as the first-ever AMC female Hut Master in 1974..

Wednesday breakfast was finished and hikers were out the door! While the soup was simmering, the bread rising, and the dinner roasting, Abby and Rebecca caught up on happy memories and funny stories from working together 20 years ago at Madison Hut. I happily and eagerly washed dishes and helped with dinner prep!

Wednesday was blissfully busy with hikers coming and going, all enjoying the hospitality of the hut! Truly this is the happiest place on earth! Abby, Rebecca, and Nancy made the work look so easy—but I will tell you that the effort required to keep the huts running is anything but easy. The biggest lesson I learned is how much the croo sincerely cares about making the hut experience a lifelong happy memory for everyone who crosses the threshold. That goal hadn't changed at all for Rebecca, Abby, and Nancy. And Lucy and Huck, perhaps future croo, were learning this lesson too.

Thursday came too quickly, the Blanket Folding Demonstration was a Star Wars Extravaganza, and before long the regular croo was returning after enjoying a few days away together. The fill-in croo slowly hiked out, not wanting this experience to end. We shared hugs and smiles, and then went on our merry ways knowing that something really special had just happened. That's the magic of the AMC huts! Dreams do come true!

* * *

Pam Johnson completed the AMC Leadership Training with the AMC-SEM Chapter in 2018, earned her Wilderness First Aid Certification at Joe Dodge Lodge in 2017, passed her Map and Compass Skills at the Mohican Outdoor Center in New Jersey in 2017, and completed the NH 4000-Footers on August 12, 2018. This was Pam's "Dream-Come-True Croo!"

AMC Travel in South Africa

Continued from Page 10

Van Loveren Family Wines on the banks of the Breeze River in the Robertson valley was the site of our wine and chocolate pairings.

Boulders Beach is the only place in the world one can get close to African Penguins!

Biking Route 62 was itself a sightseeing excursion. Where else in the world can one get a peanut butter and jack or a lime and Jägermeister milkshake or purchase an "I've survived the world famous Ronnie's Sex Shop" tee-shirt, or start a ride with an *affogato* at The Barn on 62 or end a ride with a cold brew/cider at the Route 62 Brewing Company?

I could go on and on and on. The Garden Route to Cape Town by bike was extraordinary. Rami and Mike were exemplary leaders and worked well to coordinate with African Bikers, our outfitter. The group of sixteen, ages 33-75, gelled well. Hans, our support van driver got us everywhere safely. The weather gods were with us. The drought did not significantly impact us. The exchange rate was in our favor.

The Rainbow Nation beckons me back. I am dreaming of retirement time in Stellenbosch and my next AMC Adventure Travel!

Barbara Gaughan atop Table Mountain, overlooking the city and harbor of Cape Town. Elevation 3,558 feet.

AMC's 2019 Annual Summit – Register Today!

January 26, 2019 – [Four Points by Sheraton, Norwood MA](#)

Please join AMC in kicking off another year in the outdoors! No matter what adventures you are planning for 2019, the 143rd Annual Summit has something for you. This event will connect both newcomers and lifelong members with valuable resources and provide opportunities for meeting people with similar interests and passions.

Annual Summit is AMC's thank you to our dedicated volunteers and members! We welcome you to sign up for a combination of workshops, trainings, and meetings that matches your interests. The full list of offerings will be available at outdoors.org/annualsummit starting in October.

This event will feature:

- Interactive workshops led by AMC experts and outdoor pros
 - Organization-wide committee meetings
 - A delicious buffet lunch
 - AMC's annual volunteer service awards
 - The 143rd Annual Business Meeting
 - Early evening reception, with complimentary drink and hors d'oeuvres
 - Updates on AMC's work in conservation, recreation, and education
- For those interested in staying over Friday and/or Saturday night, AMC will arrange for special group rates. Visit our registration page after October for more details.

Registration is Open!

Early Bird Special Pricing: Pay \$35 when you register before January 1, 2019.

Regular Rate of \$45 applies after January 1, 2019

Register at www.outdoors.org/AnnualSummit

Mount Rainier

AMC's August Camp 2019

Experience magnificent Mount Rainier National Park! See stunning waterfalls, alpine meadows carpeted with wildflowers and grand scenic vistas on dozens of easy to challenging hikes led by trained AMC volunteers. Visit Mount St. Helens. Trek across the shoulders of one of the highest and most dramatic peaks in the lower 48 states.

Camp in the small former lumbering town of Packwood, WA, adjacent to the park. Just arrive and enjoy the activities and camaraderie. Everything's provided: tents, hearty, delicious meals prepared by our staff, local transportation and a free shuttle from Seattle-Tacoma International Airport.

July 13 through August 10. Attend one week or two. Detailed information and registration will be posted at augustcamp.org by early December. Camp filled by mid-January last year, so don't miss out! Registration opens January 2, 2019.

Week 1:	July 13 — July 20
Week 2:	July 20 — July 27
Week 3:	July 27 — Aug. 3
Week 4:	Aug. 3 — Aug. 10

One Week: \$975 for members; \$1150 for non-members.

Applications are accepted beginning January 2, 2019 in the order in which they are received. Get sign-up information after December 1 at our web site, augustcamp.org.

BICYCLING

Tue., Jan. 1. SEMAMC 16th Annual New Year's Day Road Cycling, MA. - We'll cycle the streets and Shining Sea Bike Path from North Falmouth to Woods Hole and return for 27+/- miles for 2/3 hours or so. We'll do a shorter ride if the weather is iffy. We'll start at the Shining Sea Bike Path parking lot in North Falmouth. First re-group is Old Silver Beach and a look toward Marion, Rochester, Mattapoisett, Fairhaven, New Bedford and Puget Sound. Perhaps I'll include a couple of side tours into Gunning Point and Racing Beach areas. Then we're on to Woods Hole for refreshments. The return ride will bring us to Nobska Light and then the Shining Sea Path. Start time - late morning with riders and tires pumped and ready to roll. Helmets, water, spare tube required; user pump and tire changing tools would be a plus. Contact leader - paulbcurrier@comcast.net - 508-833-2690 - for start time and registration Helmets required. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

Thu., Jan. 3. Hike Long Pond, Goodwill Park, Falmouth, MA. Come hike around Long Pond in winter! Traverse Falmouth's Town Forest on rolling wooded trails. Enjoy scenic views of Long Pond, Grews Pond and Angel Mirror Pond. The Angel Mirror Trail, a relatively new trail, has some steep, narrow sections. Sturdy shoes, layered clothing, plenty of water, snacks, sunscreen and tick repellent are strongly recommended. Pack traction devices such as Yak Traks, Stabilicers for icy conditions. Meet promptly at 9:45 for trail talk and introductions. This hike begins in Goodwill Park at 10 AM. We will hike approximately 2 1/4 hours, about 4 1/2 miles. It is rated B3C, moderate pace, average terrain. Heavy rain/deep snow cancels. Questions, call leader Cathy Giordano 508-243-3884 Directions - From Bourne bridge (Cape side) - Rt, 28S to Brick Kiln exit From Rt. 151 W (near the end) to Rt. 28S to Brick Kiln exit Then bear left off exit ramp. Travel 1.2 miles. Turn R at traffic light onto Gifford St. For 1.1 miles. Look for anchor chain fence on right. Turn right into Goodwill Park. Continue on paved road. Park in lot on right near Grews Pond and covered picnic area. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

Sun., Jan. 6. Hike--Great Neck Wildlife Sanctuary, Wareham, MA. This outing will be in one of 2 forms--2 miles snow shoeing or 4 mile hiking, depending on weather and trail conditions. It will take place in the Great Neck Wildlife Sanctuary in Wareham, on wooded trails through Mass Audubon lands. The trails are relatively level but require negotiating roots and rocks. There are several trees to step over on the trails during hiking. We will avoid most step overs for snow shoeing. No dogs are allowed in the sanctuary by Audubon rules. There is a view of Bass Cove from the Osprey Overlook. Go over the Bourne Bridge and continue on Route 25 for 6.7 miles. Take Exit 2, Onset/Wareham/Glen Charlie Road. Bear right on the ramp and continue through 2 traffic lights. As you cross Route 28/6/Cranberry Highway, the name changes to Depot Street. As you cross Onset Ave/Minot Ave., the name changes to Great Neck Road. Stay on Great Neck for 3.1 miles. Turn right onto Stockton Short Cut Street. At the turn, Sacred Hearts Spirituality Center is on your left and a small Audubon sign is on the right. The parking is shortly on your left. Park close together to maximize available parking. L Robin McIntyre (508-789-8252 Before 9 pm, cmgiordan@msn.com) Robin is a 3rd year Level I SEM/Cape hike leader with WFA training)

Thu., Jan. 10. Harwich, Hawks Nest State Forest, Harwich, MA. Hike wooded trails and roads past Olivers, Hawks Nest, Black and Walkers Ponds. Meet at 9:45 for 10:00 start (2 hours). From Rte 6 travelling east, take Exit 11. Go left at traffic light at the end of the ramp. Take IMMEDIATE right on Spruce Rd. Travel approx. 0.3 mi (just before a hill) at second blue hydrant and park on sides of road. L Pat Sarantis (508-430-9965 Before 9:00 pm, patsarantis@gmail.com)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.
Always looking for additional hike leaders!

Thu., Dec. 27. Blue Hills hike-- Yellow triangle, Meet at Houghtons Pond parking lot. 840 Hillside Street Milton MA. This hike follows the yellow triangle starting behind Ranger headquarters: very hilly in sections, no rock scrambling though. Traction devices necessary. Rain or snowstorm cancels. L Rachel Thibeault (774-360-2539 before 8:00 PM, rateebo@yahoo.com)

Sat., Dec. 29. Winter Morning Out Hike at Myles Standish State Forest, Plymouth/Carver, MA. Join me for an 8 am Saturday hike at Myles Standish State Forest in Plymouth/Carver. See the beauty of the forest in winter. Combining the flat, pond-side East Head Loop and the hilly, wooded Bentley Loop will give us about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Meet at 7:45 at the Forest Headquarters Parking Lot, 194 Cranberry Road, Carver, 02330. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. If we have snow, the hike will become a snowshoe and the distance will be adjusted. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com)

Sun., Dec. 30. Hiking in Weetamoo Woods, RI. Join is for a (hopefully!) snowy hike/ snowshoe of approx. 5 miles of flat trails through beautiful Weetamoo Woods. There are a number of historical features of interest, as well as interesting rocky formations & lots of holly. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com)

Tue., Jan. 1. White Line the Blue Hills hikes, Canton/Milton, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register; you will also be asked to attend the excellent SEM winter hiking workshop on November 3. If you have a scheduling conflict you can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

Thu., Jan. 3. BCT hike in Walpole Town Forest, MA. We will hike 5 mostly flat miles through the Town Forest on the BCT and adjoining trails past ponds, the Neponset River and ballfields of the high school. In case of sufficient snow, we will snowshoe a shorter loop. In any case: bring water, lunch, proper footwear, traction devices for slippery conditions, proper clothing. and possibly snowshoes. Rain cancels. L Hans Luwald (508-668-0462 Before 9:00 PM, hans.luwald@gmail.com) CL Debbie Lepore (617-778-4339 Before 9:00pm)

HIKING

Sat., Jan. 5. Dog Friendly Hike at Wompatuck State Park, Hingham, MA. Come with or without your dog for a fun winter hike at Wompatuck State Park. If conditions allow this hike will be about 5 miles. The route and mileage will be adjusted if there is snow or ice. Dogs are allowed off-leash at this DCR property. However, dogs will need to be leashed at leader's discretion. Dogs must be able to keep pace with the group and not be disruptive to the human hikers. This will be a flat hike with an average pace. Snowshoes are optional if there is fresh snow but traction devices and water proof boots may be required. Registration is not required but please contact the leader with any questions. Meet at 9:45 at the park headquarters, 204 Union Street, Hingham, MA. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com, Local hike leader who loves hiking with her dog, Danny Boy.)

Sat., Jan. 5. Winter Series Hike #2 - Mt. Roberts, Moultonborough, NH. Join us for the second hike in our popular SEM Winter Hiking Series to Mt. Roberts. This is a beautiful 5.5-mile, 1350' elevation hike with moderate difficulty. Mt. Roberts is the westernmost peak in the Castle in the Clouds complex in the Ossipee Mountains. While the summit features strong views to the north, perhaps the most scenic portion is the ledge area along the Mt. Roberts Trail. The Lake Winnepesaukee views from this section are second to none. - All Trails In addition to appropriate winter-rated hiking boots and appropriate (non-cotton) clothing, depending on conditions, microspikes and/or snowshoes may also be required for this hike. Participation in the SEM Winter Hiking Workshop or equivalent and/or significant winter hiking/snowshoeing experience required to participate in this series. L Maureen Kelly (moke1773@aol.com) L Paul Miller (paulallenmiller@verizon.net) L George Danis CL Susan Schobel (susan.schobel@gmail.com), R Susan Schobel (susan.schobel@gmail.com)

Tue., Jan. 8. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. Since the first hike is on New Year's Day, for this hike only, we will be meeting earlier (9 am) and hiking for only 2 hours. The last hike of the series will be a shorter hike followed by a social lunch at one of the local restaurants. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. HIKING

Tue., Feb. 5. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike is on Jan 1 and the last hike is March 19. The last hike of the series will be a shorter hike followed by a social lunch at one of the local restaurants. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register. You can attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (781-848-9506, camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

Fri., Feb. 8-10. Winter Hiking and Cross-Country Ski Weekend - Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its seventh annual winter weekend at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. Noble View sits atop a pristine mountaintop with beautiful trails that wind through quiet woodlands. Hiking, snowshoeing, and cross-country skiing will be offered, depending on conditions. Participants will need to bring their own equipment. The cottages have electricity, water, and wood-stove heating. A short walk from either cottage is a bathhouse with toilets and hot showers. This popular event is limited to 28 participants so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Jeannine Audet , R Paul Brookes (603-799-4399 before 9 pm, PaulBrookes1966@outlook.com)

Tue., Feb. 12. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. Sat., Feb. 23. Winter Morning Out Hike at Myles Standish State Forest, MA. Join me for an 8 am Saturday morning hike at Myles Standish State Forest in Plymouth/Carver. See the beauty of the forest in winter. Combining the flat, pond-side East Head Loop and the hilly, wooded Bentley Loop will give us about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Meet at 7:45 at the Forest Headquarters Parking Lot, 194 Cranberry Road, Carver, 02330. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. If we have snow, the hike will become a snowshoe and the distance will be adjusted. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com)

HIKING

Thu., Feb. 28. Thursday Morning Blue Hills Hike/Snowshoe - Ponkapoag Pond, Canton, MA. Moderate to fast pace, with occasional stops. 4 ½ - 5 mile hike around The Pond. Approx. 10:00am-12:30pm. Please arrive by 9:45 am for a prompt 10:00 am start. Bring hiking shoes, micro-spikes or similar traction devices, snacks/lunch & water. We'll take a break at the AMC Camp, down near the pond, weather permitting. Steady rain or snow cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Join groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader for the past 18 months having organized approximately a dozen trips in The Hills and other local hiking destinations. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Fri., Mar. 1-3. SEM Winter Hiking Series Overnight Trip to Carter Notch, NH. The fourth and final trip in the Southeastern Mass. Chapter's 2018-19 Winter Hiking Series will bring us to remote and pristine Carter Notch. On Friday, we'll hike or snowshoe into the AMC Carter Notch hut via the very pretty, 3.8-mile long Nineteen-Mile Brook Trail with a (mostly) gradual 1,900-foot elevation gain. On Saturday, we'll visit a nearby 4,000-foot peak such as Carter Dome and/or Wildcat A and then hike out on Sunday. Possible option for just staying Saturday night. Previous winter hiking experience and full winter gear required, including microspikes, snowshoes, crampons, insulated winter boots, and zero-degree sleeping bag. Preference given to those who have participated in previous SEM Winter Series hikes/snowshoes this season. L Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net, Paul, an experienced four-season hike leader, prefers to hit the trails in winter.) Winter Series hikers achieve the summit of Mount Roberts in the Ossipee Mountains.

Great views greet Winter Series hikers

By Paul Miller, Hiking Leader; Photos by Susie Schobel

The second hike in this season's Winter Hiking Series on Saturday, Jan. 5, brought us to Mt. Roberts in Moultonborough, NH, the westernmost peak in the Castle in the Clouds complex in the Ossipee Mountains. For good reason, Mt. Roberts is on the popular "52 With a View" list of sub-4,000-ft. peaks in New Hampshire offering great views.

Maureen Kelly, George Danis, and I served as nominal leaders for this trip, with co-leader Susie Schobel doing all actual work: planning the hike, screening participants, preparing the "poop sheet," and physically leading us all up and down the mountain to complete her hike leadership advancement requirements.

The weather forecast earlier in the week was (once again) not terribly promising, with steady rain predicted for much of New England. Luckily for us that day, while the rain in Massachusetts and southern NH made for generally miserable driving conditions, the weather at the mountain was just fine thank you.

Continued on Page 3

View from the Chair: *Be Outside with AMC-SEM*

As I write this, the 2018 year-end holiday celebrations are winding down and our SEM trip leaders are planning activities for 2019. We are off to a good start with the 16th Annual New Year's Day Road Cycling trip from North Falmouth to Woods Hole, plus 45 posted hikes and ski trips. Most are local trips, but several will bring us to the northerly mountains. Warmer weather's arrival will kick off the paddling and biking season, so you can expect more to come.

One new initiative this year is in response to members' requests for more local hikes on the weekends to supplement our regular schedule of weekday local hikes. To make it easier to plan and find these hikes, we've set up a system on the SEM website that enables leaders to reserve dates for future hikes and enables participants to see at a glance the weekend local hikes that will be posted in the AMC's ActDB online trip listing system. Check it out by going to AMCSEM.org, click on Hiking Committee, and click again on Weekend Local Hikes under Hiking Series. (Or, you can go directly to that spreadsheet by clicking [here](#).) While, as I write this, the spreadsheet only shows a few hikes, we expect it to become more fully populated over the coming months as more local hiking leaders become familiar and comfortable with it. And, of course, you can visit [SEM ActDB](#) at any time to see all posted SEM activities.

If you'd like to see even more local hiking opportunities on the weekends, you may want to consider becoming an SEM local hike leader yourself, so you can help plan and lead these. The same goes for other hikes near and far, along with paddles, bike rides, ski trips, and all the other great outdoor activities we offer. I encourage interested members to take advantage of our SEM Leadership Training program. This includes a free, one-day course that teaches the essential elements of trip leadership, followed by a few mentored trip co-leads that provide the prerequisite "hands-on" experience. Most leaders easily accomplish these steps in one season. Give it some thought. Leadership Training this year is set for Saturday, April 6, in Plymouth. Mark your calendar and watch the ActDB or future issues of the [Southeast Breeze](#) newsletter for registration information.

But, for now, winter is finally here. See you out on the trails.

Thanks!

Mount Roberts hike

Continued from Page 1

The clear skies allowed us to enjoy expansive views toward nearby Lake Winnepesaukee and off to distant snow-capped mountain peaks (including a fabulous view of beautiful Mt. Chocurua). While the Mt. Roberts Trail was nicely snow-covered, a layer of ice lurking not too far beneath the surface made it advisable for us to don our Microspikes and Hillsound light traction devices for much of the hike.

The next hike in the Winter Series will bring us up to Mt. Kearsarge North in the White Mountains on Feb. 2. The series finale will be an [overnight trip](#) to the AMC Carter Notch Hut, March 1 through 3. While the Kearsarge trip is currently wait-listed, several spots are still open for qualified participants to join us for the Carter trip.

Bagging my Redline—Literally!

By Pam Johnson

Last December as winter was approaching, I was beginning to feel house-bound after hiking 24 of the 48 Four Thousand Footers over the summer. Now what? I started browsing the AMC Outdoors website and the “White Line the Blue Hills” series caught my attention. I had attended the SE Mass 2016 Winter Workshop and had completed my winter gear collection, but had not gotten out to do any winter hiking that year. I contacted the hike leader, Paul Brookes, and was disappointed to hear the series was wait-listed. Paul reassured me that he would call if a spot opened up. That call came through in mid-December and I was officially registered to start my White Lining on December 26, 2017.

A hardy band of well-equipped enthusiasts met up at the Houghton’s Pond parking lot the day after Christmas. With introductions completed, trail conditions and route discussed, and most important, the “rules of the game” of White Lining and Red Lining explained, we set off into the wintry woods. I was hooked. And I just love a personal challenge. Over the course of the winter of 2018, I began tackling the Blue Hills and continued on through the spring hiking with Len Ulbricht in his Tuesday Spring Conditioning Series.

To stay in shape over the summer while I was finishing up the four thousand footers, I took to the Blue Hills on a regular basis, mostly solo hiking, and my map was quickly filling up with highlighted trails. I wanted to finish redlining in under a year, so I started taking longer treks. By mid-November, the only trails left to do were the Pipe Line, the Neponset River Trail, and a small section of the Fowl Meadow Path. An easy loop.

On November 17, 2018, my husband, Steve, and I headed out on a sunny, cold Saturday afternoon and hiked up the Pipe Line to the Fowl Meadow Path, turned west and then headed down the Neponset River Trail. I was so excited! Only about a mile to go to finish redlining! And then we came upon the first river breach into the gully, right smack dab in the middle of the trail. Water levels were at record highs all over and the Neponset River was flooded. *What the heck! I’ve been up to my knees in water on other hikes, I’m going in.* My husband stood in disbelief as I sunk deeper into the river ditch, and called me back to shore. *OK. Let’s hike back to the other end and try to finish this trail.*

Paul Brookes and Pam Johnson are “in the bag.”
Photo by Pete Tierney

We retraced our steps and started on the lower end of the Neponset River Trail only to find that the breaches were even deeper. I sadly admitted that my goal to finish redlining in under one year was not going to happen. The gullies will either have to freeze over or I’ll have to wait for a dry season.

I was working with Paul Brookes, Cathy MacCurtain, Claire MacDonald, and Craig MacDonald, planning to co-lead the 2018-19 White Line series. I mentioned to Paul that I only needed the Neponset River Trail to finish redlining, but had to abandon my “under a year” goal due to the flooded trail conditions. Paul quickly added that he was working on finishing up his “Gold Line” and also needed that trail. Gold Line? Yes, indeed, that means ten complete times around the map of the Blue Hills.

Paul suggested we tackle the Neponset River trail together with Pete Tierney. Paul informed me that he would bring the contractor trash bags. What did you just say? Yes, Paul confirmed, the plan is to use the super thick contractor trash bags to get through the river breaches—one on each leg and a third to step in to protect our middles. I didn’t even hesitate. This sounded like fun! I’m in! We set our hike date for Friday, November 30, 2018.

Continued on Page 5

Bagging my Redline

Continued from Page 4

Pam Johnson and Pete Tierney wade through a flooded section of the Neponset River Trail. *Photo by Paul Brookes*

Paul, Pete, and I met at the north end of Burma Road, jumped in my car (with Sunny, Paul's Golden Lab) and drove to the Pipe Line trailhead. Contractor bags ready to go! Three willing, adventurous hikers ready for some fun! Sunny would be our depth tester, and off we went. The first access trail from the Pipe Line to the Neponset River Trail was flooded. On with the bags! Sunny waded through, then Paul, Pete, and me. Success! The bags work! We were three very optimistic and smug hikers! We would conquer the Neponset River Trail!

That smug spirit lasted about 15 minutes until we encountered our fourth flooded gully-crossing. We sent Sunny across to test the water depth. Oh no—Sunny was swimming and that meant this was going to be deep water. Paul bagged his legs and headed in and soon realized this gully was too deep. We were going to

require the third bag, which we nicknamed "The Body Bag" to Pete's chagrin. We duct-taped the legs to the body bag and Paul headed into the stream, looking a bit like the Michelin tire man. Deeper and deeper, almost up to his waist, and then up and out! Paul made it! Pete and I stood cheering!

Then reality hit. Pete and I also had to get to the other side. I was next. Leg bags—check. Body bag—check. Duct tape—check. In I went. Wow! Very chilly! A little bit of water leaked into the bags, but I made it! Pete, the voice of reason, decided he would backtrack to the Pipe Line and meet us at the top of the Neponset River Trail.

Unbeknownst to Paul and me, there were ten more flooded gullies to navigate, making 14 crossings in all. The bags held up pretty well for six of them, but soon we were taking on lots of water with each subsequent wade. We knew we were getting close to the end of the trail, and again our sense of purpose was joyfully renewed! And our determination! Paul pulled out the remaining new bags and we were dry and on our way!

At last we could see Pete on the other side! The final crossing proved to be the most challenging: long and deep with downed trees to negotiate. Sunny first (swimming), then Paul, and finally I made it through to the other side. The finish line was literally in sight! All I needed to do was get to the Fowl Meadow Path! Cold and wet, but buoyant in spirit, we picked up the pace and crossed the finish line! We made it! I couldn't have done it without my hiking mates, Paul and Pete and Sunny! I had literally "bagged" my redline!

Shop the Breeze!

FOR SALE: Hiking/Backpacking Boots

Like-new pair of Asolo hiking/backpacking boots, Men's size 9-Wide, in original box, showing very little wear. "They've never really fit me well, despite my four tries at various levels of hikes. Currently they retail at REI for \$320 and I'm hoping to get a little more than half of that—or a best offer. They can be viewed on Craigslist in the apparel section. Contact: Ken Cohen k-cohen@comcast.net

FOR SALE: Cross-Country Skis

210 cm Fischer/Salomon "Crown" Men's XC skis (no metal edges) with poles and boots (I believe size 12), all in excellent condition. Contact Paul or Jeannine Audet milmod@aol.com.

Volunteer of the Month: Ken Carson

By George Danis, Hiking Chair

Each month the AMC-SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! The hiking committee is pleased to recommend **Ken Carson** as the January 2019 Volunteer of the Month!

Ken has been a hiking leader since October 2015. He is currently a class 4 leader who can often be found leading or co-leading local and White Mountain trips. He is also an active volunteer at August camp and has been on several adventure trips with AMC.

Additionally, Ken often functions as trip photographer. He is an extremely knowledgeable amateur photographer and has led classes and instructed many hikers in the art of taking outdoor pictures.

Ken is a former teacher, and his trips reflect many of the skills honed during his career. They are well organized, fun, and Ken is quick to engage with all the participants and share his knowledge of hiking. Finally, Ken is a frequent contributor as an instructor in both leadership and winter hiking class sessions.

Congratulations to Ken, and thank you for a job well done!

Ken will receive a Volunteer of the Month certificate and a \$50 REI gift card.

Stop to smell the flowers! It's not just about going the distance

by Nancy Coote

Conservation Vice Chair, Hike Leader

Who doesn't love wildflowers! [The New England Wild Flower Society](#) has asked the SEM Chapter of AMC to spread the word about the importance of plant conservation and protecting natural habitats. We all love our hikes and appreciate seeing the wildflowers and berries we find out there.

NEWFS is offering a unique opportunity to learn about the survival and conservation of rare plants in our area, and perhaps beyond, by getting involved with the Plant Conservation Volunteer Program.

Perhaps you are a member or friend of AMC with botanical experience and would enjoy volunteering with the PCV or just want to learn more about wildflowers. The PCV program utilizes citizen scientists to help monitor plants, collect seeds, and manage rare plant populations across New England. Go to [PCV Program](#) for more details on how to apply. The application deadline is February 1. NEWFS is also on facebook: <https://www.facebook.com/newenglandwildflowersociety/>

For further information, contact Laney Widener, Botanical Coordinator for the New England Wild Flower Society at lwidener@newenglandwild.org, 508-877-7630 Ext 3204, or 180 Hemenway Road; Framingham, MA 01701.

Watch for more information on wild flower hikes in future newsletters and activities online with [SEM](#).

Trillium plant growing wild along the trail.

Leadership Training in April, Wilderness First Aid in May

By Doug Griffiths, Education Chair

The next **Leadership Training** one-day course will be held on Saturday, April 6, 2019, in Plymouth. This course prepares trip leaders for managing groups they will be leading on AMC sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to ensure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip leader candidates are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. Lunch and refreshment breaks are provided. This course is offered at no cost to chapter members.

This training is required for prospective SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management.

All those interested in this Leadership Training course may also wish to consider **Wilderness First Aid Training** coming up May 4-5, 2019. The course runs 8 AM to 4 PM both days with an optional CPR course available Saturday at 4 PM.

Instruction is provided by SOLO, experts in providing wilderness medical training. Their excellent courses have been well-received by AMC members for years, and we look forward to continuing to sponsor their trainings.

Pricing is as follows: \$160 for AMC or Wildlands Trust members, \$175 for non-members. Price includes lunch and break service both days. The optional CPR course costs an additional \$40.

Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course

is a mix of classroom lecture and practical exercises. Both days are required to certify.

This training is required for AMC-SEM trip leaders, but is a great experience for any outdoor enthusiast. I would encourage any AMC trip participant to consider taking this course. You will find it exciting and stimulating.

Both courses are offered at the Wildlands Trust Community Conservation Barn; 675 Long Pond Road; Plymouth, MA 02360 (just south of Exit 3 off Route 3).

To register for Leadership Training or for Wilderness First Aid, please contact AMC-SEM Education Chair Doug Griffiths at RedDougG@aol.com or 508-758-4315 after 6 PM.

AMC to launch new 'Be Outdoors' brand & membership campaign

You'll notice some changes in upcoming communications and advertising from the Appalachian Mountain Club with a new message, new logo treatments, and a variety of visuals. The changes address several goals, including an inclusive "you" orientation; an expanded view of outdoor activities for all interests, ages, and ability levels; a sense of fun, adventure and engagement with other people and the outdoors. The transition will be gradual, with both logos in use for some time.

Here's part of the AMC statement on the new theme:

"Be Outdoors recognizes the essential connection of the human condition to its origin point. It's the biggest, simplest thing you can do in the biggest, simplest place you can do it. Be Outdoors celebrates the spirit of adventure in every possible form embracing everything that comes with it – wisdom, humor, work, fun, pain, and triumph. There is no wrong way or where to Be Outdoors. There's room for everyone to be, outdoors. Be yourself outdoors. Be together outdoors. Belong outdoors."

Thursday Hike Series is cool!

Photos & Text by Ken Cohen

A January 3rd trek through Walpole Town Forest and along the Bay Circuit Trail was the first of our Thursday Hikes Series of the New Year! Twenty-plus hikers enjoyed a brisk walk along the trails during a sunny, chilly winter's day. Hans Luwald and Debbie Lepore were the leaders, along with their co-leader, German shepherd Gretel.

Chapter Volunteer Opportunities

Dear Fellow SEM Members,

The SEM Executive Board is seeking a Chapter Vice Chair volunteer to:

- *Support the SEM Chapter Chair and our great activity leaders;
- *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod;
- *Represent the SEM Chapter at a variety of club-wide and chapter events;
- *Interface with AMC HQ and learn how AMC functions behind the scenes;
- *Support conservation, education, and recreation in Southeastern Massachusetts.

You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and PowerPoint-type applications helpful.

Please contact Chapter Chair Leonard Ulbricht (chair@amcsem.org)

SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol, and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders.

Please contact Chapter Chair Leonard Ulbricht

chair@amcsem.org

SEM's Executive Board is seeking a Hiking Committee Vice Chair to assist the Hiking Committee Chair in planning, coordinating, and leading hiking trips for the chapter. The Vice Chair will also assist the Chair in arranging quarterly planning meetings and workshops for new hikers, backpackers, and winter season preparation.

Please contact Chapter Chair Leonard Ulbricht

chair@amcsem.org

Mount Rainier

AMC's August Camp 2019

Experience magnificent Mount Rainier National Park! See stunning waterfalls, alpine meadows carpeted with wildflowers and grand scenic vistas on dozens of easy to challenging hikes led by trained AMC volunteers. Visit Mount St. Helens. Trek across the shoulders of one of the highest and most dramatic peaks in the lower 48 states.

Camp in the small former lumbering town of Packwood, WA, adjacent to the park. Just arrive and enjoy the activities and camaraderie. Everything's provided: tents, hearty, delicious meals prepared by our staff, local transportation and a free shuttle from Seattle-Tacoma International Airport.

July 13 through August 10. Attend one week or two. Detailed information and registration will be posted at augustcamp.org by early December. Camp filled by mid-January last year, so don't miss out! Registration opens January 2, 2019.

Week 1:	July 13 — July 20
Week 2:	July 20 — July 27
Week 3:	July 27 — Aug. 3
Week 4:	Aug. 3 — Aug. 10

One Week: \$975 for members; \$1150 for non-members.

Applications are accepted beginning January 2, 2019 in the order in which they are received. Get sign-up information after December 1 at our web site, augustcamp.org.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

CAPE HIKING

Sat., Jan. 19. Hike Over Hill-Over Dale, West Barnstable, MA. Walk the hills and some fire roads of the West Barnstable Conservation area. Hills are steep but short with a little flat spot between them. Good hiking boots are suggested. Hike could go over in time depending on the speed of the slowest hiker and conditions of trails. Take exit 4 on Rt6 (mid-cape highway) go 1 mile south and park under the high tension lines. L David Selfe (508-771-0620 after 5pm before 9pm, kdselife@comcast.net, I have been a member of AMC since 2005 and have hiked over 600 miles on Cape Cod.)

Sun., Jan. 20. Bell's Neck Conservation, Harwich, MA. 4.5 mile mostly flat hike along East & West reservoirs, cranberry bogs, marshland and a herring run. Exit 10 to 124S to end. R on 39S x 1.9 mi to Sand Pond prkg on right. Arv 12:45 for 1 p.m. start. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, Level 1 hike & bike leader.)

Thu., Jan. 24. Hike Coast Guard Beach Eastham, Eastham, MA. 2 hour hike. Visit Salt Pond, salt marshes, Coast Guard Beach. Directions: From Route 6 take Right into National Seashore Salt Pond Visitors Center. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sun., Jan. 27. Beebe Woods Hike, Cape Cod Conservatory parking lot in Falmouth, MA. Join me for a moderate hike in beautiful Beebe Woods. Approx 5 miles. Terrain is flat to ups and downs. Conditions might require snowshoes or ice traction. L Linda Church (lchurch@whoi.edu)

Thu., Jan. 31. Hike Ryder Beach, Truro, MA, Woodland trails, hills, and scenic bay views, and roads, houses of interest. From Route 6, Truro, turn left on Prince Valley Road, go to the end. Right on County Road, then an immediate left on Ryder Beach Road. Park at the end. Meet at 9:45 am. 2 hours. L Janet Kaiser (508-432-3277 Before 9 p.m., jtkaiser@comcast.net)

Sun., Feb. 3. Hike Craigville Beach, Centerville, MA. We will visit Christian community overlooking Craigville Beach and then hike down road to trail through saltmarsh to Centerville River; we will return walking Craigville Beach.. Directions to hike take Rte 6 to Exit 6 and turn R at Shootflying Hill Rd.to L on Old Stage Rd., becomes Main St. follow to beach parking lot for meet location. Follow signs from 132 for Craigville Beach. Meet at 12:45 PM for 1 PM start. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Thu., Feb. 7. Hike Pickerel Cove Mashpee, MA. 2 hour woodland hike with views of Pickerel Cove. From Sagamore Bridge take Rte 6 to exit 2 Rte 130 turn R off ramp and follow for several miles to just over Mashpee line look for entrance to Pickereel Cove on L. From mid Cape and outer Cape Rte 6 to exit 3 turn S on Quaker Meeting House Rd and follow to 2nd light and turn L on Rte 130, follow Rd to just over Mashpee Line Pickerel Cove will be on your L. From Falmouth take Rte 130 N and look for Pickerel Cove on your R. Meet at 9:45 PM for 10 AM start. L Jane Harding (508-833-2864 before 9 PM, janeharding@comcast.net)

CAPE HIKING

Sun., Feb. 10. Hike along the Quashnet River and through adjacent woods, Falmouth/Mashpee, MA. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About 1/2 of the hike will be on moderate rolling terrain. From the Mashpee Rotary take Rte. 28N towards Falmouth. Follow Rte. 28 for 2.1 miles to a right on Martin Rd. (just after crossing the Falmouth town line). Parking is in a small lot or along Martin Rd. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Feb. 21. Hike - Yarmouth, Greenough Ponds (B3C), Yarmouth, MA. Walk through Yarmouth Botanical Gardens, Dennis & Greenough Ponds. Meet at 9:45, 2 hr. Exit 7 off Route 6 to North, right on 6A, at sharp turn go right on Summer St. to beach parking lot. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Sun., Mar. 3. Hike Shawme Crowell State Park, Sandwich, MA. Two hour hike on wooded trails through the scenic campground, some hills. Driving directions: Take Rte 6 to Exit 2, Rte 130 and turn N. Stay on Rte 130 until you see entrance sign for Shawme Crowell. From Sagamore Bridge take 1st exit and at bottom of ramp turn R at lights, follow Sandwich Rd and merge left on 6A and then turn R onto Rte 130. Turn into Shawme Crowell and turn right drive past entrance booth and follow road until you come to open space and paved cutout on R. Park along road off pavement if possible. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Thu., Mar. 7. Hike Long Nook, Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Thu., Mar. 14. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate rolling hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader -Robin McIntyre 508 789-8252. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training)

Thu., Mar. 21. Hike-Brewster, Punkhorn Parklands (C3C), Brewster, MA. Wooded, hilly trails with pond views. Route 6 Exit 9B, 2 miles to a right on Satucket, then bear right at Stony Brook Road. In 0.3 miles, turn right on Run Hill Road. 1.3 miles to parking lot on the left. Meet 9:45 am 2 hours 15 mins. L Janet Kaiser (508-432-3277 before 9 p.m., jtkaiser@comcast.net)

Sat., Mar. 23. Truro Historical Trek, between Pamet Harbor and Truro's Great Swamp, Truro, MA. Truro Historical Trek: Fast-paced 6+ mile walk, along Cape Cod Bay beaches and coastal banks. A few friendly, well-behaved dogs allowed with prior approval of leader. Occasional stops to highlight points of interest, including the first European summer vacation in Truro (1603), the opening of the Cape Cod railroad (1873, in Truro), the most expensive 'McMansion lawsuit' on the Cape, the Pilgrim's theft of Indian seed corn (1620), and the loss of most of Truro's men at sea (1844). Three miles on the beach, three+ on the coastal bank and a little bit inland. A bit strenuous due to beach-walking and some hills and beach stairs. Beach-walking can be challenging when cold/windy so check weather forecast and dress appropriately. Optional lunch afterwards from very good 'diner' a mile from the hike. Heavy rain or snow may delay until Sunday March 24, 2019. L Jay Vivian (508-858-4855 6:30pm - 9:00pm, jvivan0@comcast.net)

HIKING

Sat., Jan. 19. Snowshoe #2, North Conway, White Mountains, NH. Starting on the Champney Falls Trail from the eastern Kancamagus to view frozen Champney and Pitcher Falls. Then Continuing up Champney Falls trail to the Champney Falls Connector Trail and mountain views. Hike will be 4-6 miles/5 hours/1000-2000 ft elevation gain. L Anne Duggan (150-878-9553 x8 before 9 pm, abduggan12@gmail.com) CL Brian Duane (bduane105@comcast.com), R Anne Duggan, 508-789-5538 before 9 pm, abduggan12@gmail.com)

Mon., Jan. 21. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and Hike under the Full Blood moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 lakes. Depending on the weather, snow gear may be required. Registration is required. A detailed Poop Sheet will be sent to all who register. Please include with your email to the Registrar: 1)The date of the hike you want, (I will be listing more very soon). 2) a contact number, 3) and your latest hiking experience. L William Cannon (bcannon56@gmail.com) L Susan Svelnis (suesvelnis@gmail.com) L Patricia McNally (pmcnallyma@comcast.net), R Bill Cannon (bcannon56@gmail.com)

Tue., Jan. 22. White Line the Blue Hills hikes, Blue Hills, MA. For the fifth year, this popular series will run from the Winter Solstice to the Spring Equinox. We meet on Tuesday mornings at 10 am and hike trails in the Blue Hills Reservation for 3 to 4 hours. We hike at a moderate pace, perfect for hiking and chatting at the same time. We stop for lunch on the trail when the weather is not too cold or eat as we walk during cold weather. This is a social group but also serious about winter hiking safety: we hike together, wait at intersections and watch out for one another. The first hike was on Jan 1 and the last hike is March 19. The last hike of the series will be a shorter hike followed by a social lunch at one of the local restaurants. Register once and then come when you can. We hike different trails each week and start from different locations. Registered participants will be emailed the location of the next hike during the prior week. Winter hiking clothes, insulated hiking boots, and stabilizers such as micro-spikes are required on all hikes. Snow-shoes must be brought to the trailhead after the first major snowfall. All hikers are expected to bring a backpack with sufficient water, lunch, extra layers and a first aid kit. A complete clothing and equipment list will be given to you during registration. For the safety of those driving, hikes will be canceled during active snow-storms. In addition, hikes may be canceled during heavy rain, excessive cold or simply unpleasant weather. People new to winter hiking are welcome and encouraged to register. You will also be asked to attend any winter hiking workshop with any AMC chapter. One of the hike leaders will have a Yellow Lab with him, no other dogs are allowed. We hope you consider this winter series; it's pleasant hiking without bugs, social and an effective way to keep fit during the long winter. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Catherine MacCurtain (781-848-9506, camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

Thu., Jan. 24. Thursday Morning Hike -Pratt Farm Middleboro, MA. Meet at Oliver Mill Park, 8 Nemasket Street, Middleboro, MA 02346 for car pool to trail head., MA. Explore the many paths and byways of Pratt Farm. Mostly gentle rolling hills. We will meet at an off site parking area due to limited trail head parking and car pool to Pratt Farm. Do NOT go to Pratt Farm directly. Meet before 10:00AM at the Oliver Mill parking area at the intersection of Rte 44 and Plymouth Street in Middleboro. Hike is approximately 5 miles and 2 - 3 hours depending on routes taken and time spent exploring. Bring light lunch, water and appropriate weather gear. Heavy snow or rain will cancel. L Richard Carnes (508-947-3204, rcarnes2@aol.com)

Sat., Jan. 26. Winter Morning Out Hike at Myles Standish State Forest, MA. Join me for an 8 am Saturday morning hike at Myles Standish State Forest in Plymouth/Carver. See the beauty of the forest in winter. Combining the flat, pond-side East Head Loop and the hilly, wooded Bentley Loop will give us about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Meet at 7:45 at the Forest Headquarters Parking Lot, 194 Cranberry Road, Carver, 02330. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. If we have snow, the hike will become a snowshoe and the distance will be adjusted. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com)

HIKING

Tue., Jan. 29. White Line the Blue Hills hikes, Blue Hills, MA. See listing for January. 22. L Catherine MacCurtain (camaccurtain@aol.com) L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

(C) (FT) (NM) Thu., Jan. 31. Hike North Hill Marsh Wildlife Sanctuary, Duxbury, MA. Pleasant 4.8 mile woody loop around Marsh Pond with possible sightings of ducks, geese and various other birds, cranberry bogs, including a loop around deep kettle holes left by glaciers, traversing a portion of the 1623 Green Harbor Trail. There are some hills and uneven terrain, lots of roots, and flatter areas. Bring 1-2 liters of water, snacks, lunch, sturdy winter boots, a rain jacket, small sit pad and layers for warmth. Hiking poles are optional/useful for uneven terrain. Light traction devices may be needed if snow is present or wet/icy (MicroSpikes, stabilicers, etc.). No restroom facilities. Meet at 9:45am. L Claire MacDonald (781-582-0316 9am-9pm, cfmacdonald@hotmail.com, Claire likes to redline the Blue Hills, hike the NH 4000' (4 left), trek to far off places and is an upcoming Whiteline Leader.)

Sat., Feb. 2. Winter Series Hike #3 - Mt. Kearsarge North, Mt. Washington Valley, NH. Join us for the third hike in our Winter Series. Weather permitting, this moderate 6.2- mile, 2600' elevation hike to Mt. Kearsarge North in the Mt. Washington Valley promises fabulous views from the fire tower summit. There are some steep sections near the summit. Participation in our current or past Winter Hiking Workshop or equivalent is required for those without winter hiking experience. Full winter gear (snowshoes, microspikes, winter-rated boots, etc.) required. L Maureen Kelly (mokel773@aol.com) L Eva Das (borsody@gmail.com), R Maureen Kelly (617-943-4288 before 8:00 pm, mokel773@aol.com)

WINTER SERIES HIKES

**Feb. 2. Winter Series Hike #3 -
Mt. Kearsarge North,
Mt. Washington Valley, NH.**

**March 1-3 Winter Series Hike #4 -
Overnight at Carter Notch, NH.**

Sat., Feb. 2. Dog Friendly Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Come with or without your dog for an approximately 5 mile hike at Wompatuck State Park. We will meet at 9:45 in the Welcome Center Parking Lot. Hike will be cancelled in extreme weather. The choice of trails and actual distance will depend on weather conditions. Waterproof boots and traction devices such as microspikes will most likely be needed. Snowshoes optional if there is fresh snow. This will be a moderate paced hike. Dogs are allowed off-leash at this DCR property, but dogs may need to be leashed on this hike at the discretion of the leader. Please contact leader with any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com)

Tue., Feb. 5. White Line the Blue Hills hikes, Blue Hills, MA. See listing for January 22. L Claire MacDonald , R Cathy MacCurtain (camaccurtain@aol.com)

Fri., Feb. 8-10. Winter Hiking and Cross-Country Ski Weekend - Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its seventh annual winter weekend at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. Noble View sits atop a pristine mountaintop with beautiful trails that wind through quiet woodlands. Hiking, snowshoeing, and cross-country skiing will be offered, depending on conditions. Participants will need to bring their own equipment. The cottages have electricity, water, and wood-stove heating. A short walk from either cottage is a bathhouse with toilets and hot showers. This popular event is limited to 28 participants so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. HIKING

Thu., May 30. 3rd Annual Perennials Hike, Wilson Mountain & Whitcomb Woods, MA. Lady's slippers galore! In a good year there are hundreds on both sides, in sections of the well-marked trail, to the summit of Wilson Mountain. Wilson Mountain reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Mountain laurel too, in season. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. It is managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trailhead. Forested level trails with views of the Charles River, many gazebos along the way. The total hike is 5-7 miles at a moderate pace. Steady rain cancels. Bring water snacks/lunch, sturdy footwear, bug spray, sunscreen. Well-behaved dogs on leash are O.K. L Ken Cohen (508-942-1536 before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snowshoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our National Parks. AMC-SEM Class I hiking leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for the Friends of the Blue Hills. Avid nature photographer.)

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes. (Living in Boston, I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) CL Doug Griffiths ([reddoug@aol.com](mailto:redoug@aol.com)) CL Pete Tierney (pxtierney@aol.com), R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

SKIING

Fri., Mar. 1-3. Cross Country Skiing- The Old Field House, 347 NH 16A, Intervale NH. Join us for a weekend at the Old Field House in Intervale, NH. We will cross country ski, snowshoe &/or hike, depending upon the snow conditions. The Old Field House is a cozy B & B, with a hearty breakfast included. There are many opportunities for outdoor activities and shopping close by. Dinners will be at local restaurants. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) CL Barbara Hathaway (508-662-0724, barb224@tmlp.net), R Barbara Hathaway (508-662-0724, barb224@tmlp.net)

Full Moon Hikes at Borderland State Park

By Bill Cannon, Hike Leader

Have you ever hiked at night under a Full Moon? The moon can be so bright, especially when there is snow on the ground, that you don't need a headlamp. You can even see your shadow—your Moon Shadow.

Every month from October through April, Leaders Patty McNally, Nancy Coote, Sue Svelnis, and Bill Cannon take a group for an evening hike under the full moon around the ponds at Borderland State Park in North Easton. They start at 6 pm and generally hike for 2 hours. The trails are wide and flat, making it safe for nighttime traversing.

The grounds are part of the old Ames Estate. They hike past a stone mansion that was built for Blanche and Oliver Ames and a lakeside stone cabin that on most nights has a few embers still glowing in the fire place for hikers to warm their fingers and toes.

View from the Chair: What's on your mind?

We hear a lot about big data nowadays and its impact on the nation and world. I've been musing about SEM's "little data." Those of you who attended this past November's SEM Annual Meeting or read the annual report know that 71 trip leaders led 354 activity trips last year, 10% more than the prior year. That's an average of five trips per leader. That gave me pause to look back a few years to 2015. I found the number of active leaders leading trips has increased from 56 to 71. That volunteers are stepping up and adding to our cadre of leaders is very good news and a credit to all who promote and implement our Leadership Training program. Developing new leaders is necessary, both to replace those leaders who have moved on to other interests and to enable us to expand the number of trips we can offer our members going forward.

Other interesting "little data" comes from changes in our chapter makeup over the 10 years from Oct. 2008 to Oct. 2018. Our membership has increased by 11%, the number of families by 16%, and—as a sure sign of baby boomer impact—the number of seniors has tripled to 8%. A new stat AMC didn't track 10 years ago is 20- and 30-year-old young members, which is at 3% of our current membership. That's not too bad when you consider that the Boston chapter, which one would think should easily draw in young members, is only at 4%.

So now what? "Little data" forms a backdrop to your Executive Board decision-making. We are gratified by the uptick in active trip leaders and memberships. It speaks to the vibrancy in our chapter. Both are positive directions which we hope will continue. The Board is currently considering which activity areas to focus on going forward. There's a general feeling we should expand the number of trip offerings in underserved areas of southeastern MA, weekend trips for families and young members, and trail work and local conservation efforts. All would require more trip leaders and increased communication efforts to reach beyond our current *Breeze* readership and perhaps membership. More easily said than done.

As your Executive Board continues to explore the SEM chapter's future direction, we'd really appreciate hearing your ideas. Just email me at chair@amcsem.org with your thoughts or to arrange a time for a telephone conversation to discuss what you have in mind. Hope to see you out on the trails!

Thanks!

Volunteer of the Month: Richard Kaiser

By Cathy Giordano, Cape Cod Hiking Vice Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Cape Hiking Committee recognizes Richard Kaiser for his numerous contributions.

Richard is an accomplished AMC leader, beginning with hikes and canoe trips in Westport and North Dartmouth in the early 90s to leading three-season hikes on Cape Cod.

His love for the mountains of New Hampshire, as well as hiking, influenced Richard to introduce hut-to-hut hiking to his children at an early age. It also led him to meet his wife, Janet, on an AMC hike in the White Mountains! Richard's intrigue with the diversity of cliffs and marsh life impact his choice of hikes to lead on the Cape.

Richard aptly uses GPS to map hikes, to scope out old and new venues for hiking, to locate vistas and special features that shouldn't be missed. Old hikes become new again! He's also quick to step up whenever a hike leader needs help.

Now that he is retired, Richard has stepped up to lead numerous hikes helping the AMC-SEM Cape group offer a more robust hiking schedule. We greatly appreciate his service.

Thank you, Richard for all you do!

Richard will receive a Volunteer of the Month Certificate and a \$50 gift card.

Richard is also an AMC Life Member.

Save the Date Fall Gathering 2019 October 18th to 20th Camp Burgess in Sandwich, MA

We are looking for volunteers for leading activities, workshops, registration, logistics. If you can help out for even a couple of hours, it would be much appreciated. Contact FG2019 Event Chair, Barry Young at pastchapterchair@amcsem.org.

Full Moon Hikes

Continued from page 1

By the ponds there are small weirs and waterfalls, several bridges over streams, and the remnants of an old ice house that supplied ice to ice boxes in the area.

And there is plenty of wildlife too. It is typical for the group to see deer and hear owls hooting, as well as hear the peepers in early spring.

Before each hike they send out a Poop Sheet to those who register, with information regarding expected weather and trail conditions and outlining what equipment will be required. Last month's hike was on icy trails with a high temperature of five degrees. Chances of fresh snow are high in the winter months.

Hikers are encouraged to take the Winter Hiking Workshop and Leadership Training. This series is a great way to test out your gear and preparedness for a slightly more strenuous winter hike in, say, the White Mountains.

Future hikes are February 19, March 19, and April 16. They are all posted on the SEM web site. Hope to see you at Borderland!

New Hampshire winter weekend

By Jeannine Audet, Skiing Chair

Happy Skiers ready to go. *Photo by Jeannine Audet*

On January 11-13, our group of 22 filled the Mountain Fare Inn in Campton, NH, to enjoy a weekend of cross-country skiing, snowshoeing, and hiking. There were some long-term returning skiers/snowshoers and some who were brand new to our trips from as far away as New York.

On Saturday morning it was very cold, in the single digits, as we enjoyed our delicious breakfast at the Inn. Then the temperature slowly rose to the teens, but the skies were clear and sunny. The trails at the Waterville Valley Adventure Center were well groomed. Our two morning ski groups ("fast" and "half-fast") covered a lot of ground and braved a stiff morning breeze, which calmed in the afternoon.

The snow-covered trees and views were beautiful, and the bridges were a great spot for photos!

Some of the group chose to relax back at the Inn for the afternoon. Another ski group went out to ski other trails,

and a few chose to snowshoe at Waterville Valley. We all reconvened for Happy Hour by the fireplace at the Mountain Fare. A hearty dinner followed at the Mad River Tavern, with some trying out the local microbrews and lively conversation by all.

Following our breakfast Sunday morning, a group returned to Waterville Valley for skiing, including the scenic Moose Run Loop. A second group hiked the beautiful nearby Welch-Dickey loop, an invigorating 4.4 miles, and enjoyed spectacular views. Some chose to ride the fat bikes at the WV Center, while others went for a snowshoe near the Inn. As we were allowed a late checkout of 3:30 pm from the Mountain Fare, the group had time for our morning activities, packing up, and watching most of the Patriots-Chargers game, loudly rooting on our Pats.

Skiers starting out from the Inn. *Photo by Susan Eliason*

New Hampshire winter weekend

Continued from page 4

This was our second year at the Mountain Fare. Our hosts were gracious and welcoming, provided beautiful rooms, abundant coffee and tea, and stoked a roaring fire. Their easygoing dog, Sam, hung out nearby. The WV Center staff was also very welcoming, providing a group discount on activities, helpful trail information, and outstanding ski lessons for members of our group who were new to cross-country skiing or just wanted to brush up on their skills. We have requested dates with the Mountain Fare for a return trip in January, 2020.

‘White-Lining the Blue Hills on a Red-Lining kind of day’

Essay and Photos By Ken Cohen

White-Line hikers set off into the woods around the pond.

During the early morning of Saturday, February 2, 2019, the now infamous groundhog, Punxsutawney Phil, was pulled from his borrow. He did not see his shadow! That fact resulted in the less-than-scientific prediction of an early spring.

The following Tuesday, February 5, thirty enthusiastic White-Liners gathered at the Ponkapoag Golf Course parking lot. That’s where we began our 5.48-mile trek down Maple Avenue with the goal of circumnavigating Ponkapoag Pond. Our leader/trip-organizer was Pam Johnson. Pam also presented the group with a very interesting chronological and geological history of the Ponkapoag vicinity at various points along the way.

Great Blue Hill visible in the distance.

The near-record number of enthusiastic participants blazed the Green Dot and other Ponkapoag Trails at a very rapid pace. All of us were astounded by the spring-like weather, with the air temperature reaching approximately 63 degrees, under wispy clouds in calm-soothing air. An early spring, indeed, Mr. Punxsutawney Phil!

One of the highlights of the outing occurred during our lunch break by the water near the AMC Cabins. The White-Lining Program creator, Paul Brookes, and our leader Pam presented Bill Doherty with a White-Lining achievement patch. Bill had recently completed all 125 miles of trails in the Blue Hills Reservation while hiking during the winter months (from the Winter Solstice through to the Vernal Equinox). This was the second time Bill had reached that lofty goal! An impressive achievement indeed!

Ice-covered paths melted in the 60-plus-degree sun.

Beth Mosias and other hikers at Ponkapoag Pond.

Beginner Hiking Program from AMC Boston Family Outings

AMC Boston Family Outings is an active group of parents, grandparents, and kids of all ages who like to get outdoors. We meet to hike, camp, bike, fish, canoe in summer, and snowshoe, ski, skate, or sled in winter. We lead both day hikes and weekend trips and our leaders are AMC members and parents active in the outdoors.

We will kick off our spring season with a Beginner Hiking Program, April through June. Look for information in late February on [our website](#) or through our newsletter.

To sign up for our mailing list, please send a blank email to amcfamilyoutings-subscribe@yahogroups.com. We send a monthly newsletter via this Yahoo Group as well as a emails with trip listings and/or reminders.

Recycle clothing & backpacks

Father Bill's in Brockton has requested large backpacks for the homeless. They also need warm clothing, especially large sizes, in good condition. Your donations are tax deductible.

Drop off donations or call:

Father Bill's, 508-894-8520
26 Spring Street, Brockton, MA

Maureen Kelly, 617-943-4288
1550 State Rd., Plymouth, MA

Sally Delisa, 781-834-6851
163 King Philip's Pathe, Marshfield, MA

Father Bill's & MainSpring (FBMS) is a registered 501(c)3 charitable organization. Its mission is to end and prevent homelessness in Southern Massachusetts with programs that provide emergency and permanent housing and help people obtain skills, jobs, housing, and services. It helps people who are struggling with homelessness or are at risk of homelessness to achieve self-sufficiency.

A mysterious shadow stalks the hikers. Is that a camera in its hand?

Our leader, Pam Johnson, is geared up for a good hike.

Leadership Training in April, Wilderness First Aid in May

By Doug Griffiths, Education Chair

The next **Leadership Training** one-day course will be held on Saturday, April 6, 2019, in Plymouth. This course prepares trip leaders for managing groups they will be leading on AMC sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to ensure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip leader candidates are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. Lunch and refreshment breaks are provided. This course is offered at no cost to chapter members.

This training is required for prospective SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management.

All those interested in this Leadership Training course may also wish to consider **Wilderness First Aid Training** coming up May 4-5, 2019. The course runs 8 AM to 4 PM both days with an optional CPR course available Saturday at 4 PM.

Instruction is provided by SOLO, experts in providing wilderness medical training. Their excellent courses have been well-received by AMC members for years, and we look forward to continuing to sponsor their trainings.

Pricing is as follows: \$160 for AMC or Wildlands Trust members, \$175 for non-members. Price includes lunch and break service both days. The optional CPR course costs an additional \$40.

Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course

is a mix of classroom lecture and practical exercises. Both days are required to certify.

This training is required for AMC-SEM trip leaders, but is a great experience for any outdoor enthusiast. I would encourage any AMC trip participant to consider taking this course. You will find it exciting and stimulating.

Both courses are offered at the Wildlands Trust Community Conservation Barn; 675 Long Pond Road; Plymouth, MA 02360 (just south of Exit 3 off Route 3).

To register for Leadership Training or for Wilderness First Aid, please contact AMC-SEM Education Chair Doug Griffiths at RedDougG@aol.com or 508-758-4315 after 6 PM.

AMC to launch 'Be Outdoors' brand & membership campaign

You'll notice some changes in upcoming communications and advertising from the Appalachian Mountain Club with a new message, new logo treatments, and a variety of visuals. The changes address several goals, including an inclusive "you" orientation; an expanded view of outdoor activities for all interests, ages, and ability levels; a sense of fun, adventure and engagement with other people and the outdoors. The transition will be gradual, with both logos in use for some time.

Here's part of the AMC statement on the new theme:

"Be Outdoors recognizes the essential connection of the human condition to its origin point. It's the biggest, simplest thing you can do in the biggest, simplest place you can do it. Be Outdoors celebrates the spirit of adventure in every possible form embracing everything that comes with it – wisdom, humor, work, fun, pain, and triumph. There is no wrong way or where to Be Outdoors. There's room for everyone to be, outdoors. Be yourself outdoors. Be together outdoors. Belong outdoors."

Chapter Volunteer Opportunities

Dear Fellow SEM Members,

The SEM Executive Board is seeking a Chapter Vice Chair volunteer to:

- *Support the SEM Chapter Chair and our great activity leaders;
- *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod;
- *Represent the SEM Chapter at a variety of club-wide and chapter events;
- *Interface with AMC HQ and learn how AMC functions behind the scenes;
- *Support conservation, education, and recreation in Southeastern Massachusetts.

You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and PowerPoint-type applications helpful.

Please contact Chapter Chair Leonard Ulbricht (chair@amcsem.org)

SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol, and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders.

Please contact Chapter Chair Leonard Ulbricht

chair@amcsem.org

SEM's Executive Board is seeking a Hiking Committee Vice Chair to assist the Hiking Committee Chair in planning, coordinating, and leading hiking trips for the chapter. The Vice Chair will also assist the Chair in arranging quarterly planning meetings and workshops for new hikers, backpackers, and winter season preparation.

Please contact Chapter Chair Leonard Ulbricht

chair@amcsem.org

Mount Rainier

AMC's August Camp 2019

Experience magnificent Mount Rainier National Park! See stunning waterfalls, alpine meadows carpeted with wildflowers and grand scenic vistas on dozens of easy to challenging hikes led by trained AMC volunteers. Visit Mount St. Helens. Trek across the shoulders of one of the highest and most dramatic peaks in the lower 48 states.

Camp in the small former lumbering town of Packwood, WA, adjacent to the park. Just arrive and enjoy the activities and camaraderie. Everything's provided: tents, hearty, delicious meals prepared by our staff, local transportation and a free shuttle from Seattle-Tacoma International Airport.

July 13 through August 10. Attend one week or two. Detailed information and registration will be posted at augustcamp.org by early December. Camp filled by mid-January last year, so don't miss out! Registration opens January 2, 2019.

Week 1:	July 13 — July 20
Week 2:	July 20 — July 27
Week 3:	July 27 — Aug. 3
Week 4:	Aug. 3 — Aug. 10

One Week: \$975 for members; \$1150 for non-members.

Applications are accepted beginning January 2, 2019 in the order in which they are received. Get sign-up information after December 1 at our web site, augustcamp.org.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

CAPE HIKING

Thu., Feb. 14. Hike Cataumet Greenways, Bourne, MA. Enjoy hiking Cataumet Greenways in Bourne. Traverse gently rolling wooded trails, bog paths, and grassy pastures. View ponds, bogs and historic sites. This hike is scheduled to last for 2hr 30 min. May be shorter (2hrs) depending on weather, trail conditions WARM LAYERS, WATER, SNACKS YAKTRAX / STABIL ICERS Call leader Cathy Giordano if you have questions: 508 243 3884 You may want to check out info about Show and Go Hikes on the AMC web site. Go to amcsem.org/hikesignup.html. L Catherine Giordano (508-243-3884 Before 9 PM, cmgiordan@msn.com)

Sun., Feb. 17. Hike South Truro going North, Truro, MA. Woodland trails, hills, and scenic bay views, and roads, houses of interest. From Route 6, Truro, turn left on Prince Valley Road, go to the end. Right on County Road, then an immediate left on Ryder Beach Road. Park at the end. Meet at 9:45 am. 2 hours. L Janet Kaiser (508-364-5047 Before 9 p.m., jtkaiser@comcast.net, AMC life member)

Thu., Feb. 21. Eastham-Coast Guard Beach (C4D), MA. Easy hike through woods and marshes. Nice views of Nauset Marsh and Atlantic Ocean. Hike starts promptly from the Salt Pond Visitor off Rte.6 at 10am..2 hours. L Farley Lewis (508-737-6983 Before 9pm, farlewis@comcast.net)

Sat., Feb. 23. Hike Falmouth Moraine, Falmouth, MA. Hike approximately 5 miles along the Falmouth Moraine Trail, passing through some hilly, heavily forested areas. This is a one way hike. The pace will be moderate and the terrain is strenuous in parts. This is a one-way hike. Meet on the Service Rd. off of Brick Kiln Rd at 9:45. Trail Talk promptly at 10 AM. From here we will carpool to the start.. Not a beginners hike! Sturdy hiking boots, traction devices such as Yaktrax, Stabilicers are a must. Dress in layers, bring plenty of water, snacks/lunch, personal first aid kit. This is a known tick habitat. Repellent is strongly recommended. Deep snow, heavy rain cancels. CHECK AMCSEM.ORG WEBSITE FOR CANCELLATIONS OR CALL LEADER Any questions, call leader Cathy Giordano 508 243 3884. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

Thu., Feb. 28. Hiking Provincetown Snail Road, Provincetown, MA. Hike Provincetown Snail Rd. Great hike with 360 degrees of amazing sandscape. Look and see Cape Cod Bay turn around and see the Atlantic Ocean. Walk over two high dunes. (This will be strenuous). Observe dune shacks close up. We will go at a slower pace in some places. The trail head is on the right side of Route 6 in Provincetown directly opposite Snail Rd. Park on Rte 6 (off the road) or take a left and park on Snail Rd. L Pat Sarantis (508-430-9965 Before 8:30 at night, patsarantis@gmail.com)

CAPE HIKING

Sun., Mar. 3. Hike Shawme Crowell State Park, Sandwich, MA. Two hour hike on wooded trails through the scenic campground, some hills. Driving directions: Take Rte 6 to Exit 2, Rte 130 and turn N. Stay on Rte 130 until you see entrance sign for Shawme Crowell. From Sagamore Bridge take 1st exit and at bottom of ramp turn R at lights, follow Sandwich Rd and merge left on 6A and then turn R onto Rte 130. Turn into Shawme Crowell and turn right drive past entrance booth and follow road until you come to open space and paved cutout on R. Park along road off pavement if possible. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Thu., Mar. 7. Hike Long Nook, Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Thu., Mar. 14. Hike--Four Ponds and Bourne Town Forest, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate rolling hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader -Robin McIntyre 508 789-8252. L Robin McIntyre (508-789-8252 Before 9 p.m., robinm McIntyre@comcast.net, Robin is a third year Level 1 SEM/Cape hike leader with WFA training)

Thu., Mar. 21. Hike-Brewster, Punkhorn Parklands (C3C), Brewster, MA. Wooded, hilly trails with pond views. Route 6 Exit 9B, 2 miles to a right on Satucket, then bear right at Stony Brook Road. In 0.3 miles, turn right on Run Hill Road. 1.3 miles to parking lot on the left. Meet 9:45 am 2 hours 15 mins. L Janet Kaiser (508-432-3277 before 9 p.m., jtkaiser@comcast.net)

Sat., Mar. 23. Truro Historical Trek, between Pamet Harbor and Truro's Great Swamp, Truro, MA. Truro Historical Trek: Fast-paced 6+ mile walk, along Cape Cod Bay beaches and coastal banks. A few friendly, well-behaved dogs allowed with prior approval of leader. Occasional stops to highlight points of interest, including the first European summer vacation in Truro (1603), the opening of the Cape Cod railroad (1873, in Truro), the most expensive 'McMansion lawsuit' on the Cape, the Pilgrim's theft of Indian seed corn (1620), and the loss of most of Truro's men at sea (1844). Three miles on the beach, three+ on the coastal bank and a little bit inland. A bit strenuous due to beach-walking and some hills and beach stairs. Beach-walking can be challenging when cold/windy so check weather forecast and dress appropriately. Optional lunch afterwards from very good 'diner' a mile from the hike. Heavy rain or snow may delay until Sunday March 24, 2019. L Jay Vivian (508-858-4855 6:30pm - 9:00pm, jvivan0@comcast.net)

(FT) (NM) Thu., Apr. 4. Hike Bourne Farms Hike, West Falmouth, MA. Enjoy a leisurely Spring meander beginning at a lovely old farm. We will enter a woodland with a few hills, cross two streams, and go around a cranberry bog. After the hike, the group could go together to a nearby restaurant for lunch. As with most hikes on the Cape, poison ivy, ticks, and mosquitoes can be present. Rain cancels the hike, but if in doubt about the weather, call the leader. Meet at 0945 for a 1000 start, and the hike should last about 2 hours. L John Gould (508-540-5779, jhgould@comcast.net)

(FT) (NM) Sun., Apr. 14. Hike the Coonamessett River Headwaters, East Falmouth, MA. An easy 1 3/4 hr hike through woods and along a dirt road on the south side of Coonamessett Pond in Falmouth, one of the larger ponds on the Cape. We will see the origin of the Coonamessett River (a very small "river") and follow it past old cranberry bogs, as it flows south toward Great Pond and the sea. As with most hikes on the Cape, poison ivy, ticks, and mosquitoes can be present. Rain cancels, but if in doubt about the weather, call the leader. Meet 1245 for a 1300 start. From the intersection of Rt 151 and Sandwich Rd, in North Falmouth, drive south on Sandwich Rd for 1.6 miles. Turn right on Hatchville Rd. Go 0.6 miles and turn left onto a dirt road leading to parking. L John Gould (508-540-5779, jhgould@comcast.net)

CAPE HIKING

Thu., Apr. 25. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

EDUCATION

Sat., Apr. 6. Leadership Training Workshop, Wildlands Trust Community Conservation Barn 675 Long Pond Rd., Plymouth, MA 02360. This course prepares trip leaders for managing groups they will be leading on AMC sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to insure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip leader participants are also welcome. It is an all day course with a mix of classroom and outdoor exercises. The usual schedule is 8 am to 5 pm. Lunch is included and refreshment breaks are provided. This course is offered at no cost to AMC members. For Southeastern Mass chapter members, this is the first step in becoming a trip leader, followed by several co-leads with current chapter trip leaders, arranged in the weeks or months after this program. This training is required for prospective SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management. L Douglas Griffiths (508-758-4315 after 6 pm, [reddougg@aol.com](mailto:redougga@aol.com))

Sat., May 4-5. Wilderness First Aid Two Day Workshop, Wildlands Trust Community Conservation Barn, 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6 pm, [reddougga@aol.com](mailto:redougga@aol.com))

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. See listing under Hiking. R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

HIKING

Tue., Feb. 19. White Line the Blue Hills hikes, Blue Hills, MA. See listing for January 22. L Claire MacDonald, R Cathy MacCurtain (camaccurtain@aol.com)

Tue., Feb. 19. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under the Full Snow Moon or as some call it a Full Hunger Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. When the moon is out the reflections are breathtaking and the trails are so bright you can see your shadow. Depending on the weather, snow gear may be required. A detailed Poop Sheet will be sent to all who register. Please include with your email registration: 1) The date of the hike you want to participate in 2) A contact number 3) A description of your latest hiking experience. L William Cannon (bcannon56@gmail.com, AMC Member for 8 years This is my 2nd year of leading Full Moon Hikes AMC SEM Conservation Chair) L Susan Svelnis (suesvelnis@gmail.com), R Bill Cannon (bcannon56@gmail.com)

Sat., Feb. 23. Winter Morning Out Hike at Halfway Pond Conservation Area, Halfway Pond Conservation Area, MA. Join me for an 8 am Saturday morning hike at Halfway Pond Conservation Area in Plymouth. See the beauty of the forest in winter. We will combine dirt road walking around the ponds with hilly trails in between the ponds for about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Features along the trails include wetlands, kettle holes, beech forest and an area of cathedral pines. Halfway Pond is the headwater for the Agawam River and eagle nesting territory. Meet at the Long Pond Boat Ramp Parking Lot at 7:45 for a 8:00 am start. Take Exit 3 off Rt 3 and head southwest. At the intersection turn left onto Long Pond Rd and a quick right onto Clark Rd. Stay left to keep on Clark Rd which turns into West Long Pond Rt. Parking Lot is on the right. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com) L John Bescherer (john.bescherer@gmail.com)

Tue., Feb. 26. White Line the Blue Hills hikes, Blue Hills, MA. See listing for January 22. L Claire MacDonald, R Cathy MacCurtain (camaccurtain@aol.com)

Thu., Feb. 28. Thursday Morning Blue Hills Hike/Snowshoe - Ponkapoag Pond, Canton, MA. Moderate to fast pace, with occasional stops. 4 ½ - 5 mile hike around The Pond. Approx. 10:00am-12:30pm. Please arrive by 9:45 am for a prompt 10:00 am start. Bring hiking shoes, micro-spikes or similar traction devices, snacks/lunch & water. We'll take a break at the AMC Camp, down near the pond, weather permitting. Steady rain or snow cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Join groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader for the past 18 months having organized approximately a dozen trips in The Hills and other local hiking destinations. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Fri., Mar. 1-3. SEM Winter Hiking Series Overnight Trip to Carter Notch, NH. The fourth and final trip in the Southeastern Mass. Chapter's 2018-19 Winter Hiking Series will bring us to remote and pristine Carter Notch. On Friday, we'll hike or snowshoe into the AMC Carter Notch hut via the very pretty, 3.8-mile long Nineteen-Mile Brook Trail with a (mostly) gradual 1,900-foot elevation gain. On Saturday, we'll visit a nearby 4,000-foot peak such as Carter Dome and/or Wildcat A and then hike out on Sunday. Possible option for just staying Saturday night. Previous winter hiking experience and full winter gear required, including microspikes, snowshoes, crampons, insulated winter boots, and zero-degree sleeping bag. Preference given to those who have participated in previous SEM Winter Series hikes/snowshoes this season. L Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net, Paul, an experienced four-season hike leader, prefers to hit the trails in winter.) L George Danis L Maureen Kelly (mokel773@aol.com) CL Dio Goncalves , R Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net)

HIKING

Tue., Mar. 26. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. Hike hilly Skyline Trail and adjacent trails on nine successive Tuesday mornings 3/26-5/21, progressively increasing distance, elevation gain and pack weight (optional) to condition for summer hiking season up north. Expect rocks and granite ledges on most ascents and descents. Moderate initial 1.5 - 2 mph pace and 3 mile hilly hike, progressing over the 9 weeks to 8 or more miles with cumulative elevation gain around about 2000 feet.. 9:15 am sign-in, 9:30 am hike start. Not suitable for beginners. May finish series with extended day hike. Register once for entire series. L Len Ulbricht (lenu44@gmail.com, Len has been an AMC Southeast Mass chapter member since 2008. He leads three season hikes in the White Mountains, both day hikes and multi-day hut trips, and an annual spring conditioning series in the Blue Hills. He enjoys hiking the 48 NH 4K peaks and is an AMC Adventure Travel leader.) CL Pam Johnson (pjohnson8992@gmail.com) CL Craig MacDonald (craigmacdonald695@gmail.com), R len ulbricht (lenu44@gmail.com)

Sat., Mar. 30. Winter Morning Out Hike at Myles Standish State Forest, MA. Join me for an 8 am Saturday morning hike at Myles Standish State Forest in Plymouth/Carver. See the beauty of the forest in winter. Combining the flat, pond-side East Head Loop and the hilly, wooded Bentley Loop will give us about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Meet at 7:45 at the Forest Headquarters Parking Lot, 194 Cranberry Road, Carver, 02330. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. If we have snow, the hike will become a snowshoe and the distance will be adjusted. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com)

Tue., Apr. 2. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., Apr. 9. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., Apr. 16. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., Apr. 16. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under a Full Pink Moon or as some may call it, a Full Fish Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. In the past we have seen the moon at least 90% of the time. It is a beautiful site over the ponds and across the meadow. Hopefully we won't need any snow gear. A detailed Poop Sheet will be sent to all who Register. Please include in your registration e-mail: 1) the date of the Full Moon Hike you wish to attend 2) Your contact number 3) A description of your latest hiking experience. Tue., May 14. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., May 21. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Thu., May 30. 3rd Annual Perennials Hike, Wilson Mountain & Whitcomb Woods, MA. Lady's slippers galore! In a good year there are hundreds on both sides, in sections of the well-marked trail, to the summit of Wilson Mountain. Wilson Mountain reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Mountain laurel too, in season. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. It is managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trailhead. Forested level trails with views of the Charles River, many gazebos along the way. The total hike is 5-7 miles at a moderate pace. Steady rain cancels. Bring water snacks/lunch, sturdy footwear, bug spray, sunscreen. Well-behaved dogs on leash are O.K. L Ken Cohen (508-942-1536 before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snowshoe enthusiast. Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes. (Living in Boston, I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) Return to Old Field House for great winter weekend

By Jeannine Audet, Ski Chair

The SEM Chapter returned to the Old Field House in Intervale, NH, March 1-3 for a cross-country skiing and snowshoeing weekend. Our group of 27 was the largest we have had on this trip, which has been run for several years. As always, the innkeepers were welcoming and prepared a wonderful breakfast each morning, including their waffles made to order.

The skies were mostly sunny, with light breezes on both days and a 27-40 inch base of snow on the trails. On Saturday, 13 XC skiers enjoyed the nicely-groomed trails at Great Glen, and some of them rode the tubing hill afterward. Eight snowshoers did a loop hike at Diana's Bath and the Red Ridge Trail.

Other group members chose to go shopping in North Conway or to relax and read at the B&B. Happy hour followed at the B&B, with several folks also enjoying the outdoor hot tub. We broke into small groups for dinner at local restaurants afterward for dinner.

On Sunday, a group of eight skied the picturesque trails at Bear Notch, while others snowshoed the network of the Mt. Washington Valley trails outside the B&B. Several participants on this trip were relatively new to skiing and they had a great experience.

We welcome all to join our winter trips! (*More photos on page 3*)

View from the Chair: Leadership Training is Harbinger of Spring!

After many months of winter, I know for sure that spring is finally coming. How? Because Leadership Training is fast approaching on April 6! LT is required training for AMC members who step up to volunteer to lead trips, be they hiking, biking, paddling, or skiing. LT covers many aspects of how to lead a group so that everyone has a safe and enjoyable experience. For the past several years, we've also been encouraging participants who do not aspire to be leaders to also attend LT to better understand what trip leaders do. Many have told us that this has helped them become better participants.

This year, I'm pleased to report that we already have a large class of more than 30 members participating in the LT workshop. Ideally, many will be co-leading trips during this coming year, which is part of the process toward certification as a full trip leader. If you find this to be so, please make it a point to thank them for stepping up to volunteer for the chapter.

And speaking of volunteering, we can always use more volunteers to lead trips, help out at chapter-organized events, or participate on your chapter Executive Board. By the way, we also like our Board members to take leader training. So, if you have any thoughts about helping your chapter on the Executive Board at any point, please consider taking LT yourself.

Thanks!

AMC-SEM Leaders at Sandwich's Family Outdoor Adventure Day

Hike Leader Maureen Kelly and Biking Chair Bernie Meggison represent AMC-SEM on April 6 at the Family Outdoor Adventure Day co-sponsored by the Sandwich Partnership for Families and the Sandwich Recreation Department. The event takes place from 1 to 4 p.m. at the Oak Crest Cove upper cabins at the Sandwich Recreation Department, 34 Quaker Meetinghouse Road; Forestdale, MA 02644. Rain date is April 7.

Maureen, organizer of AMC-SEM's Family Hikes, will give an introductory talk on "My First Hike." Bernie will set up a "Complimentary Bicycle Safety Check" station like those he has offered at other events.

Family Outdoor Adventure Day is designed to excite, encourage and familiarize local families with outdoor recreation, while presenting skills and knowledge needed to safely and confidently enjoy the "Great Outdoors."

Representatives from outdoor recreation, wildlife and environmental agencies, equipment vendors, and first responders will be on hand to introduce families to a wide variety of outdoor activities. The event is free to all. Additional Information can be found online at www.sandwichrec.com.

Save the Date
Fall Gathering 2019
October 18th to 20th
Camp Burgess in Sandwich, MA

We are looking for volunteers for leading activities, workshops, registration, logistics. If you can help out for even a couple of hours, it would be much appreciated. Contact FG2019 Event Chair, Barry Young at pastchapterchair@amcsem.org.

Volunteer of the Month: Dia Prantis

By Jeannine Audet, Skiing Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Skiing Committee recognizes Dia Prantis for her numerous contributions.

Dia is a hike leader, and I have enjoyed hiking with her in the Berkshires and the White Mountains. She has recently qualified as a Skiing Leader. Dia co-led skiing this season in Waterville Valley and at Great Glen and Bear Notch in NH.

Dia's warm, welcoming nature was helpful to some of our group members who were relatively new to skiing. She clearly enjoys sharing her love for the outdoors.

Thank you Dia!, for all you do!

Dia will receive a Volunteer of the Month Certificate and a \$50 gift card.

Lion-hearted March follows as February goes out like a lamb

Article & Photos by Ken Cohen, Hike Leader

I had the pleasure of leading our Thursday hiking group this past February 28th. The potential hiking conditions were a close call, with a snowstorm having hit the night before. However, as predicted, by 6:00 am it was mostly over, after 5 inches of fluffy accumulation draped the landscape.

Nine of us showed (at least five White-Liners included) for a five-mile trek with MICROSpikes® around Ponkapoag Pond in Canton, MA. The clouds lifted and the warming sun appeared as we headed to the forest along Maple Avenue. The chill wind disappeared. It all evolved to perfect winter hiking conditions!

What follows are a few images of that invigorating AMC-SEM kind of day!

We'll be here again, for another Thursday trek, early this spring, in April. Please join us!

Trekking by the 14th Hole.

97-inches of snow ‘at the stake’

By Paul Miller, Communications Chair,
Winter Hiking Leader

The finale to our annual Winter Hiking Series is a multi-night stay at one of the three AMC High Mountain Huts (Lonesome Lake, Zealand Falls, and Carter Notch) that stays open in winter on a self-service basis. “Self-service” means that a caretaker is present, but we have to carry in our own food and prepare our own meals. Some years we encounter icy conditions. Some years we encounter bitter cold conditions. And every once in a while, we encounter beautiful weather, moderate temperatures, and lots of snow to play in. This was one of those years!

With mostly sunny skies, light wind, daytime temps in the 20’s, night temps in the teens, and 97 inches of snow measured at the stake outside the AMC Carter Notch Hut, it would be hard to imagine nicer winter conditions or having more snow for us to play in.

Most of us hiked in to the hut on snowshoes on Friday morning, March 1st. While our full winter backpacks—stuffed to capacity with all the group food, extra clothing, and our warm winter sleeping bags—weighed heavily on our shoulders, we took our time and everyone did just fine. With the deep snow in the woods and beautiful ice and snow formations on the river, I heard more than a few “oohs” and “ahhs” from many of our participants.

The hike in on the 19-Mile Brook Trail is particularly beautiful in the winter! After climbing gradually, then steeply for about 3.5 miles, the trail drops steeply into remote, pristine Carter Notch. After crossing two frozen ponds, we arrived at the stone Carter Notch Hut, the oldest in the AMC system. We claimed our bunks in the lower of the two separate bunkhouses and spread out our sleeping bags. We then returned to the main hut to enjoy the warmth from the small wood stove and partake in our traditional pre-dinner happy hour. For dinner that night, Maureen Kelly prepared a delicious meal of shrimp and veggie stir-fry over yummy jasmine rice.

After breakfast the next day, we offered participants a choice of hikes: a more challenging snowshoe jaunt up nearby Carter Dome; or a less challenging, but exceedingly enjoyable, snowshoe out onto the dramatic “Ramparts,” then down (and back up) the largely unbroken out Wildcat River Trail. The Ramparts are massive stone boulders that have dropped into the notch over the ages from 4,832-foot Carter Dome.

For dinner that night, Sal Spada redeemed himself from the infamous chili he had prepared for our last winter overnight trip to Carter Notch three years ago, by serving us a very tasty and hearty meal of Pasta Bolognese and garlic bread, with an equally tasty vegetarian variation for those who preferred that.

Sunday morning, after eating a light breakfast and packing up our stuff, we once again strapped on our snowshoes, donned our (not quite as heavy now) winter backpacks, and hiked back down to the 19-Mile Brook Trail trailhead. We made it to our cars in time to make it back home before the serious snowstorm hit New England on Sunday evening.

Leadership Training: Why should *You* take it?

By Bob Vogel, Hike Leader

There are several reasons to take Leadership Training (LT). Obviously if you want to become a Leader for AMC, LT is the place to start. Even if you want to lead trips for a different organization, taking LT with SEM will provide you with the basic knowledge of planning and executing trips.

But what if you don't, at least any time soon, see yourself as an AMC Leader? Does that mean you shouldn't take LT? I would strongly argue that even if you don't want to be a Leader, you should still take LT. Why? To become an educated participant.

As a Leader, I find that the more people on a trip who have taken LT, the easier it will be to lead the trip. First of all, the more people who understand all the things that a Leader has to think about during a trip, the fewer people asking questions or making suggestions that really aren't practical. And if you miss something, the more likely someone else will notice and bring it to your attention. ("Hey, look at those dark clouds over there... moving this way" or "Wow, it's getting late, and we aren't heading back towards the cars yet.") And, the more help you can get, the easier it is to be a Leader. And this is where everyone benefits: The easier and more enjoyable Leading is, the more trips Leaders will offer!

So even if you don't want to lead, at least anytime soon, take LT and volunteer to help your activity Leader. Volunteer to sweep, or lead a stretch so your Leader can drop to the middle of the group and talk to all the different participants. AMC is a volunteer organization. Only by participants stepping up and saying "I'll help" do we get to do *any* activities. 😊

And if you *do* want to be a Leader? *Great!* You will find that leading activities can be very rewarding. As a Leader you get to pick where and when you are going, how far, and at what pace. Do you find our trips too fast or too slow? Not at a convenient time? Too big a group size? Offer what *you* want, and I bet you will find there are others wanting that too! See: Borderland Full Moon hikes and Red Line the Blue Hills, two activities I started because I thought they would be fun. Apparently I was

right about that! And since they are your activities, you get to run them the way you think they should be run.

And let's face it: 99.99% of AMC participants are great folks, and you'll get to meet more of them. As a bonus, you get to hang around with the other Leaders, and--OK, I *may* be a little prejudiced here—AMC Leaders are the cream of the crop of AMC people. 😊

OK, a story. Once upon a time I met someone who took LT. Then that person didn't volunteer to CL any hikes. So I called and, after a couple messages left, we finally talked, and that person agreed to CL a hike at Borderland. Next, that person became a local Leader, and a NH Leader, and then a winter NH Leader, and then a Major Excursions (now Adventure Travel) Leader. Then that person started a company leading trips up Kilimanjaro. Take Leadership Training, you never know where it will take *you!*

April 6th: One day that may be the start of something exciting! [Sign up here now](#)

Full Moon Hike at Borderland State Park, a night hike initiated by Bob Vogel, led in March by Bill Cannon with 30 hikers who agreed this was a great idea!

Homemade Healthy Granola Bars

By Bill Cannon, Hike Leader

Ingredients:

- 2 ½ cups rolled oats
- ¾ cups flax seed
- ¼ cup sesame seed
- 1 cup chopped almonds (optional: any other kind of nuts, sunflower seeds or pumpkin seeds)
- ½ cup shredded coconut
- ½ teaspoon sea salt
- 1 teaspoon cinnamon
- 2 teaspoons vanilla extract
- ½ cup pure honey
- 4 tablespoons butter (I use coconut oil for increased energy kick and metabolism)
- ¼ cup brown sugar
- 1 cup dried cranberries (optional: other chopped dried fruits or dark chocolate chips)

NOTE: If you are on a low-sugar or low-salt diet, decrease the amount. It's up to you. You can also substitute Stevia packets for brown sugar.

Instructions:

- 1) Preheat oven to 325 degrees. Combine rolled oats, flax seeds, sesame seed, and almonds. Spread on a baking sheet lined with parchment paper or aluminum foil. Toast for 15–30 minutes until golden. Stir occasionally so it doesn't burn.
- 2) In large bowl, mix vanilla, honey, butter (or coconut oil) and brown sugar. Microwave for one minute until just boiling and sugar is dissolved.
- 3) In a large bowl, combine sea salt, coconut, cinnamon, and dried cranberries.
- 4) When oat mixture is finished toasting, add it to the coconut mixture and stir.
- 5) Add honey mixture and stir.
- 6) Line 9"x13" baking pan with waxed paper. Spread mixture in pan and press to create a smooth surface. Place another piece of waxed paper or plastic wrap on top, press down tightly until even.
- 7) Place pan in refrigerator for at least 2 hours to cool completely. Use a knife to cut into bars
- 8) Enjoy!

Notes:

All ingredients can be purchased at Ocean State Job Lot, most in the Bobs Red Mill section.

Here is why these are so healthy:

Almonds contain potassium and iron: both essential in maintaining energy levels

Nuts in general can give you a healthy energy boost. They also keep you going longer than caffeine-laden drinks or sugary snacks do.

- Nuts have protein, a great source of sustained energy.
- Nuts contain Omega 3 fatty acids, provides energy to muscles and organs
- Nuts help lower LDL (bad cholesterol)

Flaxseed provides one of the only non-animal sources of omega 3 and omega 6. These fats are necessary for tissue growth and cell renewal, and proper metabolism of all body cells

Sesame seeds are small yet pack a powerful punch full of beneficial nutrients. They are very high in copper, magnesium and calcium. Magnesium is essential for your cells to convert food into energy.

Coconut oil and coconut meat are packed with nutrients and good fats that give our body increased energy.

Join us for the final Full Moon Hike of the season on Tuesday, April 16th, at Borderland State Park in North Easton. [Register here.](#)

U.S. Congress passes permanent reauthorization of the LWCF

By AMC Staff

We did it! After Congress allowed the Land and Water Conservation Fund (LWCF) to expire on September 30, 2018, AMC and our partners mounted the #SaveLWCF campaign to permanently reauthorize the LWCF and to secure full and dedicated funding for the program. On Tuesday, February 26th, the U.S. House of Representatives voted 363-62 in support of a package of public lands bills, including the permanent reauthorization of the LWCF. This vote comes on the heels of the Senate's 98-2 passage of the identical package of bills on February 12th. The Natural Resources Management Act, S.47, has been sent to the president for his expected signature.

The Land and Water Conservation Fund is a national conservation program that uses revenue from offshore oil and gas drilling to support open space, park, and trail projects across the country. During the #SaveLWCF campaign, AMC volunteers hosted trips to places protected by LWCF, and thousands of AMC supporters made calls and sent messages to their elected officials.

Policymakers across the aisle have finally responded, swiftly approving a public lands package of more than 100 important items, including the permanent reauthorization of the Land and Water Conservation Fund.

Full funding must be dedicated to LWCF

However, reauthorization for LWCF is only one part of the whole story. While it is a major victory for LWCF to be permanently reauthorized, these projects cannot be completed without adequate funding. LWCF is authorized to receive \$900 million from Congress each year; however, it consistently receives less than half of that amount through the appropriations process.

For LWCF to be as efficient, impactful, and successful as possible, Congress must dedicate the full \$900 million of oil and gas revenue authorized to LWCF. Many national and state parks, scenic trails like the Appalachian Trail, battlefields, and working forests have been conserved with LWCF funds.

Contact your Senators and Representatives today to thank them for their support of LWCF and the outdoors that you love, and make sure they know how much the Land and Water Conservation Fund continues to mean to you. Stay tuned to AMC's Conservation Action Network for future opportunities to speak up in support of the Land and Water Conservation Fund and other important conservation policy issues.

An example of the successful campaign mounted by AMC and our partners to persuade Congress to permanently reauthorize the LWCF and to secure full and dedicated funding for the program. Action is still needed to ensure that \$950 million in allocated funds are actually received.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

Sat., Apr. 6. Freetown ride, Rochester, Lakeville, MA. 9AM start. Nice, scenic 25 mile ride over quiet country roads. Lots of lakes, ponds, farm and cranberry bog scenery along the way. Easy paced ride of between 12-13mph. Lunch/rest stop by the reservoir. Helmets are required. Bring a spare tube, pump, water and snacks. To sign up and get info on the start location contact the leader, Jack Jacobsen at 508-353-3708 or email at cyclejac51@yahoo.com. L Jack Jacobsen (508-353-3708 8:00AM-8:00PM, cyclejac51@yahoo.com, Long time AMC bike leader)

Sat., Mar. 23. Truro Historical Trek, between Pamet Harbor and Truro's Great Swamp, Truro, MA. Truro Historical Trek: Fast-paced 6+ mile walk, along Cape Cod Bay beaches and coastal banks. A few friendly, well-behaved dogs allowed with prior approval of leader. Occasional stops to highlight points of interest, including the first European summer vacation in Truro (1603), the opening of the Cape Cod railroad (1873, in Truro), the most expensive 'McMansion lawsuit' on the Cape, the Pilgrim's theft of Indian seed corn (1620), and the loss of most of Truro's men at sea (1844). Three miles on the beach, three+ on the coastal bank and a little bit inland. A bit strenuous due to beach-walking and some hills and beach stairs. Beach-walking can be challenging when cold/windy so check weather forecast and dress appropriately. Optional lunch afterwards from very good 'diner' a mile from the hike. Heavy rain or snow may delay until Sunday March 24, 2019. L Jay Vivian (508-858-4855 6:30pm - 9:00pm, jvivan0@comcast.net)

Sun., Mar. 24. Hike Falmouth Moraine -5 miles, Falmouth, MA. Hike approximately 5 miles along the Falmouth Moraine Trail, passing through some hilly, heavily forested areas. This is a one way hike. The pace will be moderate and the terrain is strenuous in parts. This is a one-way hike. Meet on the Service Rd. off of Brick Kiln Rd at 9:45. Trail Talk promptly at 10 AM. From here we will carpool to the start.. Not a beginners hike! Sturdy hiking boots, traction devices such as Yaktrax, Stabilicers ARE A MUST if snow/ice are present. Dress in layers, bring plenty of water, snacks/lunch, personal first aid kit. This is a known tick habitat. Repellent is strongly recommended. Deep snow, heavy rain cancels. CHECK AMCSEM.ORG WEBSITE FOR CANCELLATIONS OR CALL LEADER Any questions, call leader L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com)

(AN) Thu., Mar. 28. Hike Island Pond, Harwich (C3C), MA. Rte 6 Exit 10 Rte 124S. L Old Colony Rd at crosswalk. Park R Harwich Town lot. Meet 9:45. 2 hrs. L Janet Kaiser (508-432-3277 Before 9:00 pm, jtkaiser@comcast.net, many years Cape hike leader, AMC life member)

CAPE HIKING

Sat., Mar. 30. Hike the Falmouth Moraine, Falmouth, MA. Hike approximately 9 miles along the Falmouth Moraine. Enjoy some densely forested areas, ponds, fresh air, spring bird calls and buds. Trails vary from wide to a single lane. Roots and rocks abound. A couple of grassy areas and some strenuous hills. A MUST: sturdy hiking boots, traction devices if snow/ice are present. Dress in layers. Bring plenty of water, snacks/lunch, personal first aid kit. Sunscreen, tick repellent are strongly suggested. REGISTRATION IS REQUIRED. CONTACT LEADER Cathy Giordano 508-243-3884 BEFORE 9 PM. L Catherine Giordano (508-243-3884 before 9 PM, cmgiordan@msn.com), R Catherine Giordano (508-243-3884 before 9 pm) **(FT) (NM)**

Thu., Apr. 4. Hike Bourne Farms Hike, West Falmouth, MA. Enjoy a leisurely Spring meander beginning at a lovely old farm. We will enter a woodland with a few hills, cross two streams, and go around a cranberry bog. After the hike, the group could go together to a nearby restaurant for lunch. As with most hikes on the Cape, poison ivy, ticks, and mosquitoes can be present. Rain cancels the hike, but if in doubt about the weather, call the leader. Meet at 0945 for a 1000 start, and the hike should last about 2 hours. L John Gould (508-540-5779, jhgould@comcast.net)

(FT) (NM) Sun., Apr. 14. Hike the Coonamessett River Headwaters, East Falmouth, MA. An easy 1 3/4 hr hike through woods and along a dirt road on the south side of Coonamessett Pond in Falmouth, one of the larger ponds on the Cape. We will see the origin of the Coonamessett River (a very small "river") and follow it past old cranberry bogs, as it flows south toward Great Pond and the sea. As with most hikes on the Cape, poison ivy, ticks, and mosquitoes can be present. Rain cancels, but if in doubt about the weather, call the leader. Meet 1245 for a 1300 start. From the intersection of Rt 151 and Sandwich Rd, in North Falmouth, drive south on Sandwich Rd for 1.6 miles. Turn right on Hatchville Rd. Go 0.6 miles and turn left onto a dirt road leading to parking. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., Apr. 25. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Sun., Apr. 28. Ryder Conservation/Lowell Holly Reservation Hike, Ryder Conservation Area Cotuit Rd. Sandwich, MA. Join us for a 4-4.5 mi hike in Sandwich conservation area and Mashpee Trustees of Reservation property. The terrain is mostly flat with a few steep but short climbs thrown in. Meet at 12:45 for a 1 p.m. start. Heavy rain cancels. Rt 6 to Exit 3 > Quaker Meetinghouse Rd South x 2.5 mi > L @ light on Cotuit Rd x 2 mi. Trailhead parking on R for about 12 cars. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader)

Sun., May 5. Hike Beebe Hikes, Park in Falmouth Conservatory Lot (past Highfield Hall), MA. 2 1/2 hour hike thru flat to rolling terrain. A couple steep hills. A stop by the farm to see sheep and lambs. Meet at 12:45 for 1pm start. Sturdy hiking boots and water. Fr Bourne Rotary continue S on Rt 28 to Falmouth. Continue thru the 1st set of lights in Falmouth.. Take R onto Depot Rd (after Inn on the Square). Follow to end to park at Conservatory Lot. L Linda Church (lchurch@whoi.edu)

Sun., May 12. Hike Santuit Pond, Mashpee, MA. This has been a Mother's Day favorite to hike to a Cranberry Bog and see the rare Birdsfoot Violets, along the way we will see the newly refurbished herring ladder and perhaps a few herring. We will be starting from a new location which provides better parking. Meet up time is 12:45 PM. Driving Directions: From Rte 28 in Mashpee turn onto Rte 130 to Sandwich and look for Santuit Pond Parking area in less than a mile. From Upper Cape take Exit 2 off of Mid Cape and Turn R on Rte 130 go several miles to parking area on L. From outer Cape take Rte 6 to exit 3 and turn L onto Quaker Meetinghouse Rd and follow to Rte 130 and turn L and continue several miles to parking area on L. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net, Currently Cape Hike Chair for AMC and an avid Cape Hiker and Leader.)

Sat., May 18. Hike Bell's Neck Conservation, Sand Pond prkg on RT 39, Harwich, MA. 4.5 mile mostly flat hike along East & West reservoirs, cranberry bogs, marshland and a herring run. Exit 10 to 124S to end. R on 39S x 1.9 mi to Sand Pond prkg on right. Arv 9:45 for 10 a.m. start. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, Level 1 hike & bike leader.)

EDUCATION

Sat., Apr. 6. Leadership Training Workshop, Wildlands Trust Community Conservation Barn 675 Long Pond Rd., Plymouth, MA 02360. This course prepares trip leaders for managing groups they will be leading on AMC sanctioned trips. The course covers leadership styles, trip planning considerations, screening criteria to insure similar group member skills, risk mitigation, and qualifications to become a leader. Non-trip leader participants are also welcome. It is an all-day course with a mix of classroom and outdoor exercises. The usual schedule is 8 am to 5 pm. Lunch is included and refreshment breaks are provided. This course is offered at no cost to AMC members. For Southeastern Mass chapter members, this is the first step in becoming a trip leader, followed by several co-leads with current chapter trip leaders, arranged in the weeks or months after this program. This training is required for prospective SEM trip leaders, but is useful for any participant interested in improving their outdoor skills and anyone wishing to become familiar with trip group management. L Douglas Griffiths (508-758-4315 after 6 pm, [reddougg@aol.com](mailto:redDoug@comcast.net))

**Free Leader Training
Workshop on Saturday,
April 6th. Register at
[reddougg@aol.com](mailto:redDoug@comcast.net).**

Mon., Apr. 8. "Backpacking the Appalachian Trail 100 Mile Wilderness," 7-8 pm, James Library, 24 West Street, Norwell, MA. Registration is not required. In mid-August of 2017 Dexter Robinson along with Bill Vickstrom, Bryan Jones, and Joe Marrone backpacked the Maine Appalachian Trail 100 Mile Wilderness, generally considered the wildest section of the entire 2,187-mile AT that runs from Springer Mountain, Georgia, to Mt. Katahdin, Maine. This trail section is one of the more challenging to navigate and traverse and includes backpacking over a mountain range and numerous stream crossings. The trail offers a wide variety of trail conditions from a gentle walk in the woods to boulder fields. In this presentation Dexter Robinson will share his preparation and experience backpacking this section of the AT using a gear display, photos, and video clips. Reservations recommended at (781) 659-7100 or jameslibrary@verizon.net. L Dexter Robinson (Dexpcdoc@gmail.com)

Sat., May 4-5. Wilderness First Aid Two Day Workshop, Wildlands Trust Community Conservation Barn, 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6 pm, [reddougg@aol.com](mailto:redDoug@comcast.net))

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. See listing under Hiking. R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

EXECUTIVE COMMITTEE

Ongoing. Vice Chair, Southeastern Mass Chapter, MA. Dear fellow SEM Member, The SEM Executive Board is seeking a chapter Vice Chair volunteer to: *Support the SEM Chapter Chair and our great activity leaders; *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod; *Represent the SEM Chapter at a variety of club-wide and chapter events; *Interface with AMC HQ and learn how AMC functions behind the scenes; *Support conservation, education and recreation in Southeastern Massachusetts. You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and Power Point-type applications helpful. L Leonard Ulbricht (chair@amcsem.org)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.

Always looking for additional hike leaders! Contact hikingchair@amcsem.org

Tue., Mar. 26. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. Hike hilly Skyline Trail and adjacent trails on nine successive Tuesday mornings 3/26-5/21, progressively increasing distance, elevation gain and pack weight (optional) to condition for summer hiking season up north. Expect rocks and granite ledges on most ascents and descents. Moderate initial 1.5 - 2 mph pace and 3 mile hilly hike, progressing over the 9 weeks to 8 or more miles with cumulative elevation gain around about 2000 feet.. 9:15 am sign-in, 9:30 am hike start. Not suitable for beginners. May finish series with extended day hike. Register once for entire series. L Len Ulbricht (lenu44@gmail.com, Len has been an AMC Southeast Mass chapter member since 2008. He leads three season hikes in the White Mountains, both day hikes and multi-day hut trips, and an annual spring conditioning series in the Blue Hills. He enjoys hiking the 48 NH 4K peaks and is an AMC Adventure Travel leader.) CL Pam Johnson (pjohnson8992@gmail.com) CL Craig MacDonald (craigmacdonald695@gmail.com), R len ulbricht (lenu44@gmail.com)

(NM) Tue., Mar. 26-Apr. 2. Blue Hills Tuesday Morning Hiking Series, Blue Hills, Milton, MA. The "White Line the Blue Hills" Tuesday morning series is drawing to a close for the year. Some of those folks will be continuing on to do the Tuesday Morning Conditioning Series (which is currently wait listed.) Others of us wish to continue on, but not with that level of 'conditioning'. Soooo, for your hiking pleasure, a continuing Tuesday Morning Series, NOT concentrating on the Skyline Trail. We will hike 'all' of the trails within the Blue Hills over time, meeting in different parking lots and hiking different routes each week. If folks are interested this series will run... well, for as long as folks are interested. (Currently only the first two weeks are posted. This is to allow modifications to this listing, and the addition of other Leaders, going forward.) So, if you are interested in hiking in the Blue Hills Tuesdays, from 10 to sometime before 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. In addition to 'just hiking', this series also aims to provide 'skill building', both for participants and Leaders. We will incorporate a range of 'educational opportunities' as we hike, :-). Come hike, and learn. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.)

Thu., Mar. 28. Thursday Morning Hike - Pratt Farm Middleboro, Meet at Oliver Mill Park, 8 Nemasket Street, Middleboro, MA 02346 for car pool to trail head. Explore the many paths and byways of Pratt Farm. Mostly gentle rolling hills. We will meet at an off site parking area due to limited trail head parking and car pool to Pratt Farm. Do NOT go to Pratt Farm directly. Meet before 10:00AM at the Oliver Mill parking area at the intersection of Rte 44 and Plymouth Street in Middleboro. Hike is approximately 5 miles and 2 - 3 hours depending on routes taken and time spent exploring. Bring light lunch, water and appropriate weather gear. Heavy snow or rain will cancel. L Richard Carnes (508-947-3204 before 9 PM, rcarnes2@aol.com)

Sat., Mar. 30. Winter Morning Out Hike at Halfway Pond Conservation Area, Halfway Pond Conservation Area, MA. Join me for an 8 am Saturday morning hike at Halfway Pond Conservation Area in Plymouth. See the beauty of the forest in winter. We will combine dirt road walking around the ponds with hilly trails in between the ponds for about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Features along the trails include wetlands, kettle holes, beech forest and an area of cathedral pines. Halfway Pond is the headwater for the Agawam River and has been eagle nesting territory. Meet at the Long Pond Boat Ramp Parking Lot at 7:45 for a 8:00 am start. Take Exit 3 off Rt 3 and head southwest. At the intersection turn left onto Long Pond Rd and an immediate right onto Clark Rd. Stay left to keep on Clark Rd which turns into West Long Pond Rd. Parking Lot is on the right. The parking lot we are using is not located on the map linked. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com) L John Bescherer (john.bescherer@gmail.com)

HIKING

Sat., Mar. 30. Advanced conditioning hike in the Blue Hills Reservation, DCR Blue Hills Reservation. Milton, MA. Join me at 8:30 am Saturday morning for an advanced conditioning hike in the Blue Hills reservation. This conditioning hike is not suitable for beginners. We will be doing slightly over 4 miles at a moderate to moderate fast pace on sections of the Skyline trail to achieve slightly over 1000 feet of vertical climbing. Some of the sections are rocky. Spikes may be required if there is lingering ice on the trails. The hike should take about 2-2.5 hours. Meet at 8:15 at the Houghton's Pond parking lot, Hillside St., northern end (end closest to the DCR Headquarters). Rain or showers cancels. Registration is required. Contact the leader at: dexpcdoc@gmail.com. L Dexter Robinson (dexpcdoc@gmail.com, Dexter is an avid 4 season hiker. He has been a member of the AMC since 1994 and for many years led AMC hikes and backpacks to various locations both local and throughout New England. He has climbed all 67 of the New England four-thousand foot mountains as well as the NH four thousand foot mountains in winter. He recently completed summing Mt. Washington in every month.)

Sun., Mar. 31. Dog Friendly Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Come with or without your dog for an approximately 5-6 mile hike at Wompatuck State Park. We will meet at 8:45 in the Visitor Center Parking Lot. Hike will be cancelled in extreme weather. The choice of trails and actual distance will depend on weather conditions. Waterproof boots and traction devices such as microspikes will most likely be needed. Snowshoes optional if there is fresh snow. Bring snacks and water. This will be a moderate paced hike with little elevation gain. Dogs are allowed off-leash at this DCR property, however dogs will need to be leashed at the discretion of the leaders. Dogs must be able to keep pace with the group and not be disruptive to the other hikers. Registration is not required but please contact leaders with any questions. Leaders: Sue Svelnis Beth Mosias. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com)

Tue., Apr. 2. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., April 2. Blue Hills Tuesday Morning Hiking Series, Blue Hills, Milton, MA. See details at Tuesday, March 26, listing.

Thu., Apr. 4. Blue Hill White triangle trail, Meet at Houghton Pond parking lot. 840 Hillside Ave. Milton, MA. This week's hike we will be following the white triangle trail and on the return the green dot trail. Fairly flat trails. We'll be stopping for lunch. Approx. 6 to 6.5 miles. Heavy rain or snow the hike will be cancelled. L Rachel Thibeault (rateebo@yahoo.com)

Mon., Apr. 8. "Backpacking the Appalachian Trail 100 Mile Wilderness," 7-8 pm, James Library, 24 West Street, Norwell, MA. Registration is not required. In mid-August of 2017 Dexter Robinson along with Bill Vickstrom, Bryan Jones, and Joe Marrone backpacked the Maine Appalachian Trail 100 Mile Wilderness, generally considered the wildest section of the entire 2,187-mile AT that runs from Springer Mountain, Georgia, to Mt. Katahdin, Maine. This trail section is one of the more challenging to navigate and traverse and includes backpacking over a mountain range and numerous stream crossings. The trail offers a wide variety of trail conditions from a gentle walk in the woods to boulder fields, In this presentation Dexter Robinson will share his preparation and experience backpacking this section of the AT using a gear display, photos, and video clips. Reservations recommended at (781) 659-7100 or jameslibrary@verizon.net. L Dexter Robinson (Dexpcdoc@gmail.com)

Tue., Apr. 9. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

(FT) (NM) Thu., Apr. 11. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 14th year of the Red Line series! L Joe Keogh (jpkeo24@gmail.com) L Michael Swartz (617-840-4199, swartz@brandeis.edu), R Sue Svelnis (781-849-9299 before 9 pm, suesvelnis@gmail.com)

HIKING

(FT) (NM) Thu., Apr. 11. Thurs. Morn. Hike Noanet Woodlands, 61 Powisset Street, Dover, MA. We will hike about 5 miles with a number of short ups and downs, with an optional climb of Noanet Peak (387 ft). Depending on the conditions, we might shorten the hike and/or eliminate the steepest sections. Some nice views. Depending on the weather, we might hike or snowshoe. Bring traction devices, if icy. Rain cancels. L Hans Luwald (508-668-0462 before 9 PM, hans.luwald@gmail.com) CL Debbie Lepore (617-778-4339 Berore 9 PM)

Sun., Apr. 14. Family Hike in the Southeastern Massachusetts Bioreserve, Fall River, MA. Join us as we explore the beautiful & historical Fall River Bioreserve. We will hike approximately 3 miles at a leisurely pace, allowing time to talk about the animals, plants & Native American history. Kids of all ages are welcome. Wear sturdy shoes or boots, & bring insect repellent, water & a snack. Heavy rain will cancel. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime., milmod@aol.com)

Tue., Apr. 16. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

Tue., Apr. 16. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under a Full Pink Moon or as some may call it, a Full Fish Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. In the past we have seen the moon at least 90% of the time. It is a beautiful site over the ponds and across the meadow. Hopefully we won't need any snow gear. A detailed Poop Sheet will be sent to all who Register. Please include in your registration e-mail: 1) the date of the Full Moon Hike you wish to attend 2) Your contact number 3) A description of your latest hiking experience. L William Cannon (bcannon56@gmail.com, AMC Member for 8 Years 2 years leading Full Moon Hikes AMC SEM Conservation Chair) L Susan Svelnis (suesvelnis@gmail.com) L Nancy Coote (cranstonstreet22@gmail.com) L Patricia McNally (pmcnallyma@comcast.net) CL Anne Rapp (anne.rapp99@gmail.com), R Anne Rapp (anne.rapp99@gmail.com)

HIKING

Thu., May 2. Thursday AM Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Come explore some new trails at Wompatuck State Park. We will meet at 9:45 in the Welcome Center Parking Lot for an approximately 6 mile hike. This will be a mostly flat hike with a possible gentle climb up Turkey Hill for lunch. We will also explore many of the trails in the Northwest corner of the park that connect to Whitney and Thayer Woods. Hike will be cancelled in extreme weather. Bring snack/lunch and water. If you are interested after the hike you can fill containers with free spring water at the Mount Blue Spring located inside the park. Dogs are welcome as long as they can hike well with the group. This DCR property allows dogs to be off-leash, but dogs may need to be leashed on this hike at the discretion of the leader. Please contact leader with any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com)

Sat., May 4. Sat. morning, the 2nd annual "spring into spring" hike, Arnold Arboretum, 125 Arborway, Jamaica Plain, MA. 281 acres- including two hills with vistas, Bonsai exhibit, lilacs, and "Explorer's Garden". We will explore this "tree museum" during a 4-5 mile hike at a moderate pace. Bring water, sturdy footwear, sun screen, bug spray, snack or lunch. Meet at the Visitors Center (Hunnewell Building) located at 125 Arborway, Jamaica Plain at 9:45 for prompt 10:00 start. Plenty of on-street parking along the Arborway; or walk to the entrance from the Forest Hills Orange Line T-Stop. Steady rain cancels. Leashed dogs o.k. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Tue., May 7. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

(FT) (NM) Thu., May 9. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 11, entry.

Thu., May 9. Thursday Morning Hike - F. Gilbert Hills - Foxboro, MA. Join us for enjoyable hike in the F. Gilbert Hills State Forest for a five mile hike from 10 AM till 2 PM. Easy to moderate pace. Meet at forest headquarters , 45 Mill Street, at 9:45. AM. Bring water and a lunch and or snacks. Route will encompass the Acorn Trail and parts of the Warner Trail. Along the way we will see several glacial erratics, several water holes constructed by the CCC, and a huge pine tree growing right out of a large rock! Mostly flat, with a few hills. Heavy rain cancels. Registration not required, however, if you have questions, contact leader. L Barry Young (508-339-3089 Before 9 PM, barry.young@comcast.net)

(FT) (NM) Sat., May 11-Jun. 15. Introduction To Hiking Series, Blue Hills Reservation, MA. Have you always wanted to get outside and explore local trails but felt like you needed help getting started? Have you hiked before but need a refresher course on hiking essentials? This series of FIVE Saturday morning hikes in the Blue Hills Reservation may be just what you're looking for! Each hike will build on prior hikes as we increase distance, elevation, and technical hiking challenges. Along the way we will also teach basic hiking techniques, map reading skills and will review clothing and gear essentials. Registration is required for this series and will be limited to 15 participants. You will only need to register one time for all 5 hikes. Hike dates are: May 11 May 18 June 1 June 8 June 15 Hike start locations will be sent to registered hikers on the Wednesday before the hike. Sign in is at 8:15 AM and we will finish up before 12 noon. Contact Pam with questions. (FT) (NM) Thu., May 30. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 11, entry.

Thu., May 30. Wilson Mountain & Whitcomb Woods - 3rd Annual Perenials Hike! Dedham, MA. Lady's Slippers galore! In a good year there are hundreds on both sides, in sections of the well-marked trail, to the summit of Wilson Mountain. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Mountain Laurel too, in season. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. It is managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, many gazebos along the way. The total hike is 5-7 miles at a moderate pace. Steady rain cancels. Bring water snacks/lunch, sturdy footwear, bug spray, sun screen. Well behaved dogs on leash are O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. Winter hikers were able to shed layers at Halfway Pond. *Photos by John Bescherer*

Sunny conclusion to early morning winter hikes

By John Bescherer

Sixteen early risers enjoyed a seven-mile hike in the spring sunshine exploring along the beautifully groomed trails in the Halfway Pond Conservation Area in Plymouth, MA. The March 30 hike concluded a series of four early morning hikes led by Maureen Kelly over the winter months. Much of the group had ventured out with Maureen over snowier trails in February, and there was still plenty left off-trail on this hike.

View from the Chair: Immerse yourself in the natural world

Be Outdoors – 'Tis spring time and that's where we should be, tuning up the bike for a ride or switching to summer baskets on those hiking poles or cleaning the spider webs out of the kayak.

But **Be Outdoors** is something else. It's been adopted as the new AMC motto, unveiled at AMC's Annual Summit in January. Much better than "Get Outdoors" or "Go Outside," phrases that just say "do something."

Be Outdoors is the place to be, the end goal, what we all want: Immersion in the natural world around us. Unplugged. It kind of fits an organization dedicated to recreation, education, and conservation.

Here are some of the places you can **Be Outdoors** this spring.

- Spring Daffodil bike ride in Westport/Dartmouth on Saturday, April 27.
- Spring into Spring hike at the Arnold Arboretum on Saturday, May 4.
- Hike Beebe Woods in Falmouth on Sunday, May 5.
- Introduction to Hiking Series at Blue Hills starting Saturday, May 11.
- Wilson Mountain Perennial Hike in Dedham, MA, on Thursday, May 30.

See trip details [here](#).

A Note of Appreciation: Thank you to Maureen Kelly, Bernie Meggison, Mike and Jean DeBartolomeo for introducing people at the Sandwich Family Outdoor Adventure Day to the great opportunities available in the outdoors and through AMC. One of my mentors from pre-retirement days used to say "Don't be afraid to self-promote—no one else will do it for you," and this event was an opportunity not to be missed, which we would have if you hadn't stepped up. *Muchas gracias!* (See article & photos on page 3)

Thanks!

Volunteers share outdoors know-how at Sandwich Family Outdoors event

Article & Photos by Maureen Kelly, Hiking Leader

AMC-SEM set up a "My First Hike" station at the first Sandwich Family Outdoor Adventure Day on Peter's Pond in Sandwich on Saturday, April 6. The event was run by the Sandwich Recreation Department in conjunction with the Sandwich Partnership for Families.

Maureen Kelly talked to folks about local hiking, gave out some hike and AMC information and led about 20 people on a half-hour hike at the end of the day. Bernie Meggison offered his bike safety check to cyclists, and Mike and Jean DeBartolomeo set up tents and talked to the families about camping and tenting.

Other organizations at the event were L.L. Bean, Mass Environmental, Sandwich Library, Sandwich Families Partnership, Cape Cod Learning Tours, Ride Away Adventures, Sea Sports Cyclery, and the Sandwich Fire Department.

The highlight of the day was the Coast Guard helicopter that arrived and hovered close to the water performing a practice rescue!

Weather could not have been better and about 200 people enjoyed the event. Sandwich Recreation hopes to make this an annual event.

The Coast Guard's simulated rescue steals the show.

Bernie Meggison, left, and Mike DeBartolomeo promote bike safety checks.

2019 Leadership Training workshop was a great success!

By Doug Griffiths, Education Chair

On your next AMC hike, bike ride, paddle, or other outdoor activity, pay attention to the enthusiasm shown by your trip leaders. Ask the co-leaders how they decided to take on this role. Chances are, they will mention how participating in our annual Leadership Training workshop inspired them to step up and share their love of the outdoors with others. This year, 42 enthusiastic (potential) new leaders took part, possibly a record for the SEM.

Potential leaders trained to lead a variety of trips. *Photo by Bill Cannon*

While most participants expressed interest in helping to lead hiking trips (both on- and off-Cape), others expressed interest in leading bike rides, paddling trips, and/or ski trips. Trainees enjoyed the beautiful setting at the Wildlands Trust facility in Plymouth, and benefitted from the experience of seasoned trip leaders, who shared their thoughts on how to plan, organize, screen participants, and manage AMC trips.

Graduates were encouraged to contact leaders to co-lead hikes and other trips this spring and summer on the way to becoming full-fledged leaders. If you missed this training, put it on your agenda for next spring and be sure to thank your leaders and co-leaders on your next AMC activity!"

Leadership Training was held April 6 at the Wildlands Trust Community Conservation Barn in Plymouth. *Photo by Bill Cannon*

Save the Date
Fall Gathering 2019
October 18th to 20th
Camp Burgess in Sandwich, MA

We are looking for volunteers for leading activities, workshops, registration, logistics. If you can help out for even a couple of hours, it would be much appreciated. Contact FG2019 Event Chair, Barry Young at pastchapterchair@amcsem.org.

Volunteer of the Month: Cathy MacCurtain

By George Danis, Hiking Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Hiking Committee recognizes Cathy MacCurtain.

Cathy has been a stalwart co-leader of the White Lining the Blue Hills series for several years, and she was instrumental this year in mentoring new leaders to take over organizing and leading the series going forward. You will often find Cathy promoting SEM to new members and looking for ways to encourage members to contribute more. With Cathy's encouragement, five participants in this year's White Lining series decided to attend the successful Leadership Training session held on April 6. Congratulations, Cathy!

Cathy will receive a Volunteer of the Month Certificate and a \$50 gift card.

Samantha Fisher used a custom-decorated hiking pole that matches her jacket during a March 28 hike at the Pratt Farm Conservation and Recreation Area in Middleborough. Samantha said she has other matching poles for other jackets: Her husband makes them for her and he keeps updating them. *Photo by Johanna Stamm*

White-Liners celebrate another great season in the Blue Hills

By Nichole Nelson

Ask any White-Liner (a hiker who is covering every trail in the Blue Hills between the Winter Solstice and Spring Equinox) how they like winter hiking, and they will tell you it's the best way to get out in the winter and often the best way to hike. No bugs means no repellent spray, and no leaves means great views. There's also nothing like natural air conditioning or the anticipation of packing down fresh powder with snowshoes, unless it is doing all of this with a fun group while learning about local geology or wearing silly hats. The SEM White-Lining Group offers all of this!

The group was started by Paul Brookes and Cathy MacCurtain for the winter solstice of 2014, with Pat Achorn serving as registrar and co-leader until 2016. White-Lining had been a "thing," but mainly an individual one. Realizing that a major benefit of the AMC is the social aspect, the experienced hike leaders created an

official series which meets each Tuesday during the winter. They lead a group of 20-30 hikers on a different 3-4 hour hike of 3-6 miles. After several seasons, most White-Liners will earn their completion badges just from hiking with the group, and will thank their co-hikers with a batch of cookies shared at lunch break.

This season, Bill Doherty completed his second White-Lining series and Len Ulbricht completed his first. Also this season, founders Paul and Cathy passed on leadership of the series to Claire and Craig MacDonald and Pamela Johnson.

About the transition, Paul says that he and Cathy "knew the series was popular, and for it to have staying power we needed to raise up a new generation of leaders. The best time to hand something over is when you still love doing it." Leadership is always encouraged, and the group is looking for additional leaders for next season.

This season was special, not only for the transition, but for the same reasons each season is special: the group, the camaraderie, the views and the traditions. The 2018/19 season was almost half full of first time White-Liners. The first hike set out on a sunny and mild New Year's Day.

Continued on page 7

Co-founder Paul Brookes is always accompanied by his faithful companion Sunny, an avid hiker and lover of peanut butter sandwiches. *Photo by Ken Cohen*

White-Lining season concludes

Continued from page 6

A first time snowshoeing for several. Photo by Ken Cohen

No less than twenty hikers came out for each meeting, even on the iciest and snowiest of trails. Several hikers snowshoed for the first time. Eleven out of twelve planned hikes (one being cancelled due to expected travel conditions) were completed the day before the Spring Equinox, a day as beautiful as the series kickoff. On the last hike, all celebrated the 48 miles traversed over each section of the DCR Reservation (other than Fowl Meadow) by eating and...wearing silly hats.

Though many of our non-hiking friends might think we already wear silly hats, these hats were extra silly indeed. Winner of the Best Hat Evah went to Joanne Newton for her prediction of a future in which she tumbles off a cliff, snowshoes flying, while the group looks on and Sunny (Paul's faithful yellow lab) takes a bio break. Joanne, who never did fall, is currently training to become a leader to assure her modest self that only half of this vision comes true.

Joanne received a prize for her humor, creativity, and AMC spirit at the Blue Hills Grille, where a social luncheon was held. After the group congratulated her, every member expressed their thanks to Paul and Cathy, to their new leaders,—and to each other—for a beloved tradition, another great season, and their commitment to showing up again next season.

Add Your Voice: Defend the Clean Water Act

By AMC Staff

Oppose any changes to the Clean Water Act that would harm our nation's rivers and waterways.

The Environmental Protection Agency is attempting to roll back important protections for our rivers and creeks by changing the definition of "waters of the United States." If enacted, this change would strip protections from critical waterways including ephemeral streams, wetlands, and any part of a river that does not flow continuously.

Removing protections from these streams and wetlands is bad public policy that threatens human health and the environment. Small streams and wetlands protect downstream drinking water quality, provide habitat, and ensure ecosystem health. They are also sources of backcountry water supplies for hikers and backpackers.

To tell the EPA to reject harmful changes to the Clean Water Act and take action for other conservation priorities, join the Conservation Action Network at outdoors.org/CAN.

New England Trail Hike50 & Hike100

By AMC Staff

Ten years ago the New England Trail (NET) was designated by Congress as a National Scenic Trail. To celebrate this important occasion, and to build on the momentum from last year, we are launching the next Hike50 challenge, along with a Hike100 challenge with the same rules but double the miles or points required.

The rules are simple: Hike 50 miles or 100 miles on the NET during 2019 or earn 50 points or 100 points through alternative activities and get a special edition 10th anniversary patch. Along the way, participants will have access to NET Challenge resources and will be entered in a series of prize drawings!

We've come up with a list of ways to earn points and celebrate our trail, including volunteering and advocacy, and we welcome you to design your own Challenge in a way that fits your lifestyle.

The NET is a 215-mile hiking trail route that travels through 41 communities in Massachusetts and Connecticut. It is comprised primarily of the historic Mattabesett, Metacomet, and Monadnock Trail systems.

The principal stewardship partners of the New England National Scenic Trail are the Berkshire Chapter of the Appalachian Mountain Club and the Connecticut Forest and Park Association. For more information and to sign up, visit [the NET website](https://www.newenglandtrail.org).

Just wait until you see what lies beyond that hill! *Photo provided by Lisa Kingston*

Getting Hooked on Leadership

By Lisa Kingston, Co-Leader

In January, on the coldest night of the winter, my daughter and I joined Leader Bill Cannon and a group of hikers on a full moon hike at Borderland State Park in Easton. It was our first hike with the SEM Chapter of the AMC. We had a great time micro-spiking and enjoyed many beautiful views of the Blood Wolf Moon, which had recently peaked. We met many nice people, few I would recognize now without their winter gear on!

There were lots of great conversations despite the cold, and we quickly warmed up. Bill mentioned a couple of times that there was a Leadership Training course being held the first weekend of April in Plymouth. He primed those of us who immediately privately thought “Oh no, not for me” by following up with “You don’t have to become a leader to attend. It is a great day of learning more about hiking.” The bait was set.

So seeking to learn more, my daughter and I attended the Leadership Training in Plymouth on April 6th. It was held on the grounds of the Plymouth Wildlands Trust in a beautiful barn. We learned about trip planning, participant screening, show-and-go hikes, leader styles and group management, liability and risk management and harassment (not as scary as it sounds), how to be a trip leader, and “leave no trace” practices. All this was accompanied with decision-making exercises, role-playing, food, and fun. According to AMC-SEM

leadership, more people attended this training than had ever attended before. The bait certainly caught this fish.

Although I didn’t intend to become a leader, I got hooked on the idea that I COULD be a leader and decided to give it a try. On April 11th, I co-led a show-and-go hike with my mentor, a longtime AMC-SEM leader, Pat Sarantis. We led a group of 15 hikers through the Bearberry Trail of the National Seashore for over two hours. It was a terrific experience and a chilly but gorgeous day among the dunes of Truro, ending with ten minutes of trail-less freedom along Ballston Beach. Thank you to all participants and I hope you all “get hooked” someday.

During the Truro Historical Trek on March 25, the group stops for a historical vignette about the loss of hundreds of Truro fisherman at sea over the years. *Photo by Marc Mahoney*

AMC-SEM Biking Thousand-Milers: First Quarter 2019

“Those who contemplate the beauty of the earth find reserves of strength that will endure as long as life lasts. There is something infinitely healing in the repeated refrains of nature—the assurance that dawn comes after night, and spring after winter.”

- Rachel Carson

Sunset over lake at Camp Burgess on Cape Cod

Discover where the locals hike, bike, and paddle on Cape Cod at Fall Gathering 2019

Save the dates: October 18-20th, 2019!

Come join the Southeastern Mass. Chapter at AMC Fall Gathering 2019, October 18-20th on Cape Cod. As always, you'll have a chance to meet, socialize, and share ideas with members from AMC chapters up and down the East Coast. And at this Fall Gathering, you'll also have a special opportunity to let our local leaders "on Cape" share their favorite – and often hidden – hiking trails, bike routes, and paddling areas with you!

The Cape is particularly appealing in the fall when the leaves start to change, the air turns crisp, and the summer crowds disappear. The location we've selected for FG 2019 is the beautiful [Camp Burgess](#) in Sandwich, Massachusetts. This great facility spans nearly 300 acres of forests, meadows, trails, and freshwater ponds. It offers a large private lake; spotless cabins (many with lake views); indoor washrooms and shower facilities; and a bounty of on-site recreational opportunities including zip line; climbing wall; and basketball, volleyball, tetherball, and gaga ball courts.

At this event, you'll be able to explore the best "the Cape" has to offer! We're planning a wide variety of hikes, bike rides on quiet roads and pristine trails, and (weather permitting) one or two paddles. The hikes will include woodland hikes, hikes on the National Seashore, dune walks, and naturalist hikes. We're also planning to have live music, a trivia contest, yoga, campfires, and other activities to keep everyone engaged and entertained throughout the weekend.

One-night, two-night, or single-day options will be available along with delicious and healthy meals in the camp's expansive dining/meeting facility. Please save the date for FG 2019 and visit www.outdoors.org/fallgathering for more details! Registration opens July 1, 2019.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

Fri., Apr. 19. Road Cycling - Sunset and Full Pink Moon Ride, Sandwich, MA. 22+/- Miles & 2+ hours. Mostly Flat. Start time: about 2 hours prior to sunset. Contact leader to register paulbcurrier@comcast.net We'll start in the large parking lot on the canal in Sandwich in front of the Coast Guard Station. Take Freezer Rd. to Ed Moffit Drive past the Pilot House to the lot. Park close to Ed M. Drive and leave the canal scenic spaces for the canal viewers. Ride to Monument Beach and return along Shore Road and through Gray Gables and Mashnee Island for sunset at Tidal Flats Recreation Area across the canal from MMA. Return along the canal with a stop - maybe - at the RR Bridge for the Energy Train and Aptuxet Trading Post/ President Cleveland's personal railroad station. - Full Pink Moon - April - this name came from the herb moss pink, or wild ground phlox, which is one of the earliest widespread flowers of the spring. Other names for this month's celestial body include the Full Sprouting Grass Moon, the Egg Moon, and among coastal tribes the Full Fish Moon, because this was the time that the shad swam upstream to spawn. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Sat., Apr. 20. Saturday Fairhaven/Mattapoisett Ride, MA. Easy 27 mile ride. We'll ride the Phoenix/Mattapoisett Rail Trail then visit some scenic ocean view spots along Buzzards Bay including West Island and a stop at Fort Phoenix and the Hurricane Dike. Helmets required . Easy paced ride between 12-13mph. To sign up and get starting directions, contact leader, Jack Jacobsen at cyclejac51@yahoo.com or cell# 508-353-3708

Sun., Apr. 28. Spring Daffodil Ride, MA. Join us for a ride through beautiful Westport & Dartmouth. We will stop at Parson's Preserve to view the lovely daffodil fields, which will be in full bloom. The ride will be approximately 25 miles, at a moderate pace (12-14 mph), with some hills. The daffodil fields are a 1/4 mile walk from the road. We will also have time to enjoy the park across the street, along the Slocum River. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime., milmod@aol.com)

Sat., May. 18. Road Cycling - Sunset and Full Flower Moon Ride, Sagamore Beach, MA. 22+/- Miles & 2+ hours. Flats with hills in Sagamore Highlands. Start time: about 2 hours prior to sunset. Contact leader to register paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff. Return to the recreation area and along the canal to Buzzards Bay for sunset at Mass Maritime or perhaps from Three Mile Outlook. We'll return along the canal for a spectacular moonrise over the Sagamore Bridge. - Full Flower Moon - In most areas, flowers are abundant everywhere during this time. Other names include the Full Corn Planting Moon, or the Milk Moon. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

BICYCLING

Mon., Jun. 17. Road Cycling - Sunset & Full Strawberry Moon Ride, MA. 22+/- Miles/ 2 +/- hours. Mostly flat - a couple of hills. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. - Full Strawberry Moon - June This name was universal to every Algonquin tribe. However, in Europe they called it the Rose Moon. Also because the relatively short season for harvesting strawberries comes each year during the month of June . . . so the full Moon that occurs during that month was christened for the strawberry! L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Tue., Jul. 16. Road Cycling - Sunset and Full Buck Moon Ride -, MA. Ride - 22+/- Miles & 2+ hours. Flats & Hills. FULL BUCK MOON - Bucks begin to grow new antlers at this time. This full moon was also known as the Thunder Moon, because thunderstorms are so frequent during this month. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Thu., Aug. 15. Evening Road Cycling - Sunset & Full Sturgeon Moon Ride, MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Sturgeon Moon - August The fishing tribes are given credit for the naming of this Moon, since sturgeon, a large fish of the Great Lakes and other major bodies of water, were most readily caught during this month. A few tribes knew it as the Full Red Moon because, as the Moon rises, it appears reddish through any sultry haze. It was also called the Green Corn Moon or Grain Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Sat., Sep. 14. Evening Road Cycling - Sunset & Full Harvest or Corn Moon Ride., MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Corn Moon or Full Harvest Moon -This full moon's name is attributed to Native Americans because it marked when corn was supposed to be harvested. Most often, the September full moon is actually the Harvest Moon, which is the full Moon that occurs closest to the autumn equinox. In two years out of three, the Harvest Moon comes in September, but in some years it occurs in October. At the peak of harvest, farmers can work late into the night by the light of this Moon. Corn, pumpkins, squash, beans, and wild rice the chief Indian staples are now ready for gathering. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Mon., Oct. 14. Sunset and Hunter's Moon or Blood Moon Road Cycling, MA. 22+/- Miles/ 2 +/- hours. Flats & Hills. Traditionally, tribes spent the month of October preparing for the coming winter. This included hunting, slaughtering and preserving meats for use as food. This led to October's full Moon being called the Hunter's Moon and sometimes Blood Moon or Sanguine Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Tue., Nov. 12. Sunset & Full Beaver Moon Road Cycling, MA. 22+/- Miles/ 2 +/- hours. Mostly flat - a couple of small hills. Beaver Moon: For both the colonists and the Algonquin tribes, this was the time to set beaver traps before the swamps froze, to ensure a supply of warm winter furs. This full Moon was also called the Frost Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

BICYCLING

Thu., Dec. 12. Sunset and Full Cold Moon Cycling, MA. - 22+/- Miles/ 2 +/- hours. Flats & Hills. December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKING

(FT) (NM) Sun., Apr. 14. Hike the Coonamessett River Headwaters, East Falmouth, MA. An easy 1 3/4 hr hike through woods and along a dirt road on the south side of Coonamessett Pond in Falmouth, one of the larger ponds on the Cape. We will see the origin of the Coonamessett River (a very small "river") and follow it past old cranberry bogs, as it flows south toward Great Pond and the sea. As with most hikes on the Cape, poison ivy, ticks, and mosquitoes can be present. Rain cancels, but if in doubt about the weather, call the leader. Meet 1245 for a 1300 start. From the intersection of Rt 151 and Sandwich Rd, in North Falmouth, drive south on Sandwich Rd for 1.6 miles. Turn right on Hatchville Rd. Go 0.6 miles and turn left onto a dirt road leading to parking. L John Gould (508-540-5779, jhgould@comcast.net)

Thu., Apr. 25. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Expect soft sand! RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Sun., Apr. 28. Ryder Conservation/Lowell Holly Reservation Hike, Ryder Conservation Area Cotuit Rd. Sandwich, MA. Join us for a 4-4.5 mi hike in Sandwich conservation area and Mashpee Trustees of Reservation property. The terrain is mostly flat with a few steep but short climbs thrown in. Meet at 12:45 for a 1 p.m. start. Heavy rain cancels. Rt 6 to Exit 3 > Quaker Meetinghouse Rd South x 2.5 mi > L @ light on Cotuit Rd x 2 mi. Trailhead parking on R for about 12 cars. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader)

Sun., May 5. Hike Beebe Hikes, Park in Falmouth Conservatory Lot (past Highfield Hall), MA. 2 1/2 hour hike thru flat to rolling terrain. A couple steep hills. A stop by the farm to see sheep and lambs. Meet at 12:45 for 1pm start. Sturdy hiking boots and water. Fr Bourne Rotary continue S on Rt 28 to Falmouth. Continue thru the 1st set of lights in Falmouth.. Take R onto Depot Rd (after Inn on the Square). Follow to end to park at Conservatory Lot. L Linda Church (lchurch@whoi.edu)

Sun., May 12. Hike Santuit Pond, Mashpee, MA. This has been a Mother's Day favorite to hike to a Cranberry Bog and see the rare Birdfoot Violets, along the way we will see the newly refurbished herring ladder and perhaps a few herring. We will be starting from a new location which provides better parking. Meet up time is 12:45 PM. Driving Directions: From Rte 28 in Mashpee turn onto Rte 130 to Sandwich and look for Santuit Pond Parking area in less than a mile. From Upper Cape take Exit 2 off of Mid Cape and Turn R on Rte 130 go several miles to parking area on L. From outer Cape take Rte 6 to exit 3 and turn L onto Quaker Meetinghouse Rd and follow to Rte 130 and turn L and continue several miles to parking area on L. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net, Currently Cape Hike Chair for AMC and an avid Cape Hiker and Leader.)

Sat., May 18. Hike Bell's Neck Conservation, Sand Pond prkg on RT 39, Harwich, MA. 4.5 mile mostly flat hike along East & West reservoirs, cranberry bogs, marshland and a herring run. Exit 10 to 124S to end. R on 39S x 1.9 mi to Sand Pond prkg on right. Arv 9:45 for 10 a.m. start. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, Level 1 hike & bike leader.)

EDUCATION

Sat., May 4-5. Wilderness First Aid Two Day Workshop, Wildlands Trust Community Conservation Barn, 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6 pm, [reddougg@aol.com](mailto:redDoug@aol.com))

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. See listing under Hiking. R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

EXECUTIVE COMMITTEE

Ongoing. Vice Chair, Southeastern Mass Chapter, MA. Dear fellow SEM Member, The SEM Executive Board is seeking a chapter Vice Chair volunteer to: *Support the SEM Chapter Chair and our great activity leaders; *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod; *Represent the SEM Chapter at a variety of club-wide and chapter events; *Interface with AMC HQ and learn how AMC functions behind the scenes; *Support conservation, education and recreation in Southeastern Massachusetts. You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and Power Point-type applications helpful. L Leonard Ulbricht (chair@amcsem.org)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.

Always looking for additional hike leaders! Contact hikingchair@amcsem.org

Sun., Apr. 14. Family Hike in the Southeastern Massachusetts Bioreserve, Fall River, MA. Join us as we explore the beautiful & historical Fall River Bioreserve. We will hike approximately 3 miles at a leisurely pace, allowing time to talk about the animals, plants & Native American history. Kids of all ages are welcome. Wear sturdy shoes or boots, & bring insect repellent, water & a snack. Heavy rain will cancel. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime., milmod@aol.com)

Tue., Apr. 16. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA, Hike hilly Skyline Trail and adjacent trails on nine successive Tuesday mornings 3/26-5/21, progressively increasing distance, elevation gain and pack weight (optional) to condition for summer hiking season up north. Expect rocks and granite ledges on most ascents and descents. Moderate initial 1.5 - 2 mph pace and 3 mile hilly hike, progressing over the 9 weeks to 8 or more miles with cumulative elevation gain around about 2000 feet.. 9:15 am sign-in, 9:30 am hike start. Not suitable for beginners. May finish series with extended day hike. Register once for entire series. L Len Ulbricht (lenu44@gmail.com, Len has been an AMC Southeast Mass chapter member since 2008. He leads three season hikes in the White Mountains, both day hikes and multi-day hut trips, and an annual spring conditioning series in the Blue Hills. He enjoys hiking the 48 NH 4K peaks and is an AMC Adventure Travel leader.) CL Pam Johnson (pjohnson8992@gmail.com) CL Craig MacDonald (craigmacdonald695@gmail.com), R len ulbricht (lenu44@gmail.com)

HIKING

(FT) (NM) Tue., Apr. 16. Tuesday Blue Hills Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a Tuesday Hiking Series, Over time we plan to hike 'all' of the trails within the Blue Hills, meeting in different parking lots and hiking different routes each week. If folks are interested this series will run... well, for as long as folks/Leaders are interested. (Currently only the few weeks are posted. This is to allow modifications to this listing, and the addition of other Leaders, going forward.) So, if you are interested in hiking in the Blue Hills on Tuesdays, typically from 10 AM until, typically, sometime before 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. (If you don't know Bob, please include a BRIEF (One sentence is fine) 'My Hiking History', so we can get to know each other.) Note that, in addition to 'just hiking', this series also aims to provide 'skill building', both for participants, new Co-Leaders and existing Leaders. We will incorporate a range of 'educational opportunities' as we hike, (Map reading, GPS app usage, Group Management practice, Introduction to Trailwork, Come hike, get some exercise, have fun, and learn. Note: If this group grows in size, the plan is to split into sub-groups when we hike, to keep each 'hiking group' to a manageable size. Groups may split based on speed/distance abilities, willingness to hike with dogs, ability to hike for the full 4 hours, desired trails to hike, etc. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.), R Bob Vogel (vogel.r@comcast.net)

Tue., Apr. 16. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under a Full Pink Moon or as some may call it, a Full Fish Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. In the past we have seen the moon at least 90% of the time. It is a beautiful site over the ponds and across the meadow. Hopefully we won't need any snow gear. A detailed Poop Sheet will be sent to all who Register. Please include in your registration e-mail: 1) the date of the Full Moon Hike you wish to attend 2) Your contact number 3) A description of your latest hiking experience. L William Cannon (bcannon56@gmail.com, AMC Member for 8 Years 2 years leading Full Moon Hikes AMC SEM Conservation Chair) L Susan Svelnis (suesvelnis@gmail.com) L Nancy Coote (cranstonstreet22@gmail.com) L Patricia McNally (pmcnallyma@comcast.net) CL Anne Rapp (anne.rapp99@gmail.com), R Anne Rapp (anne.rapp99@gmail.com)

(FT) (NM) Thu., Apr. 18. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 14th year of the Red Line series! L Joe Keogh (jpkeo24@gmail.com) L Michael Swartz (617-840-4199, swartz@brandeis.edu), R Sue Svelnis (781-849-9299 before 9 pm, suesvelnis@gmail.com)

Thu., Apr. 18. Thurs. Morning Hike, Blue Hills, Ponkapoag Pond & Vicinity, Canton, MA. Moderate to fast pace, with occasional stops. 5 ½ - 6 ½ mile hike around The Pond with one or two additional perimeter loops. Approx. 10:00 am-1:00 pm. Please arrive by 9:45 am for a prompt 10:00 am start. Bring waterproof hiking shoes, bug spray, sun screen, snacks/lunch & water. We'll take a break near the AMC Camp, down near the pond, weather permitting. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader for the past two years having organized many trips in The Hills and other local hiking destinations. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

HIKING

Sat., Apr. 20. Earth Day Trek - Hemlock Gorge Reservation, MA. Join us as we explore the Hemlock Gorge Reservation during this co-sponsored trip with AMC's Boston Chapter. This will be a slow-paced walk as we explore the geology and history of this DCR property. Included in the trip will be the historic "Echo Bridge" (built in 1876) which is on the National Register of Historic Places. It's a sight (and with sounds) to behold! We'll cover all of the interior trails, as well as those along the Charles River which created the Gorge over many thousands of years. We'll visit three dams, view an historic silk mill, and observe an old nail mill. The interpretive two-mile trek will last 2 - 2 ½ hours. Bring sturdy walking/hiking shoes, water, snacks, and rain gear if necessary. There's plenty of street parking close to our meetup point which will be in the parking lot of 381 Elliot Street, Newton, MA. Dogs on leash only are O.K. Steady rain will cancel. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snowshoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Tue., Apr. 23. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, April 16, entry.

(FT) (NM) Thu., Apr. 25. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 18, entry.

(FT) (NM) Sat., Apr. 27. Mt Tom Trail of Rhode Island, RI. Nestled in the southwest corner of Rhode Island is Arcadia Wildlife Management Area. The 14,000 acre property boasts of miles of multi use trails for hiking, horseback riding, mountain biking and hunting. This hike will cover variable terrain, from short rocky uphill to flat paths through laurels and pine forest. Along the way we will stop atop the rock ledges, with views of the expansive forest. If you are new to hiking or just getting out for the first time this spring, this hike is for you. Sturdy footwear is recommended. The Wildlife Management posts **REQUIRED TO WEAR FLORESCENT ORANGE**, wild turkey hunting season Elevation gain of approx. 460 feet Total milage: Approx. 4 miles Time: 2 1/2 hours plus time for enjoying the view. We will spot cars at the start of the hike. L Peggy Qvicklund (774-893-3011 please call before 9 pm, qvickan@comcast.net) CL Joanne Newton , R Joanne Newton (508-215-9470 Please call before 9 pm, newt665@comcast.net)

Tue., Apr. 30. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, Apr. 16 entry.

(FT) (NM) Tue., Apr. 30. Tuesday Blue Hills Hiking Series, Blue Hills, Milton, MA. See details at Tuesday, April 16, entry.

(FT) (NM) Thu., May 2. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 18, entry.

Thu., May 2. Thursday AM Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Come explore some new trails at Wompatuck State Park. We will meet at 9:45 in the Welcome Center Parking Lot for an approximately 6 mile hike. This will be a mostly flat hike with a possible gentle climb up Turkey Hill for lunch. We will also explore many of the trails in the Northwest corner of the park that connect to Whitney and Thayer Woods. Hike will be cancelled in extreme weather. Bring snack/lunch and water. If you are interested after the hike you can fill containers with free spring water at the Mount Blue Spring located inside the park. Dogs are welcome as long as they can hike well with the group. This DCR property allows dogs to be off-leash, but dogs may need to be leashed on this hike at the discretion of the leader. Please contact leader with any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com)

HIKING

Thu., May 16. Hike at Moose Hill Audubon, 293 Moose Hill Parkway, Sharon, MA 02067. REGISTRATION IS NOT REQUIRED FOR THIS HIKE. Please meet at the Moose Hill Audubon parking lot at 9:45 for a 10:00 start on a 4-5 mile hike along relatively flat terrain with some gentle ups and downs. Bring: hiking boots, water, lunch and a rain jacket. Heavy rain cancels FROM NORTH Take Rt I-95 south to exit 10 (Coney St, Sharon, Walpole). Take a left off the exit and take the first right onto Rt 27 north (Walpole). Take first left on Moose Hill Street. Continue past The Trustee's Moose Hill Farm. Follow to the top of the hill and turn left onto Moose Hill Parkway. The parking lot is on the left. FROM SOUTH Take Rt I-95 north to exit 8 (Main St, Sharon). Take a right off the exit and follow one mile. Take a left onto Moose Hill Street. Follow to the top of the hill and turn right onto Moose Hill Parkway. The parking lot is on the left. L Nancy Perlman (617-980-4878 anytime, nancyclist@gmail.com) CL Nancy D Perlman

(NM) Sun., May 19. New Member Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Join some of your fellow AMC members for a Spring hike through this DCR property. This hike is open to all new members as well as hikers considering joining our group. We also welcome existing members who are willing to share their experiences with the group. Wompatuck State Park has over 70 miles of trails that span through four towns. On this hike we will explore about 4 miles of these trails starting from the Visitor Center. The terrain is mostly flat with some gentle hills. Sturdy hiking shoes are required, dress in layers and bring water and a snack or lunch. There will be refreshments and information at the end of the hike. Please contact Leader to register and if you have any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com), R Sue Svelnis (781-849-9299, suesvelnis@gmail.com)

Tue., May 21. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, March 26 entry.

(FT) (NM) Thu., May 23. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 11, entry.

(FT) (NM) Thu., May 23. Thursday Morning Hike - World's End (C3C), Hingham, MA. Meet at 10am in the Parking lot, \$6 pp non-Trustees members. Moderate 4-5 miles. Explore unique peninsula in Boston Harbor with stunning views, hilly, carriage ways and rocky paths. There could be muddy sections. Wear layers, wind protection, good shoes suitable for weather and conditions. Bring water, snacks/lunch. Directions at <http://www.thetrustees.org/places-to-visit/greater-boston/worlds-end.html>. L Eva Das (borsody@gmail.com)

(FT) (NM) Thu., May 30. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, April 18, entry.

Thu., May 30. Wilson Mountain & Whitcomb Woods - 3rd Annual Perenials Hike! Dedham, MA. Lady's Slippers galore! In a good year there are hundreds on both sides, in sections of the well-marked trail, to the summit of Wilson Mountain. Wilson Mountain Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Mountain Laurel too, in season. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. It is managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, many gazebos along the way. The total hike is 5-7 miles at a moderate pace. Steady rain cancels. Bring water snacks/lunch, sturdy footwear, bug spray, sun screen. Well behaved dogs on leash are O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. Despite the threat of rain, Maria takes the reigns! Article & Photos by Ken Cohen

This past April 6, Maria Sestina completed this year's Leadership Training Workshop in Plymouth, MA. On April 28, she contacted me asking if she could co-lead my "Second Annual Spring Into Spring Hike" at the Arnold Arboretum in Jamaica Plain on May 4. The long-range weather forecast was for full sunshine with temps in the 60s! True New England weather took over after that—overcast skies and frequent rain were an everyday occurrence for the following week. However, when hike day approached, the rain mostly stopped and we were a go! It was my pleasure to have Maria take charge as part of the requirements for her Class I Hiking Leader Certification process. She successfully spoke to all of the hike's participants, and ensured that the many administrative and informational tasks of a successful AMC trip were achieved.

Prior to the event day, Maria was in touch with me via emails with questions and requests for suggestions galore. She knew that preparation would be a key element to the success of the trip. We were both well-prepared, which resulted in a splendid outcome.

View from the Chair: Board Nominations Begin

April showers brings May flowers, or something like that. May is also the time for planning hiking, biking, and paddling trips, vacations of all sorts, and just plain old summertime fun. For your chapter Executive Board, May brings all of that plus some additional work—starting the process of identifying candidates to serve on next year’s Board. Yes, chapter elections to the Board aren’t until our November annual meeting, but the process to nominate candidates begins now. Here’s why:

Per our chapter bylaws, a Nominating Committee is activated May 1 to submit a slate of officers for the coming annual meeting. The committee members are Alan Greenstein, chairperson, assisted by Robin McIntyre and Walt Granda. Over the next few months they will work with me and your current Board members to identify potential candidates. That means talking with trip leaders and perhaps even non-trip leaders and then asking those candidates if they would be interested in a role on the Board. It’s actually not that simple because every individual has a unique skill set and interests. And exploring those skill sets, interests, and roles takes a conversation, maybe more than one. Though positions on the Board have specific needs, what gets done and how it’s done is up to whoever fills that position. New Board members bring fresh ideas that enable SEM to be a better organization, to serve our membership and AMC in better ways. This process to nominate candidates takes time, which is why we begin the process each May.

So, my message to each of you is to engage in that conversation. Reach out to Alan, Robin, or to me, a current Board member, or any past Board member. Ask about what Board members do, skills that may help, time commitments, what you can learn, what you can offer. It may not be a good fit for you, but maybe it will, maybe not now, but maybe in some time to come. The goal is to make SEM a better organization. Engage in that conversation.

Here’s our contact info:

Arnold Arboretum Photos by Ken Cohen

Continued from page 1

Maria's performance was superb! It allowed me to take our group of 12 upbeat hikers to experience many of the obvious, and a few of the hidden, spectacles of nature. We completed a five-mile, three-hour trek in the 281-acre "tree museum" known as the Arnold Arboretum, with its more than 4,000 kinds of trees, shrubs, and vines.

Maria wrote the following to me after our Arboretum adventure, and I wanted to pass it on to all of you:

"The AMC fosters such a positive culture for learning. There are high standards put in place by very kind and wise leaders. The people who are naturally drawn to this organization, and those who stay with a deep commitment, do so because of the quality of its members. Newbies are encouraged to participate, become involved, and develop. Any mistakes that are made on the trails are noticed, pointed out, and used as a teaching opportunity, often with a good dose of humor. It is a safe place to learn. Any AMC members going through the leadership process can allow themselves to be vulnerable and open to suggestions, criticisms, and praise. To become good leaders, as students, we need all three."

Hear! Hear!

Volunteer of the Month: Paul Currier

By Bernie Meggison, Biking Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Biking Committee recognizes Paul Currier.

Our cycling community is proud to have a highly skilled, long, longtime ride leader. This leader has led literally hundreds of full moon rides over a few decades. All of us have enjoyed his skills and his enthusiasm to find routes that are scenic, but also culturally informative. Several years ago he led almost 70 rides in one year. Continuing on, he still rides and leads, sharing casual observations along the route. This leader quietly assists as if he is our Biking Vice Chair. His continued contributions have made our cycling community more viable. Please give a "Hip! Hip! Hurrah!" to this special leader, Paul Currier.

Paul will receive a Volunteer of the Month Certificate and a \$50 gift card.

Wilderness First Aid & CPR Training

By Susan Svelnis

Next time you join an AMC event, take a moment and appreciate all that your leaders do to keep you safe. AMC strongly suggests that all event leaders take training classes in Wilderness First Aid and Cardio-Pulmonary Resuscitation For Class 2 through Class 5 hike leaders, both of these classes are mandatory.

SEM recently hosted a two-day WFA training, which included CPR. The class was taught by SOLO and held May 4-5 at the Davis-Douglas Farm of the Wildlands Trust in Plymouth.

As you can see from the pictures, this is a hands-on course with frequent outdoor role-playing scenarios to supplement the classroom learning. Would you know what to do if your hiking partner suffered a bad fall and broke a limb? Or what if you came across an unconscious hiker on the trail? This course also covers the common ailments, such as burns, allergic reactions, choking, and bug bites.

The weather for the weekend training was overcast and often raining. This did not alter the outdoor course curriculum. In fact it most certainly enhanced the training. AMC hike leaders need to be prepared for any hazard out in the back country. The participants in this class were all prepared with their rain gear.

SEM typically hosts one WFA class each year in the spring, but due to a higher demand this year, we will be offering another class in September. You can take this class directly through SOLO or with any of the other AMC chapters, although I can say from first-hand experience, it is a great way to build camaraderie with your fellow SEM hike leaders. You may recognize many of them in these pictures. *Continued on page 5*

Flowering fields delight cyclists

By Jeannine Audet

On Sunday, April 28, 14 riders cycled 23.5 miles through Westport & Dartmouth, MA. The weather was cloudy & cool, and the rain held off until the last six miles, when it began to drizzle. We rode past the Westport River, Destruction Brook Woods, farms and houses with stone walls, and up and down several (fairly modest) hills.

Midway through the trip, the group stopped at the Dartmouth Natural Resources Trust's Parsons Preserve to view the lovely daffodil fields, which were 92% in bloom, according to a DNRT guide. Several riders enjoyed a nice lunch at the Blue Lobster Café at Lees Market, our ride starting & ending point.

Daffodils carpet the fields. Photo by Jeannine Audet

Register now for Teen Trail Crews

By AMC Staff

AMC is still accepting registrations for volunteer Teen Trail Crews, but space is limited, so register now!

Teens 14 to 19 years old can lend a hand maintaining trails across the northeast for one to four weeks. These programs foster leadership and develop conservation ethics while teens build skills and make lifelong friends. Teen Trail Crew participants can earn 40 hours of community service per week!

Here is a sampling of our 2019 program calendar with more crews available online:

North Country 4-Week Leadership & Conservation Teen Trail Crew **FULL with Waitlist**

“First Nighters” gather on the Horse Bridge over Route 24 to kick off Red-Lining the Blue Hills. *Photo by Sue Svelnis.*

‘Red-Lining’ inspires both new and veteran hikers

By Alan Greenstein

There was great enthusiasm as 47 hikers gathered at the Donovan School, Randolph, MA, to kick-off the 14th year of the Red Line the Blue Hills (RLBH) hiking series on Thursday, April 11. It was the largest first night ever and included eight hikers who had not previously participated in the RLBH hikes, as well as Bob Vogel, the originator. Joe Keogh led the April 11 hike, as he has since 2008. RLBH has been the inspiration for many AMC-SEM members to participate in other local and NH hikes. Several Red Line/White Line hikers have attained Hike Leader status, and Mike Woessner, Wayne Anderson, Jim Plouffe, Cheryl Lathrop, Maureen Kelly, Barry Young, and Len Ulbricht have ascended to the Chapter Chair position after participating.

The objective of the series is to offer hikers the opportunity to hike every inch of every one of the 125 trails in the Blue Hills Reservation on Thursday nights commencing at 6:00 pm from mid-April through mid-September. Regular attendees can generally earn the patch which demonstrates their accomplishment in 1.5 seasons, with perhaps a few supplemental “on your honor hikes” to pick up any trails they missed.

Inasmuch as trailheads vary from week to week, it is imperative that interested hikers register (once) at

suesvelnis@gmail.com in order to receive the weekly email information sheet. The list was refreshed this year. The previous email list was significantly obsolete and needed to be made current. If you want to participate and have not signed-up in 2019, it is necessary to send a new request.

Trails Vice Chair Pete Tierney, left, receiving his patch for a fourth completion of “The Circuit” from Joe Keogh. *Photo by Sue Svelnis*

What, no shoes? Barefoot hiking!

By an AMC 'Barefooter'

AMC Note: *From time to time participants request to join AMC events who are barefoot hikers. It can be difficult for Leaders to assess safety considerations for such a participant, so we asked an experienced barefoot hiker to share his perspective. While decisions about footwear and safety rest with the Leader, we hope that this article will help Leaders better understand this practice.*

You're leading a local hike one morning. The weather's nice, perhaps a bit of chill in the air, but with a milder forecast ahead it's clearly going to be a fine day for an outing. At the trailhead you find a couple of people who got there early. As people continue to gather and add their names to the signup form, you're subtly eyeballing their gear and visible condition to reassure yourself that they can likely handle the trip. Then another person, or maybe more than one, walks up asking, "Is this the AMC hike?" They're carrying the typical day-hike stuff—packs with lunch, water, maybe some poles—and then you notice that there is nothing at all on their feet.

What?? Many folks would be terrified at the idea of venturing into the woods without their favorite sturdy boots on, so what on earth are these people up to?

They're not crazy, but are most likely barefooters. If they are well-conditioned and accustomed to it, then they're as ready to hit the trail as anyone else in the group.

Barefoot hiking, while still not that common, has been "a thing" for quite a few years. In the larger sense, it was "the thing" for thousands of years before shoes were invented—and humans managed to survive! Today, interest in letting one's feet freely explore the outdoors has been slowly ramping up since the early nineties, and those who engage in it find it enjoyable and safe. In fact, seasoned barefooters may be more stable and less injury-prone than shod hikers over many types of terrain, and almost certainly more comfortable and engaged with their environment. They are happy with a brisk pace, and will often overtake typical trail users and blast ahead.

Hiking unshod does take a conditioning to get used to it, and the advice to newbies among the barefooter community is, "Start slow and work up to the rough stuff." One does not try to go barreling along a gravelly fire road the first day out! That only leads to pain. But after a few months of practice and toughening-up, most experienced barefooters can easily handle gravel, sharp rocks, bits of glass, mud, sticks, and whatever else a trail might throw

at them. Even some snow and ice, for the more hardcore enthusiasts. Frankly, the grip of a bare sole on our typical New England granite is phenomenal!

There is a lot of information about the topic on the internet. Search for the words "barefoot" and "hiking" and the numerous results will likely include some of these:

[Society for Barefoot Hiking](#)

[5 Questions I Get Asked About Barefoot Hiking](#)

[The Barefoot Hiker](#) (an entire online book)

[Our Boston-local Meetup group:](#)

And of course, [the two sisters](#) who yo-yoed the entire AT mostly barefoot:

On the top of Mt. Monadnock. Photo by "Hobbit"

Plenty of reading to be done on the subject! Chris McDougall's book *Born to Run* also bumped up interest in barefoot running and hiking around 2010, so awareness has been growing slowly since then. You may see a theme here—human feet are far more robust than we give them credit for, especially when freed from social convention. It's one of the healthiest things we can do for ourselves, and it's unfortunate that prejudicial stigma from the sixties is still so pervasive today.

Recall that all participants are fundamentally responsible for themselves on AMC outings, even if by leading you are to some extent tasked with looking out for their general welfare and not getting them lost. So should your new sole-stompin' acquaintances go along on the trip? If you're not sure, what you might ask them is where they are in their own barefoot journey—how long they've been hiking that way, and/or if they're confident about their ability versus the expected trail conditions and pace. If the answer is an unequivocal "yes," then you all should be good to go. If they don't seem entirely sure of themselves, or hint that they're just starting to get into it, at the very least they should bring their normal shoes as a backup and be cautioned against slowing the group down. Chances are that you'll all have a great time either way, and the whole group might learn some new things about what is humanly possible.

Sunset over lake at Camp Burgess on Cape Cod

Discover where the locals hike, bike, and paddle on Cape Cod at Fall Gathering 2019

Save the dates: October 18-20th, 2019!

Come join the Southeastern Mass. Chapter at AMC Fall Gathering 2019, October 18-20th on Cape Cod. As always, you'll have a chance to meet, socialize, and share ideas with members from AMC chapters up and down the East Coast. And at this Fall Gathering, you'll also have a special opportunity to let our local leaders "on Cape" share their favorite – and often hidden – hiking trails, bike routes, and paddling areas with you!

The Cape is particularly appealing in the fall when the leaves start to change, the air turns crisp, and the summer crowds disappear. The location we've selected for FG 2019 is the beautiful [Camp Burgess](#) in Sandwich, Massachusetts. This great facility spans nearly 300 acres of forests, meadows, trails, and freshwater ponds. It offers a large private lake; spotless cabins (many with lake views); indoor washrooms and shower facilities; and a bounty of on-site recreational opportunities including zip line; climbing wall; and basketball, volleyball, tetherball, and gaga ball courts.

At this event, you'll be able to explore the best "the Cape" has to offer! We're planning a wide variety of hikes, bike rides on quiet roads and pristine trails, and (weather permitting) one or two paddles. The hikes will include woodland hikes, hikes on the National Seashore, dune walks, and naturalist hikes. We're also planning to have live music, a trivia contest, yoga, campfires, and other activities to keep everyone engaged and entertained throughout the weekend.

One-night, two-night, or single-day options will be available along with delicious and healthy meals in the camp's expansive dining/meeting facility. Please save the date for FG 2019 and visit www.outdoors.org/fallgathering for more details! Registration opens July 1, 2019.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

Wed., May 15. Osterville Village, MA, Bicycle Ride. Enjoy the pre-season quiet roads of Osterville Village. The ride takes us to beaches, boat yards, marinas, golf courses. Optional food, beverage, beer stop at the end. (Not Whimpy's) Distance 21 miles, a few short hills. Pace, casual/ moderate Follow the leader style.. Start time 3:30 PM Helmets requires Bring spare tube, water, etc. Contact ride leader for start location. L Joe Tavilla (508-450-1934 8:00 AM- 8:00 PM, silverski@earthlink.net, Long time AMC ride leader)

Thu., May. 16. Biking the Villages of Bourne, MA, Tidal Flats Rec Area parking lot, Bell Rd, Bourne. 27 mi follow-the-leader bike ride thru the villages of Bourne at the gateway to Cape Cod. Mix of busy main roads and quiet secondary roads. Rolling hills. We will stop to enjoy scenic vistas and points of interest. 13-15 mph. Optional meetup apres ride at the Chart Room for their opening day/unofficial start of summer. (4.8 mi drive from end of ride.) Helmet, spare, water required. Wheels pumped and ready to roll at 10:00 a.m. L Barbara Gaughan (781-572-1321 Before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader)

Sat., May. 18. Road Cycling - Sunset and Full Flower Moon Ride, Sagamore Beach,MA. 22+/- Miles & 2+ hours. Flats with hills in Sagamore Highlands. Start time: about 2 hours prior to sunset. Contact leader to register paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. We'll ride from Sagamore Recreation Area (mainland side) into Sagamore Highlands with a stop at Peaked Cliff. Return to the recreation area and along the canal to Buzzards Bay for sunset at Mass Maritime or perhaps from Three Mile Outlook. We'll return along the canal for a spectacular moonrise over the Sagamore Bridge. - Full Flower Moon - In most areas, flowers are abundant everywhere during this time. Other names include the Full Corn Planting Moon, or the Milk Moon. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Wed., Jun. 19. Bike Ride Dennis, MA, Beaches, Views and Bike Path. This is a wonderful 26 mile route that starts from the old Dennis town hall on 505 Main Street, Dennis Speed, 12-15 MPH average We will cover lots of beaches, scenic views, not too many hills, rail trail path etc. See <https://ridewithgps.com/routes/21438616> for details. Helmets required Have tires pumped and bike ready to roll at 10:00 sharp. Spare tube Water snacks. L Larry Kornetsky (617-513-6716 8:00 AM - 8:00 PM, larrykornetsky@gmail.com)

Wed., Jun. 19. Cape Cod Rail Trail to Chatham, 430 route 134 South Dennis MA. Ride the Cape Cod Rail Trail and secondary roads in Chatham. Enjoy lighthouses,ocean views and the quaint village of Chatham . Optional coffee stop in Chatham. Pace is casual/ moderate, distance about 33 miles +/- Helmets required, bring spare tube, water etc. Contact ride leader for start location. L Jeffrey Hyman (774-521-9235 9am-7 pm, jsh17@comcast.net, AMC Level 1 Bike leader)

BICYCLING

Wed., Jul. 17. Road Cycling Nantucket Island, Hyannis, MA. Bicycle round the historic and beautiful Nantucket Island We will visit several villages and beaches along the way Mostly paths, but also some roads. We will stop "in town" for a burger type lunch or bring your own food. Before we depart the island, we will visit the Cisco brewery for beverages, food and entertainment galore. We will depart Hyannis via the Steamship Authority High Speed Ferry at 8:15 AM and return on the 6:15 PM boat, Trip time approx .1 hour. Cost is approximately \$65.00 round trip including bike. Attendees MUST be able to cycle 40-45 miles at a moderate pace of 12-16 MPH. Bikes must be ready to roll once we are off the ferry. Helmets are required, tires and brakes in working order. Stay tuned for updates Rain cancels this event. L Bernie Meggison (617-930-4029 8:00 AM - 8:00 PM, thosemeggisons@gmail.com, Long time cyclist and AMC leader.), R Bernard Meggison (617-930-4029)

Thu., Aug. 15. Evening Road Cycling - Sunset & Full Sturgeon Moon Ride, MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Sturgeon Moon - August The fishing tribes are given credit for the naming of this Moon, since sturgeon, a large fish of the Great Lakes and other major bodies of water, were most readily caught during this month. A few tribes knew it as the Full Red Moon because, as the Moon rises, it appears reddish through any sultry haze. It was also called the Green Corn Moon or Grain Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Sat., Aug. 17. Cycling & Wine Tasting in Westport Rivers Winery, Westport, MA. Join us for an approximately 30 mile ride through beautiful Westport & Dartmouth, MA. We will pass farms, stone walls, conservation land, river & the beach. The pace will be 12-15 mph, & there will be some hills. Following the ride, we will have a private wine tasting at Westport Rivers Winery. They specialize in white & sparkling wines. Participants must be 21 years or older to participate in the tasting, & the cost is \$25 per person. A helmet is required to ride. Bring water & a snack. L Jeannine Audet (508-493-8221 weeknight after 7:00 PM, weekends anytime, milmod@aol.com)

Sat., Sep. 14. Evening Road Cycling - Sunset & Full Harvest or Corn Moon Ride., MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Corn Moon or Full Harvest Moon -This full moon's name is attributed to Native Americans because it marked when corn was supposed to be harvested. Most often, the September full moon is actually the Harvest Moon, which is the full Moon that occurs closest to the autumn equinox. In two years out of three, the Harvest Moon comes in September, but in some years it occurs in October. At the peak of harvest, farmers can work late into the night by the light of this Moon. Corn, pumpkins, squash, beans, and wild rice the chief Indian staples are now ready for gathering. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKING

CAPE HIKING

Thu., May 23. Hiking--Lawrence Island and Cataumet Greenways, Bourne, MA. This 4 mile, 2 hour hike is around the rocky and sandy beaches of Lawrence Island, a wildlife sanctuary, and the wooded trails Cataumet Greenway. A short section of road walking is between the areas. There are both rolling hills and flat, rooted trails in the Greenway. Contact the hike leader for directions to the trailhead. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 3rd year Level 1 hike leader with WFA training.) L Richard Kaiser (508-432-3277, rjkaiser@comcast.net), R Robin McIntyre (13 Bell Road, Bourne, MA 02532, 508-789-8252 Before 9 pm, robinmcintyre@comcast.net)

EDUCATION

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. See listing under Hiking. R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

Sat., Sep. 21-22. Wilderness First Aid Two Day Workshop, Wildlands Trust Community Conservation Barn 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6:00 pm, [reddougg@aol.com](mailto:redDoug@aol.com))

EXECUTIVE COMMITTEE

Ongoing. Vice Chair, Southeastern Mass Chapter, MA. Dear fellow SEM Member, The SEM Executive Board is seeking a chapter Vice Chair volunteer to: *Support the SEM Chapter Chair and our great activity leaders; *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod; *Represent the SEM Chapter at a variety of club-wide and chapter events; *Interface with AMC HQ and learn how AMC functions behind the scenes; *Support conservation, education and recreation in Southeastern Massachusetts. You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and Power Point-type applications helpful. L Leonard Ulbricht (chair@amcsem.org)

(FT) (NM) Sat., May 11-Jun. 15. Introduction to Hiking Series, Blue Hills Reservation, MA. Have you always wanted to get outside and explore local trails but felt like you needed help getting started? Have you hiked before but need a refresher course on hiking essentials? This series of FIVE Saturday morning hikes in the Blue Hills Reservation may be just what you're looking for! Each hike will build on prior hikes as we increase distance, elevation, and technical hiking challenges. Along the way we will also teach basic hiking techniques, map reading skills and will review clothing and gear essentials. Registration is required for this series and will be limited to 15 participants. You will only need to register one time for all 5 hikes. Hike dates are: May 11 May 18 June 1 June 8 June 15 Hike start locations will be sent to registered hikers on the Wednesday before the hike. Sign in is at 8:15 AM and we will finish up before 12 noon. Contact Pam with questions. L Patricia-Lee Achorn (781-784-8983, plachorn@msn.com, Pat is an avid hiker and has lead the "Introduction to Hiking Series" in the Blue Hills in past years.) CL Pam Johnson (617-448-4446 Between 4 PM and 8 PM, pjohnson8992@gmail.com, Pam is a life-long hiker and is certified in Wilderness First Aid, CPR and AMC Map and Compass orienteering. Pam is a Co-Leader on the Blue Hills "White Lining" and "Conditioning Series" and has climbed the 48 Four Thousand Footers.), R Pam Johnson (617-448-4446 Between 4 PM and 8 PM, pjohnson8992@gmail.com)

HIKING

Tue., May 14. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. Hike hilly Skyline Trail and adjacent trails on nine successive Tuesday mornings 3/26-5/21, progressively increasing distance, elevation gain and pack weight (optional) to condition for summer hiking season up north. Expect rocks and granite ledges on most ascents and descents. Moderate initial 1.5-2 mph pace and 3 mile hilly hike, progressing over the 9 weeks to 8 or more miles with cumulative elevation gain around about 2000 feet.. 9:15 am sign-in, 9:30 am hike start. Not suitable for beginners. May finish series with extended day hike. Register once for entire series. L Len Ulbricht (Len has been an AMC Southeast Mass chapter member since 2008. He leads three season hikes in the White Mountains, both day hikes and multi-day hut trips, and an annual spring conditioning series in the Blue Hills. He enjoys hiking the 48 NH 4K peaks and is an AMC Adventure Travel leader.) CL Pam Johnson (pjohnson8992@gmail.com) CL Craig MacDonald (craigmacdonald695@gmail.com), R len ulbricht (lenu44@gmail.com)

Tue., May. 14. Tuesday Morning Blue Hills Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a Tuesday Hiking Series, Over time we plan to hike 'all' of the trails within the Blue Hills, meeting in different parking lots and hiking different routes each week. If folks are interested this series will run... well, for as long as folks/Leaders are interested. (Currently only the few weeks are posted. This is to allow modifications to this listing, and the addition of other Leaders, going forward.) So, if you are interested in hiking in the Blue Hills on Tuesdays, typically from 10 AM until, typically, sometime before 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. (If you don't know Bob, please include a BRIEF (One sentence is fine) 'My Hiking History', so we can get to know each other.) Note that, in addition to 'just hiking', this series also aims to provide 'skill building', both for participants, new Co-Leaders and existing Leaders. We will incorporate a range of 'educational opportunities' as we hike, (Map reading, GPS app usage, Group Management practice, Introduction to Trailwork, Come hike, get some exercise, have fun, and learn. Note: If this group grows in size, the plan is to split into sub-groups when we hike, to keep each 'hiking group' to a manageable size. Groups may split based on speed/distance abilities, willingness to hike with dogs, ability to hike for the full 4 hours, desired trails to hike, etc. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.), R Bob Vogel (vogel.r@comcast.net)

(FT) (NM) Thu., May 16. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 14th year of the Red Line series! L Joe Keogh (jpkeo24@gmail.com) L Michael Swartz (617-840-4199, swartz@brandeis.edu), R Sue Svelnis (781-849-9299 before 9 pm, suesvelnis@gmail.com)

(FT) (NM) Thu., May 16. Thursday Morning Hike - World's End (C3C), World's End, Hingham, MA. World's End (C3C). Meet at 10am in the Parking lot, \$6 pp non-Trustees members. Moderate 4-5 miles. Explore unique peninsula in Boston Harbor with stunning views, hilly, carriage ways and rocky paths. There could be muddy sections. Wear layers, wind protection, good shoes suitable for weather and conditions. Bring water, snacks/lunch. Directions at <http://www.thetrustees.org/places-to-visit/greater-boston/worlds-end.html>. L Eva Das (borsody@gmail.com)

Sat., May. 18. Mt Tom Holyoke MA - Summer Series Hike #1, Holyoke MA. Start off your summer hiking off right by enjoying spectacular cliff top views of the Pioneer Valley, the Berkshires, and the Connecticut River Valley. Starting at Reservation Road we will follow the Metacomet and Monadnock trail along the ridge to the Eyrie House ruins then reverse direction and continue along the trail to the summit of Mount Tom before returning to Reservation Road. This is a great hike to improve your conditioning in preparation for bigger hikes to come. This 7 mile out and back hike with 1500 ft of elevation gain will be hiked at a moderate pace. L Anne Duggan (508-789-5538 before 9 pm, abduggan12@gmail.com, I have been hiking with AMC since 2006 and leading hiking and snowshoe trips since 2010.. I enjoy hiking in Western Mass and in the White Mountains. I recently completed the NH 48.) L Peggy Qvicklund (qvickan@comcast.net, Hike leader since 2014, have completed the NH 48, but mainly enjoy sharing the outdoors with likeminded folks.) CL Eva Borsody Das (borsody@gmail.com), R Anne Duggan (177 Rounseville Road, Rochester, MA 02770, 508-789-5538 before 9 pm, abduggan12@gmail.com)

HIKING

(NM) Sun., May 19. New Member Hike at Wompatuck State Park, 204 Union Street, Hingham, MA. Join some of your fellow AMC members for a Spring hike through this DCR property. This hike is open to all new members as well as hikers considering joining our group. We also welcome existing members who are willing to share their experiences with the group. Wompatuck State Park has over 70 miles of trails that span through four towns. On this hike we will explore about 4 miles of these trails starting from the Visitor Center. The terrain is mostly flat with some gentle hills. Sturdy hiking shoes are required, dress in layers and bring water and a snack or lunch. There will be refreshments and information at the end of the hike. Please contact Leader to register and if you have any questions. L Susan Svelnis (781-849-9299, suesvelnis@gmail.com), R Sue Svelnis (781-849-9299, suesvelnis@gmail.com)

Sun., May 19. Plymouth Harbour, Plymouth MA. Scenic 7 mile walk along Plymouth Harbour including Jennie' s Grist Mill and Historic Monuments. Lunch stop around noon time at the Lobster Hut (counter service) then 1/2 hour walk back to the cars. Bring snack and water. No dogs. Sneakers or walking shoes are okay to wear. Storm cancels. L Beth Mosias (bmosias@yahoo.com)

Tue., May 21. Blue Hills Tuesday Spring Conditioning Hike Series, DCR Blue Hills Reservation, Milton, MA. See details at Tuesday, May 14, entry.

Tue., May. 21. Tuesday Morning Blue Hills Hiking Series, Blue Hills, Milton, MA. See details at Tuesday, May 14, entry.

(FT) (NM) Thu., May 23. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See details at Thursday, May 16, entry.

Thu., May 23. Moose Hill Audubon Hike, 293 Moose Hill Parkway, Sharon, MA 02067. This is a 4-5 mile hike at a moderate pace in a beautiful wooded area. The terrain is fairly flat with some ups and downs. This is a different hike in Moose Hill than the one I led in November. I have noticed that they have now put up large signs throughout saying "NO PETS" so we must comply with this restriction. Please bring water, snacks, lunch and rain gear and wear sturdy footwear. **DRIVING DIRECTIONS FROM NORTH** Take Rt I-95 south to exit 10 (Coney St, Sharon, Walpole). Take a left off the exit and take the first right onto Rt 27 north (Walpole). Take first left on Moose Hill Street. Continue past The Trustee's Moose Hill Farm. Follow to the top of the hill and turn left onto Moose Hill Parkway. The parking lot is on the left. **FROM SOUTH** Take Rt I-95 north to exit 8 (Main St, Sharon). Take a right off the exit and follow one mile. Take a left onto Moose Hill Street. Follow to the top of the hill and turn right onto Moose Hill Parkway. The parking lot is on the left. **FROM SOUTH** Take Rt I-95 north to exit 8 (Main St, Sharon). Take a right off the exit and follow one mile. Take a left onto Moose Hill Street. Follow to the top of the hill and turn right onto Moose Hill Parkway. The parking lot is on the left. L Nancy Perlman (617-980-4878 before 9:30pm, nancyclist@gmail.com)

(FT) (NM) Sat., May. 25. My First AMC Hike!, Borderland State Park, Easton/Sharon, MA. Are you new to AMC, or a new to hiking? Join us at Borderland State Park in Easton, MA for your first hike with AMC! We will offer two hikes, with a lunch break in between. The first hike is a 3- mile, relatively flat route around the ponds. The second hike will be a bit more challenging: 3-4 miles with some rocky terrain and small hills. Let's get outdoors - come out to learn more about AMC and hiking, and get some fresh air. Feel free to join just the first hike, or both! Bring lunch, at least 1 liter of water, and a raincoat. Any questions, contact Co-Leader and Registrar: Emilie Bent. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) CL Emilie Bent (508-577-3679, emilieb1@yahoo.com), R Emilie Bent (508-577-3679 8 -9 PM, emilieb1@yahoo.com)

Tue., May. 28. Tuesday Morning Blue Hills Hiking Series, Blue Hills, Milton, MA. See details at Tuesday, May 14, entry.

HIKING

Thu., May 30. Wilson Mountain & Whitcomb Woods - 3rd Annual Perenials Hike! Dedham, MA. Lady's Slippers galore! In a good year there are hundreds on both sides, in sections of the well-marked trail, to the summit of Wilson Mountain. The Reservation is 207 acres of wild and varied terrain. Large tangled thickets of rhododendrons grow on a hillside. Mountain Laurel too, in season. Wilson Mountain is the highest point in Dedham at 295 feet. While not a true mountain, it does provide hilltop views of the surrounding area. It is managed by the Massachusetts Department of Conservation and Recreation (DCR). After Wilson Mountain, at your option, we'll cross Common Street to the Whitcomb Woods trail head. Forested level trails with views of the Charles River, many gazebos along the way. The total hike is 5-7 miles at a moderate pace. Steady rain cancels. Bring water snacks/lunch, sturdy footwear, bug spray, sun screen. Well behaved dogs on leash are O.K. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

(FT) (NM) Thu., June 6. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA. See details at Thursday, May 16, entry.

Sat., Jun. 8. Saturday Morning Walk - Hemlock Gorge Reservation, Hemlock Gorge - Needham/Newton, MA, line. Join us as we explore (with Geologist Les Tyralla) the Hemlock Gorge Reservation during this co-sponsored trip with AMC's Boston Chapter. This will be a slow-paced two-mile walk as we learn about the geology and history of this DCR property. Included in the trip will be the historic "Echo Bridge" (built in 1876) which is on the National Register of Historic Places. It's a sight (and with sounds) to behold! We'll cover all of the interior trails, as well as those along the Charles River which created the Gorge over many thousands of years. We'll visit three dams, view an historic silk mill, and observe an old nail mill. The interpretive two-mile trek will last 2-2 ½ hours. Bring sturdy walking/hiking shoes, water, snacks, and rain gear if necessary. Sun screen and bug spray are recommended. There's plenty of street parking close to our meetup point which will be in the parking lot of 381 Elliot Street, Newton, MA. We also have permission to park in the lot. No Dogs. Steady rain will cancel. L Ken Cohen (508-942-1536 Before 8:00 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.) CL Lisa Fleischman (617-244-5747 Before 8:00 pm, lfeisch2@gmail.com) CL Joan Entwistle (978-549-4864 before 8:00 pm, Joan.entwistle@gmail.com)

(FT) (NM) Thu., June 13. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA. See details at Thursday, May 16, entry.

Sat., Jun. 15. 14-mile, all-day, hilly hike in the Blue Hills Reservation, . A longer all-day hike in the Blue Hills Reservation. This is a 14-mile, somewhat hilly hike, that traverses the reservation from South to North. We hike from the Nike Missile Base to Quincy Quarries using lesser known trails and climbing Buck, Hawk and Chickatawbut hills along the way. There are about 3-miles of steep trails summiting and descending the hills, the rest is flat to rolling. The hike starts at 8 am and expect to be back at your cars between 5 and 6 pm. We will hike at a moderate pace with brief but frequent stops along the way at various vistas. Registration is required and due to the distance and hills, we are limiting the group to 15 people. People should be well-conditioned having recently (within the past 2-months) hiked 7 or more miles. One of the leaders, Paul, will have his well-behaved dog with him. No other dogs allowed. L Paul Brookes (603-799-4399 After 10 am and before 8 pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Dexter Robinson (dexsue@comcast.net)

Wed., Jun. 19-23. Ten Maine 4Ks - Hiking the Rangeley and Bigelow Mtns., Carrabassett Valley, Maine, ME. Join us on a 5 day trip to the Rangeley and Bigelow areas to hike 10 of the 14 Maine 4000 footers, experiencing some of the most astonishing views. Jointly sponsored by New Hampshire and Southeastern Mass chapters. We will not only be hiking these spectacular mountains, we will be enjoying time with great people. We will be staying at a delightful accommodation in the Carrabassett Valley and carpooling to the trailhead each day. This trip is for experienced hikers in good hiking condition as we will be hiking 5 consecutive days. L Leslie Carson (508-833-8237, lrc929@comcast.net) CL Dirgny Perdigon (dalexandra@gmail.com), R Dirgny Perdigon (dalexandra@gmail.com)

(FT) (NM) Thu., June 20. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA. See details at Thursday, May 16, entry.

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. PADDLING

Wed., May 15. Paddle Mashpee Wakeby Ponds, Mashpee/Sandwich, Mashpee. Paddle two fresh water ponds with lunch at the end of Wakeby Pond. Wear a PFD and bring a spray skirt in case of wind and waves. Bring lunch and water. Email the leader to register. Put-in: Fisherman's Landing, 373 Main Street, Mashpee. Plan on about a 7 mile paddle. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau (paulcorri@gmail.com)

Wed., May 22. Paddle Mill /Walker Ponds, Brewster, MA. Paddle three fresh water kettle ponds and the narrows between them. See Stoney Brook Grist Mill (1893), herring run and Punkhorn Conservation lands. Lunch on Upper Mill Pond. About 7 miles total. Wear PFD, bring spray skirt in case of wind, bring lunch & water. Register with leader by email. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau (paulcorri@gmail.com)

Wed., May 29. Paddle Follins/Mill Ponds, Dennis, MA. Paddle Follins Pond to Weir Creek bridge & if tide allows into Mill Pond passing Crab Creek Conservation area and back to circle Follins Pond & see some signs of Viking visit. Lunch on small beach. Paddle Dinahs Pond, Kelleys Bay & return past Mayfair boatyard. Plan on 7-9 miles. Wear PFD, bring spray skirt in case of wind & waves, bring lunch & water. Register by emailing co-leader. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com)

Sat., Jun. 15. Bass River North, Dennis, MA. Paddle upstream seeing Indian Lands Conservation area & new bridge for CCRT bike trail. Lunch at Wilbur Park. Afterwards return and circumnavigate Grand Cove. Plan on 8-9 miles. Wear PFD, bring spray skirt in case of wind & waves. Bring lunch & water. Register by email with co-leader. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

Sat., Jun. 29. Bass River South, Dennis, MA. From launch paddle 'fingers' & bays to river mouth on Nantucket Sound. Lunch on West Dennis Beach. Return & paddle around Grand Cove for 8-9 mile trip. Wear PFD & bring spray skirt in case of wind & waves. Bring lunch & water. Register by email to leader. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau (paulcorri@gmail.com)

Wed., Jul. 3. Paddle Herring River North, West Harwich, MA. Paddle upstream to Coy Brook to end & to East Reservoir & back to Herring River for lunch at North rd bridge. Afterwards paddle to West Reservoir to see herring run & then return to put-in. Wear PFD & bring spray skirt in case of wind & waves. Bring lunch & water. Register by email with Co-leader. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

Sat., Jul. 13-13. Chase Garden Creek, Yarmouth Port, MA. Paddle Chase Garden Creek & tributaries, Judahs & Whites Brook. See Bray Farm, Shell Processing Plant & Chapin Beach. Lunch along the way. Plan for 7-8 mile trip. Wear PFD & bring spray skirt in case of wind & waves. Bring lunch & water. Register by email with Co-leader. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com), R Jean Orser (jeanorser@gmail.com)

Wed., Jul. 31. Paddle Herring River North, West Harwich, MA. Paddle upstream to Coy Brook to end & to East Reservoir & then to Herring River for lunch at North Rd Bridge. After paddle to West Reservoir to see Herring Run & then return to put-in. Wear PFD, bring spray skirt in case of wind & waves. Bring lunch & water. Register by email with Co-leader. A very fit group concludes the Spring Conditioning series. Photo by Len Ulbricht

Spring series prepares hikers for summer

By Pamela Johnson, Co-Lead

Len Ulbricht has been leading the Blue Hills Spring Conditioning Series for many years –over five, for sure. (Len is traveling, so we can't confirm the exact number!) Anyway, here's how the series typically goes: Every Tuesday morning for nine weeks, beginning in March, Len takes the group out to hike the most challenging ups and downs on the Skyline trail in the Blue Hills. Each week the hike gets a bit longer, culminating in the planned grand finale of a 10-mile hike. The goal is to get you in shape for upcoming summer activities! Many folks meet their personal "conditioning goals" well before the nine weeks are up, and Len enjoys the company of only a few hikers at the finish.

This year he changed things up a bit. Craig MacDonald and Pam Johnson joined him as Co-Leaders and after the first two hikes we decided to offer a "Short Distance" hike and a "Long Distance" hike each week. Game on! The group loved the hike options and quickly got into stride!

Continued on Page 4

View from the Chair: Overcoming Inertia

Len Ulbricht, our excellent Chapter Chair, is off hiking in a foreign locale right now. He asked me to fill in for him this month by writing the “View” column for the June *Breeze*. I thought it might be a good opportunity to share with you how I overcame my own considerable inertia to finally become more active with our Appalachian Mountain Club chapter, and what that’s meant to me.

I joined the AMC in 1995, almost 25 years ago. But, like many others – what, with all my family, home, and career responsibilities - I was largely inactive as a member for the first seven or eight of those years. Sure, I’d occasionally use my AMC membership to get a discount on bunks at Joe Dodge Lodge for me and my sons, sign up a son for an AMC Teen Wilderness Adventure, or take part myself in a paid program led the AMC’s professional staff up at Pinkham Notch. But that was about the extent of my involvement with the club. Finally, I discovered the AMC Southeastern Mass. Chapter. Specifically, I discovered that *I could get the same high level of training and wonderful outdoor experiences by participating in chapter trips and workshops, often at little or no cost*, and usually accompanied by priceless camaraderie. What a revelation!

In the interim, I’ve become a four-season hike leader for the chapter; served proudly as your hiking vice chair, hiking chair, and multiple (non-contiguous) stints as communications chair; and led or participated in too many chapter trips for my simple, typically math-challenged brain to keep track of. I’ve had awesome outdoor experiences, fine-tuned my outdoor and leadership skills, and developed wonderful friendships that almost certainly would not have been possible otherwise.

For me, overcoming inertia to become a more active member in our AMC-SEM Chapter has been an important and rewarding part of my life. It could be for you too! Just take a few minutes to skim this issue of the *Breeze*, visit www.amcsem.org, or check out the many opportunities we can offer for you to [Be Outdoors](#) at our [online trip listings](#) to see if anything tickles your fancy.

Thanks!

Paul Miller

New Member hikers defy Nature

By Ellen Thompson & Sue Svelnis

On Sunday, May 19, the SEM Membership Committee hosted a hike for new members at Wompatuck State Park in Hingham. Sue Svelnis led 16 hikers for approximately four miles over a variety of trails, stopping to view some of the bunkers and remnant structures left behind from when the land was used as an ammunition depot during World War II.

Ellen Thompson, our SEM Membership Chair, brought along brochures and instructions on how to locate the various Activity Listings for the chapter. In addition to Sue and Ellen, seasoned hikers Bill Cannon and Hadley Donaldson were on hand to share their experiences hiking with the SEM chapter.

The forecast called for clouds and warm temperatures, which allowed for a leisurely and pleasant hike for the first three miles. Then an unforeseen downpour arrived that forced a hasty retreat back to the Visitor Center for homemade granola bars and cookies. I guess this was Nature's way of breaking in a new group of hikers.

Damp, but undaunted, new members explored Wompatuck State Park in March. *Photo by Sue Svelnis*

New Member hikers learned more from veterans about proper gear and equipment.

Photo by Sue Svelnis

A fickle forecast caught the group in a downpour.

Spring Conditioning

Continued from page 1

The hikes continued to cover the most challenging routes (think loops of North and South Skyline over and over) and the intrepid hikers all became stronger and stronger! Think Big Blue, Houghton Hill, Tucker Hill, North Boyce Hill, Buck Hill, and reverse and repeat! Every week we enjoyed the company of 10 to 15 hikers—in each group!

The day of the planned grand finale 10-miler found us under dripping skies. For the safety of the group we moved over to the Ponkapoag area as one group of 17 hikers, and we blasted out almost nine miles at a walloping pace of 20 minutes per mile! Yes, indeed, this group is fit! Everyone was surprised at how quickly we moved on the flat trails!

Our final hike brought us all together one last time to hike the North-South Skyline loop from the Route 138 parking lot. Several members of our group had other commitments (we missed you!), but we ended up with 18 happy hikers on the final day. We enjoyed a delicious lunch at the Blue Hills Grill and all had a chance to chat about upcoming trips and travel plans. Many thanks to Len for another great series, and cheers to Craig and Pam for stepping into leadership roles. Have a great summer everyone!

FOR RENT

Prince Edward Island, Canada

Summer/Fall Weekly Cottage Rental

2-bedroom newly constructed oceanfront cottage that sleeps 6.

Sweeping views of the pond, ocean & lighthouse.

Enjoy kayaking, bicycling, and beach walking.

Tossed food scraps endanger wildlife

From the LNT News Update

Whether it's an apple core from the window of a moving car, or an orange peel casually left on the side of a trail, our food waste attracts wildlife to areas with high human activity. ***Food thrown alongside roads draws wildlife nearer to roadways and increases the likelihood they will end up as road kill.*** Scraps tossed on the trail bring wildlife closer to the trail corridor as they seek out food.

One apple core will not completely disrupt the local ecosystem, but cumulatively, we know that feeding wildlife damages their health, alters their natural behaviors, and exposes them to predators and other dangers. This is because when an animal finds or receives human food consistently over time from campers and visitors, they no longer seek their own food in nature. This is extremely dangerous because, like humans, animals need a varied diet to get all the nutrients to be healthy, strong, and in good reproductive health. When going to the campground or trail yields an easy meal of fruit or human processed foods, they eat and get full on single food items instead of a range of natural foods that all provide different nutrients. So when that squirrel or deer or bird that looks so hungry comes up to eat trail mix out of your hand, know that you put the animal at risk of losing a healthy life, a prolonged existence, and the opportunity for healthy offspring.

Enjoy your world. Leave No Trace.

Glen Clark, left, Bill Fischer, Carol Houghton, Paul Corriveau, & Margot Fitsch head out. *Photos by Jean Orser*

Paddlers tour Cape Cod waters

By Ed Foster, Paddling Chair

On a cloudy, cool day with the NOAA forecast of a high of 57 F, 10-13mph NW wind, and no rain, we decided to paddle.

With a 2.6' high tide at the entrance to the Bass River at 9:56 a.m., we hoped conditions would be perfect for going under the North Dennis bridge. We headed counterclockwise into the wind and found relief when we reached the far shore. Soon we were at the Crab Creek Conservation Area bridge and enjoyed a swift ride under the road into Weir Creek and Mill Pond.

There was an abundance of bird life: osprey, swans, ducks, geese, and blue herons. Carol spotted a blue heron in front of a dog house near the water; we paddled close to photograph it and discovered it was plastic! Fooled us.

Heading back to the bridge, we found the water flowing in had slowed down and we all made it under successfully. We continued to paddle around Follins Pond past the Leif Ericsson rock and spring, stopping for lunch after noon. Afterwards we circled Dinah's Pond and went under the Route 6 bridge to see the Cape Cod Rail Trail bridge and extension. We took a direct route back past Mayfair Marina to the put-in—spotting some white egrets in the grass.

Another good day on the water!

Above: Carol Houghton checks the shore line.

Right: Osprey and nest on a rock in Mill Pond.

Left: Another osprey peers down from a high nest.

Right: Lunch break for Paul Corriveau, left, Bill Fischer, Glen Clark, and Carol Houghton.

Left: Paul, Carol, and Glen, head back under the Route 6 bridge. The Cape Cod Rail Trail bridge is in the background.

Volunteer of the Month: Cathy Giordano

By Jane Harding, Cape Hiking Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Cape Hiking Committee recognizes **Cathy Giordano** for her numerous contributions.

Cathy is the hands-down choice for Volunteer of the Month. She has served for the last three years as Cape Hikes Co-Chair or, as some might say, my right-hand colleague. She has willingly given her time to make Cape Hikes the success that it is. She has participated on the monthly board meeting calls, missing very few. She writes up her notes and sends them to me so we can collaborate on the action items. She has willingly volunteered on many occasions to write the justification for Volunteer for the Month.

Cathy has been an active participant in AMC-SEM off-Cape activities. She has been a presenter for the last three years at Leadership Training, giving the presentation on Show 'n' Go Hikes. This spring she reached out to all the leadership trainees who wanted to lead on the Cape to offer assistance in taking the next step to becoming a leader. She is currently mentoring three of the trainees.

To sum up my thoughts: I could not succeed at my job without Cathy's support. Thank you, Cathy, for all you do!

Cathy will receive a Volunteer of the Month Certificate and a \$50 gift card.

'Intro to Backpacking' program open to all interested hikers

By Bob Vogel, Hike Leader

If you missed the June 18 "Introduction to Backpacking" workshop, you can still participate in this program. You will receive the written info to help you get started, and info on the upcoming backpacks.

Have you ever wished you knew how to go backpacking? Does the idea of 'Carrying your house on your back' appeal to you? Or maybe you just wish you could go hiking in New Hampshire without the need to get up at a ridiculous time, drive for many hours, go for your hike, and drive for many more hours, only to arrive home late and pooped? Backpacking is the answer, and you—yes, you!—could be doing it this summer.

Now that you want to go, you are probably asking yourself, "Hey, how does someone like me learn how to go backpacking?" Oh, and, "Just how much is it going to cost me to outfit myself with everything I need?"

Well, to find out you sign up, noting that you didn't make the workshop, and you will receive the written info to help you get started and info on the upcoming backpacks.

Right now we have the first backpack trip, scheduled for July 16-18, listed in the AMC system. I hope we can pick some more dates (and co-leaders) and then we'll post additional beginner backpacks. These backpacking trips—because Bob is getting old!—will be easier. No "Let's do the Bonds and stay at Guyot" trips here! But it will still be fun to hike into the woods and spend the night. Next up, hopefully, is a backpack to Shoal Pond, with optional hike to Thoreau Falls and up Zealcliff.

For more information or to sign up for "Introduction to Backpacking," contact me at vogel.r@comcast.net. I am a four-season hike leader for the Southeastern Mass. Chapter, as well as a hike leader for Boston Local Walks, and a three-season leader for Boston H/B.

Bob Vogel is compiling an "Intro to Backpacking" guide covering a range of topics from gear types, prices, and comparisons to backpacking destinations and—most important—food! To get your copy, contact him at vogel.r@comcast.net or look for installments in *The Breeze* or at www.amcsem.org.

New stairs and railing provide safer access to 1623 Trail.

Members help build stairs to Duxbury's historic 1623 Trail

By Skip Maysles, Trails Chair

Some readers of this newsletter may not be aware that next year, 2020, will mark the 400th anniversary of the landing of the *Mayflower*! Many South Shore communities have put into place 2020 Committees and they are planning events honoring this special occasion.

One such community, Duxbury, will plan many events, and one in particular will be a hike along the historic 1623 Green Harbor Path Trail. The earliest documented usage of this trail was from the year 1623, and some people believe it was used even earlier! It was first used by Native Americans and then by the Pilgrims as a path from Plymouth to Green Harbor, now Marshfield. This trail is almost 400 years old!

One of the access points to the 1623 Trail is directly behind the First Parish Church on Route 3A (Tremont Street), Duxbury, where there is a steep path with exposed roots and much erosion. This area has been identified as needing major work to make it safer and more accessible to all.

Back in November 2018, Sally Delisa, an SEMer and First Parish Church member, contacted SEM and asked if the Trails Committee would be interested in working on this stairs project. We said YES!

So, over the winter and early spring, Len Ulbricht, Pete

Tierney, myself, and several church members worked on preparations, along with Boy Scout Jack Champagne, who is installing a kiosk and information panel as his Eagle Scout project.

We had monthly face-to-face meetings at the church and many follow-up emails to discuss plans, details, and revisions and to define material and tools needed. In mid-April, our plans were in place, and ground-breaking was set for the end of April.

Over four weekends from the end of April into May, all parties gathered and started the clearing of the land, building the stairs/railings, and installing landscape timbers and crushed stone. As we were working, many hikers and dog walkers would stop and ask about our project. We received many good comments and thank yous! When it was done, we took a step back to examine the work, and we agreed it looked good!

A big THANK YOU goes to all who assisted:

First Parish Church: Doug, Lois, Peter, and Kathy.

Boy Scout Troop #62: Jack Champagne (and his parents, Mark and Colleen) and several other scouts.

AMC-SEM: Sally Delisa, Len Ulbricht, Rob MacDonald, Bill Doherty, Claire MacDonald, Rich Monarch, Patty Rottmeir, Pete Tierney, and Skip Maysles.

Above: Red flags (circled) mark the old path down the hillside to the trail.

Left: Crew member digs in preparation for the next level of the new stairs access to the 1623 Trail.

Hikers learn how the Arches at Hemlock Gorge were built.
Geologist guides AMC-SEM & Boston chapter hikers on gorge(ous) outing
 Article & Photos by Ken Cohen

On Saturday, June 8, our SEM Chapter (led by Ken Cohen) and AMC's Boston Chapter (led by Local Walks and Hikes Chair Lisa Fleischman) had the pleasure of guiding a group of 28 hikers over hilly terrain through DCR's Hemlock Gorge Reservation on the Needham/Newton line. A special guest, nationally known geologist Les Tyralla, joined the group for the entire walk, with fascinating descriptions of how the region was carved out over the millennia by the power of the Charles River and the geologic events dating back 400-500 million years.

The gathering learned that "puddingstone," a rocky conglomerate material, is the predominate rock in the make-up of the surrounding terrain. Although the trek was only two miles in length, the numerous geologic, historical, and visually appealing highlights kept the group interested for more than two hours.

One of the attractions, the Romanesque style Echo Bridge which spans the Charles River and connects Needham to Newton, was built in 1876. It's listed on the National Register of Historic Places. After traversing the bridge, the group hiked down to its base, listened to Les Tyralla describe how the bridge was constructed from local granite, and experienced the root of the bridge's name. Everyone took turns shouting across the river from one side of the span facing the opposing side. Echo repeats numbered up to one dozen per shout!

All told we witnessed the rushing waters of the Charles at three dams, learned about a "Silk Mill" from the 1800s (now an antiques mall), and were impressed by a "Nail Mill," built from local sandstone rocks, circa late 1700s.

The park's design was created by Frederick Law Olmstead, who is known as "The Father of Landscape Architecture." He's best-noted for his designs of Boston's spectacular "Emerald Necklace" and New York City's Central Park.

If you've never visited this fascinating reservation in its urban setting, you may want to put it on your "to-do" list.

There's limited parking available at Hemlock Gorge at Hamilton Place, Needham Heights, MA.

The Charles rushes past the former Silk Mill.

Roxbury "puddingstone" forms most of the town bedrock.

Join AMC-SEM trash pick-up hike July 2nd on Blue Hills trails

By William Cannon, Conservation Chair

The Red Line the Blue Hills group and the Conservation team will host a Trash Pick-Up Hike on Tuesday, July 2. Volunteers will meet at 6 p.m. at the third parking area on Randolph Avenue (Route 28) from Exit 5B/North off US 93/Route 128. A poop sheet with precise directions will be sent to the Red Line group and registered volunteers several days before the hike.

The hike is flat and just three miles, so with a leisurely pace we should finish just before dark. This is a great way to give back to the DCR for giving us the opportunity to hike the Blue Hills each week. Also, for those who have not joined a Red Line hike, this is a great opportunity to meet some of the group and to learn about the series.

Craig MacDonald is awe-struck at the base of Arethusa Falls in the White Mountains of New Hampshire. *Photo by Claire MacDonald*

AMC 20s & 30s take over Harriman

Members in their 20s & 30s are taking over the AMC Corman Harriman Outdoor Center in New York's beautiful Hudson Valley—you won't want to miss out! The weekend of July 12-14 will include fun outdoor activities (hikes, swimming, paddling, biking, etc.), workshops, good food, live music, and a campfire.

The event will also include a meeting for 20s & 30s leaders from across the region, so if you're interested in getting involved as a volunteer, this is a great way to learn about how it all works. Of course, people of any and all ages are welcome to participate in this event! So sign up, and bring a friend! Spots sell quickly, so claim yours soon! Get [more info and registration](#) here.

2019 Distinguished Service Award nominations sought from members

By Barry Young, Past Chapter Chair

Nominations are now being accepted for the annual AMC-SEM Distinguished Service Award, our chapter's highest service award. Any active SEM Chapter member may nominate someone.

Nominees should fulfill the following criteria:

- Must be a current AMC-SEM member and have been active with the SEM Chapter for more than 5 years.
- Has significantly contributed to different committees.
- Has contributed to the AMC Club in addition to committee work.
- Has contributed "above and beyond" the usual SEM high level of volunteer service.

The selection process is conducted by a secret vote by the Nomination Committee which consists of previous award recipients and is coordinated by the previous year's winner. The winner of the award will be announced at our Annual Meeting on November 2nd, and until then the winner is a surprise! Winners receive a gold-plated Sierra Cup, a certificate, and have their name added to the AMC-SEM DSA plaque.

If you wish to nominate someone, start gathering your facts to support your nominee and fill out the DSA Nomination Form, which you can receive by contacting the Chapter Chair (chair@amcsem.org), or look for it under Documents on our website. To learn more about the award, you can visit our website at <http://www.amcsem.org/about.html>.

Joe Keogh, DSA honoree in 2017, presents the 2018 SEM Distinguished Service Award to Maureen Kelly in 2018.

Hikers alert for fragile Lady Slippers along paths in the woods

Ken Cohen led an enthusiastic group on the hunt for Lady Slippers, also known as the forest orchid, along the trails of Wilson Mountain and Whitcomb Woods. After a colder than normal spring, the endangered flowers were just emerging, but would soon blossom. *Courtesy Photos*

Save the Date **Fall Gathering 2019** October 18th to 20th **Camp Burgess in Sandwich, MA**

We are looking for volunteers for leading activities, workshops, registration, logistics. If you can help out for even a couple of hours, it would be much appreciated. Contact FG2019 Event Chair Barry Young at pastchapterchair@amcsem.org

“First Nighters” gather on the Horse Bridge over Route 24 to kick off Red-Lining the Blue Hills. *Photo by Sue Svelnis*

‘Red-Lining’ inspires both new and veteran hikers

By Alan Greenstein

There was great enthusiasm as 47 hikers gathered at the Donovan School, Randolph, MA, to kick-off the 14th year of the Red Line the Blue Hills (RLBH) hiking series on Thursday, April 11. It was the largest first night ever and included eight hikers who had not previously participated in the RLBH hikes, as well as Bob Vogel, the originator. Joe Keogh led the April 11 hike, as he has since 2008. RLBH has been the inspiration for many AMC-SEM members to participate in other local and NH hikes. Several Red Line/White Line hikers have attained Hike Leader status, and Mike Woessner, Wayne Anderson, Jim Plouffe, Cheryl Lathrop, Maureen Kelly, Barry Young, and Len Ulbricht have ascended to the Chapter Chair position after participating.

The objective of the series is to offer hikers the opportunity to hike every inch of every one of the 125 trails in the Blue Hills Reservation on Thursday nights commencing at 6:00 pm from mid-April through mid-September. Regular attendees can generally earn the patch which demonstrates their accomplishment in 1.5 seasons, with perhaps a few supplemental “on your honor hikes” to pick up any trails they missed.

Inasmuch as trailheads vary from week to week, it is

imperative that interested hikers register (once) at suesvelnis@gmail.com in order to receive the weekly email information sheet. The list was refreshed this year. The previous email list was significantly obsolete and needed to be made current. If you want to participate and have not signed-up in 2019, it is necessary to send a new request.

Trails Vice Chair Pete Tierney, left, receiving his patch for a fourth completion of “The Circuit” from Joe Keogh.

Sunset over lake at Camp Burgess on Cape Cod

Discover where the locals hike, bike, and paddle on Cape Cod at Fall Gathering 2019

Save the dates: October 18-20th, 2019!

Come join the Southeastern Mass. Chapter at AMC Fall Gathering 2019, October 18-20th on Cape Cod. As always, you'll have a chance to meet, socialize, and share ideas with members from AMC chapters up and down the East Coast. And at this Fall Gathering, you'll also have a special opportunity to let our local leaders "on Cape" share their favorite – and often hidden – hiking trails, bike routes, and paddling areas with you!

The Cape is particularly appealing in the fall when the leaves start to change, the air turns crisp, and the summer crowds disappear. The location we've selected for FG 2019 is the beautiful [Camp Burgess](#) in Sandwich, Massachusetts. This great facility spans nearly 300 acres of forests, meadows, trails, and freshwater ponds. It offers a large private lake; spotless cabins (many with lake views); indoor washrooms and shower facilities; and a bounty of on-site recreational opportunities including zip line; climbing wall; and basketball, volleyball, tetherball, and gaga ball courts.

At this event, you'll be able to explore the best "the Cape" has to offer! We're planning a wide variety of hikes, bike rides on quiet roads and pristine trails, and (weather permitting) one or two paddles. The hikes will include woodland hikes, hikes on the National Seashore, dune walks, and naturalist hikes. We're also planning to have live music, a trivia contest, yoga, campfires, and other activities to keep everyone engaged and entertained throughout the weekend.

One-night, two-night, or single-day options will be available along with delicious and healthy meals in the camp's expansive dining/meeting facility. Please save the date for FG 2019 and visit www.outdoors.org/fallgathering for more details! Registration opens July 1, 2019.

BICYCLING

Ongoing. Vice Chair, Biking Committee, SEM's Executive Board is seeking a Biking Vice Chair to assist the Biking Committee Chair with planning, organizing and leading bike trips in Southeastern Mass. A particular focus of this position is to promote bike trips off Cape in Plymouth, Bristol and surrounding counties. This includes leading trips, identifying desirable routes, and encouraging development of additional bike leaders. L Leonard Ulbricht (chair@amcsem.org)

Fri., Jun. 21. Summer Solstice Bike Ride, Cape Cod Canal, MA. Come celebrate the arrival of Summer 2019 as we ride along the Cape Cod Canal and into the neighborhoods of Bourne. Distance: 22 (+/-) miles. Pace: Moderate, stay together group pace. No one is dropped. Apres ride gathering to toast and welcome the summer season. L Joe Tavilla (508-450-1934, silverski6184@comcast.net)

Sat., Jun. 29. Rochester- Marion Bike Ride, MA. 9am start. 33 mile ride over flat terrain. We'll ride through Rochester passing lakes, ponds and cranberry bog scenery then head for Marion with great views of the Weweantic River, Sippican Harbor, Kittansett Golf Club and Buzzards Bay. A few miles from the finish we'll stop at the Robins Nest for ice cream. Easy paced ride between 12-13mph. Helmets are required. To sign up and get info on the start location, contact the leader, L Jack Jacobsen, 8:00 AM- 8:00PM, at cyclejac51@yahoo.com or cell phone: 508-353-3708.

Tue., Jul. 16. Road Cycling - Sunset and Full Buck Moon Ride, MA. 22+/- Miles & 2+ hours. Flats & Hills. FULL BUCK MOON - Bucks begin to grow new antlers at this time. This full moon was also known as the Thunder Moon, because thunderstorms are so frequent during this month. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Wed., Jul. 17. Road Cycling Nantucket Island, Hyannis, MA. Bicycle round the historic and beautiful Nantucket Island We will visit several villages and beaches along the way Mostly paths, but also some roads. We will stop "in town" for a burger type lunch or bring your own food. Before we depart the island, we will visit the Cisco brewery for beverages, food and entertainment galore. We will depart Hyannis via the Steamship Authority High Speed Ferry at 8:15 AM and return on the 6:15 PM boat, Trip time approx .1 hour. Cost is approximately \$65.00 round trip including bike. Attendees MUST be able to cycle 40-45 miles at a moderate pace of 12-16 MPH. Bikes must be ready to roll once we are off the ferry. Helmets are required, tires and brakes in working order. Stay tuned for updates Rain cancels this event. L Bernie Meggison (617-930-4029 8:00 AM - 8:00 PM, thosemeggisons@gmail.com, Long time cyclist and AMC leader.), R Bernard Meggison (617-930-4029)

Thu., Aug. 15. Evening Road Cycling - Sunset & Full Sturgeon Moon Ride, MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Sturgeon Moon - August The fishing tribes are given credit for the naming of this Moon, since sturgeon, a large fish of the Great Lakes and other major bodies of water, were most readily caught during this month. A few tribes knew it as the Full Red Moon because, as the Moon rises, it appears reddish through any sultry haze. It was also called the Green Corn Moon or Grain Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

BICYCLING

Sat., Aug. 17. Cycling & Wine Tasting in Westport Rivers Winery, Westport, MA. Join us for an approximately 30 mile ride through beautiful Westport & Dartmouth, MA. We will pass farms, stone walls, conservation land, river & the beach. The pace will be 12-15 mph, & there will be some hills. Following the ride, we will have a private wine tasting at Westport Rivers Winery. They specialize in white & sparkling wines. Participants must be 21 years or older to participate in the tasting, & the cost is \$25 per person. A helmet is required to ride. Bring water & a snack. L Jeannine Audet (508-493-8221 weeknight after 7:00 PM, weekends anytime, milmod@aol.com)

Sat., Sep. 14. Evening Road Cycling - Sunset & Full Harvest or Corn Moon Ride., MA. 22+/- Miles & 2 ½ - hours. Flats & Hills - Full Corn Moon or Full Harvest Moon -This full moon's name is attributed to Native Americans because it marked when corn was supposed to be harvested. Most often, the September full moon is actually the Harvest Moon, which is the full Moon that occurs closest to the autumn equinox. In two years out of three, the Harvest Moon comes in September, but in some years it occurs in October. At the peak of harvest, farmers can work late into the night by the light of this Moon. Corn, pumpkins, squash, beans, and wild rice the chief Indian staples are now ready for gathering. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Mon., Oct. 14. Sunset and Hunter's Moon or Blood Moon Road Cycling, MA. 22+/- Miles/ 2 +/- hours. Flats & Hills. Traditionally, tribes spent the month of October preparing for the coming winter. This included hunting, slaughtering and preserving meats for use as food. This led to October's full Moon being called the Hunter's Moon and sometimes Blood Moon or Sanguine Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Tue., Nov. 12. Sunset & Full Beaver Moon Road Cycling, MA. 22+/- Miles/ 2 +/- hours. Mostly flat - a couple of small hills. Beaver Moon: For both the colonists and the Algonquin tribes, this was the time to set beaver traps before the swamps froze, to ensure a supply of warm winter furs. This full Moon was also called the Frost Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Thu., Dec. 12. Sunset and Full Cold Moon Cycling, MA. 22+/- Miles/ 2 +/- hours. Flats & Hills. December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

Mon., Jul. 15. Full Moon Hike, Cape Cod Canal, Sandwich, MA. We will walk along the canal to Town Neck Beach and walk the beach to Mill Creek. With any luck we will time our arrival to see the moon rise over Mill Creek. We will then proceed along the creek to the Sandwich boardwalk and then through a Sandwich neighborhood to catch the sunset at the canal. Wear sturdy shoes, beach can be very rocky. If interested we will go for an ice cream post-hike. L Jane Harding (508-833-2864 Before 9 pm, janeharding@comcast.net)

EDUCATION

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, Boston Area, MA. See listing under Hiking. R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

EDUCATION

Sat., Sep. 21-22. Wilderness First Aid Two Day Workshop, Wildlands Trust Community Conservation Barn 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6:00 pm, [reddougg@aol.com](mailto:redDoug@comcast.net))

EXECUTIVE COMMITTEE

Ongoing. Vice Chair, Southeastern Mass Chapter, MA. Dear fellow SEM Member, The SEM Executive Board is seeking a chapter Vice Chair volunteer to: *Support the SEM Chapter Chair and our great activity leaders; *Help run the 2019 AMC Fall Gathering which will be held on Cape Cod; *Represent the SEM Chapter at a variety of club-wide and chapter events; *Interface with AMC HQ and learn how AMC functions behind the scenes; *Support conservation, education and recreation in Southeastern Massachusetts. You will assist with the development of chapter goals, budgets and special events (such as Fall Gathering 2019), assist other committee members in coordinating chapter activities, and participate in monthly Executive Board meetings and periodic AMC meetings of chapter chairs. Experience with or willingness to learn straightforward Excel spreadsheet and Power Point-type applications helpful. L Leonard Ulbricht (chair@amcsem.org)

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.
Always looking for additional hike leaders! Contact hikingchair@amcsem.org

(FT) (NM) Tue., Jun. 18. Introduction to Backpacking Workshop, Easton, MA. Have you ever wished you knew how to go backpacking? Does the idea of "Carrying your house on your back" appeal to you? Or maybe you just wish you could go hiking in New Hampshire without the need to get up at a ridiculous time, drive for many hours, go for your hike, and drive for many more hours, only to arrive home late and pooped? Backpacking is the answer, and you, yes you, could be doing it this summer. Think about it. Drive up on a Friday evening, hike an hour or less into the woods. Set up your tent, roll out your bedding and go to sleep in the cool woods, listening to the sounds of nature. Maybe there's bubbling brook nearby. Maybe you hear the birds calling. In the morning you wake up, cook breakfast, pack up your stuff and hike. How far do you hike? As far as you want to. Some like to cover lots of ground, and climb lots of 4000 foot peaks (I was once one of those, years ago.) Or maybe you just want to go a shorter distance, over flatter terrain! (That's me now!) With backpacking, the choice is yours. You go where you want, at the pace you want. When you get "There", wherever it may be, you pitch your tent again, and set about cooking a nice supper. After supper maybe you sit around and talk, or maybe (especially if you are one of those 4000 footer bagging hikers) you hit the sack early. Next morning... hey, you know what to do, just from reading this. Cook breakfast, pack up and hit the trail, but this time towards your car (unless you are lucky enough to be on an extended trip.) You get out to your car early enough to have a leisurely drive home, avoiding the late Sunday traffic. And what do you do from Monday until the next Friday when you can go again? You tell all your friends about the great trip you had last weekend, everything you saw, and your plans for an even better trip the coming weekend. OK, now that you want to go, you are probably asking yourself "Hey, how does someone like me learn how to go backpacking?" Oh, and "Just how much is it going to cost me to outfit myself with everything I need?" Well, to find out you sign up for this free Introduction to Backpacking Workshop and that will get you the answers. [Even if you can't make this workshop, sign up (noting you can't make the workshop), and you will receive the written info to help you get started, and info on the upcoming backpacks.]. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) HIKING

Tue., Jun. 18. Tuesday Morning Blue Hills Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a continuing Tuesday Morning Series, Over time we plan to hike 'all' of the trails within the Blue Hills, meeting in different parking lots and hiking different routes each week. If folks are interested this series will run... well, for as long as folks/Leaders are interested. (Currently only the few weeks are posted. This is to allow modifications to this listing, and the addition of other Leaders, going forward.) So, if you are interested in hiking in the Blue Hills on Tuesdays, typically from 10 AM until, typically, sometime before 2:00, Contact the Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. (If you don't know Bob, please include a BRIEF 'My Hiking History', so we can get to know each other.) Note that, in addition to 'just hiking', this series also aims to provide 'skill building', both for participants, new Co-Leaders and existing Leaders. We will incorporate a range of 'educational opportunities' as we hike, (Map reading, GPS app usage, Group Management practice, Introduction to Trailwork, Come hike, get some exercise, have fun, and learn. Note: If this group grows in size, the plan is to split into sub-groups when we hike, to keep each 'hiking group' to a manageable size. Groups may split based on speed/distance abilities, willingness to hike with dogs, ability to hike for the full 4 hours, desired trails to hike, etc. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.)(vogel.r@comcast.net)

Wed., Jun. 19-23. Ten Maine 4Ks - Hiking the Rangeley and Bigelow Mtns., Carrabassett Valley, Maine, ME. Join us on a 5 day trip to the Rangeley and Bigelow areas to hike 10 of the 14 Maine 4000 footers, experiencing some of the most astonishing views. Jointly sponsored by New Hampshire and Southeastern Mass chapters. We will not only be hiking these spectacular mountains, we will be enjoying time with great people. We will be staying at a delightful accommodation in the Carrabassett Valley and carpooling to the trailhead each day. This trip is for experienced hikers in good hiking condition as we will be hiking 5 consecutive days. L Leslie Carson (508-833-8237, lrc929@comcast.net) CL Dirgny Perdigon (dalexandra@gmail.com), R Dirgny Perdigon (dalexandra@gmail.com)

(FT) (NM) Thu., June 20. Red Line the Blue Hills, Blue Hills Reservation, Milton, MA. Join us to hike all the trails in the Blue Hills or just enjoy a walk in the woods. Location, terrain and elevation will vary each week. Time is approximately 6-8 pm Thursday night. Register once then show-n-go when you can make it. Once you register, an email will be sent to you every week telling you where to meet. This is a great way to end your day, get outside, strengthen your hiking legs and socialize with a nice group of people. This is the 14th year of the Red Line series! L Joe Keogh (jpk24@gmail.com) L Michael Swartz (617-840-4199, swartz@brandeis.edu), R Sue Svelnis (781-849-9299 before 9 pm, suesvelnis@gmail.com)

Sat., Jun. 22-23. Two-day Map and Compass Workshop (Sat/Sun), Blue Hills, MA. Come learn beginner to intermediate navigation skills using a map and compass to find your way in this two-day weekend workshop. No prior skills are required. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small day-pack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a topographical map which does not show the trails and will make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. You will need to purchase and bring to class a navigating compass with adjustable declination correction, the recommended compass is the Suunto M-3 (list price \$44). L Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) CL Doug Griffiths ([reddoug@aol.com](mailto:redoug@att.net)) CL Pete Tierney (pxtierney@aol.com), R Paul Brookes (603-799-4399 After 8am and before 9pm, PaulBrookes1966@outlook.com)

HIKING

Mon., Jun. 24. Massasoit Hike, Massasoit State Park, 1365 Middleboro Ave, East Taunton, MA. This will be an approx. 2 hour hike commencing at the "Healthy Heart Trail" and looping back to our start at the main entry check point station. Plan to arrive at 9:45 AM as the hike will begin promptly at 10 AM and will cover approx. 4 miles of mostly flat terrain at a moderate pace. If you are new to hiking or want to get reintroduced to hiking, this will be a good hike for you. Trail map in online at <https://www.mass.gov/files/documents/2016/12/na/massasoit.pdf>. Parking lot is located off of the Middleboro Avenue main entrance. We will meet at the parking lot before the gatehouse. Pets are not permitted. Bring sturdy hiking shoes, snacks, water and a raincoat. L Joanne Newton (508-215-9470 After 5 PM; newt665@comcast.net) CL Roger Whidden (781-834-7722 After 5 PM, wsfi1@verizon.net), R Roger Whidden (781-834-7722 After 5 PM, wsfi1@verizon.net)

(FT) (NM) Thu., Jun. 27. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See Thurs., June 20, entry.

Sat., Jun. 29. Summer Hiking Series #2 Mt Cardigan, NH. Mt Cardigan is located in west central NH, southwest of the White Mountains. The bald dome offers fine views from the summit. At 3,155 ft, it is #27 on the "52 With a View" list. Starting out from Cardigan Lodge, the trail will take us through hardwood forest, scrub, with the final approach to the summit on ledges marked with cairns. We plan to hike to both the summit of Cardigan and the north peak, Firescrew, named for a spiral of smoke and fire which occurred in 1855. 6.0 mile loop hike with 1,900 ft elevation gain, at a moderate pace, approx. 4 - 4.5 hours. L Peggy Qvicklund (774-893-3011 before 9 pm, qvickan@comcast.net, Hike leader since 2014. Has completed the NH 48, but mainly enjoys sharing the outdoors with like-minded folks.) L Anne Duggan (508-789-5538, abduggan12@gmail.com) CL Emilie Bent (508-577-3679 before 9 pm, emilieb1@yahoo.com), R Emilie Bent (508-577-3679 before 9 pm, emilieb1@yahoo.com)

Sat., Jun. 29. Saturday morning Ponkapoag Pond hike, Canton, MA - Note Early Start. Moderate to fast pace, with occasional stops. 5 ½ - 6 ½ mile hike around The Pond with one or two additional perimeter loops. Approx. 9:00 am-11:30 pm. Please arrive by 8:45 am for a 9:00 am start. Bring waterproof hiking shoes, bug spray, sun screen, snacks and water. We'll take a break at the AMC Camp, down near the pond, weather permitting. Steady rain cancels. Dogs on leash O.K. L Ken Cohen (508-942-1536 Before 7:30 pm, k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

(FT) (NM) Tue., Jul. 2. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See Thurs., June 20, entry.

(FT) (NM) Thu., Jul. 11. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See Thurs., June 20, entry.

Sat., Jul. 13. 52 With a View Hike - Mt. Success, Gorham, NH. Are you working on your 52 WAV list? Join us for a day hike to Mt. Success in the Mahoosuc range area. Along the way there is a spectacular ledge known as the Outlook with great views of the Presidentials. There may be some slippery slabs and wet, boggy areas which have been improved with bog bridges. Round trip is 6.0 miles with +/- 1950 ft. of elevation. An option may be to extend beyond the summit to explore an old plane crash from 1954. L Leslie Carson (508-737-6627, lrc929@comcast.net, Leslie is a 4 season hike and backpack leader with the AMCSEM chapter. She also leads for August Camp and AMC's Adventure Travel.) L Ken Carson (508-833-8237, kcciii@comcast.net) CL Emilie Bent R Emilie Bent (508-577-3679, emilieb1@yahoo.com)

Sun., Jul. 14. 52 With a View Hike - Mt. Hayes, Gorham, NH. Are you working on the 52 WAV list? Come hike another mountain with us in the Mahoosuc range - Mt. Hayes. It is the last peak at the southern end of this range and it also ranks last in terms of altitude reaching only 2555 feet at it's summit. The hike is approximately 6 miles round trip with an added side trip on a spur trail to Mascot Pond with +/- 1768 feet of elevation. Wide open ledges providing nice views are located 0.3 miles from the actual summit. L Ken Carson (508-737-8268, kcciii@comcast.net) L Leslie Carson (508-737-6627, lrc929@comcast.net), R Ken Carson (508-833-8237, kcciii@comcast.net)

HIKING

(FT) (NM) Tue., Jul. 16-18. Backpacking Series - Backpack Hike #1 - Three Ponds, Three Ponds, Ellsworth, NH. Have you ever wanted to backpack into the woods of New Hampshire, but weren't sure how to get started? If that's the case, this summer we are offering a Beginner'Backpacking Series', where we will take you from 'What you need to know' to 'Camping in the backwoods of the White Mountain National Forest'. The series starts with an informal workshop (details TBD), where you can learn about clothing, food, equipment, etc. It will be followed by several backpacks, ranging from 'Anyone can do this!' to 'More advanced" This backpack, #1 in the Series, will take place near Three Ponds, in Ellsworth, NH. Tuesday night (for those who can make it) will give you an opportunity to camp 'near your cars' (In case this is backpack number 1 for you, and you want to start near your car, and a cozy cabin.... just in case.) Wednesday night we will camp in the back country near Three Ponds. (This is prime territory for moose, so if we are lucky, we may spot one...And the last time we were there we saw a beaver working on his dam, as we stood 15' away!) This first backpack in the series will involve modest distance and elevation gain, and we'll have all day to "get there." Future backpack trips in the series will be more challenging. Interested? Email and get on the "Tell me more!" list. Series dates (dates and locations are tentative, and subject to revision): TBD: Workshop (Easton) JuLy 16-18: Backpack #1 Near Three Ponds, Ellsworth, NH TBD: To Shoal Pond, possibly ascend Zealcliff, visit Thoreau Falls TBD: Possibly a backpack to Mt. Flume, with camping off the Osseo Trail. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) SOCIALS

Thu., Jun. 27. 20s & 30s June SEM Social, The New World Tavern, 56 Main Street, Plymouth, MA. Join us at The New World Tavern for our June SEM Social! Come meet fellow outdoor enthusiasts, and learn about upcoming events and activities. Whether you are new to the AMC, or have been around for a while, this is a great opportunity to meet new people, trade stories, and plan future adventures. There will be ice breaker activities provided. L Susan Schobel (susan.schobel@gmail.com)

(C)(FT)(NM) Fri., Oct. 18-20. 2019 Fall Gathering, Sandwich, MA. The 2019 AMC Fall Gathering will be hosted by AMC's Southeastern Massachusetts Chapter! Discover where the locals hike, bike, and paddle on Cape Cod-join us a weekend of outdoor fun at Camp Burgess, which boasts nearly 300 acres of forests, meadows, trails, and freshwater ponds, and offers activities like zip lining, a climbing wall, volleyball, and more! The fall is a great time to visit the Cape-the leaves start to change, the air turns crisp, and the summer crowds disappear. At this event, you'll be able to explore the best "the Cape" has to offer-we're planning a wide variety of hikes, bike rides, and paddles (weather permitting). The weekend will also include live music, yoga, and campfires. One-night, two-night, or single-day options are available. Start planning your fall getaway today! Registration opens and will be available on this page on July 1st. More information at www.outdoors.org/fallgathering. L Barry Young (Pastchapterchair@amcsem.org)

Hiking & backpacking weekend

By Joanne Newton & Bob Vogel

Well, the great SEM extended hiking/backpacking weekend of August 16-18, 2019 is now history...but what a weekend it was!

Friday started with a bit of rain as we gathered at the trailhead and prepared to climb Welch & Dickey, but we decided that it was a "Go." (The backup plan had been to cross Rt. 93 and climb Stinson Mountain.) This was the first "52 with a view" for some on this hike, so we were anxious for them and the rest of us to see the views along the way.

We hiked up to the first overlook on Welch and had some views. The rain had stopped and the clouds were still skidding along between the peaks. Even though we didn't have clear prospects, these were still breathtaking.

We then proceeded—cautiously!!!—up the still damp ledges. The footing was... let's say "Un-reassuring." OK, it was "scary as all crap!" to be more blunt, as the sheer drop-offs are nothing to dismiss lightly. We went very slowly, placed each foot carefully, and everyone made it to the top of Welch without any issues. (You folks back in Massachusetts may have heard my sigh of relief when we got there safely. :-))

We had our lunch, meeting a few other hikers at the summit, and then a few sprinkles came. More raindrops as we summited Dickey, but the big, slippery ledges were behind us so we could at least relax a little bit.

Continued on page 4

View from the Chair: Fall events to enjoy!

The other day, as I walked along a beach road bordered by assorted summer green vegetation, a few red leaves amidst shiny green ones caught my eye. Poison ivy changing color is an early sign that a seasonal change is upon us. But we still can enjoy a few more months of fall hiking, biking, and paddling before the ponds ice over and the white stuff comes. We also have several special chapter events coming this fall.

Once every 12 years, it's the Southeast Mass. Chapter's turn to host the AMC-wide **Fall Gathering** and this is our year. For this special event, we reserved Camp Burgess in East Sandwich and we're expecting more than 200 AMC members from all Club chapters up and down the East coast to participate. We started planning for this event more than 12 months ago and I'd like to send out a well-deserved "thank you" to all the SEM members who volunteered to help out. Particular kudos go to Barry Young for all the time and effort he already put in organizing this event! Since I just now learned that Fall Gathering 2019 has SOLD OUT, I'm hoping that any of you SEMers who wanted to have already registered and sent in their fees! (We did warn everyone that this event tends to sell out early). But even if you missed out on registering for Fall Gathering, there's plenty of other good stuff going on.

For example, there's the special event that comes every Fall, our chapter's **Annual Meeting** and Dinner. This year we return to the beautiful Bay Pointe Club in Buzzards Bay on Saturday, November 2nd for our traditional evening of socializing, business meeting responsibilities, fine buffet dinner, Distinguished Service Award, and evening speaker. This year we're pleased to be able to offer a presentation by Holly Fitzgerald, the author of *Ruthless River*, an amazing story of resilience and survival in the wild. The Annual Meeting Flyer with evening details, speaker's presentation abstract, and registration form can be found in this issue of *The Breeze*. [Registration is open.](#)

Two other events may not be on your radar yet, but are worth noting. Due to strong interest from this spring's Leadership Training participants, we are offering [Wilderness First Aid](#) for a second time this year, Sept. 21 & 22 in Plymouth. Again, due to strong interest, a second offering of Paul Brookes' popular [Map & Compass training](#) will be held Oct. 5 & 6 in the Blue Hills. Fees for each course may be reimbursable under the chapter's scholarship policy. (See scholarship forms under *Documents* on the chapter website).

Hope you can partake in one or more of these special events, in addition to our regular lineup of Fall hiking, biking, and paddling trips.

Thanks!

How Red Lining changed our lives

By Maria Sestina

In the spring of 2018, Joanne Newton and I took a chance. We registered for an AMC hike, drove to the designated meeting place, climbed out of our cars, and were met by a circle of smiling faces. Not knowing a soul, we set out on an adventure that would change our lives.

Our bodies grew stronger. Our hearts expanded. Our stamina increased. We became very familiar with the beautiful Blue Hills Trails. Surrounded by experienced hikers eager to share their knowledge, we learned how to read a map, interpret trail markers, use a compass. We became wiser in the woods, more aware of local history and respectful of New England's fluctuating weather patterns. There has always been wonderful camaraderie.

Last night (August 1st), we received our Red Lining patch from the founder of "Red Lining the Blue Hills," Bob Vogel. Joanne and I came wrapped in red satin gift ribbon...but it is all of you that have been a gift to us and to one another. A year and a half ago, we thought that we had merely signed up for a hike, but we got so much more. I hope that you will join us. Take a chance. We'd love to meet you.

100 & 500 mile patches: Get yours when you strive to "Be Outdoors!"

By Ken Cohen

The AMC-SEM website offers many excellent opportunities to participate in so many terrific hiking and achievement programs.

Have you considered the "Record Hiking Miles" option? It's a great way to set personal goals and casually compete with your fellow hikers.

As an additional incentive our chapter has offered a neat looking "100 Miles" patch, which you can request after each 100 miles of AMC sanctioned hikes, with any AMC chapter, in a calendar year.

Just recently a "500 Miles" patch has been added to the mix. That patch can be requested after you've exceeded 500 miles of AMC-sanctioned hikes, with any AMC chapter, during any period of time. For example, 200 miles during calendar year 2019 and 300 miles during 2020 would fulfill that requirement. Of course, acquiring five 100 Miles patches over time would qualify you for the 500-miler.

Please check [the details](#) by clicking on "Hiking" under "Committees" on the left side of the AMC-SEM website. That will take you to the comprehensive hiking activities page. On the right side, you'll click on "Record Hiking Miles." Give it some time to load and read the details at your leisure to get started.

Record hiking miles to earn 100 Mile and new 500 Mile patches. *Photo by Ken Cohen*

Hiking & Backpacking Continued from page 1

We headed down past the open cliff on Dickey and then back into the woods and finally back out to the cars after four hours. A bit long for a “3 hour, 5 minute” (book time) hike, considering we didn’t get to sit and enjoy the views for an extended period, but careful footing takes longer, and was certainly justified by the conditions. A great hike, with five great participants and two leaders.

Saturday, eight of us (three from Welch & Dickey and five new folks) were at the parking lot to car spot and get organized for our two-day backpack to Shoal Pond. While two cars were spotted at the Ethan Pond Trailhead, we did some last minute adjusting of loaned gear and some plastic bagging, because the weather wasn’t guaranteed to be fine all day. When the car spotters returned, we all met at the Zealand Trailhead, donned our packs, and started hiking.

A few miles later and one short STEEP hike up, and we were at the Zealand Falls Hut for lunch. We showed the new folks around the hut and the accommodations. Alas, it was not going to be a high living night at the hut for us. We put the packs back on and continued down through Zealand Notch with the great views of Whitewall Mountain and Zeacliff. A stop at Thoreau Falls for the spectacular view of the cascading water and a last chance to filter “good” water, so we filled up every container we had. Then off toward Shoal Pond Trail.

We met three young guys who, as it turned out, were

camped at Shoal Pond, and who told us there were two others there, too. Uh-oh, we might have space issues. :-)

Well, we continued down the 3/4 of a mile of rather overgrown Shoal Pond Trail. Up the hill and “good news,” all five of those who had come had camped near each other at one end of the camping area. Off to the far end we went and found space to set up our tents...quickly, as we knew rain was in the forecast. The rain held off, and we had time to cook supper, bear bag our food, and sit around and enjoy some relaxing time together.

We had time to walk down to Shoal Pond at dusk, hoping to see a moose, but no luck. Back to the campsite. Relaxed a bit more, then at 8:00 or so everyone was tired enough to head to the tents. This was good timing, as by 8:30 there was the pitter-patter of raindrops on the tents, followed by thunder and lightning...which fortunately never got close to us, so wasn’t *too* scary. Then, for at least most of us, sleep. (There was this *one* new backpacker who spent most of the night listening to the sounds outside...like the moose thrashing in the wetlands, and who insists “something” walked through the campsite during the night. :-))

Morning brought sunshine, and a beautiful day. So we rose, cooked breakfast, and packed up. We then donned raincoats and rain pants for the walk through 3/4 of a mile of wet overgrown Shoal Pond Trail. :-)) We had to again be careful walking as the trail was extremely wet with deep mud patches and slippery rocks and branches all along the way. As we started down the trail, we saw fresh moose prints in the mud, so we knew the moose was around Saturday night!

Vista of clouds skidding between the peaks from the first overlook on Welch. *Photo by Joanne Newton*

Traversing Zealand Notch with more great views!
Photo by Dexter Robinson

Hiking & Backpacking Continued from page 4

Once out on the Ethan Pond Trail, there was a bit more room and we soon took off our raingear. We stopped for lunch at the Ethan Pond Campsite, so the new folks could see what camping out was like at an established campsite, with a shelter, tent platforms, bear boxes, and an outhouse. We then filtered water one last time and headed 'down' to the cars in Crawford Notch.

Once out, we carpooled back to Zealand road, swapped folks and gear between cars and, reluctantly, parted ways for our trip homeward but with new adventures to remember and new friendships made – after the hikes themselves, always the best parts of any AMC hike. We are already planning our next backpacking trip and hope more of you join us.

Volunteer of the Month: Paul Corriveau

By Ed Foster, Paddling Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Paddling Committee recognizes Paul Corriveau for his numerous contributions.

Paul is one of three or four leaders who lead the majority of our trips. Without him we'd have major gaps in our schedule. And he's improved some of our existing trips by finding new and better put-ins. He's always willing to lend a hand helping people load and unload boats and, when the need arises, getting out of his boat and pulling other paddlers over shallows. Without him we'd have a much emptier and less interesting paddling schedule.

Thank you, Paul, for all you do.

Paul will receive a Volunteer of the Month Certificate and a \$50 gift card.

New volunteer needed

Help keep the SEM chapter vital and encourage our members to be actively engaged through timely Communications! Work with the committee chairs, the Blast editor, Breeze editor, webmaster, and social media administrator, and be part of the Executive Board. See more [here](#).

Navigating woods by map & compass

By Peg Qvickland

As AMC hikers, we've been taught to always carry the 10 essentials, one of which is a compass. You know, the little lightweight plastic thing with a circle, a spinning arrow, and a bunch of numbers? I'm sure we *all* have one in our pack; they weigh next to nothing. But who knows how to use it??? Not too many of us apparently, judging by the enormous interest in Paul Brookes' recent Map and Compass weekend seminar at Blue Hills. I was one of the lucky ones to snag a spot, and what a great weekend of learning it was!

On Saturday Paul began by reviewing how to read a map. I mean *really* read a map, finding manmade structures vs natural features, what those brown squiggly lines mean, what declination really is etc., etc. It all came to life as he created a mini topographic map using a clay mountain range and gradually rising water levels to visualize changing contour lines. Valleys and saddles appeared before our very eyes.

After learning how to take a bearing, to plot a bearing, and triangulation, we headed outdoors in small groups to use our skills in a bushwack.

Aided by Paul's co-instructors, Pete Tierney and Doug Griffiths, we all managed to find our way through the forest from point A to point B without using any trails.

Sunday's class was completely outdoors. Paul had planted "flags" dispersed throughout an area of the Blue

Hills and marked them on a topographic map. This map had all the geologic features of the area—valleys, streams, etc.—but basically none of the trails. Divided into two groups and using this map, our goal was to "tag" as many flags as possible using our new map and compass skills, along with group decision making.

With Paul, Pete, and Doug's quiet background support (they wouldn't let us get *too* lost!), one group found eleven flags and the other group tagged all 15.

Returning to our cars, compasses dangling confidently from our necks, we all agreed we had learned a lot and promised ourselves to get out and use it! Thanks again to Paul, Pete, and Doug!

Paul Brookes shows Cathy Giordano, left, and Linda Church how to plot a course on a map.

Diligently working around the table are Bob Vogel, left, Jerry MacCurtain, Rob Vogel, Earl Deagle, & Joanne Newton.

Doug Griffiths, left, stands ready to help Bob Vogel, Joanne Newton, & Jerry MacCurtain.

Nominate a volunteer for the DSA!

By Maureen Kelly, DSA Coordinator

This is the time to nominate someone in SEM that you feel is deserving of the AMC SEM Distinguished Service Award (DSA), the highest service award of our chapter. Any member can submit a nomination. The reason for the award is to acknowledge the significant amount of time and energy that someone has given as a volunteer in support of SEM.

Nominees should fulfill the following criteria:

- ❖ Must be a current AMC-SEM member, has been active with the SEM Chapter for more than five years, and is currently actively contributing to the Chapter
- ❖ Has significantly contributed to different committees
- ❖ Has contributed to the AMC Club in addition to committee work
- ❖ Has contributed "above and beyond" the usual SEM high level of volunteer service

The selection process is conducted by a secret vote by the Nomination Committee, which consists of previous award recipients and is coordinated by the previous year's winner. The winner of the award will be announced at our Annual Meeting on November 2nd. Until then, the winner is a surprise! Winners receive a gold-plated Sierra Cup, a certificate, and their name added to the SEM DSA virtual plaque.

If you wish to nominate someone, fill out the [DSA Nomination Form](#), or look for it under Documents on our website. Deadline for submission is October 1. Send the form to the [AMC-SEM Chair](#). To learn more about the award, you can visit our website [here](#).

The BRT Blazers cycling team will earn matching funds for the BRT project in the Watershed Ride on Oct. 6.

Oct. 6 Watershed Ride will benefit Bourne Rail Trail project

By Friends of the Bourne Rail Trail

The 2019 Bourne Rail Trail Blazers are prepping their bikes for the upcoming Watershed Ride on Sunday, October 6, presented by the Buzzards Bay Coalition! They will join hundreds of others in cycling around the Bay to raise funds for and awareness of the need to restore and protect clean water in our community.

New this year, the Bourne Rail Trail Blazers' ride will be the proverbial "win/win" as, thanks to a group of donors, small in number and great in generosity, the Friends of the Bourne Rail Trail will receive a dollar-for-dollar match of the funds raised by the BRT Blazers. In other words,

for every \$1 a Blazer raises through the Watershed Ride, a matching \$1 gift will be made to the Friends of the BRT. Your donations will be helping preserve the beauty and health of Buzzards Bay and providing important assistance to the effort to create the Bourne Rail Trail!

Interested in getting involved at this year's ride? Consider becoming a BRT Blazer or donate directly to our team! More information is available [here](#).

The dream of connecting the Cape Cod Canal and the Shining Sea Bikeway via the Bourne Rail Trail took a huge step forward with the announcement of \$285,000 in State funding to support the design and engineering of Phase 1 and Phase 2 of the BRT! The Town of Bourne, in conjunction with the Friends of BRT, will receive the grant through the Department of Conservation and Recreation's MassTrails Grant Program.

The BRT is one of 71 projects funded across the State and the grant award of \$285,000 is one of the largest MassTrails grants this year.

"Our administration is proud to prioritize the state trails system, which builds community pride, connects municipalities, and improves quality of life throughout Massachusetts," said Lieutenant Governor Karyn Polito. "By working in partnership to support these 71 trail projects, we are able to invest in the enhancement of our communities, and ensure natural resources are protected and available for all to appreciate and enjoy."

We are thrilled and honored that the State has recognized the BRT as a high priority project.

Full Sturgeon Moon lights the way

By Bob Currier

AMC-SEM members took advantage of the August 15th Full Sturgeon Moon for a sunset ride along the Cape Cod canal.

The fishing tribes are given credit for the naming of this Moon, since sturgeon, a large fish of the Great Lakes and other major bodies of water, were most readily caught during this month. A few tribes knew it as the Full Red Moon because, as the Moon rises, it appears reddish through any sultry haze. It was also called the Green Corn Moon or Grain Moon.

Cyclists gather on the Cape side of the canal near the railroad bridge: Paul Currier, left, Barbara Gaughan, Bill Cook, Chic Godfrey, Marilyn Dunn, Debbie Sadoff, Janet Brenzel, Mike Driscoll, Jeffrey Hyman, Jim Hathaway, Mike Garrity, Pati Kent, Ted Rowan. *Photo by Barbara Gaughan*

Backpacking 102: Gear What do I need?

By Bob Vogel, Hike Leader

Well, if you already are a New Hampshire day hiker, and you want to go backpacking, the equipment needs could be relatively minimal...

- A sleeping bag. Actually that's about all you really need. My first backpack that's about all I had. But there are a few more desirable items to have.

- A sleeping pad. I quickly discovered that the hard wooden floor of a shelter was not comfortable. And unless you have a tent, you are confined to shelters, so...

- A tent. Although many AMC members have a two person tent, and are willing to share... if you help carry part of the tent. Well, now you are all set... If you like eating cold food, or are planning to cook over a fire. (Trust me, that isn't as romantic as it sounds, it isn't fun on a rainy day.) So you may wish to buy...

- A stove. (But again this can be "shared" equipment, especially if you learn to carry "easy backpacking meals," Read that as "things you just add hot water too, then wait a couple minutes, and eat out of the bag.") And, unless you want to boil all your drinking water, or carry chemical water treatment ...

- A water filter. (Again, these can be shared items on AMC trips.)

Sure there are a lot more "little things." You'll need: cup, spoon, some rope and a bag to hang your food. But you don't want to add too many more items, because remember, you're going to have to carry it all... So the last item?

- A pack big enough to carry everything, or with attachment points to lash gear on the outside.

2019 Annual Meeting and Dinner Special Guest Speaker: Holly Fitzgerald

Author of recently published

RUTHLESS RIVER: Love and Survival by Raft on the Amazon's Relentless Madre de Dios

Presentation Abstract

Ruthless River is a story of survival in the remote Amazon interior of South America. In 1973, during a delayed around-the-world honeymoon, the plane carrying Holly Fitzgerald and her husband crash landed in a Peruvian penal colony. Stranded near a tiny town on the banks of the Rio Madre de Dios, they built a raft and traveled downriver to a Bolivian town from where they hoped they could travel on to Brazil. But, instead, after being swept off course by a huge storm they found themselves in a swampy dead end, surrounded by quicksand and unable to get to shore. As we'll learn, these inexperienced rafters faced a frightening ordeal of survival without clean water, food, or shelter and threatened by swarming insects and lurking predators.

Ruthless River tells a harrowing story in which escape seemed impossible. In her presentation, Ms. Fitzgerald will provide us with a personal glimpse into this life-changing ordeal.

Fri., Sep. 13. Adventure Ride #13, Cape Cod, MA. Adventure Ride #13 " Punkhorn Circumnavigation" Mostly dirt ride, exploring the vast Punkhorn Conservation area. An overview of the park, so you can return and do further, more in depth hiking or biking on the many trails. This is a "No Drop " tour. Relaxed pace ride. A larger tire bike is recommended -- we will ride on dirt paths, gravel roads, cart ways and quiet paved back roads. Self Contained Ride. Bring Water, Snacks, Lunch, etc. Carry the proper equipment to maintain your bike--tubes, tools, etc. Register for Updates, Weather, Cancellations, Changes, Etc. paulcorri@gmail.com Meet at the Dennis Senior Center 1045 MA-134, South Dennis, MA 02660 (Corner 134 and Setucket) Park away from building. Mileage --- 20 +/- Miles, Allow 4+ Hours Arrive : 9:45 AM Leave : 10:00 AM. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF))

Sat., Sep. 14. Evening Road Cycling - Sunset & Full Harvest or Corn Moon Ride. Cape Cod, MA. 22+/- Miles & 2 ½ - hours. Flats & Hills -This full moon's name is attributed to Native Americans because it marked when corn was supposed to be harvested. Most often, the September full moon is actually the Harvest Moon, which is the full Moon that occurs closest to the autumn equinox. In two years out of three, the Harvest Moon comes in September, but in some years it occurs in October. At the peak of harvest, farmers can work late into the night by the light of this Moon. Corn, pumpkins, squash, beans, and wild rice the chief Indian staples are now ready for gathering. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulcorri@gmail.com Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Mon., Sep. 16. Gravel Adventure Ride #3, Cape Cod, MA.-- Start 10:00 AM--Bicycle Gravel Adventure Ride #3 "Buggy Whip" A Mixed Terrain Tour Featuring Scenic Bicycle Sidewalks, Quiet Paved Roads, Dirt Roads, Cart Ways and Trails. See Princess Beach, Ye Olde Stoney Brooke Cart Way, Hayes Conservation and More. Relaxed Pace, No Drop Ride. Bring Water, Lunch, Snacks. Carry necessary equipment to sustain your cycle also--tubes, etc. No Services Available. Approximately 20 miles--3 hours +/- . This ride is a Loop. Larger Tire Bike (Mountain Bike, Cycle Cross, Hybrid, Gravel Bike, etc.) is necessary. Tire size 1-1/4 (32mm) or larger recommended. Start Dennis Senior Center, 1045 MA-134, Dennis, MA 02660 Route 134 and Setucket Road--Park Away from Building. Arrive 9:45 AM for 10:00 AM Start Register for Updates, Weather, Cancellations, etc. paulcorri@gmail.com. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF) bicycle routes.)

Fri., Sep. 20. Gravel Adventure Ride #4, Cape Cod, MA. Start 10AM-- Bicycle Gravel Adventure Ride-- A Mixed Terrain Tour. This ride will feature Gray's Beach Conservation Area. We will then meander thru back roads and trails to Hyannis Harbor. Also, the group will cross the new Bass River Bridge on the CCRT. After riding along the harbor for a bit we will head back north thru cranberry bogs to the start. A portion of this ride is in the "city"-- so expect some congestion and traversing of busy roads. We will be on sidewalks and roads and bikeways in Hyannis. Part Rural, Part Urban--Expect to ride on pavement, bike sidewalks, bike paths, dirt cart ways and dirt trails. Approximately 25 miles. 3 -4 Hours. Larger Tire Bicycle (Mountain Bike, Cycle Cross, Hybrid, Gravel, etc.) is necessary. Tire size 1-1/4 (32mm) or larger recommended. This ride is a large loop. Relaxed Pace, "No Drop" Ride. This is a Self Contained Ride. Bring Water, Lunch, Snacks. Carry proper equipment to maintain your cycle--tubes, etc. Start Grays Beach-- 400 Center St, Yarmouth Port, MA 02675 Arrive 9:45 for 10:00AM Start Register for Updates, Weather, Cancellations, etc. Feel Free To Email With Questions. paulcorri@gmail.com. BICYCLING

Fri., Oct. 11. Adventure Ride #10, MA. Adventure Ride # 10 "Creepy Cape Cod" Cape Cod, MA This is a fun filled ride for the Halloween season. Explore the Cape that you will not see advertised in Chamber of Commerce brochures---No cheerful family vacations here---This is "The Cape of Mayhem and Murder". Cape Cod's lovely rural villages truly rival those of "Midsummer" for the commission of Nefarious Deeds. This ride includes brief stops at notable sites on which crimes have been perpetrated, terrifying events have occurred, or hauntings currently take place. This is a relaxed pace, "no drop" tour. A larger tire bike is recommended -- we will ride on some dirt roads, cart ways and bicycle sidewalks in addition to quiet paved back roads. Self Contained Ride. Bring Water, Snacks, Lunch, etc. Carry the proper equipment to maintain your bike--tubes, tools, etc. Register For Updates, Weather, Cancellations, Changes, Etc. paulcorri@gmail.com Start Grays Beach-- 400 Center St, Yarmouth Port, MA 02675 Mileage --- 25 Miles, 3-4 Hours Arrive : 9:45 AM Leave : 10:00 AM. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF))

Sun., Oct. 13. Bicycle Adventure Road Ride #9, Cape Cod, MA. Start 9:30 AM--"The Earl Of Sandwich" A nice, scenic, Fall Tour! Ride the country roads of Cape Cod--from Mid Cape to the Canal. Explore the back road options that take us fairly directly to the canal from Yarmouth Port without traffic. A road bike is suitable for this trip, since roads are paved. We will be on bicycle sidewalks also. Some riders will choose to pedal a larger tire bike for comfort on some bumpy roads. A MTB is also suitable since the pace will be relaxed. and leisurely, "No Drop". Route will pass thru Cummaquid, along Lake Wequaquet, then North on quiet back roads to Spring Hill and across the Board Walk to the Canal. All without riding on the Service Road---No Service Road! Lunch Stop will be at Sea Food Sam's on the Canal. Order there or bring your own lunch -- picnic tables available for either choice. <http://www.seafoodsams.com/view-sandwich-location-menu/> This is a Self Contained Ride. Bring Water, Snacks, etc. Carry the proper equipment to maintain your bike--tubes, tools, etc. Register for Updates, Weather, Cancellations, Changes, Etc. paulcorri@gmail.com Start Grays Beach-- 400 Center St, Yarmouth Port, MA 02675 Mileage --- 50 Miles, Approximately 5 Hours including Lunch. Note Time : 9:15 AM Arrive : 9:15 AM Leave : 9:30 AM. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF))

Mon., Oct. 14. Sunset and Hunter's Moon or Blood Moon Road Cycling, MA. Sunset and Hunter's Moon or Blood Moon Road Cycling 22+/- Miles/ 2 +/- hours. Flats & Hills. Traditionally, tribes spent the month of October preparing for the coming winter. This included hunting, slaughtering and preserving meats for use as food. This led to October's full Moon being called the Hunter's Moon and sometimes Blood Moon or Sanguine Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Fri., Oct. 18. `Gravel Adventure Ride #2, Cape Cod, MA. "Cobies Choice" Hidden trailways to Nickerson. Friday, October 18, 2019 Explore the scenic hidden Cape. Traverse the Punkhorn and other Conservation areas on the way to Nickerson State Park. This ride is a large loop. Large Tire or MTB recommended. 30 miles +/- 4 Hours. Arrive 9:45 AM Leave 10:00AM Self Contained Ride. Bring Water, Food, Bike Equipment, Tire Repair etc. Register for details, updates, cancellations, weather delays, etc. paulcorri@gmail.com Start Dennis Senior Center 1045 MA 134 Route 134 and Setucket Road Park away from building. L Paul Corriveau (paulcorri@gmail.com, Cape Cod Motor Vehicle Free (CCMVF))

Sun., Oct. 20. 2019 Fall Gathering Bike Bike, Dennis, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event-if you wish to participate in this activity, please register for the Fall Gathering at www.outdoors.org/fallgathering., limited to 20 participants. This ride is a leisurely exploration of some of the oldest grave sites in the mid cape area. Cape Cod has some of the most beautiful classic carved stones in the country. We will view those fine examples of 1600s thru 1800s Grave Stone Art -- Winged Skulls by Lamson and Noyes of Boston, Stevens carvers of Newport and William Coye of Plymouth. Brief stops with narrations at various graveyards including small pox cemeteries, remote single entombments and the longest columbarium in New England. Native American resting places will also be visited. This is a "No drop" tour, relaxed pace ride. A larger tire bike is recommended -- we will ride on dirt cemetery paths, gravel roads, cartways, bicycle sidewalks and quiet paved backroads for a distance of 25 - 30 miles. Self contained ride, bring water, snacks, lunch, spare tube and tools to repair bike. Helmets required. Dennis Cycling Center will offer a 10% discount on all rentals for the fall gathering. Depending on the volume of rentals, they may be able to deliver bikes to Camp Burgess. Otherwise, they must be picked up and returned to the Dennis Cycling Center. December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

Thu., Sep. 12. Hike Eagle Pond, Cotuit, MA. Hike in historic conservation land, some roads to Cotuit Bay and around a white cedar swamp. Terrain is fairly flat, many roots and most trails are wide. Driving Directions: Take Rte 6 (mid Cape Highway) to Exit 5) and turn S on Rte 149, follow signage and take 149 to Rte 28, Turn R. At traffic light with shopping plaza on R and CVS on L turn L onto Putnam Ave. Travel a mile or less until you see dirt cutout on L. Park in cutout. From Falmouth take Rte 28 towards Hyannis and at lights in Marston Mills with shopping plaza on L and CVS on R, turn R on Putnam Rd and proceed a mile or less until you see dirt cutout on L, park in cutout. Meet at 9:45 AM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sat., Sep. 14. Hike-Brewster, Punkhorn Parklands (C3C), Brewster, MA. Wooded, hilly trails with 4 pond views. Route 6 Exit 9B, 2 miles to a right on Satucket, then bear right at Stony Brook Road. In 0.3 miles, turn right on Run Hill Road. 1.3 miles to parking lot on the left. Meet 9:45 am 3 hours. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Thu., Sep. 26. Wellfleet/Truro Bay to Breakers, Cross-cape hike (B3C), Wellfleet, MA. One-way hike from Cape Cod Bay, Truro to Newcomb Hollow Beach, Wellfleet. Meet 9:45 a.m. Newcomb Hollow Beach for car shuttle to Truro, Ryder Beach. Extended time: 2.5 to 3 hrs. From Rte 6 Orleans/Eastham Rotary, go 11 mi. Turn Right on Gross Hill Rd. Continue on Gross Hill Rd to Newcomb Hollow Beach. L Janet Kaiser (508-432-3277 Before 9 PM, jtkaiser@comcast.net, AMC Life Member, Cape Hikes leader many years.) L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sat., Sep. 28-28. Hike Herring River Harwich, Harwich, MA, MA. 3 1/2 hour hike on wooded trails. Bring lunch. Directions: From Route 6 take Exit 9A onto Route 134 South. At third traffic light, turn left onto Upper County Road. Immediately turn left onto Great Western Road. Travel 2.1 miles then park in Sand Pond Parking Lot on left. Meet at 9:45 and hike 10 am - 1:30 pm. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Thu., Oct. 3. Hike Wellfleet Newcomb Beach: EASY, Wellfleet, MA. Walk wooded hard-packed sand roads and trails weaving in and out of several pond areas ending with a short beach walk. 2 hrs From Rte 6 in Wellfleet right at green sign for Newcomb Hollow; IMMEDIATE left up hill Gross Hill Rd for 2 mi. At stop sign bear left until road ends at Newcomb Beach Parking Lot. Meet at 9:45 for 10:00 start. L Pat Sarantis (508-430-9965 Before 8:30 PM, patsarantis@gmail.com)

Sun., Oct. 6. Cape Cod Canal/Town Neck, Sandwich, MA. Taking advantage of low tide we will hike 4-5 miles along the canal, along Town Neck & Boardwalk beaches which vary from very rocky terrain to soft & hard packed sand then through the Town Neck neighborhood. Gather at 12:45 for a 1 pm start from Sandwich Recreation Area parking lot at end of Freezer Rd off Tupper Rd, Sandwich. Heavy rain cancels. L Barbara Gaughan (781-572-1321 Before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader.)

Thu., Oct. 10. Hike--Short Camp Burgess to Maple Swamp hike, Sandwich, MA. This 4 mile, 2 hour hike starts from Camp Burgess in Sandwich, winds through trails and roadways through a rural neighborhood, and encompasses a portion of the Maple Swamp Conservation area before heading back to Camp Burgess along other trails. The terrain is wooded paths and cartways with some hills and rutted pathways. Hiking poles and sturdy footwear are advised. We will meet in the lower parking lot at Camp Burgess. From Route 6, mid-Cape Highway, take Exit 3, going south toward Quaker Meeting House Road (opposite from Route 6A). Go 2.5 miles and turn left onto Cotuit Road at the traffic light. Go .3 miles and fork left onto Farmersville Road. Go 1.1 miles and turn left onto Stowe Road. Go .5 miles and Camp Burgess is on your left. Pass by the first Burgess entrance, buildings up the hill on your left, pond on your right, and the parking lot is up a short driveway on your left. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a fourth year SEM/Cape hikes Level I leader with WFA training.)

CAPE HIKING

(FT) (NM) Sat., Oct. 12. Hike - Brewster Nickerson State Park (C3C), Brewster, MA. Hike around the ponds and back area hills. From Rt 6 East take Exit 12. At end of ramp, turn Left onto Rt 6A West and go 1.6 miles to park entrance on Left. Enter park and take first Left on Flax Pond Rd to pkg lot at end. Meet 9:45 Two and one half hours. Rain cancels. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Fri., Oct. 18. 2019 Fall Gathering Hike Ryder Conservation/Lowell Holly, Sandwich, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event-if you wish to participate in this activity, please register for the Fall Gathering at www.outdoors.org/fallgathering. This 4 mile hike will take you thru Ryder Woods, a Sandwich conservation area and Lowell Holly, a Trustees of Reservation property. Trails are mostly flat with a few moderate climbs. We will walk on foot paths crisscrossed with tree roots, sandy beach, boardwalk, carriage roads. Poison ivy, ticks are risks. Views of Mashpee & Wakeby Ponds - among the largest freshwater bodies on Cape Cod. Leader will share fun facts along the way. Participants need sturdy footwear, water, snack and hiking poles optional. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event-. L Barbara Gaughan (barbaragaughan12@comcast.net)

Fri., Oct. 18. 2019 Fall Gathering Hike short Hike from Camp Burgess to Maple Swamp Conservation Area, Sandwich, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event-if you wish to participate in this activity, please register for the Fall Gathering at www.outdoors.org/fallgathering. This 4 mile, 2 hour hike leaves right from Camp Burgess on foot. After heading out through the Burgess farm, the initial section is on a wooded path and through a rural neighborhood. Then we head into a Town of Sandwich Conservation Area, Maple Swamp. This area was used as wood lots by the early settlers of Sandwich who had their farms along the ocean shore line. You will be surprised that oxen could pull wood carts along some of the cart paths that we will hike. We will be on both cart paths and narrow rutted trails with several moderate hills. Hiking poles are highly recommended in addition to sturdy hiking shoes and water. This hike is a loop with no easy bail-out. We will finish on a wooded path back to Camp Burgess. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. L Robin McIntyre (robinmcintyre@comcast.net)

Sat., Oct. 19. 2019 Fall Gathering Hike From Ryder Beach Truro to Newcomb Hollow Beach Wellfleet, Truro, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. If you are unfamiliar with Cape Cod, this is your opportunity to travel to the outer Cape and hike from Cape Cod Bay to Newcomb Hollow Beach on the National Seashore. It will take a little over an hour to drive to the hike. We will then need to take a few minutes to spot cars on either end of the hike. The 5 plus mile hike will take you on dirt roads, railroad beds, paved streets and wooded trails. Along the way you will see portions of the Old Kings Highway, the Hamburger home, examples of "Bauhaus School architecture and lots of flora and fauna. "Bauhaus school" is the "Modernist" architectural movement, started in Germany 1919. "100 Anniversary" of the Bauhaus School this year. There is a Bauhaus school in Chicago, ongoing in US since 1937, We will stop at Snow Pond for a lunch break. Newcomb Hollow Beach is the site of the fatal white shark attack last summer. At the conclusion of the hike, we will need to shuttle drivers to their cars at hike start. On your way back to Camp Burgess you may want to make a stop at the visitor's center at the National Seashore. Participants need sturdy footwear, water, bagged lunch and hiking poles optional. L Richard Kaiser (rjkaiser@comcast.net) L Janet Kaiser (jtkaiser@comcast.net)

Sat., Oct. 19. 2019 Fall Gathering Naturalist Hike, Bourne, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. limited to 20 participants. Join Nancy Wigley, AMC Life Member and Educator/Naturalist (author of "Trailside Treasures, Plants of Cape Cod" and "Looking at Lichens, A Journey of Discovery beginning on Cape Cod"), on an informative hike in the Four Pond Conservation Area to explore the necklace of fresh water ponds (following its journey to the sea), springs, spillways, and site of the old Tahanto Fishing Club, the Iron Foundry, Trout Hatchery and Grist Mill. This is an enchanting woodland rich in history now hidden by lovely ferns, club mosses, partridgeberry, and orchids, etc. providing ideal habitat for wildlife. Walk in the footsteps of two of our presidents, Grover Cleveland and Calvin Coolidge, who fished these ponds. Easy 2.5 - 3 miles even terrain with one or two slight inclines. Travel Time from Camp Burgess is 20 - 25 minutes. Participants need sturdy footwear, water, snack and hiking poles optional.. L Nancy Wigley (nrwigley@verizon.net) CL Maureen Kelley (mokel773@aol.com), R Maureen Kelley (mokel773@aol.com)

CAPE HIKING

Sat., Oct. 19. 2019 Fall Gathering Hike West Barnstable Conservation Area, West Barnstable, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. This is one of the few trail systems on Cape Cod that may actually deserve the name "hike," both because of the rolling nature of the terrain and the steepness of individual sections of trail. So a spirit of adventure is in order, along with sturdy boots. Visitors are rewarded with a trek through a magnificent pine and hardwood forest, which may whet the appetite for further explorations of this 1,114-acre conservation area crisscrossed by many miles of trails. We will hike to Walker's Point, a wooden deck built by NEMBA (New England Mountain Bike Association) to memorialize a friend. Then we will continue to a trail I call whoop de doos to Dube Rock. From there we will wind through the woods on the Trail of Tears to Scott Rock YA trail. Then after a series of ups and downs we connect to the Beech Tree trail, hopefully the Beech Trees will be in full color, gold. We will then continue to the highest point in Barnstable for a wonderful view to the west. If it is a very clear day we may see Martha's Vineyard. The hike is a little over 5 miles but will feel like more. The pace is 2 to 2.5 miles per hour but will be adjusted for the group. Good supportive footwear a must, hiking poles helpful, water for hydration and a snack are recommended. Ticks and poison ivy will be present throughout hike. L David Selfe (kdselife@comcast.net) CL Kathy Selfe (kdselife@comcast.net)

Sat., Oct. 19. 2019 Fall Gathering Hike Long Hike from Camp Burgess through Maple Swamp Conservation Area, Sandwich, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. Enjoy an autumn day on Cape Cod on this 8.5 mile hike. Who said Cape Cod is flat? Hikers new to the Cape may be surprised to find trails that reach from 40 ft. to 250 ft. above sea level with slopes that get your heart pumping! You'll experience a cross section of a glacial moraine running from Sandwich to Brewster so be on the lookout for some loose rocks and tree roots. The area is densely forested with maple, pine, oak and holly trees. A Quaking Bog and Maple Swamp decked out in autumn colors are unique features not to be missed. Trails range from single lane to ancient cartways, may be grassy in spots. Paved roads and power lines separate Camp Burgess from Maple Swamp. We'll travel at a moderate pace. **MUST HAVE:** sturdy hiking boots, hiking poles, hat, rain gear, plastic bag/ small mat to sit on, 2+ liters of water for hydration, lunch, high energy snacks, sunscreen, bug spray, tick repellent (Permethrin) * Please protect yourself against disease transmitting ticks and poison ivy. Consider: GPS, compass. L Jane Harding (janeharding@comcast.net) L Catherine Giordano (cmgiordan@msn.com)

Sat., Oct. 19. 2019 Fall Gathering Hike Mashpee River Woodlands, Mashpee, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. Walk the trails on the east side of the Mashpee River which are owned and maintained by the Trustees of the Reservations. The route follows the river quite closely, and provides nice views. Approximately a three and half-mile out and back, with plenty of small hills. This area was originally a fish and canoe camp until it was donated in the 1950's to The Trustees. Now it is mostly a recreational area for boaters and walkers, but essentially its own natural world. Ticks and poison ivy present. Sturdy shoes/boots, water, snack, poles if desired, but not necessary. L Farley Lewis (farlewis@comcast.net)

Sat., Oct. 19. 2019 Fall Gathering Hike short Hike from Camp Burgess to Maple Swamp Conservation Area, Sandwich, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event-if you wish to participate in this activity, please register for the Fall Gathering at www.outdoors.org/fallgathering. This 4 mile, 2 hour hike leaves right from Camp Burgess on foot. After heading out through the Burgess farm, the initial section is on a wooded path and through a rural neighborhood. Then we head into a Town of Sandwich Conservation Area, Maple Swamp. This area was used as wood lots by the early settlers of Sandwich who had their farms along the ocean shore line. You will be surprised that oxen could pull wood carts along some of the cart paths that we will hike. We will be on both cart paths and narrow rutted trails with several moderate hills. Hiking poles are highly recommended in addition to sturdy hiking shoes and water. This hike is a loop with no easy bail-out. We will finish on a wooded path back to Camp Burgess. L Robin McIntyre (robinmcintyre@comcast.net)

Sun., Oct. 20. 2019 Fall Gathering Hike Cape Cod Canal/Town Neck Beach Sandwich, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. This activity will take advantage of low tide and we will hike 4 - 4.5 miles along the canal, Town Neck Beach, Sandwich, the popular Sandwich Boardwalk and the neighborhood streets of Town Neck. Town Neck Beach is a popular reporting location for Boston "TV Stations during northeasters. See evidence of the damage first hand. The terrain will vary from very rocky to soft and hard packed sand and paved streets. Leader will share fun facts along the way. Scenic end to Fall Gathering and last chance for a "lobstah" roll at Seafood Sam's. Participants need sturdy footwear, water, snack and hiking poles optional. L Barbara Gaughan (barbaragaughan12@comcast.net) CL Joanne Newton (newt665@comcast.net)

HIKING

Sun., Oct. 20. 2019 Fall Gathering Hike Santuit Pond, Mashpee, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. Take a final short hike at Santuit Pond a parcel of property managed by Mashpee Land Bank and is a short drive away from Camp Burgess on the Sandwich/Mashpee border. This land was set aside to preserve the open natural space for fish and wildlife conservation, natural habitat preservation and unobstructed public recreation. The hike will take us past Santuit Pond and river and we will see a newly restored herring ladder. We will continue on past working and non-working cranberry bogs and if we are lucky we might see a witch hazel tree in bloom. We will hike on wooded trails with a few climbs. Ticks and poison ivy are a risk. Participants need sturdy footwear, water, snack and hiking poles optional. L David Selfe (kdsselfe@comcast.net) CL Kathy Selfe (kdsselfe@comcast.net)

Thu., Oct. 24. Hike Coast Guard Beach Eastham, Eastham, MA. 2 hour hike. Visit Salt Pond, salt marshes, Coast Guard Beach. Directions: From Route 6 take Right into National Seashore Salt Pond Visitors Center. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sun., Oct. 27. Hike Ryder Conservation/Lowell Holly Reservation Hike, Ryder Conservation Area Cotuit Rd. Sandwich, MA. Join us for a 4-4.5 mi hike in Sandwich conservation area and Mashpee Trustees of Reservation property. The terrain is mostly flat with a few steep but short climbs thrown in. Meet at 12:45 for a 1 p.m. start. Heavy rain cancels. Rt 6 to Exit 3 > Quaker Meetinghouse Rd South x 2.5 mi > L @ light on Cotuit Rd x 2 mi. Trailhead parking on R for about 12 cars. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader)

Thu., Oct. 31. Hike South Truro to Poors Hill, Truro, MA. Woodland trails, hills, and pavement walking. Scenic bay views, houses and places of interest. From Route 6, Truro, turn left on Prince Valley Road, go to the end. Turn right on County Road, then an immediate left on Ryder Beach Road. Park at the end in marked spaces, near beach entrance. Meet at 9:45 am. 2.5 hours. L Janet Kaiser (508-364-5047 Before 9 p.m., jtkaiser@comcast.net, AMC life member, Cape hikes leader many years.) CL Richard Kaiser (508-246-7582 before 9 PM)

Thu., Nov. 7. Hike Long Nook Truro, Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Thu., Nov. 14. Hiking Truro Bearberry Hill, Truro, MA. Pretty, soft and hard-packed sand trail with two good-size hills ending with a 15-minute beach walk. Hike includes 2 outstanding vistas: Bearberry Hill with 360 degree view plus overlook down to Longnook Beach. Meet at 9:45 for 10:00 start: 2 hours. From Rte 6 in Truro take the Pamet Rd exit and go right off ramp to left on South Pamet Rd and follow to beach parking lot. L Pat Sarantis (508-430-9965 Before 8:30 PM, patsarantis@gmail.com)

Thu., Nov. 21. Hike - South Cape Beach Mashpee (C3C), Mashpee, MA. Flat hike through woods for 2 miles, then 2 miles on sandy peninsula, or dirt fireroad. From Mashpee rotary, take Great Neck Rd.S 2.7 mi, left on Great Oak Rd. Follow to town beach pkg. Meet at 9:45.AM 2 hours. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Thu., Dec. 5. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills throughout the hike. This is not a novice hike. We will have views of Back River from the Leary Property and often see birds along the shoreline. From the Bourne Bridge/Cape side, take the 1st exit off of the rotary just past the State Police building onto Trowbridge Road and go 0.6 miles. Take a left onto County Road at the blinking light and go 1.0 mile. Park on the left at 221 County Road (small sign) for 6 small cars. Other cars will park across the street at the Leary Property. GPS will work to get you to this location. L Robin McIntyre (508-789-8252 Before 9 p.m., robinm McIntyre@comcast.net, Robin is a fourth year SEM/AMC Level 1 hike leader with WFA training.)

EDUCATION

Sat.-Sun., Sep. 21-22. Wilderness First Aid Two-Day Workshop, Wildlands Trust Community Conservation Barn, 675 Long Pond Rd., Plymouth, MA 02360. Wilderness First Aid is a comprehensive lesson in how to react, respond, and save lives in remote, life-threatening situations. Wilderness First Aid is a two-day class designed for trip leaders, co-leaders, and outdoor enthusiasts. This course teaches the skills necessary to identify and treat medical issues common to wilderness settings and to prepare for long-term care scenarios. This emergency response training includes patient assessment, trauma, musculoskeletal and soft tissue injuries, splinting, environmental emergencies, animal and insect bites, and a variety of other topics. The course is a mix of classroom lecture and practical exercises. Both days are required to certify. This training is required for AMCSEM trip leaders, but is a great experience for any outdoor enthusiast. Instruction is provided by SOLO, experts in providing wilderness medical training. L Douglas Griffiths (508-758-4315 after 6:00 pm, [reddougg@aol.com](mailto:redDoug@com)) **SOLD OUT**

EXECUTIVE COMMITTEE

Volunteer Opportunities

Ongoing: Communications Chair - Southeastern Mass. Chapter, MA. As a key member of the SEM Executive Board, the Communications Chair oversees the timely production and distribution of chapter communications to chapter members and non-members, including: - monthly issues of the Southeast Breeze newsletter (in conjunction with the Breeze editor) - monthly Blast email announcements of important events (in conjunction with both the Chapter Chair and Blast editor). - SEM annual report (jointly with the contributing chapter activity chairs such as hiking, biking, paddling, skiing, etc.) The Communications Chair also: - works closely with both the chapter Webmaster and Social Media Administrator to keep members (and potential members) informed. - participates in monthly Executive Board meetings, soliciting content to communicate in a timely manner. - interacts with AMC staff to ensure chapter communications follow current guidelines and best practices. This is a great opportunity for anyone with good communication skills and is comfortable with social media who wants to help keep the SEM chapter vital and encourage active engagement by members. For more information or to volunteer for this important position, please send an email to communicationschair@amcsem.org and/or to Leonard Ulbricht chair@amcsem.org.

Ongoing: Treasurer, Southeastern Mass Chapter, MA. Dear fellow SEM Member, Your SEM Executive Board is seeking a volunteer to serve as chapter treasurer. In this position you will work with other Board members and the chapter chair to establish an annual budget, submit monthly financials updates to the Board, and insure financial reporting aligns with AMC H/Q policies and procedures. Some familiarity with basic Excel spreadsheets or accounting software helpful. Training will be provided where needed. Our current treasurer has established a well documented routine that has worked for many years and should be easy to transfer to a successor. To explore this position further contact SEM chapter chair, Len Ulbricht, at chair@amcsem.org.

HIKING

(NM) Tue., Sep. 17. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a continuing Tuesday Morning Blue Hills Series. We will hike 'all' of the trails within the Blue Hills over time, meeting in different parking lots and hiking different routes each week. So, if you are interested in hiking in the Blue Hills Tuesdays, from 10 to sometime before 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. In addition to 'just hiking', this series also aims to provide 'skill building', both for participants and Leaders. We will incorporate a range of 'educational opportunities' as we hike, :-). Come hike, and learn. This will be a "Register once, come as often as you want" series. L Bob Vogel is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) L Joanne Newton (vogel.r@comcast.net), R Bob Vogel (vogel.r@comcast.net)

(FT) (NM) Thu., Sep. 19. Red Line the Blue Hills - Hiking, Blue Hills Reservation, Milton, MA. See Sept. 12 listing.

(FT) (NM) Thu., Sep. 19. Thurs. Morning 10:00 AM Hike Copicut Woods, Indian Town Rd, Fall River, MA. Meet at 10:00 a.m. Indian Town Rd Parking lot. Required equipment: hiking boots, rain gear, water and snacks. This 516-acre property is both a prime destination and the southern gateway to the Southeastern Massachusetts Bioreserve. Copicut introduces nature lovers and outdoor enthusiasts to an entire regional ecosystem. We will be hiking on many trails lined with pine needles bordering beautiful stone walls. There are some bog bridges so make sure you have sturdy hiking boots. There is an old farm house and barn foundations to explore also. Hike will be approximately 4.5 miles. L Joanne Newton (508-215-9470 Best before 9 PM, newt665@comcast.net)

(NM) Tue., Sep. 24. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Sept. 12 listing.

Thu., Sep. 26. Thursday AM Hike on Bay Circuit Trail through Walpole Conservation Land, 109 Robbins Road, Walpole, MA. Meet at 10am at the VFW Post at 109 Robbins Rd in Walpole for a 4.5 mile hike on the Bay Circuit Trail through Conservation Land. Mostly flat but with a few steep, but short sections up and down eskers. L Hans Luwald (508-668-0462 Before 9 pm, hans.luwald@gmail.com) CL Debbie Lepore (617-778-4339 Before 9 pm, dlepore2@gmail.com)

Fri., Sep. 27. Morgan - Percival, NH. Join us on a Friday hike up Morgan, across, and down Percival. These two peaks have great views of Squam Lake, as well as several features which make them extra fun... such as the ladders on Morgan and the boulder cave on Percival. (Both of which 'can' be bypassed... but why would you want to miss the fun?) 5.5 miles, 1535 feet of elevation gain., L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) CL Joanne Newton (newt665@comcast.net), R Joanne Newton (newt665@comcast.net)

Sat., Sep. 28-29. Beginner Backpack to...?, NH. The third in our series of Beginner Backpacks will take us to... Well, We don't know as this goes to press. What we do know is that it will be a 'moderate' backpack, and we won't be climbing any 4000 Footers or anything like that. Contact the registrar if interested, and we'll let you know where we've decided to go! The general plan will be for a few hours of hiking in on Saturday, and enjoyable night in the woods, and then a hike back out on Sunday, early enough to beat the traffic home. Destination may be "back country", not a shelter or tent platforms. So no 'facilities' such as toilets etc. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) CL Samantha Fisher CL Joanne Newton , R Joanne Newton (newt665@comcast.net)

Sun., Sep. 29. Blue Hills, 840 Hillside Street Milton MA. Start the day with a 5.5 mile hike on rolling hills along the yellow triangle trail and a loop around Houghtons Pond. Bring snack and water. No dogs. Storm cancels. L Beth Mosias (bmosias@yahoo.com)

(FT) (NM) Thu., Oct. 3. Borderland State Park/Bay Circuit Trail Thurs. AM Hike, Borderland State Park, Sharon, MA. Meet at 10AM at Borderland SP parking lot on Massapoag Avenue on the Sharon/North Easton border for a six-mile hike, including portions of the Bay Circuit Trail with pond views. Bring water, lunch, layers, sturdy footwear. Rain or storm cancels. Parking fee is \$5.00 for residents, \$6.00 for non-residents.. L Deborah Lepore (617-778-4339 before 9 PM, dlepore2@gmail.com) CL Hans Luwald (508-668-0462 before 9 pm, Hans.Luwald@gmail.com)

HIKING

Sat., Oct. 5-6. Hiking Map and Compass for beginners (Sat/Sun), Blue Hills, MA. Come learn navigation skills using a map and compass to find your way in this two-day weekend workshop. The course assumes no prior map or compass experience and is open to anyone that has not taken a map and compass course before. The class starts with basic instruction and progresses over the two days to cover some intermediate skills. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small daypack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a US geological survey topographical map which does not show the trails and you will need to make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate the learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday. Only those that have not taken a map and compass course previously are eligible for the workshop, this ensures everyone in the group is at the same level. The fee for the workshop is \$58 (which includes both days). In addition, you will need to purchase and bring to class the Suunto M-3 which is a navigating compass with adjustable declination correction, list price \$44 (but currently \$30.25 on Amazon). If interested, please contact Doug Griffiths to register ([reddoug@aol.com](mailto:redDoug@aol.com)). L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.)

Thu., Oct. 10. Thursday Morning Hike, Blue Hills, Milton, MA. For our Thursday morning hike, we will go to the Blue Hills... and hike some trails that most people don't normally hike. There won't be a lot of big hills (not a 'Skyline Trail' type hike.). L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.)

Thu., Oct. 10. Full Moon Hike at Borderland State Park DCR, 259 Massapoag Ave., North Easton, MA. Come and Hike under the Full Hunter's Moon. Also called the Harvest Moon. We will be hiking about 5 miles on mainly flat wide trails in and around the parks 2 large ponds. The moon is scheduled to rise at 5:15 pm. and if the sky is clear we will be in for some breathtaking views of the ponds and the fields. Temperatures at night are beginning to drop this time of year so dress in layers. Water resistant hiking shoes are required as the trails can be a little wet. A detailed Poop sheet. will be sent to all who Register. Registration is required Please include in your Registration E mail: 1) The date of the hike you wish to attend (Sometimes more than one are listed) 2) A Contact Number 3) A description of your latest hiking experience. L William Cannon (508-649-6730, bcannon56@gmail.com, AMC member for 9 years, Full Moon Leader for 3 years) L Susan Svelnis L Nancy Coote L Patricia McNally (bcannon56@gmail.com), R Bill Cannon (508-649-6730, bcannon56@gmail.com)

(FT) (NM) Thu., Oct. 17. Thursday Morning Hike - World's End (C3C), Hingham, MA. World's End (C3C). Meet at 10am in the Parking lot, \$6 pp non-Trustees members. Moderate 4-5 miles. Explore unique peninsula in Boston Harbor with stunning views, hilly, carriage ways and rocky paths. There could be muddy sections. Wear layers, wind protection, good shoes suitable for weather and conditions. Bring water, snacks/lunch. Directions at <http://www.thetrustees.org/places-to-visit/greater-boston/worlds-end.html>. L Eva Das (borsody@gmail.com)

Sat., Oct. 19. 2019 Fall Gathering Hike Sandy Neck Nature Trails, West Barnstable, MA. This activity is part of the 2019 AMC Fall Gathering and is open to registered participants of that event. Sandy Neck Nature Trail is an eight (8), mile Loop that is rated as moderate. This hike route passes through soft sand, sometimes flat, and sometimes rolling hills. One will experience sand dunes, marshland, fir trees, little privately owned cabins, as well as the waters of Cape Cod Bay. Many land and sea birds call this area home. The drawback of this hike is that the trail and beach are very exposed. Hikers should be prepared for any weather situation such as very hot sun, rain, etc etc. Make sure all bring plenty of fluids and snacks, sun protection and some sort of hat. The benefit of this hike is its visual beauty, making it a very camera, friendly hike. Most important there are many turn arounds or smaller trails during the hike. The first trail is about a mile from the start. We can take a left for a very short spur that goes through the dunes, cedars, and out to the ocean. The next trail is 2.25 miles from the start. There are two other short spur trails along the main Nature Trail. We will carpool from camp and park at the Sandy Neck Beach parking lot. A very short walk brings us to the beginning of our adventure. Participants need sturdy footwear, water, bagged lunch and hiking poles optional. L Ken Carson (kcciii@comcast.net) CL Leslie Carson (lrc929@comcast.net)

HIKING

Thu., Oct. 24. Bird Street Conservation land hike, Bradley Lessa Park, Stoughton, MA. Easy, flat 4.5 mile hike on conservation land in Stoughton MA. Pretty lunch spot by pond. May be wet in areas so wear appropriate footwear. Rain cancels. Route 24 to exit 18B (Rte 27 N Stoughton MA). At light take left; Go .4 miles to next light. Go right onto Pleasant Street. Follow Pleasant 1.3 miles to end. Turn right onto Route 138. Follow 138 2.0 miles to Plain Street on left. Town Spa restaurant is at corner. Follow Plain Street for 1.3 miles to intersection. Take left onto West Street. Go .5 miles and Bradley Lessa Park will be on left Follow dirt road to end. GPS 1239 or 1251 West Street. L Rachel Thibeault (508-583-5534 before 8:00 PM, rateebo@yahoo.com)

Sun., Nov. 3. Sunday morning - 3rd Annual Arnold Arboretum autumn-peak hike!, Jamaica Plain, MA. Arnold Arboretum - including two vistas, bonsai exhibit, and "Explorer's Garden." We will explore this "tree museum" during a 4 -5 mile hike at a moderate pace. bring water, sturdy footwear, snack or lunch. Meet at the Visitors' Center (Hunnewell building) located at 125 Arborway, Jamaica Plain at 9:45 for a 10:00 start. There is plenty of on-street parking along the Arborway; or walk to the entrance from the Forest Hills Orange Line T-stop. Rain cancels. Leashed dogs are okay. L: Ken Cohen (508-942-1536 Before 8:00 pm,

k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

(FT) (NM) Thu., Dec. 26. Thursday AM Ponkapoag Pond Hike, Canton, MA. Meet at 10AM in Ponkapoag Golf Course Parking Lot for a five-mile hike/snowshoe (depending on conditions) around the pond. Bring: water, snack and appropriate footwear. L Deborah Lepore (617-778-4339 before 9 PM, dlepore2@gmail.com) CL Hans Luwald (508-668-0462 Before 9 PM, Hans.Luwald@Gmail.com)

PADDLING

Wed., Sep. 25. Paddle Cotuit Bay, Cotuit, MA. Arrive at the put-in, 80 Old Shore Road, Cotuit, by 10:00 to allow time to unload and park up on Putnam Ave. (unless you have a Barnstable beach sticker). Bring water and a lunch. PFDs are required by Massachusetts law and spray skirts may be needed depending on wind and wave conditions. We'll paddle around Oyster Harbors (Osterville Grand Island) passing through Cotuit, North, and West Bays and the Seapuit River. Lunch will be on a sandy beach on the Seapuit River. Plan on a 6 to 7 mile paddle. L Bill Fischer (508-420-4137 before 9pm, wambarbarafischer@comcast.net)

Sat., Oct. 5. Paddle Long Pond, Harwich/Brewster, Harwich, MA. Circumnavigate Long Pond and Small's Pond. Lunch on beach and paddle back to put-in for 6-7 miles. Wear PFD, bring spray skirt in case of wind. Bring water and lunch. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau

Sat., Oct. 12. Paddle Herring River North, West Harwich, MA. Paddle upstream to Coy Brook and up Coy Brook as far as the tide allows. We'll paddle through the East Reservoir and then to the Herring River for lunch at North Road Bridge. After lunch we'll continue up the Herring River to the West Reservoir to see the herring run and then return down the Herring River to the put-in. Wear a PFD and bring a spray skirt in case of wind and waves. Bring lunch and water. L Paul Corriveau (paulcorri@gmail.com) CL Jean Orser (jeanorser@gmail.com)

Wed., Oct. 16. Paddle Mashpee/Wakeby Ponds, Mashpee, MA. Arrive at the put-in, Fisherman's Landing, 373 Main Street, Mashpee, by 10:00 to allow time to unload and park your car. Bring water and a lunch. PFDs are required by Massachusetts law and a spray skirt may be needed depending on wind and wave conditions. We'll Paddle two of the largest fresh water Ponds on Cape Cod, about 7 miles, and should have nice fall conditions. Lunch will be on a sandy beach with picnic tables. L Bill Fischer (508-420-4137 before 9pm, wambarbarafischer@comcast.net)

Sat., Oct. 19. Paddling Indian Ponds, Marston Mills, MA. Paddle Middle Pond and Mystic Lake, two fresh water ponds in Marstons Mills. Lunch will be on a beach at end of Mystic Lake. Distance about 7 miles. Life jacket required. Spray skirt may be required. L Jean Orser (jeanorser@gmail.com) CL Paul Corriveau (paulcorri@gmail.com)

Sat., Oct. 26. Paddle Bass River South, Dennis, West Dennis, MA. From the launch on Grand Cove, paddle south on the Bass River and explore the 'fingers' and bays near the mouth on Nantucket Sound. Lunch on West Dennis Beach. Return and paddle around Grand Cove for 7-8 mile paddle. Wear a PDF, bring a spray skirt in case of wind and bring water and lunch. L Jean Orser (jeanorser@gmail.com) CL paul corriveau (paulcorri@gmail.com)

SKIING

Fri., Jan. 10-12. Cross Country Skiing in Waterville Valley, Mountain Fare Inn, 5 Old Waterville Rd., Campton, NH. Join us for a weekend of cross country skiing at the Waterville Valley Ski Resort. We will stay at the beautiful Mountain Fare Inn in Campton, NH, just a short drive from skiing. The inn offers a full breakfast & later checkout on Sunday @ 3:00 pm, so we can ski for 2 days. We will dine out for dinners. Other potential activities include snowshoeing, fat tire biking & hiking, depending upon snow conditions & group interest. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Jeff Hyman CL Dia Prantis

Fri., Mar. 6-8. Cross Country Skiing & Snowshoeing in the White Mountains, The Old Field House, 347 NH 16A, Intervale, NH. Join us for a weekend of cross country skiing & snowshoeing in the beautiful White Mountains. We will stay at the lovely Old Field House in Intervale, NH. The B&B is located near many xc skiing areas; we will choose based upon snow conditions. Snowshoeing is also available, including on trails outside the B&B. Depending upon trail conditions & interest, hiking will also be an option. Or, you may spend some time at the inn with a book or go shopping in North Conway. All rooms have a private bath, & breakfast is included. We will dine out at nearby restaurants for dinner. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Dia Prantis CL Wayne Cardoza

SOCIALS

(C) (FT) (NM) Fri., Oct. 18-20. 2019 Fall Gathering, Sandwich, MA. The 2019 AMC Fall Gathering will be hosted by AMC's Southeastern Massachusetts Chapter! Discover where the locals hike, bike, and paddle on Cape Cod-join us a weekend of outdoor fun at Camp Burgess, which boasts nearly 300 acres of forests, meadows, trails, and freshwater ponds, and offers activities like zip lining, a climbing wall, volleyball, and more! The fall is a great time to visit the Cape-the leaves start to change, the air turns crisp, and the summer crowds disappear. At this event, you'll be able to explore the best "the Cape" has to offer-we're planning a wide variety of hikes, bike rides, and paddles (weather permitting). The weekend will also include live music, yoga, and campfires. One-night, two-night, or single-day options are available. L Barry Young (Pastchapterchair@amcsem.org)

TRAILS

Sat., Sep. 28. Trail work at Blue Hills, Milton, MA. No experience necessary! Beginners are welcome! Experienced volunteers are also welcome! This is your chance to give back to the Blue Hills and make the trails safer for everyone! And get dirty! SEM Trail Maintenance in the Blue Hills Area: Part of the Skyline Trail, SEM's adopted trail, from the State Police Barracks eastward to Route 28 When: Saturday, September 28, 2019 (weather permitting) Where to meet: 8:45 am, main (large) parking lot of Houghton's Pond at 840 Hillside Street, Milton. Meet at north end of lot near the exit. Type of work: easy maintenance, trimming vegetation, clearing stairs, etc. SEM will supply tools, gloves and snacks. Please bring water, any special food and wear appropriate clothing (long pants/long sleeve shirt, boots, hat), sunscreen, bug spray, etc. Also, volunteers (past and present) are invited to attend our year end luncheon immediately following this event. Please contact Skip Maysles to reserve your spot at a local eatery. Register by Thursday, September 26 with Skip Maysles at skip.maysles@outlook.com. L Skip Maysles (skip.maysles@outlook.com) L Peter Tierney (pxtierney@gmail.com)

Red-Liners explore the quarries in the Blue Hills Reservation. *Photos by Sue Svelnis*

Red-Lining season ends in fine fashion

By Sue Svelnis & Alan Greenstein

The 14th season of Red Line the Blue Hills ended with a final hike on Sept. 19th at the graffiti-filled quarries in Quincy.

The RLBH series ran from April through September, with hikes every Thursday evening. This year we demonstrated our spirit and commitment with the addition of a RLBH themed T-Shirt design contest. The attendees voted on their favorite design at the traditional end of season dinner. Congrats to Bill Cannon whose design was voted the winner! All RLBH participants will have an opportunity to purchase this exclusive T-shirt. (*Design photo on page 3.*)

This season, 79 hikers completed at least one of the 24 hikes. And six of them became new SEM Class 1 hike leaders!

SEM provides patches to all participants who complete a "Red Line" circuit by hiking every inch of all 125 miles of trails in the Blue Hills Reservation. This can be completed with the group or on their own, and there is no time limit from start to completion. This year there were six patches awarded to first time Red-liners. Since one time around is not enough for many of the hikers, subsequent completions are also celebrated. This year there were an additional ten patches awarded for those who finished anywhere between their second and tenth completions. Since the initiation of the RLBH series, there have been 111 official completions.

To learn more and to see the complete list of finishers, visit the RLBH website: <http://amcsem.org/RLBHWS/>. See more photos on page 4.

View from the Chair: Board continues work on goals

In this issue of *The Breeze* you will find the slate of candidates nominated to serve on AMC-SEM's Executive Board for the next 12 months. Our members will vote on the nominee slate in person at our upcoming [Annual Meeting](#) on November 2. (Sure hope to see many of you there!) Filling open positions on the Board is not an easy task, but we were fortunate this year to have some excellent volunteers step up to serve as your Chapter Vice Chair, Treasurer, and Conservation Chair.

I thought I'd take a moment here to share with you a brief look at recent activities undertaken by your Executive Board. One responsibility of the EB is to reflect on what we do well, could do better, or don't do at all but *should* be doing to make SEM better at serving our constituent community in Southeastern Mass. Most of our monthly EB meetings are tightly structured and not well-suited for the broad, face-to-face discussions needed for such reflecting. But we reserve one meeting a year, in June, for an extended in-person discussion. And we invite to this meeting some former chapter chairs, influential chapter members not currently on the EB, and one or two AMC staff members to bring in thinking outside our own.

Two June meetings ago, we engaged in a brainstorming topic, SWOT analysis of SEM, to try to identify our strengths, weaknesses, opportunities, and threats. Over the subsequent months we've updated that initial SWOT analysis and begun to implement some actionable goals to make SEM better. You have already seen the early start of one goal: to offer more local weekend hikes year 'round, targeting underserved members, the gainfully employed, and perhaps attract new members as well.

We're still working through some other potentially actionable goals. Some bear on enriching our trips or chapter events, others on expanding our membership via better external communications. Some actions we may be able to implement in the near term; we just have to finish working out some of the details. Others may require tapping additional expertise (or bandwidth) and will take longer. Though this process started nearly 18 months ago, it will take more time to implement all or even many of these goals. Eventually, we should be able to look back and feel pleased we've helped make SEM get just a little bit better at serving our membership community. Please let me know if you'd like to help out.

Thanks!

Len Ulbricht, AMC-SEM Chapter Chair

A reluctant, deserving honoree

By Maria Sestina

We met at the Trailside Museum on a gorgeous fall morning. We came outfitted and festooned in shades and hues of sunsets, clementines, and “don’t-shoot-me-hunting-season” orange. The “new black” is Bob’s primary choice of color for gear and outerwear.

Bob Vogel is a very seasoned AMC member, leader, and creator. His newest series—the “What the Heck Kind of a Hiking Series Is This?”—has been going strong since March of this year. On October 15th, we gathered in his honor (and horror). We chose not to highlight his organization-wide accomplishments, which are significant. Instead, we came to celebrate a man who has personally given so much of his time, shared so much of his wisdom, made us laugh and, more important, kept us coming back to our beautiful Blue Hills. Through pouring rains, forced death marches, and mapped trails ending somewhere in the middle of the woods, we learned so much, built our stamina, and deepened our friendships.

Through his guidance and persistence, we blundered our way through leads and co-leads. We walked every square inch of trail, touched trees, tapped fences, and circled his walking stick. Because of these woodland lessons, many of us have attained our leadership status, red-lining patches, various mileage goals, and the ability to read a trail map. No small feat.

Weeks of planning culminated in a surprise luncheon and gift bag to celebrate our fearless leader and friend, Bob Vogel.

Gifts were humorous, thoughtful, practical, interesting and orange! Beautiful books, water bottles, pens and micro-towels were pulled out. There was muscle tape, a Jordan Marsh (!) tie, hand-warmers galore, whistles and bandanas. As the gift pile grew higher, our reluctant honoree crouched lower. If Bob would have had a chance, he would have run back up to the Elliot Tower, where we had all just been a short while ago. So, thank you, Bob, from the whole grateful group. We are so happy to have hiked trails together!

2018 workshop graduates join experienced winter hikers at the summit of Mt. Roberts. *Photo by Susie Schobel*

Prepare for outdoors winter fun at SEM workshop on November 2

By George Danis, SEM Hiking Chair

In the winter months, many of us think about going skiing or escaping to somewhere warm, but have you ever thought about trying out winter hiking and snowshoeing? Do you like to be active outdoors, but the thought of getting cold keeps you indoors? If so, then join us on Saturday, Nov. 2nd, for an informative afternoon workshop that's likely to change your mind about hiking and being outdoors in the winter. The workshop at the Bourne Community Center cafeteria runs from 12:30-3:30 p.m. with clothing and gear demonstrations. (Note that this would leave you plenty of time to also attend the nearby SEM Annual Meeting and dinner that evening). You will learn about necessary clothing and gear and get recommendations for appropriate nutrition and hydration, winter conditioning, and other winter issues (and how to avoid them). We also hope you come away with an understanding of why we love to hike in the winter.

The workshop is free to all and is a prerequisite (in lieu of prior winter hiking experience) to join us for the SEM Winter Hiking Series. The practical information and helpful tips you'll receive from our knowledgeable and very enthusiastic winter hiking/snowshoeing leaders will help you learn how fun, safe, and enjoyable winter hiking can be when you have the right gear, dress appropriately, and use some common sense. Snacks will be provided at the workshop.

For more information or to register for this free workshop, click [here](#) or email hikingchair@amcsem.org.

Hiking among eskers on Bay Circuit Trail conservation land

By Mo Walsh, Breeze Editor

Just what is an esker? Anyone hiking with leader Hans Luwald on September 26 knows the answer: *A long ridge of gravel and other sediment, typically having a winding course, formed by "fluvioglacial deposition,"* (or in other words) *deposited by "meltwater from a retreating glacier or ice sheet."* The Bay Circuit Trail running through Walpole's conservation land includes a number of these narrow ridges, as the 20+ participants in this 4.5-mile hike discovered.

It was a perfect fall day for a brisk and moderate hike in the woods.

Noble View trip Feb. 8-10, 2020

By Paul Brookes, Hike Leader

The SEM Chapter puts on its eighth annual winter weekend Feb. 8-10, 2020, at Noble View Outdoor Center in Russell, MA, about two hours west of Boston. Snowshoeing and cross-country skiing will be offered, assuming enough snow, and hiking otherwise. Participants will need to bring their own equipment.

Noble View is one of the AMC's larger land holdings. On 358 acres atop a quiet, pristine mountain, it offers great views of the Pioneer Valley and of Mt. Wachusett. From the cottage decks, the hill offers great sledding below the tree line. Trails wind through quiet woodlands past cellar holes, brooks, and two stunning waterfalls.

One great aspect of the location is that a paved and plowed access road allows you to drive right up to the Noble View center, unpack and then park your car 100 yards back down the road in a convenient and safe parking lot on the Noble View property. If you're new to winter activities, this is a great way to experience cross-country skiing, snowshoeing, or winter hiking without the additional challenge and stress of having to backpack all your food and equipment up to your base camp.

The center boasts three buildings: two modernized cottages with drinking water, electricity, and wood stoves (that keep the cottages toasty) and a heated bathhouse with composting toilets, hot showers, and running water for cleaning dishes. It's all quite comfy. The chapter reserves all rooms in both cottages for the weekend, so we have the place to ourselves.

Arrive any time after 2 pm Friday to find hot food available in the kitchen throughout Friday evening. For all other meals, we sit down and eat together.

On Saturday we will get up for a hot breakfast and then prepare for the morning activity. Due to the relatively low elevation over the years, we have explored trails that are snow-covered, icy, or free from snow and ice. We will go at a leisurely to moderate pace comfortable for all. Please note that one of the hike leaders, Paul Brookes, will have his well-behaved dog, Sunny, with him.

Most people take part in one of the organized activities (bring your own equipment), but some choose to do an activity of their own or simply sit in front of the fire and read. The Noble View weekend is intended to be relaxing, unpretentious, and easy-going.

After the morning activity, we will return to the cottage for a hot lunch the volunteer cooks (amazing people) have been preparing. Returning for the third year, Sandy Santilli and Hadley Donaldson will be our cooks. After lunch, afternoon activities will be provided. The leaders will take you on different trails from the morning; some years we go down and view the frozen Big Pitcher and Little Pitcher waterfalls, a stunning sight in the winter.

After the return from the afternoon hike, there will be a social hour before dinner. You can bring your own wine or beer and appetizers (please drink responsibly). After dinner, yoga will be offered by Jeannine Audet. If the sky is clear, the pitch-black hilltop is perfect for stargazing. In addition, the main cottage boasts two large comfy lounges for socializing, as well as a kitchen, all of which are kept toasty warm by a wood stove. Cards, board games, Jenga, and jigsaw puzzles are available.

On Sunday there will be a hearty breakfast, followed by a morning hike, snowshoe, or cross-country ski. After the morning activity, a lunch of leftovers is laid out.

The cost is \$105 for AMC members and \$115 for non-members. This price, unchanged from last year and the year before, includes two nights of group lodging and hot meals, from Friday dinner through Sunday lunch.

This fun and relaxing weekend is very popular, and in past years has filled up fast, so I recommend you register early by emailing PaulBrookes1966@outlook.com.

See the listing [here](#).

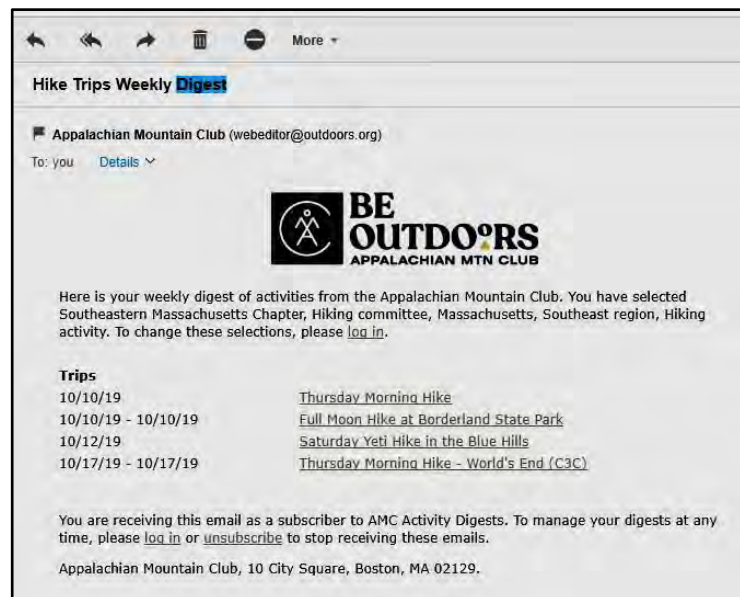

‘Magic’ of AMC Activity Digests

By Paul Miller, Communications Chair
& Hike Leader

We often hear our members complain that they missed an SEM hike, snowshoe, paddle, bike ride, ski trip, or other activity because they couldn't find it on the AMC ActDB activity database (or got locked out of an event because they didn't find out about it in time). Due to the quirks of the ActDB system, this could happen to anyone; I know it's happened to me. But no longer! Last spring, I discovered how easy it is to set up customized *Activity Digest* notifications for the upcoming SEM hikes and bike rides that I might be interested in.

Now, just "like magic," I receive regular emails from the AMC informing me of upcoming local hikes and bike rides that I might not otherwise have known about. With winter coming, I've also added another customized activity digest to notify me of upcoming snowshoe trips locally, in Western Massachusetts, and up in New Hampshire. These email notifications include convenient hyperlinks directly to the trip listings on ActDB.

Activity Digest notification emails display the activities that have the specific criteria you choose and notify you when events are posted, so you can spend less time searching for activities in ActDB and have less chance of getting locked out of a trip that fills up before you register for it. You get to select the chapter, activity, region, and how often you receive these notifications: monthly, bi-weekly, weekly, or daily.

To create your own customized Activity Digest(s), you'll need to first log into www.outdoors.org using your regular AMC user name and password. Then click on the "My Outdoors" tab at the top of the home page, scroll down to "Personalize Your Communications," and click on "Manage Activity Digests." From there, it's pretty clear how to create your customized Activity Digests. Just keep in mind that you need to create (and name) a separate digest for *each* activity you're interested in. You can set up a maximum of five different digest emails with varying criteria and frequencies, so you can choose to get notified about a variety of activities at different times.

Give it a try; I think you'll be pleased with the results! While you might not need them, here's a link to AMC's [step-by-step instructions](#) for setting up Activity Digests.

Your chapter needs a new Communications Chair!

By Len Ulbricht, AMC-SEM Chapter Chair

As a key member of the AMC Southeastern Massachusetts Chapter Executive Board, the Communications Chair coordinates with other members of the Communications committee to help keep our members informed and engaged and to attract new members.

The Chair works closely with our *Breeze* e-newsletter editor, Blast email announcement editor, webmaster, social media administrator, and activity committee chairs: Hiking, Biking, Paddling, Skiing, Conservation, Education, etc.

The Communications Chair also interacts with AMC staff to ensure chapter communications follow current AMC guidelines and best practices.

This is a great [volunteer opportunity](#) for anyone with good communication skills, who is comfortable with social media, and who wants to help keep the SEM chapter vital.

For more information or to volunteer for this important position, please send an email to communicationschair@amcsem.org and/or to me directly at chair@amcsem.org.

Reflections of a Beginner Backpacker

By Joanne Newton

All of my life I have loved the outdoors. I have enjoyed skiing, bike riding, tennis, fishing, gardening, exploring, and traveling. I am not one to stay home for very long. I am retired now, but I still feel the same way, if not more so. As much as I would do almost anything outdoors, at night I wanted a hotel with a bed and hot water—not even any hotel—at least a 3-star hotel! (Just can't trust the quality of a lesser rating.)

When I planned to retire, I decided to start hiking. I wanted to be outdoors, but not by myself. I reasoned that hiking was something I could do all year round. Red-lining then became white-lining and white-lining became full moon hikes. Then there were Thursday morning hikes and conditioning hikes. Then someone mentioned backpacking. My first thought was “no way”—where are the bed and hot water and 3-star rating in that?

However, I made a promise to myself when I retired that if anyone asked me to travel or try something new, I would do it. At first I had said no to the conditioning hike series, but I survived that, so perhaps I should try backpacking. I had never slept in a tent, and I had certainly never slept outdoors in the White Mountains. I signed up for the first and second beginner backpacking trips and came home tired, having not slept at all, but I was energized and ready for the third trip.

Six of us hiked into Three Ponds in the White Mountains the last Saturday in September. We found our perfect locations to set up our tents, spread out a bit from each other but well within ear shot. As the night closed in early, we sat on logs talking and sharing stories with the soft glow of a Luci lamp illuminating faces and casting long shadows. A few flying insects were drawn to the light, and their wings were translucent as they danced. The night has a special quality and things seem so different. We seem more aware of every shadow and every sound. Our voices became softer, and it was time to find our way to our tents.

I decided I needed to use the outdoor facilities one more time, and headed up a small knoll with my headlamp on. As I looked down at the location I chose, I looked once and then twice and then again. Something was looking back at me—a snake, coiled up just below me! I screamed and ran—trying to whisper, but it came out as a yell. “There is a snake! Will it get into my tent?”

Laughter—I got *laughter* in return from one of my companions and the comment, “Not if your tent is zipped up.” I can assure you that no one is soon to break my record for unzipping my tent flap, diving head-first into my tent, and zipping it up again. You say, “How can you hike and backpack if you are afraid of snakes?” and my answer is, “If Indiana Jones can be afraid of snakes, so can I!”

Once I was convinced the snake was outside, and the decision was made that the tent would stay zipped until daylight when I could see what I was stepping on, I tried to settle down to sleep. My next awareness was of a smell, and not a particularly pleasant one at first. I realized that it was the ground—the damp, musky smell of moss and wet leaves. We have all smelled dirt and wet leaves, but this was a strong, earthy smell of nature that caught me by surprise. I was lying on the floor of a forest and was enveloped in all of nature in its various stages of life and decay. It was a natural smell, and all was as it should be.

Something hit the top of my tent and I jumped and held my breath. Every new sound seemed to be reason for concern, but nothing was threatening outside. With my heart rate returning to normal and rational thought returning, I decided it was a pine cone or acorn that landed on my tent. No devouring animals could be detected, and all was well yet again.

Continued on page 10

Beginning Backpacker *Continued from page 9*

The Three Ponds Shelter was perhaps a quarter-mile away and I could faintly hear the bass of music drifting towards us. At first I was disappointed that I could hear other people, but then it was comforting, too, to know that others were close by. After the music faded and stopped, there was one long howl far off in the distance—a coyote most likely. Strange, that sound made me smile as it seemed perfect to hear that call coming through the darkness.

All these sensations were flowing over me as I tried to relax. The tent surely does seem like a cocoon, protecting me from all that is just outside my little enclosure. The vastness of the forest; the animals unseen but surely there; my smallness in such a setting—all these thoughts were surfacing and receding as I tried to sleep.

I awoke again to yet another startling noise. I could not place it, but it sounded as if something like a freight train was advancing towards me. It continued to move closer and became louder and more defined, but yet I wasn't sure what it was. It was the wind! We feel the wind when we are outside hiking, and we love its coolness as it refreshes us. Yes, we can hear the wind when we are inside and a storm is brewing outside our windows. This was so different. The wind galloped across the pond, and then up through our open cooking area, and then through the canopy of branches and leaves overhead. It came in waves like the ocean—louder until it rushed overhead and then ebbed to quiet and then roared through again. That sound echoes in my mind even now. The forest is alive in ways I could never have imagined, and one hears the wind even though it cannot be felt.

I slept at last, having experienced all these new sensations and thoughts, knowing that I was safe; knowing that this was a most special time for me; so thankful to be here; so comfortable in my cocoon; and so tired from the hike and the adrenaline rushes to this point.

The next morning, we all rose a little more stiffly, but excited to start the day. We told of our experiences during the night, and I relived my too close encounter with the snake. One of my other companions said, "Yes, I heard a blood curdling scream, but there was just one, so I went back to sleep." What? Someone screams and you go back to sleep? In the Joanne Backpack Lessons Learned, #1 is: If you are in danger or perceived danger, make sure you scream Twice!

Three of five tents the group pitched in the woods under the stars. *Photo by Jeanne Sverdija*

I wouldn't exchange any of these experiences, nor all the others that I haven't shared with you, on these backpack trips. I have never felt more alive or more appreciative of nature than I have during these times. Many of you have camped and backpacked a large part of your lives. For those of you, like me, who have not, I hope my little adventures have touched you so that you will try it. Only you will know what you will take away from such an adventure, but I am certain your sense of awareness and awe will be heightened and renewed. Who needs a 3-star hotel when you can have all the stars in the sky covering you as you lie in your tent in a vast forest? Seems perfect to me.

Backpacking Gear: Let's take a closer look

By Bob Vogel, Hike Leader

BP 103: Sleeping bags (\$27–\$550)

- Rectangular bags are...rectangles. You have lots of room to squirm around inside, but the added size means more weight.
- Mummy bags are form-fitting, energy efficient, and because there is less material, they are lighter.

• Synthetic materials are warm, even if you get them wet. But they are bulkier and heavier.

• Down is very compressible, long-lasting, but loses its insulating value if wet, and it is expensive. Goose down is better than duck down, and more expensive. The higher the 'fill power,' the higher the cost. 850 fill down is light and expensive. 600 fill power is less expensive, but weighs more, and won't compress as to as small a size.

BP 104: Sleeping Pads (\$30–\$250)

My first trips, I slept in a shelter on the hardwood floor in my sleeping bag. It was not comfortable. I soon bought a cheap air mattress, which was much better...the first half of the first night, until it went flat. I then bought a 2' x 4' piece of foam rubber. It worked, but did act as a sponge if any water got into the tent or was spilled. But I used that foam pad for years, and it was cheap and comfortable.

• Closed cell foam. Doesn't absorb water. Not very comfortable unless you get a Z-Rest or such pad with formed bumps. This is what I'm using now.

• Inflatable pads. Lots of options, and these are the most popular these days. Weight, ease of inflation, insulating value, and durability vary. I am thinking of a new inflatable pad, because they are comfortable.

BP 105: Tents (\$55–\$650)

The first question is "Who is going to sleep in it?" Just you? You and your spouse/significant other? Or you and someone else from the trip? Sharing tents saves weight. A one-person tent might weigh 3 pounds, and a similar two-person tent might only weigh 4 pounds, or 2 pounds per person. As a new backpacker, you might find having a friend in the tent with you at night provides a level of comfort... If nothing else you can share your concerns with each other.

For others, such as myself, who have sleep issues, lying awake at night without being able to toss and turn is torture. Having a second person in the tent makes it too difficult for me.

- Two side doors make getting in and out easier for a two-person tent; you don't have to climb over each other. Even for a one-person tent, side entry requires less contortionist moves than a front entry.
- Ceiling height: Being able to sit up to get dressed is a very nice feature.
- Tents that use your trekking poles save the weight of dedicated tent poles, but don't forget your trekking poles!
- Coated nylon or polyester are the "normal" fabrics, but Dyneema is the High Tech, ultralight weight option... which is very expensive.

(The other option is hammocks. That's a whole other world, with its own plusses and minuses.)

BP 106: Stoves (\$1–\$150)

• These days it seems "everyone" is using a Jetboil. They are convenient. You screw on the gas canister, pour in the water, fire it up, and in a couple minutes you have a pot of boiling water. But they aren't without drawbacks. After that first trip, you have a partial gas canister. Is there enough gas for another trip? Would you take it and the second new one? Or just take a new one and keep a collection of partial cans at home? You can, if you have a kitchen scale, weigh the partial cans and estimate the amount of gas left.

• "Gas" stoves. Actually most of these use Coleman fuel. Go back 20 years and WhisperLite was the stove of choice. For winter camping, these are still the best stoves as gas stoves are the most reliable in freezing temperatures.

• Alcohol, the once and future stove? Alcohol stoves have been around for a long time. A bit less convenient than a Jetboil, and slower to boil water, but very lightweight. And you can make one from a used soda can if you want. (Yes, "Coke can" stoves work. And were a thru-hiker thing a few years back. You can buy premade alcohol stoves similar in function to a Coke can stove.) Esbit and others make alcohol stoves and nesting cook sets. Or assemble your own cook kit.

• There are also wood-fired stoves. Some have a battery to run a fan to improve efficiency.

Continued on page 12

Backpacking Gear

Continued from page 11

- Esbit also makes a solid fuel stove. It is available as a small folding metal stove, or is a cook set that comes with the windscreen and the pot. Not the fastest, but low cost, and works. Nothing wrong with simple.

My suggestion? Most people I know have had multiple stoves over time. So, start with something relatively inexpensive. It will heat your food, and as you see other stoves in use, you'll decide which one you want to use as your "forever" stove. (But you will still get a new one every couple years!)

BP 107: Water purification (\$1–\$40 and up)

- You could boil all your water... if you like your water hot, carrying extra fuel, and spending time doing it.

- You could carry bleach, but it makes your water taste like...bleach. There are also pills, some with a second pill to counteract the taste of the first.

- Pump filters were popular, but have lost favor. They are still around and work.

- Or you could just buy a Sawyer Squeeze, like 'everyone else'. (There are a few other filters, some gravity fed; you fill a bag with "dirty" water and there is a hose to fill your bottles or pans.) But Sawyer is popular because they work, are light, and are inexpensive.

BP 108: Packs (\$75–\$300 and up)

- Years ago frame packs were "standard." I still love mine, but they are heavy (5 lbs +). These days new ones are hard to find, but used ones are all over eBay, Craigslist, and I've even picked them up from people's trash. (Be sure the foam shoulder straps and waist belt haven't deteriorated.)

- But in the stores it's all internal frame packs. Some are light, but some are quite heavy. Surprise, lightweight ones usually cost more! Osprey EXOS 58 (liter) weighs 2 lbs. 11 oz. for the Large, and costs \$220. Gossamer Gear Mariposa 60 (liter) weighs 2 lbs. 1 oz. for Large and costs \$225 on sale now. These are a couple lightweight ones I'd take, but haven't sprung for yet. It's hard to pick a pack until you commit to all the other gear, because a pack that won't hold the gear you choose doesn't help. (I have a couple extra frame packs that, if they fit you, can be borrowed for our first introductory backpacks.)

Save-the-Date!

November 2, 2019

SEM's Winter Hiking Workshop

For more information or to register for this free workshop, click [here](#) or email hikingchair@amcsem.org.

SEM's 44th Annual Meeting & Dinner

Reunite with old friends and make new ones. All SEM members, potential members, partners, and friends are welcome!

For more information, [click here](#).

Come to the workshop and SEE some gear if you can. If you can't make it, go to REI and look around. (Disclaimer, my son works at REI. But we don't like REI because he works there. He went to work there because we shop there and he liked the store and knowledgeable employees.) You can also go to LL Bean, EMS (if there's one near you), or other outdoor stores. Look online for more ideas. Amazon sells many of these items.

Start thinking of what you really want to do. Hike the AT, or spend a few weekends in New Hampshire? Carry all this gear up and down the mountains, or just hike into the lower woods? Next up, we will look at some "sets" of gear, the low-weight options, and some more economical options.

To get your copy of Bob Vogel's "Guide to Backpacking," email Bob at vogel.r@comcast.net or look for monthly installments in *The Breeze*.

The
Southeastern Massachusetts Chapter
of the
Appalachian Mountain Club
invites members, friends, and families to our
44th Annual Meeting

**Saturday, November 2nd,
2019**

**The Bay Pointe Club
Buzzards Bay, MA**

<https://baypointeclub.com>

No charge if you just join us for the social hour and business meeting!

4:30 pm – **Registration & Cocktail Hour** – free appetizers & cash bar

5:30 pm – **Annual Meeting** (no charge)

6:30 pm - **Buffet Dinner & Guest Speaker**- \$25.00 per person (\$35.00 per person after 10/24)

Guest speaker presentation abstract and registration form follow.

Questions? Contact Len Ulbricht at chair@amcsem.org

2019 Annual Meeting and Dinner Special Guest Speaker: Holly Fitzgerald

Author of recently published

RUTHLESS RIVER: Love and Survival by Raft on the Amazon's Relentless Madre de Dios

Presentation Abstract

Ruthless River is a story of survival in the remote Amazon interior of South America. In 1973, during a delayed around-the-world honeymoon, the plane carrying Holly Fitzgerald and her husband crash landed in a Peruvian penal colony. Stranded near a tiny town on the banks of the Rio Madre de Dios, they built a raft and traveled downriver to a Bolivian town from where they hoped they could travel on to Brazil. But, instead, after being swept off course by a huge storm they found themselves in a swampy dead end, surrounded by quicksand and unable to get to shore. As we'll learn, these inexperienced rafters faced a frightening ordeal of survival without clean water, food, or shelter and threatened by swarming insects and lurking predators.

Ruthless River tells a harrowing story in which escape seemed impossible. In her presentation, Ms. Fitzgerald will provide us with a personal glimpse into this life-changing ordeal.

BICYCLING

Sun., Oct. 27. Adventure Ride #14, Dennis, MA. "Autumn Excursion" Sunday 27, October, 2019 A relaxed ride thru surrounding woodlands to enjoy the colors and vistas of the season. The ride will tour the most scenic Mid cape has to offer for the fall season. Dirt and paved. Register for changes, updates, weather, cancellations -- paulcorri@gmail.com Bring food and bike supplies--tire repair etc. Large tire or MTB recommended. Arrive 9:45 AM Leave 10:00AM Start Dennis Senior Center, 1045 MA-134 corner Route 134 and Setucket Park away from building. L Paul Corriveau (paulcorri@gmail.com)

Tue., Nov. 12. Sunset & Full Beaver Moon Road Cycling:, MA. 22+/- Miles/ 2 +/- hours. Mostly flat - a couple of small hills. For both the colonists and the Algonquin tribes, this was the time to set beaver traps before the swamps froze, to ensure a supply of warm winter furs. This full Moon was also called the Frost Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulcorri@gmail.com Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

Thu., Dec. 12. Sunset and Full Cold Moon Cycling, MA. - - 22+/- Miles/ 2 +/- hours. Flats & Hills. December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKES

Sat., Oct. 26. Hike Falmouth Moraine, Falmouth, MA. Join us on a one-way 9.2 mile hike along Cape Cod's lush Falmouth Moraine Trail. Come experience some autumn splendor! You will encounter densely wooded areas as well as beautiful views of Long Pond and Grews Pond. Much of the terrain is rugged with some steep inclines and rocky depressions. Hikers should be in good physical condition, able to hike 9+ miles at a moderate pace. The hike should take approximately five hours plus additional time for carpooling. Please have room in your car to accommodate passengers and to facilitate our drive to the start and the return to our cars. Bring at least 2 liters of water, snacks, and lunch, sturdy hiking boots, a hat, a jacket (for unpredictable Cape temperatures), rain gear, sunscreen, and bug repellent. Wearing **HUNTERS ORANGE IS A MUST** as it is hunting season. Note: Most of this trail is heavily wooded and grassy. Please protect yourself from ticks, mosquitos and poison ivy by wearing long pants and applying bug spray to your shoes and clothing. Permethrin and DEET are suggested. Registration is required. Please contact Leader Cathy Giordano (508-243-3884 before 9 pm, cmgiordan@msn.com). Directions will be sent to you 3-4 days prior to the hike. CL Diane Hartley (508-566-6517 between 2:00 and 9:00 pm, dihartley@comcast.net)

Sun., Oct. 27. Hike Ryder Conservation/Lowell Holly Reservation Hike, Ryder Conservation Area Cotuit Rd. Sandwich, MA. Join us for a 4-4.5 mi hike in Sandwich conservation area and Mashpee Trustees of Reservation property. The terrain is mostly flat with a few steep but short climbs thrown in. Meet at 12:45 for a 1 p.m. start. Heavy rain cancels. Rt 6 to Exit 3 > Quaker Meetinghouse Rd South x 2.5 mi > L @ light on Cotuit Rd x 2 mi. Trailhead parking on R for about 12 cars. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader).

CAPE HIKES

Thu., Oct. 31. Hike South Truro to Poors Hill, Truro, MA. Woodland trails, hills, and pavement walking. Scenic bay views, houses and places of interest. From Route 6, Truro, turn left on Prince Valley Road, go to the end. Turn right on County Road, then an immediate left on Ryder Beach Road. Park at the end in marked spaces, near beach entrance. Meet at 9:45 am. 2.5 hours. L Janet Kaiser (508-364-5047 Before 9 p.m., jtkaiser@comcast.net, AMC life member, Cape hikes leader many years.) CL Richard Kaiser (508-246-7582 before 9 PM)

Thu., Nov. 7. Hike Long Nook Truro, Truro, MA. 2 hour hike. Visit AF Base and Jenny Lind Tower. Directions: From Route 6 take Right on Long Nook Rd (1.2 miles after Pamet Rd Exit) and follow to parking lot at the end. Meet at 9:45 and hike 10 am - 12:00 pm. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

Sat., Nov. 9. Hike The End of the Line: The Last of the Old Colony Train to Ptown, Provincetown, MA. This will be a fairly fast-paced, dog-friendly, 5-mile walk, starting at the southern tip of Provincetown. We'll go 1½ miles on the Old Colony Nature Trail Pathway and add another mile on back Ptown streets. These two sections comprise the last stretch of the Old Colony Railroad from Boston to Ptown, which was completed in 1873, replacing an extremely challenging (and bumpy!) two-day stagecoach ride with a comfortable 5-hour train ride, and beginning the migration of the Outer Cape's slowly fading fishing economy to tourism. We'll stop for occasional vignettes about and old photographs of the railroad, and go to lunch on the way at Fanizzi's, with a view of the harbor where Railroad Wharf once loaded tons of fresh-caught fish directly onto freight cars headed for Boston's fish markets. We'll walk back, largely on Commercial Street, and get a flavor for today's quiet Ptown in the late fall. Note: This is a reservation-only hike because the leader needs to know the number of lunch attendees and to discuss dog details with anyone else bringing a dog. L Jay Vivian (508-858-4855, jvivan0@comcast.net), R Jay Vivian (jvivan0@comcast.net)

Thu., Nov. 14. Hiking Truro Bearberry Hill, Truro, MA. Pretty, soft and hard-packed sand trail with two good-size hills ending with a 15-minute beach walk. Hike includes 2 outstanding vistas: Bearberry Hill with 360 degree view plus overlook down to Longnook Beach. Meet at 9:45 for 10:00 start: 2 hours. From Rte 6 in Truro take the Pamet Rd exit and go right off ramp to left on South Pamet Rd and follow to beach parking lot. L Pat Sarantis (508-430-9965 Before 8:30 PM, patsarantis@gmail.com)

Thu., Nov. 21. Hike - South Cape Beach Mashpee (C3C), Mashpee, MA. Flat hike through woods for 2 miles, then 2 miles on sandy peninsula, or dirt fireroad. From Mashpee rotary, take Great Neck Rd.S 2.7 mi,left on Great Oak Rd. Follow to town beach pkg. Meet at 9:45.AM 2 hours. L Richard Kaiser (508-432-3277, rjkaiser@comcast.net)

Sun., Nov. 24. Hike Crowes Pasture, Dennis, MA. Hike in Crowes Pasture, along surrounding marsh and beach and through historic Quivet Neck neighborhood. Arrive at 12:45 for 1:00 start. Expect soft sand! RT 6 to Exit 9 and RT 134 North. Follow RT 134 north to traffic lights at RT 6A and turn right. Follow RT 6A for .8 miles and turn left on School St (Airline Rd on Right). Follow School St for .4 miles and turn left on Cold Storage Rd. Follow Cold Storage Rd for .5 miles to parking lot at the beach. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Dec. 5. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills throughout the hike. This is not a novice hike. We will have views of Back River from the Leary Property and often see birds along the shoreline. From the Bourne Bridge/Cape side, take the 1st exit off of the rotary just past the State Police building onto Trowbridge Road and go 0.6 miles. Take a left onto County Road at the blinking light and go 1.0 mile. Park on the left at 221 County Road (small sign) for 6 small cars. Other cars will park across the street at the Leary Property. GPS will work to get you to this location. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a fourth year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Dec. 8. Hike along Quashnet River and through adjacent woods, Falmouth / Mashpee, MA. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About ½ of the hike will be on moderate rolling terrain. Arrive at 12:45 for 1:00 start. From the Mashpee Rotary take Rte. 28N towards Falmouth. Follow Rte. 28 for 2.1 miles to a right on Martin Rd. (just after crossing the Falmouth town line). Parking is in a small lot or along Martin Rd. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

EXECUTIVE COMMITTEE

Volunteer Opportunities

Ongoing: Communications Chair - Southeastern Mass. Chapter, MA. As a key member of the SEM Executive Board, the Communications Chair oversees the timely production and distribution of chapter communications to chapter members and non-members, including: - monthly issues of the Southeast Breeze newsletter (in conjunction with the Breeze editor) - monthly Blast email announcements of important events (in conjunction with both the Chapter Chair and Blast editor). - SEM annual report (jointly with the contributing chapter activity chairs such as hiking, biking, paddling, skiing, etc.) The Communications Chair also: - works closely with both the chapter Webmaster and Social Media Administrator to keep members (and potential members) informed. - participates in monthly Executive Board meetings, soliciting content to communicate in a timely manner. - interacts with AMC staff to ensure chapter communications follow current guidelines and best practices. This is a great opportunity for anyone with good communication skills and is comfortable with social media who wants to help keep the SEM chapter vital and encourage active engagement by members. For more information or to volunteer for this important position, please send an email to communicationschair@amcsem.org and/or to Leonard Ulbricht chair@amcsem.org.

HIKING

Get your 100-mile patch! Contact hikingchair@amcsem.org.

Always looking for additional hike leaders! Contact hikingchair@amcsem.org

Sun., Nov. 3. Sunday morning - 3rd Annual Arnold Arboretum autumn-peak hike!, Jamaica Plain, MA. Arnold Arboretum - including two vistas, bonsai exhibit, and "Explorer's Garden." We will explore this "tree museum" during a 4 -5 mile hike at a moderate pace. bring water, sturdy footwear, snack or lunch. Meet at the Visitors' Center (Hunnewell building) located at 125 Arborway, Jamaica Plain at 9:45 for a 10:00 start. There is plenty of on-street parking along the Arborway; or walk to the entrance from the Forest Hills Orange Line T-stop. Rain cancels. Leashed dogs are okay. L: Ken Cohen (508-942-1536 Before 8:00 pm,

k-cohen@comcast.net, Year-round hiker and snow shoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

(FT) (NM) Thu., Dec. 26. Thursday AM Ponkapoag Pond Hike, Canton, MA. Meet at 10AM in Ponkapoag Golf Course Parking Lot for a five-mile hike/snowshoe (depending on conditions) around the pond. Bring: water, snack and appropriate footwear. L Deborah Lepore (617-778-4339 before 9 PM, dlepore2@gmail.com) CL Hans Luwald (508-668-0462 Before 9 PM, Hans.Luwald@gmail.com)

Sat., Oct. 26. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA - Main Houghton Pond Parking Lot - Meet near playground, MA. Saturday "Yeti" weekly hikes at the Blue Hills. 840 Hillside Street, Milton, MA. 2 - 3 hours of up & down, up & down...at a moderate to vigorous pace. Leave at 10 AM. Proper fitness and equipment is needed. One time registration required. L Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net, See whiddenschool.com or zazenzone.com), R Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net)

(NM) Tue., Oct. 29. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a continuing Tuesday Morning Blue Hills Series. We will hike 'all' of the trails within the Blue Hills over time, meeting in different parking lots and hiking different routes each week. So, if you are interested in hiking in the Blue Hills Tuesdays, from 10 to about 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. In addition to 'just hiking', this series also aims to provide 'skill building', both for participants and Leaders. We will incorporate a range of 'educational opportunities' as we hike, :-). Come hike, and learn. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) L Joanne Newton (vogel.r@comcast.net), R Bob Vogel (vogel.r@comcast.net)

HIKING

(FT) (NM) Thu., Oct. 31. Rocky Woods Hike, Trustees of Reservations, MA. Join us on this hike at Rocky Woods, a Trustees property. The trails have gentle ups and downs, with one moderate climb to Lookout Point, the site of a former fire tower. Dress in sturdy footwear, layers such as fleece or down and bring a wind/rain jacket, hat and gloves. Please no cotton clothing. Pack a lunch or snack. Heavy rain cancels. Please contact leader with any questions. \$5.00 parking fee for non members of Trustees of Reservations at self-service kiosk, members use their member code to create parking pass. L Peggy Qvicklund (774-893-3011 until 9pm., qvickan@comcast.net)

Sat., Nov. 2. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See Sat., Oct. 26 listing for details.

Sat., Nov. 2. SEM Winter Hiking Workshop, Bourne Community Building Cafeteria, 239 Main St. Buzzards Bay, MA. In the winter months, many of us think about going skiing or escaping to somewhere warm, but have you thought about winter hiking and snowshoeing? Do you like to be active and outside, but the thought of getting cold keeps you indoors? Then come join us for an informative afternoon that will change your mind about hiking and being outdoors in the winter months. You will learn about necessary clothing and gear, nutrition and hydration requirements, winter conditioning, winter issues and how to avoid them and why we love to hike in the winter. The workshop is free to all and is a prerequisite (or prior winter hiking experience) to join us for the SEM Winter Hiking Series. The workshop runs from 12:30-3:30 with clothing and gear demonstrations. Light snacks will be provided but participants should bring water or other non-alcoholic beverage of their choice. After the workshop, join us for the SEM Annual Meeting/Dinner at the Bay Pointe Club in Buzzards Bay (registration is separate- see listing). L George Danis (hikingchair@amcsem.org) L Paul Miller

Sun., Nov. 3. Sunday morning - 3rd annual Arnold Arboretum Autumn-Peak Hike!, - Jamaica Plain, MA. Arnold Arboretum - including two vistas, bonsai exhibit, and "explorer's garden." We will explore this "tree museum" during a 4 -5 mile hike at a moderate pace. Bring water, sturdy footwear, snack or lunch. Meet at the Visitors' Center (Hunnewell Building) located at 125 Arborway, Jamaica Plain at 9:45 for a 10:00 start. Plenty of on-street parking along the Arborway; or walk to the entrance from the Forest Hills Orange Line T-stop. Rain cancels. Leashed dogs O.K. L Ken Cohen (k-cohen@comcast.net 508-942-1536 Before 8:00 pm, Year-round hiker and snowshoe enthusiast. Joins groups in the Blue Hills, other DCR reservations, land trusts (active supporter of many), White Mountains, and our nation's National Parks. AMCSEM Class I Hiking Leader. Longtime member of DCR's "Trail Watch" in the Blue Hills. Active ad-hoc member of the Board of Trustees for The Friends of The Blue Hills. Avid nature photographer.)

(NM) Tue., Nov. 5. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tue., Oct. 29 listing for details.

Tue., Nov. 5. Mindful Walking at Norris Conservation Area, 10 Dover Street, Norwell, MA. Mindful walking, a type of walking meditation, is an active practice that requires us to be aware of the present moment and surrounding environment. Focusing on nature, allows our bodies to relax, renew and adapt to the ever changing climate of our daily lives & the changing of the seasons. It enhances concentration, awareness and appreciation for the outdoors. This walk will incorporate guided tapping, breathing & gentle qigong exercises to enrich the experience. 2 miles easy walking, pace may be slower than normal. If you would like to download a reservation map, here is the link: <http://www.thetrustees.org/assets/documents/places-to-visit/trailmaps/Norris-Reservation-Trail-Map.pdf>. L Joanne Newton (508-215-9470, newt665@comcast.net) CL Maria Sestina (617-930-1854 After 5 PM, mariasestina@hotmail.com), R Maria Sestina (617-930-1854 After 5PM, mariasestina@hotmail.com)

(B3C), Thu., Nov. 7. Thursday Morning Hike: Whitney and Thayer Woods, Hingham/Cohasset, MA. Woods walk across rolling hills on Trustees of Reservations property. For those not familiar with Whitney Thayer, we'll check out some interesting rock formations (in WT as well as adjacent Wampatuck SP) and views of Boston Harbor. Meet at 10:00am in the Whitney and Thayer Woods main parking area. Boots suitable for weather/trail conditions and snacks/lunch required. Directions & description: See <http://www.thetrustees.org/places-to-visit/south-of-boston/whitney-thayer-woods.html>. HIKING

Sat., Nov. 9. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA – See Sat., Oct. 26 listing for details.

Sat., Nov. 9-10. Zealand Falls Hut Overnight, Zealand Notch, White Mountains, NH. The "Main Event" will be Saturday and Sunday with the option to hike in Friday afternoon to spend a second glorious night at the hut. At the hut, we will enjoy camaraderie and group breakfasts and dinners. The meals will be organized ahead of time and the costs will be divided among everyone. Participants should bring their own lunches, trail snacks and drinks. There will be a hike to Zealand summit Saturday, with a second less strenuous option available also. Please contact the registrar by Friday, October 4. Checks must be received by Tuesday, October 8. Anyone signing up after that will need to make their own reservations with AMC if bunks are still available. We have reserved bunks for up to 10 people so please contact the registrar soon. Zealand Falls Hut offers co-ed bunk rooms and separate washrooms with toilets. The bunkhouse is not heated and does not have electricity. Cold running water is available in the washrooms. Bring an appropriately rated sleeping bag, warm clothing and a headlamp or flashlight. This is the "self-service season" so we will prepare our meals and wash our own dishes. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) L Dexter Robinson (dexpcdoc@gmail.com, Dexter is an avid 4 season hiker. He has been a member of the AMC since 1994 and for many years led AMC hikes and backpacks to various locations both local and throughout New England. He has climbed all 67 of the New England four-thousand foot mountains as well as the NH four thousand foot mountains in winter. He recently completed summiting Mt. Washington in every month.) CL Joanne Newton (508-215-9470 During the day and early evening, newt665@comcast.net) CL Diane Hartley, R Joanne Newton (508-215-9470 During the day and early evening, newt665@comcast.net)

Sun., Nov. 10. Worlds End, Martin's Lane, Hingham, MA. Scenic 5 mile moderate paced walk along tree lined carriage paths and footpaths offering sweeping views of the Boston skyline. Bring snack and water. No dogs. There is an \$8.00 fee for non-members of the Trustees of Reservations. From Rt. 3, take exit 14, Rt.228 North for 6.5 mi. Turn left on Rt. 3A and follow for 0.7 mi. Turn right onto Summer St. and at major intersection with Rockland St. continue straight across onto Martin's Lane. Follow for 0.7 mi. to entrance and parking. L Beth Mosias (bmosias@yahoo.com)

(NM) Tue., Nov. 12. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Oct. 29 listing for details.

Tue., Nov. 12. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under a Beaver Moon or as some may call it, a Frosty Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. In the past we have seen the moon at least 90% of the time. It is a beautiful site over the ponds and across the meadow. Hopefully we won't need any snow gear. A detailed Poop Sheet will be sent to all who register. Please include in your registration e-mail: 1) the date of the Full Moon Hike you wish to attend 2) Your contact number 3) A description of your latest hiking experience. L William Cannon (bcannon56@gmail.com, AMC Member for 8 Years 2 years leading Full Moon Hikes AMC SEM Conservation Chair) L Susan Svelnis (suesvelnis@gmail.com) L Nancy Coote (cranstonstreet22@gmail.com), R Bill Cannon (bcannon56@gmail.com)

Thu., Nov. 14. Massasoit State Park Thurs. morning hike, East Taunton, MA. Registration is not required for this hike. However, you may wish to contact the leader(s) if you have any questions. Meet at Massasoit State Park before 10am located at 1361 Middleboro Ave. East Taunton for a 5-6 mile hike, trail TBD. Usually a mostly easy hike with some steep sections of the trails. Heavy rain cancels, please bring water, lunch or snack, layers and appropriate footwear. Dogs allowed but must be on leashes. L Samantha Fisher (508-243-7594 Before 9pm, sahavah@yahoo.com, Level 1 hike leader) L Robert Branczewski (508-577-9253, lv2cook@hotmail.com, Level 1 hike leader)

Sat., Nov. 16. Blue Hills Fowl Meadow Hike, 1216 Brush Hill Rd. Milton, MA. Join the 'Red Line the Blue Hills' hikers as they finish their season by hiking 9 miles of Fowl Meadow along the Neponset River. The terrain will be mostly flat and probably wet in some areas. Meet at the northern parking lot 1216 Brush Hill Rd., Milton for a 9:30 start. Bring lunch and water. L Joe Keogh (jpkeo24@gmail.com) L Susan Svelnis (suesvelnis@gmail.com) CL Varma Saripalli (781-249-2213, varma@saripalli.com), R Varma Saripalli (781-249-2213 Before 9 PM, varma@saripalli.com)

HIKING

Sat., Nov. 16, Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See Sat., Oct. 26 listing for details.

(NM) Tue., Nov. 19. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Oct. 29 listing for details.

(FT) (NM) Thu., Nov. 21. Thursday hike at Gilbert Hills, MA. Explore some of the smaller trails in F. Gilbert Hills State Forest on this late fall hike. We will cover approximately 5 miles, with small ups and downs. Wear sturdy footwear, bring water, snacks and lunch. Meet at the main entrance at 45 Mill St. Foxborough MA 09:45 for a 10:00 start. L Peggy Qvicklund (774-893-3011 please call before 9 pm, qvickan@comcast.net, Hike leader since 2014. Completed the NH 48, but mainly enjoys sharing the outdoors with like-minded folks.)

Sat., Nov. 23. Blue Hills Skyline End To End, An 8-mile summits Hike, Blue Hills, MA. This most challenging of Blue Hills hikes is a SEM chapter favorite! We'll follow the Skyline Trail from Shea Rink in Braintree to Royall St. in Canton, hitting all the major hills in the expansive Blue Hills Reservation. From the reservation HQ to Great Blue Hill we will take the Southern loop. This relatively rugged hike is around 8-miles long and will take approximately 5 hours. Due to the shortening days, we will be hiking at a faster than moderate pace, so people need to be well-conditioned having recently (within the last 2-months) hiked 7 or more miles including some hikes with hills. We may not stop for lunch, depending on the time, so bring snacks that can be eaten as you walk. Sturdy hiking boots and strong legs required! Please note that one of the hike leaders, Paul Brookes, will have his well-behaved dog (Sunny) with him. No other dogs permitted. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Joanne Newton.

Sat., Nov. 30. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See Sat., Oct. 26 listing for details.

(NM) Tue., Dec. 3. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Oct. 29 listing for details.

Sat., Dec. 7. Winter Series Hike #1 - Mt. Wachusetts, MA. Join us for the first in this year's popular Southeastern Mass. Chapter's Winter Hiking Series and discover the fun, beauty, and camaraderie of winter hiking. We'll be doing an enjoyable, app. 4.5-mile loop hike with some elevation gain and loss at Mt. Wachusetts in Princeton, MA. Weather permitting, we should enjoy expansive views from the fire-towered summit and, if we're really lucky, get an opportunity to try out some of our specialized winter hiking gear as well as practicing "layering" for winter hiking. Participation in the SEM Winter Hiking Workshop on Nov. 2nd (or equivalent) and/or significant winter hiking/showshoeing experience required to participate in this series. L Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net, An experienced SEM chapter winter hiking leader and self-proclaimed "winter hiking fool," Paul takes great pleasure in introducing others to winter hiking.) L George Danis (danisdad51@outlook.com, An experienced hiker and hike leader, Geoge currently serves at the SEM Chapter's hiking chair.)

Sat., Dec. 7. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. - See Sat., Oct. 26 listing for details.

(NM) Tue., Dec. 10. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Oct. 29 listing for details.

Thu., Dec. 12. Thurs. Adams Farm Hike, Walpole, MA, Adams Farm at 999 North Street, Walpole, MA. Meet at 10 am on the Adams Farm parking lot, located on 999 North Street in Walpole, MA. We will hike 5 miles over relatively level terrain on mostly wide, well-maintained trails. Bring proper footwear for the weather, rain gear, lunch, water. Rain cancels. (NM) Thu., Jan. 9. Thursday Morning Hike - Norton/Mansfield Great Woods, Norton/Mansfield, MA. Thursday Morning Hike - Meeting in Mansfield Great Woods dirt parking lot near 145 Oak Street .Hike in the Great Woods from Norton thru to Mansfield Natural Resources Trust. Car pooling/spotting from Mansfield NRT to trail head on Freeman Street in Norton with side street parking. (Directions below) Flat roaming hike with glacial eskers, old mill dam and early 19th century Coddling Farm site . Bring water, lunch or snacks and dress for the weather. Heavy Snow will cancel hike. Possible shorter snow shoe hike. L Richard Carnes (508-947-3204 before 8 PM, rcarnes2@aol.com)

Fri., Feb. 7-9. Winter Hiking & Cross-Country Ski Weekend, Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its eighth annual winter weekend get-away at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. The centers quiet, pristine, mountaintop location offers breathtaking views of the Pioneer Valley and east to Mt. Wachusett. Numerous trails wind through quiet woodlands, pass old cellar holes or descend to two waterfalls. Snowshoeing and cross-country skiing will be offered assuming enough snow and hiking otherwise. Participants will need to bring their own equipment. Please note the leader will have his well-behaved dog, Sunny, with him. The cottages have electricity, water, wood-stove heating, and shared bedrooms. Separate but next to the cottages is a heated bathhouse with toilets and hot showers. Hot meals are included in the registration fee starting with dinner Friday night through lunch on Sunday. We have reserved all 28 beds in both cottages, and we hope you decide to join us; this event is popular, however, so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Jeannine Audet L Joanne Newton

Sat., May 16-17. Beginner Map & Compass for Hikers (Sat/Sun), Blue Hills, MA. Come learn navigation skills using a map and compass to find your way in this two-day weekend workshop. The course assumes no prior map or compass experience and is open to anyone that has not taken a map and compass course before. The class starts with basic instruction and progresses over the two days to cover some intermediate skills. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small daypack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a US geological survey topographical map that does not show the trails and you will need to make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday (9 am-5 pm). Only those that have not taken a map and compass course previously are eligible for the workshop, this ensures everyone in the group is at the same level. The fee for the workshop is \$60 (which includes both days). In addition, you will need to purchase and bring to class the Suunto M-3 NH which is a navigating compass with adjustable declination correction, list price \$44 (but currently \$29.69 on Amazon). If interested, please contact Doug Griffiths to register. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.), R Doug Griffiths ([reddougg@aol.com](mailto:redDoug@AOL.com))

PADDLING

Sat., Oct. 26. Paddle Bass River South, Dennis, West Dennis, MA. From the launch on Grand Cove, paddle south on the Bass River and explore the 'fingers' and bays near the mouth on Nantucket Sound. Lunch on West Dennis Beach. Return and paddle around Grand Cove for 7-8 mile paddle. Wear a PDF, bring a spray skirt in case of wind and bring water and lunch. L Jean Orser (jeanorser@gmail.com) CL paul corriveau (paulcorri@gmail.com).

SKIING

Fri., Jan. 10-12. Cross Country Skiing in Waterville Valley, Mountain Fare Inn, 5 Old Waterville Rd., Campton NH. Join us for a weekend of cross country skiing at the Waterville Valley Ski Resort. We will stay at the beautiful Mountain Fare Inn in Campton, NH, just a short drive from skiing. The inn offers a full breakfast & later checkout on Sunday @ 3:00 pm, so we can ski for 2 days. We will dine out for dinners. Other potential activities include snowshoeing, fat tire biking & hiking, depending upon snow conditions & group interest. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Jeff Hyman CL Dia Prantis

Fri., Mar. 6-8. Cross Country Skiing & Snowshoeing in the White Mountains, The Old Field House, 347 NH 16A, Intervale, NH. Join us for a weekend of cross country skiing & snowshoeing in the beautiful White Mountains. We will stay at the lovely Old Field House in Intervale, NH. The B&B is located near many xc skiing areas; we will choose based upon snow conditions. Snowshoeing is also available, including on trails outside the B&B. Depending upon trail conditions & interest, hiking will also be an option. Or, you may spend some time at the inn with a book or go shopping in North Conway. All rooms have a private bath, & breakfast is included. We will dine out at nearby restaurants for dinner. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Dia Prantis CL Wayne Cardoza

SOCIALS

Sat., Nov. 2. SEM Annual Meeting and Dinner, Bourne, MA. Join us for the 2019 SEM Annual Meeting and Dinner at the Bay Pointe Club in Buzzards Bay, MA. SEM hosts 'legendary'* club-wide Fall Gathering

By Barry Young, FG2019 Event Chair

The Southeastern Massachusetts Chapter hosted the annual AMC Fall Gathering at the YMCA Camp Burgess in Sandwich, MA, on October 18-20, 2019. More than 250 attendees from all AMC chapters enjoyed a variety of outdoor activities, including eleven hikes of varying lengths and difficulty, seven bike rides (road, mountain bike, and hybrid), and a couple of kayak paddles.

Activities at Camp Burgess included yoga, pontoon boat rides, zip-lining, a climbing wall, evening campfires, trivia night, and dancing to a live band. An unplanned candlelight dinner was served Friday night, thanks to a power failure from the storm earlier in the week and the efforts of the great camp staff!

Featured speakers included a marine biology talk, a presentation on hiking the AT 100-Mile Wilderness, and a talk on circumnavigating Cape Cod by foot. More than 50 SEM members volunteered to make the weekend a success for all the attendees and to highlight the beauty of southeastern Massachusetts.

** Based on comments from AMC headquarters staff.

View from the Chair: Welcome our new board!

At our 44th Annual Meeting on November 2nd, we voted in the slate of Executive Board members for 2020. I would like to introduce three who are new to the Board.

Terence Hayes, our Chapter Vice Chair, recently retired as Health Director for the Town of Dennis. A member of the chapter since 2012, he has extensive volunteer committee leadership experience with several MA and Cape Health Associations as well as the Cape Cod Ski Club. Terry is an avid downhill skier and has backpacked sections of the AT and the Philmont Scout camp. We are pleased to have Terry bring his committee leadership background to a key role in our chapter.

David Yampanis, our Chapter Treasurer, has AMC experience that goes back 35 years on family trips to the Whites and the Club's huts and lodges. Subsequently he served on hut croo and had a stint at Joy Street. He and his family still enjoy trips to the White Mountains and have been SEM chapter members for ten years. Dave has a strong finance and administration background that lines up well with the duties of chapter treasurer.

Joanne Newton, Conservation Committee Chair, is new to AMC, having joined in early 2018. Already an avid skier, since joining Joanne has qualified as a level 1 hiking leader and volunteered to be on the Chapter's Executive Board. She retired in 2018 after a career in the healthcare field, serving as director/general manager for several healthcare providers. She looks forward to promoting AMC's conservation programs as well as opportunities for chapter-level conservation initiatives.

Your chapter remains vibrant and strong due in part to volunteers like Terry, David, and Joanne who choose to participate. Please note that we're still looking for someone to step up as Communications Chair to replace Paul Miller, who would like to be able to devote more time and energy to leading hikes. The next time you learn about an opportunity to participate, pause and give it some thought. I am always available to discuss volunteer opportunities with you.

Thanks!

Len Ulbricht, AMC-SEM Chapter Chair

Winter Hiking Series kicks off with record numbers at Winter Workshop

By Paul Miller, SEM Communications Chair and Winter Hike Leader

Once again this year, the SEM Hiking Committee kicked off our ever-popular Winter Hiking Series with an informative indoor workshop at the Bourne Community Center on November 2, 2019 (prior to the SEM Annual Meeting and Dinner held nearby in Buzzards Bay).

The purpose of this workshop is to provide experienced three-season hikers with an overview of the clothing, boots, and specialized gear needed for safe and enjoyable winter hiking in the mountains of New Hampshire. Much of the information provided applies equally well to local winter hikes, as well as to the variety of snowshoeing and XC skiing activities that our SEM winter leaders routinely offer. What could be well a record, thirty-five prospective winter hikers/snowshoers participated in this year's workshop, along with eight experience SEM winter hiking leaders.

George Danis, SEM Hiking Chair, welcomed the workshop participants, reviewed the objectives and agenda, and introduced the presenters. Ken Carson then took a few minutes to share his thoughts on what's so special about winter hiking, specifically the beauty and solitude of the mountains in winter, the lack of crowds and insects, the great views, and "the opportunity to use some neat gear."

Bob Vogel discussed the key points about clothing for winter hiking: avoid cotton and other non-wicking materials, use a layering strategy, and – above all – don't overdress, since this leads to sweating, which is what you want to avoid as much as possible. Bob held up examples of the different clothing articles he wears in different temperature, wind, and moisture conditions and how he mixes and matches them as needed to stay comfortable (and avoid hypothermia) in cold weather. His very colorful, jester-style winter hat made a big hit!

Leslie Carson covered the critical topic of winter footwear, including well-insulated/waterproof hiking boots; wool, synthetic, or wool/synthetic blend winter socks; and gaiters to keep the snow out of your boots. Leslie showed several examples of appropriate winter boots and discussed the pros and cons of each type.

Paul Miller then discussed and showed examples of the various types of specialized gear we require for our winter trips up north. These include Microspikes or Hillsounds for hard-packed or slightly icy trails; snowshoes for deeper snow conditions; and 10- or 12-point crampons for more challenging winter conditions. He explained that while we might not always require all this gear for every hike, it's always a good idea to bring it all to the trailhead with you...just in case.

Next, Anne Duggan discussed nutrition and hydration requirements for safe and enjoyable winter hiking. Since our bodies burn food as fuel to maintain heat in winter, she stressed the need for high-caloric foods that are easy and convenient to eat while out on the trail when the temperature drops to well-below-freezing levels.

Winter Workshop/Hiking Series

Bob Vogel discusses clothing strategies for winter hiking.
Photo by Ken Carson

Continued from Page 3

She also explained why bladder-type hydration setups don't work well in winter and explained how to keep your Nalgene-type water bottles from freezing.

George explained that since winter hiking involves carrying heavier loads than at other times of the year, it's important to condition properly—and start doing so well in advance of any planned hikes. He then provided suggestions for how to accomplish this.

Maureen Kelly discussed group management, which involves both good leadership and ready cooperation and self-sufficiency by all participants. George then covered some miscellaneous – but still critical – points related to winter hiking logistics. These include making sure that our cars are as prepared for potentially severe winter conditions as we all should be.

Susie Schobel wrapped up the workshop with a quick overview of the scheduled SEM Winter Series hikes and the many other winter activities available to our members. Note that participation in an SEM Winter Workshop (or equivalent), or significant winter hiking/snowshoeing experience is required to participate in the Winter Series hikes (but not necessarily our other winter trips).

Visit the [SEM activity calendar](#) on the AMC ActDB trip listing system for details on our Winter Series hikes, plus a wide variety of other winter outdoor activities, such as snowshoeing and XC skiing.

Fall Gathering on the Cape: A walk with a local naturalist

By Ken Cohen, Hiking Vice Chair

On Saturday, October 19, activity organizer Maureen Kelly arranged for a special “Four Ponds Walk” led by Naturalist Nancy Wigley in Pocasset, Barnstable County, on Cape Cod. The event was one of the many highlights during the Southeastern Massachusetts Chapter hosting of AMC’s 2019 Annual Fall Gathering.

More than 20 nature lovers joined the outing while observing and learning about the numerous species of plants, lichens, and trees that adorn the Cape Cod region each autumn season. The group also admired an adult Mute Swan, during its serene swim on one of the many ponds in the region.

Attendees from Maine to New York and beyond were thrilled by the knowledge and enthusiasm of the leader. Nancy Wigley is a former AMC Conservation Chairperson (1999), Life Member of AMC, Certified Master Naturalist with the Cape Cod Museum of Natural History, and the author of two books, *Trailside Treasures* and *Looking at Lichens*.

Tall grasses, left, and lily pads on a pond.

We walked amongst the fishing grounds of two former U.S. Presidents, Grover Cleveland and Calvin Coolidge, in what was once part of the Town of Sandwich, MA. The forest around us was quiet and serene.

Nancy introduced the group to almost 20 different species of plants along the way, as she shared her experiences and personal anecdotes with all.

It was a perfect start to a near-perfect autumn day for the nature-lovers on the trails and waterways found throughout the varied regions appreciated and protected by the Appalachian Mountain Club!

Volunteer of the Month: Pamela Johnson

By George Danis, Hiking Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Hiking Committee recognizes Pamela Johnson for her numerous contributions.

Whether leading a hike for SEM or conducting a seminar as an AMC summer White Mountain Hut naturalist, Pam is enthusiastic, energetic and engaging. She is always ready to turn an ordinary hike into an event either by themed “dress-up” days or as a leading vocalist on the Holiday Caroling Hike at Houghton’s Pond. Her enthusiasm is infectious, plus she often brings chocolate candy bar snacks for all participants!

This past summer Pam volunteered as a naturalist at the huts and readily shared her knowledge of trees and plant life with fellow SEM hikers on springtime hikes. She also co-led the “Introduction to Hiking” spring series and is one of the new leaders of the White Line series in the Blue Hills.

Thank you, Pam, for all you do.

Pam will receive a Volunteer of the Month Certificate and a \$50 gift card.

Communications Chair position OPEN

This is a great [volunteer opportunity](#) for anyone with good communication skills, is comfortable with social media, and who wants to help keep the SEM chapter vital.

For more information or to volunteer for this important position, please send an email to Paul Miller at communicationschair@amcsem.org or to Len Ulbricht at chair@amcsem.org.

October 5th was a great day for cycling through picturesque Massachusetts and Rhode Island. *Photo by Jeannine Audet*

‘Octoberfest’ biking and brews

By Jeannine Audet, Cycling Leader

Fifteen cyclists enjoyed a brisk fall day, cycling 27 miles through Westport, MA, and Tiverton and Adamsville, RI. The Cycling ride took us past beautiful homes and farms surrounded by stone walls, the old Gray’s Grist Mill, and the West branch of the Westport River. There were a few challenging hills.

Afterward, the group returned to our starting base at Buzzard’s Bay Brewing to enjoy their craft beers, interesting fare from the food trucks, and lively conversation.

Cycling 27 miles is thirsty work! *Photo by Jeannine Audet*

Hiking the Pemigewasset Loop

By Dexter Robinson

Many years ago when I joined the AMC, a NH White Mountain presidential traverse was the premier hiking challenge. In recent years that hike is now considered by some as a warm-up for the Pemi Loop hike. *Backpacker Magazine* rates the Pemi Loop as the second hardest day hike in the U.S. and *National Geographic* rates it among the top ten epic hikes in the world. This 31-mile hike is a collection of trails that follow the ridgeline surrounding the Pemigewasset wilderness, climbing eight 4,000-footers, requiring over 9,000 feet of elevation gain. The terrain varies widely from a wet and dark forest to long stretches of above-treeline travel. The route includes some of the most rugged trails in the White Mountains. Hikers typically do it in one or more days. Early in the summer, I decided to take on this challenge and began researching the trip.

When to do it? Some have done (or attempted) it in early May to avoid black flies that are bothersome later that month and in June. But often they get surprised by lingering snow and quickly learn the meaning of the word “posthole.” July has a high occurrence of thunderstorms. So based on this information and trip reports, late August or the first half of September seemed like the best time to attempt the hike.

Where to begin the loop? There are numerous trails one could take to jump on the loop. But the section of the loop near the Lincoln Woods Visitor Center has the lowest altitude so this is where most people begin the loop to minimize the total elevation gain.

How many days? For a one-day attempt, one can travel much lighter and faster without all the overnight gear. But at my age this was not realistic, so I initially planned for a three-day trip that would be more enjoyable and easier on the body.

Which direction to hike? Web posts addressing this question indicate it is a hotly debated topic. I flip-flopped a few times but initially thought going counterclockwise would work best since it offered a more gradual elevation change. I would backpack the first day to Guyot tent site, passing over the Bonds, then on to the Garfield tent site the second day and finally the Franconia Ridge on the third day. The second day would offer the opportunity for possible side trips to other mountains.

Osseo Trail staircases, left, and the trail leaving Little Haystack Mountain. *Photos by Dexter Robinson*

But upon further research I discovered that the Franconia Ridge with the highest mountains has 2.4 miles of exposed above-tree line travel as compared to about 1.5 miles of exposure between the Bonds and over Mt. Guyot.

Given the difficulty of predicting the weather in this area, I was more confident in the accuracy of the forecast for the first day compared to the third day. This favored hiking clockwise, doing the Franconia Ridge on the first day and the Bonds on the third day. Moreover, the hiking time and distance was shorter going clockwise to reach the ridge, where one could experience the first great views. Since I had decided to go solo, weather was a very important factor. So I began to watch the weather forecasts, starting in late August, for rain-free weekdays (for fewer crowds and parking issues). But it seemed nearly impossible to get three consecutive such days in the Whites, so I settled on two good days that appeared in a forecast, with the hope that the weather on the third day would improve.

Continued on page 9

View towards Mount Garfield. *Photo by Dexter Robinson*

‘Pemi Loop’ hike *Continued from Page 8*

But just as I was about to begin my backpack, the forecast began to change, with inclement weather predicted to come in sooner than expected. Consequently I changed the plan and decided to do the hike clockwise in two days rather than three, thus avoiding possible exposure to bad weather on Mt. Guyot and the Bonds. I also eliminated doing any side trips since both days would be long and challenging. There are other ways of doing the trip. Some hikers overnight at Liberty Spring campsite and/or Galehead Hut, going either direction.

Conditioning: Although I had been hiking most of the year, I did additional condition hiking in August with a heavier pack similar in weight to what I would be carrying. I regularly did a moderate to fast-paced hike in the Blue Hills Reservation on parts of the Skyline trail that were rough and required a 1,000 feet of climbing.

The Backpack, Day 1: I started my journey just before sunrise and soon was on the Osseo Trail. This trail is well maintained and with its easy uphill design, along with about seven wooden staircases, it got me up to the ridge and to Mt. Flume in less than three hours. The weather on the ridge was fine with great views. After crossing Mt. Lafayette, which was in and out of the clouds, the clouds lifted and I enjoyed the scenery in this trail section. The trail became rougher as I approached Mt. Garfield, and soon I was scaling a few ledges. I topped out on Mt. Garfield at mid-afternoon, then headed down to the Garfield tent site for my overnight. (distance:14.5 miles, time: 9:45).

The Backpack, Day 2: The day began with a scramble down a steep boulder field with water running everywhere. It felt like hiking down a waterfall. The remainder of the trail over to Galehead hut was in the woods. It was rocky and slow going. I stopped briefly at the hut to top off my water before the steep climb to South Twin’s summit. I then turned onto the Twinway, descending a ways and finding places where I could pick up the pace. As I approached Mt. Guyot the trail suddenly went out into the open, offering good views but lots of boulders to navigate over. The climb over Mt. Guyot was relatively easy. I soon passed the side trail to the Guyot shelter and arrived a short time later on Mt. Bond. The weather held and the sun came out occasionally. The trip down to the visitors center was a long, endless nine miles. (Distance:17.2 miles. Time: 10:45).

Pack, clothing, shoes: My pack weighed 27 lbs. with water and three days of food (17 lbs. base weight—no food or water). I leveraged what I had learned doing the Maine 100-mile wilderness. I kept clothing to a minimum with one set of hiking clothes and long underwear to wear at night, three pairs of Darn Tough socks—changed out the socks midway through each day. I wore Keen Targhee II hiking shoes with a knobby tread rather than boots.

Water and hydration: I carried three liters of water each day—two 1-liter Smartwater bottles and one collapsible 1-liter bottle. The amount to carry can be difficult to calculate based on what you normally consume, the availability of it along the way, and how warm the air temperature is. For both days, I drank two entire liters, using the same hydration system that worked well for the 100-mile wilderness—one Smartwater bottle inverted with a feeding tube in one pack side pocket and the other liters in the other side pocket.

Overall it was a great but challenging trip with many wonderful memories.

Exactly what should I buy?

By Bob Vogel, Hike Leader

Unfortunately, as much as I'd like there to be (for me as well as for you), there is no simple answer. A lot depends on *you* and *your* plans. How much do you intend to backpack? Are you interested in "trying it out", or committed to hiking the Appalachian

Trail, Pacific Crest Trail, Continental Divide Trail...? How strong are you? Stronger people *can* carry heavier packs, although they may not want to. And finally, "How much are you willing to spend?" Because, generally, as weight goes down the price goes up. And as weight goes way down, price goes way up!

Although most of us will fall somewhere in the middle, let's start with a look at a couple of the extremes.

"Wired" (Erin Saver when off trail) started by hiking the PCT (Pacific Crest Trail) in 2001. She has gone on to hike the AT (Appalachian Trail), the CDT (Continental Divide Trail), and many, *many*, more. (See her website: <https://www.walkingwithwired.com/>)

She became *committed* to hiking, and her website will give you far more information than I can here, but just take a look at her 'routine' gear list here:

<https://www.walkingwithwired.com/gear>

Her base pack weight (even with the electronics) is under 14 lbs. Great, but to get there--\$3,900! Most of us aren't that committed! (Note: You can ignore most of the 'electronics,' unless you want to make your living blogging from the trail. And have the followers to make that worthwhile.)

Let's look at a second woman:

"Dixie": (Off trail: Jessica Mills) posts videos and details on her hikes here:

<https://www.youtube.com/channel/UCQhgmV26773qZhzcJz4VFcw>, <https://homemadewanderlust.com/>

Here's the recommended gear list from her latest thru hike, the CDT:

<https://lighterpack.com/r/fsmeqf>

Dixie doesn't give costs in this chart, but her tent is \$600, her sleeping bag \$300+, her pack another \$300. Again, she hikes all summer, every summer, and it's worth it to go light (And she and Wired may get equipment donated, or at a reduced price, in exchange for the publicity.) But, bottom line, light is not inexpensive.

"Some College Kid"

At the other extreme is a hypothetical poor college student, modeled on my experience a long time ago, updated to current equipment and prices.

Tent: River Country Products Trekker 2.2 \$55 on Amazon.
Sleeping bag: From a local department store. Coleman 30 degree at Walmart, \$27.

Pad: Thermarest Ridgerest \$29 at REI.

Cooking: Esbit CS585HA 3-Piece Lightweight Camping Cook Set, Amazon \$27.

Water filter: Sawyer Mini, Amazon \$20.

Pack: And to carry everything, Teton Sports Explorer 4000 internal frame backpack, Amazon \$75.

So for \$233 you can have your "Big 6" backpacking items and go backpacking. Will they be as lightweight as Wired and Dixie? Heck no! Will they be as high quality? Varies. But will they "work," keep you warm, dry, and fed? Yes! And if it's what you can afford, and you are comfortable carrying the weight, "Go for it!"

When I started out 50 years ago, I didn't have "the best." (And still don't!) Has my gear improved? Sure. Did I invest in a new, lightweight tent and new, lightweight sleeping bag this spring? Yes I did, because I'm not as young as I once was. 😊 Did I "have to"? No, but I decided that if I was going to backpack a bunch this summer, it was worth the cost to reduce my pack weight. (Did I mention I'm not getting any younger?)

So, where do you fall? Likely somewhere in the middle. Maybe you already have some of the gear, but are just looking to buy a new sleeping bag. Make sure it will fit in your pack, and leave room for the rest of your gear! Maybe you don't have much. But before you rush out to buy "everything," let's talk as if you are willing to share; not everyone needs a tent and stove.

And finally, to give you one more "data point," see the next page for my current projected pack contents and weight. (Excluding food and water and items carried in my pockets, such as wallet, cell phone.) This list is "pretty good," except my old 5.35 lb. pack. If I backpack a lot it may get replaced and save me a couple lbs. (It weighs more than my tent.) *Continued on next page*

When is cheaper too cheap?

“What about the tent I saw at Walmart for \$20? That’s even less expensive than your \$55 example.” Well, one thing to consider about tents, when you’re in the woods, your tent is what keeps you dry in a storm. Many tents are less than perfect. If you buy *any* tent, test it out in your backyard before you take it into the woods and depend on it.

The same applies to sleeping bag ratings. It may say “20°” but does that mean you’ll be “comfortable” or “clinically alive” in the morning? There is a big difference! There are sleeping bag standardized ratings these days, but not every manufacturer tests their bags. See: <https://thermarestblog.com/en-iso-sleeping-bag-ratings/> and lots of other articles available on the web.

For New Hampshire in mid-summer, if you pick your weekends, a 30-degree bag is fine. But even mid-summer, I’ve appreciated a 20-degree bag at times. It does get cold in the mountains, and if you are higher, it gets colder. Can you sleep with all of your clothes on and make it through the night? Yes, but in a 20-degree bag with your base layer on and using a sleeping pad, you are usually fine. No summer sleeping bag is going to also be a winter sleeping bag. When you come to the SEM ‘Winter Workshop’ they will be talking “-20 degree” sleeping bags, and you’ll appreciate those when it drops well below 0°! So there is no one, magic sleeping bag.

Renting gear. If you want to try this whole backpacking thing before committing big bucks, REI in Framingham and Reading rent some gear. Contact them for details. <https://www.rei.com/rentals>

BICYCLING

Thu., Dec. 12. Sunset and Full Cold Moon Cycling, MA. - - 22+/- Miles/ 2 +/- hours. Flats & Hills. December is the month when winter begins for most of the Northern Hemisphere, hence, its full moon is called the Cold Moon. Start time: about 2 hours prior to sunset. Contact leader for registration, location, etc. paulbcurrier@comcast.net Please arrive with tires and riders pumped and ready to roll. Helmets, water, spare tube required; pump and tools would be nice. Cancellation/rescheduling sent to registered riders only. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKING

Sun., Dec. 1. Hike Maple Swamp East Sandwich, MA. Work off those Thanksgiving calories by exploring moraine remnants in the Maple Swamp. This is a hilly hike certain to raise your heart rate and produce some healthy sweat. Hiking shoes required and hiking poles recommended. Hike will be 4 - 5 miles and we will go by the Maples Swamp and possibly a quaking bog. From mid Cape highway if coming from Sagamore Bridge take Exit 3 Quaker Meetinghouse Rd exit, turn R at end of ramp and take 1st left onto Service Rd. The parking area is the next R after Mill Rd. From mid Cape highway heading towards the Sagamore Bridge take Exit 4 turn L over highway and take next R onto Service Rd., Maple Swamp is next L after Noel Henry Rd. L Jane Harding (508-833-2864 Before 9 p.m., janeharding@comcast.net)

Thu., Dec. 5. Hike--Bourne Sisters, Bourne, MA. This 2 hour approximately 4 mile hike is in the Bourne Conservation Trust areas of the Bourne Sisters and Perry Woods. It also includes a cranberry bog and Town of Bourne Leary Property. The terrain is wooded pathways with frequent moderate rolling hills throughout the hike. This is not a novice hike. We will have views of Back River from the Leary Property and often see birds along the shoreline. From the Bourne Bridge/Cape side, take the 1st exit off of the rotary just past the State Police building onto Trowbridge Road and go 0.6 miles. Take a left onto County Road at the blinking light and go 1.0 mile. Park on the left at 221 County Road (small sign) for 6 small cars. Other cars will park across the street at the Leary Property. GPS will work to get you to this location. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a fourth year SEM/AMC Level 1 hike leader with WFA training.)

Sun., Dec. 8. Hike along Quashnet River and through adjacent woods, Falmouth / Mashpee, MA. This is a 4.2 mile hike at a moderate pace along the Quashnet River and through adjacent woods. About ½ of the hike will be on moderate rolling terrain. Arrive at 12:45 for 1:00 start. From the Mashpee Rotary take Rte. 28N towards Falmouth. Follow Rte. 28 for 2.1 miles to a right on Martin Rd. (just after crossing the Falmouth town line). Parking is in a small lot or along Martin Rd. L Deborah Hayden (508-274-2820 before 9PM, shaferhayden@gmail.com)

Thu., Dec. 12. Hike Punkhorn Parklands (C3C), Brewster, MA. Wooded, hilly trails with pond views. Hiking boots and poles helpful. Route 6 Exit 9B, 2 miles to a right on Setucket Rd, then bear right at Stony Brook Road. In 0.3 miles, turn right on Run Hill Road. 1.3 miles to parking lot on the left. Meet 9:45 am 2 hours. L Richard Kaiser (508-432-3277 Before 9 PM, rjkaiser@comcast.net)

(NM) Thu., Dec. 19. Hike Barnstable-Bridge Creek Conservation (C3D), Cape Cod, MA. Flat terrain, cedar upland, maple swamp and salt marsh, bogs, stone walls. Meet at 9:45am. 2 hrs. From Exit 5 off Rte 6 North on Rte 149. Park along grass triangle on immediate left beside church. L Farley Lewis (508-775-9168 Before 9pm, farlewis@comcast.net)

CAPE HIKING

Sat., Dec. 21. Hike Greenough Pond Yarmouth, MA. 3 1/2 hour hike on wooded trails with hills. Hiking boots and poles recommended. Bring lunch. Directions: From Rt 6, take Exit 7 North on Willow Street. Right turn on Route 6A. At sharp curve turn right onto Summer Street. Park at Dennis Pond Beach parking lot on right. L Richard Kaiser (508-432-3277 Before 9 pm, rjkaiser@comcast.net)

Thu., Dec. 26. Hike Eagle Pond Cotuit, MA. Hike in historic conservation land, some roads to Cotuit Bay and around a white cedar swamp. Terrain is fairly flat, many roots and most trails are wide. Driving Directions: Take Rte 6 (mid Cape Highway) to Exit 5) and turn S on Rte 149, follow signage and take 149 to Rte 28, Turn R. At traffic light with shopping plaza on R and CVS on L turn L onto Putnam Ave. Travel a mile or less until you see dirt cutout on L. Park in cutout. From Falmouth take Rte 28 towards Hyannis and at lights in Marston Mills with shopping plaza on L and CVS on R, turn R on Putnam Rd and proceed a mile or less until you see dirt cutout on L, park in cutout. Meet at 9:45 AM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sun., Dec. 29. Hike--Sandy Pond Recreation, West Yarmouth, MA. Wooded trails, pond views in Mid-Cape area. Route 6 Exit 7S, left on Camp Street, left on Buck Island Road, and left at Sandy Pond Recreation Area. L Janet Kaiser (508-432-3277 before 9:00 p.m., jtkaiser@comcast.net) CL Richard Kaiser (508-432-3277 Before 9:00 p.m., rjkaiser@comcast.net)

EXECUTIVE COMMITTEE

Volunteer Opportunities

Ongoing: Communications Chair - Southeastern Mass. Chapter, MA. As a key member of the SEM Executive Board, the Communications Chair oversees the timely production and distribution of chapter communications to chapter members and non-members, including: - monthly issues of the Southeast Breeze newsletter (in conjunction with the Breeze editor) - monthly Blast email announcements of important events (in conjunction with both the Chapter Chair and Blast editor). - SEM annual report (jointly with the contributing chapter activity chairs such as hiking, biking, paddling, skiing, etc.) The Communications Chair also: - works closely with both the chapter Webmaster and Social Media Administrator to keep members (and potential members) informed. - participates in monthly Executive Board meetings, soliciting content to communicate in a timely manner. - interacts with AMC staff to ensure chapter communications follow current guidelines and best practices. This is a great opportunity for anyone with good communication skills and is comfortable with social media who wants to help keep the SEM chapter vital and encourage active engagement by members. For more information or to volunteer for this important position, please send an email to communicationschair@amcsem.org and/or to Leonard Ulbricht chair@amcsem.org.

(NM) Tue., Nov. 26. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a continuing Tuesday Morning Blue Hills Series. We will hike 'all' of the trails within the Blue Hills over time, meeting in different parking lots and hiking different routes each week. So, if you are interested in hiking in the Blue Hills Tuesdays, from 10 to about 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. In addition to 'just hiking', this series also aims to provide 'skill building', both for participants and Leaders. We will incorporate a range of 'educational opportunities' as we hike, :-). Come hike, and learn. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) L Joanne Newton (vogel.r@comcast.net), R Bob Vogel (vogel.r@comcast.net)

Fri., Nov. 29. Walk Your Turkey Off Hike at Halfway Pond Conservation Area, Plymouth, MA. Join me for a 9 am Friday morning-after-Thanksgiving hike at Halfway Pond Conservation Area in Plymouth. We will combine dirt road walking around the ponds with hilly trails in between the ponds for about 6 miles of beautiful trails. Features along the trails include wetlands, kettle holes, beech forest and an area of cathedral pines. Halfway Pond is the headwater for the Agawam River and has been eagle nesting territory in the past. Meet at the Long Pond Boat Ramp Parking Lot at 8:45 for a 9:00 am start. Take Exit 3 off Rt 3 and head southwest. At the intersection turn left onto Long Pond Rd and an immediate right onto Clark Rd. Stay left to keep on Clark Rd which turns into West Long Pond Rd. Parking Lot is on the right between the two ponds. The parking lot we are using is not located on the map linked. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com)

HIKING

Sat., Nov. 30. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. Main Houghton Pond Parking Lot - Meet near playground, MA. Saturday "Yeti" weekly hikes at the Blue Hills. 840 Hillside Street, Milton, MA. 2 - 3 hours of up & down, up & down...at a moderate to vigorous pace. Leave at 10 AM. Proper fitness and equipment is needed. One time registration required. L Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net, See whiddenschool.com or zazenzone.com), R Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net)

(FT) (NM) Sat., Nov. 30. Copicut Woods, Indian Town Rd, on the border of Fall River and Westport, MA. Meet at 10:00 a.m. Indian Town Rd Parking lot. Required equipment: hiking boots, rain gear, water and snacks. This 516-acre property is both a prime destination and the southern gateway to the Southeastern Massachusetts Bioserve. Copicut introduces nature lovers and outdoor enthusiasts to an entire regional ecosystem. We will be hiking on many trails lined with pine needles bordering beautiful stone walls. There are some bog bridges so make sure you have sturdy hiking boots. There is an old farm house and barn foundations to explore also. Hike will be approximately 4.5 miles. L Joanne Newton (508-215-9470 Best before 9 PM, newt665@comcast.net) CL Paul Audet (milmod@aol.com)

Sun., Dec. 1. Thanksgiving Weekend Blue Hills Massacree Hike., The Blue Hills southern 3 Parking lots along Randolph Ave. Milton, MA. Come join the AMC SE Massachusetts Chapter Conservation Committee and Officer Obie in the Blue Hills pickin up the Garbage. The Dump was closed on Thanksgiving, so we are doing it with Alice on Sunday cuz we got to be in court on Monday. Feel free to wear bell bottoms and Tie Dye. Bring your own Implements of destruction. We will supply the Garbage bags and the Rubber gloves. We plan on pickin up the garbage on the southern end of Randolph Ave. Then we will load it up on the VW Micro Bus and take it to the Dump while singin in three part harmony. Registration is not required. Meet in one of the 3 Southern most parking turn offs on Randolph Ave (Rte. 28), just north of the Highway (Exit 5 on 128/93). Plan to be there at 9:45 so we have time to look at the 8x10 color glossy photographs with the circles and arrows and the description on the back . L Joanne Newton (508-215-9470, newt665@comcast.net) L Nancy Coote (cranstonstreet22@gmail.com) L William Cannon (bcannon56@gmail.com)

(NM) Tue., Dec. 3. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Nov. 26, listing for details.

Thu., Dec. 5. Thursday Morning Series: Bay Circuit Trail - Sharon-Easton, MA. Hike about 7 miles of the Bay Circuit Trail through parts of Sharon and Easton. We will hike through Borderland, then continue down some power lines and then through "Fox Hill" and "Beaver Brook Woods", two Easton pieces of Conservation and NRT land. This hike is fairly level, and we will 'move at the groups pace'. Along the way we will pass "The last bear den in Easton", where the last bear in Easton was killed. (until a new one moves in one of these days) And there is only a couple hundred yards of road walking! I think it's the nicest section of the BCT.. .but I might be prejudiced. Hike will meet at 9:45 and the hike will start at 10. We will stop and have lunch along the way, and should complete our hike by 2:00. Note: Registration is required for this hike as we will have to spot cars. Since the parking lot at the trails end is quite small, I'll direct most folks to meet at the start, but I'll need some volunteers to meet at the end and leave cars to shuttle folks back to the starting point. If you have a 4 or more passenger vehicle and can help shuttle folks, note that when you register. (Directions for where you should meet will be in the Info Sheet.) Please register by Tuesday, Dec 3 to allow time to organize the car spotting. Thanks. If it rains? Bring your raincoat, we will have fun anyways! :-). L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.)

Sat., Dec. 7. Winter Series Hike #1 - Mt. Wachusetts, MA. Join us for the first in this year's popular Southeastern Mass. Chapter's Winter Hiking Series and discover the fun, beauty, and camaraderie of winter hiking. We'll be doing an enjoyable, app. 4.5-mile loop hike with some elevation gain and loss at Mt. Wachusetts in Princeton, MA. Weather permitting, we should enjoy expansive views from the fire-towered summit and, if we're really lucky, get an opportunity to try out some of our specialized winter hiking gear as well as practicing "layering" for winter hiking. Participation in the SEM Winter Hiking Workshop on Nov. 2nd (or equivalent) and/or significant winter hiking/showshoeing experience required to participate in this series. L Paul Miller (508-369-4151 before 9:00 pm please, paulallenmiller@verizon.net, An experienced SEM chapter winter hiking leader and self-proclaimed "winter hiking fool," Paul takes great pleasure in introducing others to winter hiking.) L George Danis (danisdad51@outlook.com, An experienced hiker and hike leader, Geoge currently serves at the SEM Chapter's hiking chair.)

Sat., Dec. 7. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. - See Sat., Nov. 30, listing for details.

HIKING

(NM) Tue., Dec. 10. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tues., Nov. 26, listing for details.

Thu., Dec. 12. Thurs. Adams Farm Hike, Walpole, MA, Adams Farm at 999 North Street, Walpole, MA. Meet at 10 am on the Adams Farm parking lot, located on 999 North Street in Walpole, MA. We will hike 5 miles over relatively level terrain on mostly wide, well-maintained trails. Bring proper footwear for the weather, rain gear, lunch, water. Rain cancels. L Hans Luwald (508-668-0462 before 9 pm, hans.luwald@gmail.com) CL Debbie Lepore (617-778-4339 before 9 pm)

Thu., Dec. 12. Full Moon Hike at Borderland State Park, 259 Massapoag Ave., North Easton, MA. Come and hike under a Beaver Moon or as some may call it, a Frosty Moon. We will be hiking about 5 miles on mainly flat wide trails in between and around 2 large ponds. In the past we have seen the moon at least 90% of the time. It is a beautiful site over the ponds and across the meadow. Hopefully we won't need any snow gear. A detailed Poop Sheet will be sent to all who register. Please include in your registration e-mail: 1) the date of the Full Moon Hike you wish to attend 2) Your contact number 3) A description of your latest hiking experience. L William Cannon (bcannon56@gmail.com, AMC Member for 8 Years 2 years leading Full Moon Hikes AMC SEM Conservation Chair) L Susan Svelnis (suesvelnis@gmail.com) L Nancy Coote (cranstonstreet22@gmail.com), R Bill Cannon (bcannon56@gmail.com)

(FT) (NM) Sat., Dec. 14. 2nd Annual Caroling Around the Pond, Houghton's Pond Visitor Center, Blue Hills Reservation, MA. Hark! Come one! Come all! Put on your best festive and fun holiday attire and join us for a stroll around Houghton's Pond at the Blue Hills Reservation on Saturday, December 14th at 10 AM. We will meet at the Houghton's Pond Visitor Center to "rehearse" before heading out on our 1.1 mile caroling adventure around the pond. We will stop along the way to sing a traditional carols, seasonal tunes and holiday ditties. Stay for light refreshments and cheer after the singing! We will wrap up before noon. Revelers of all ages are welcome to join in! Well behaved dogs on leashes are most welcome! Caroling will be cancelled if the weather outside becomes frightful. Cancellation will be posted on the AMC website and also by SEM Chapter notification so be sure to check if weather looks bad. L Pamela Johnson (617-448-4446, pjohnson8992@gmail.com, Pam is an AMC SEM Chapter Hike leader and serves as co-leader on the White Lining Series, the Conditioning Series and the Introduction to Hiking Series. She also volunteers as a "Naturalist" and "Information Volunteer" in the AMC high mountain huts in the summer. Pam has climbed the NH 48 and loves being outdoors!) CL Maria Sestina (Maria Sestina is an AMC SEM Hike Leader and loves outdoor adventures of all kinds!)

Sat., Dec. 14. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See Sat., Nov. 30, listing for details.

Mon., Dec. 16. Enjoying, not just Surviving, Winter, James Library, 24 West St., Norwell, MA. Do you enjoy three season hiking and walking and are interested in getting outside during the winter months to do the same? Shorter days, storms, icy sidewalks, and cold weather can be challenging. This presentation will provide a view of winter as a season when outdoor activities can be enjoyed by dressing properly. Techniques for staying warm along with clothing and foot gear examples will be on display. The presentation is free and will take place at the James Library, 24 West St., Norwell, MA on Monday, December 16, 2019, 7 pm. Registration is not required. L Dexter Robinson (dexpcdoc@gmail.com, Dexter is an avid 4 season hiker. He has been a member of the AMC since 1994 and for many years led AMC hikes and backpacks to various locations both local and throughout New England. He has climbed all the mountains on the New England Hundred Highest list as well as the NH four thousand foot mountains in winter. He has summited Mt. Washington in every month.)

(NM) Tue., Dec. 17. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See Tue., Nov. 26, listing for details.

Sat., Dec. 21. Snowshoe #1 2019- 2020, TBA, MA. We will be chasing snow to begin a graduated series of snowshoe hikes in New Hampshire and Massachusetts. Hike locations will be posted 1 - 2 weeks prior to the planned hike. Full winter gear with snowshoes and microspikes will be required. Priority for registration will be given to participants in the SEM Chapter Winter Hiking Workshop. L Anne Duggan (508-789-5538 before 9 pm, abduggan12@gmail.com) L Leslie Carson (508-737-6627, lrc929@comcast.net, Leslie Carson is a four-season hiking/backpacking leader with the AMC Southeastern Massachusetts Chapter. She completed the New England 67 4KFooters in 2017 and has led hikes for AMC's August Camp in the Pacific Northwest for the past seven years. She is certified in SOLO Wilderness First Aid and CPR. Since 2015 she has led/co-led AT hiking/trekking trips in western US and internationally.) L Eva Das (borsody@gmail.com) CL Linda Church (lchurch@whoi.edu), R Anne B. HIKING

(FT) (NM) Thu., Dec. 26. Thursday AM Ponkapoag Pond Hike, Ponkapoag Golf Course, Canton, MA. Meet at 10AM in Ponkapoag Golf Course Parking Lot for a five-mile hike/snowshoe (depending on conditions) around the pond. Bring: water, snack and appropriate footwear. L Deborah Lepore (617-778-4339 before 9 PM, DLepore2@GMail.com) CL Hans Luwald (508-668-0462 Before 9 PM, Hans.Luwald@Gmail.com)

Sat., Dec. 28. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See Sat., Nov. 30, listing for details.

Tue., Dec. 31. White Line the Blue Hills, Blue Hills Reservation, MA. What is "White Lining?" White Lining is an honor system quest to hike all of the mapped trails in the Blue Hills Reservation between the Winter Solstice and the Spring Equinox. For most folks White Lining takes several winter seasons to complete, hiking trails both on their own as well as in our fun White Lining group! For the sixth year, this popular series will have 12 hikes and will run from December 31, 2019 through March 17, 2020. We will meet on Tuesdays at 9:45 AM to hike trails in the Blue Hills Reservation for 3 to 4 hours. We will hike at a moderate pace, perfect for moving and chatting at the same time. We will also enjoy lunch while out on the trails. Please consider the number of weeks you will be able to attend when deciding if this is the right group for you to join. If you are "White Lining" and think you can attend most of the 12 hikes, this is the group for you. If "White Lining" isn't your goal, there is another AMC winter hike also offered on Tuesdays in the Blue Hills that may be a better option. You only need to register one time for all 12 hikes. Registered hikers will be sent an email during the prior week detailing the meet up location and map plan of the hike. Hikes will be cancelled during active snow storms, heavy rain, icy conditions and/or excessive cold. Winter hiking clothing, insulated hiking boots, micro-spikes, snow shoes and hiking poles are a must. Prior winter hiking experience is helpful but we welcome hikers with proper clothing and gear to register. A complete clothing and gear list will be reviewed with you when you register. White Line the Blue Hills! Lots of fun, adventure, no bugs, and gorgeous winter landscapes! L Pamela Johnson (617-448-4446, pjohnson8992@gmail.com, Pam loves being outdoors! She is an AMC SEM Hike Leader and co-leads the White Lining Series, Conditioning Series and Introduction to Hiking Series in the Blue Hills. In the summer she volunteers as a "Naturalist" and "Information Volunteer" in the AMC high mountain huts. Pam has climbed the NH48 and is now working on 52WAV.) L Claire MacDonald (Claire and her husband, Craig, are AMC SEM Hike leaders. Claire and Craig have both completed their "Red Line" of the Blue Hills and have also completed the NH48. They love international treks including adventures hiking in Nepal and Patagonia. Claire and Craig were co-leaders of the White Lining series last year.) L Craig MacDonald (Craig is an AMC SEM hike leader and together with his wife, Claire, has been co-leader on the White Lining series and is also co-leader on the Conditioning Series.), R Claire MacDonald (508-265-3858, cfmacdonald@hotmail.com)

Thu., Jan. 2. Advanced Conditioning Hike series, Blue Hills Reservation, Milton, MA. This is a series of advanced conditioning hikes in the Blue Hills Reservation during the winter months on alternating Thursdays. The hikes are intended for those with previous winter hiking experience. This experience could include previous SEM white lining hiking in the Blue Hills. The series is not suitable for beginners. We will be doing at least 4 miles at a moderate to moderate fast pace on rugged trails in the Blue Hills Reservation to achieve over 1000 feet of vertical climbing. The hikes will take 3 to 4 hours. MICROspikes or similar spikes will be required since we will be looking for icy places to use them. Also, backcountry snowshoes (ones that have built-in traction) are required. The series will also focus on efficient layering and climbing techniques. Steady rain or bad driving conditions will cancel. Registration is required. Group size is limited to 10. Contact the leader at: dexpcdoc@gmail.com to register. L Dexter Robinson (dexpcdoc@gmail.com, Dexter is an avid 4 season hiker. He has been a member of the AMC since 1994 and for many years led AMC hikes and backpacks to various locations both local and throughout New England. He has climbed all of the NH four thousand foot mountains in winter and recently completed climbing the New England hundred highest mountains.), R Dexter Robinson (dexpcdoc@gmail.com)

Sat., Jan. 4. Winter Series Hike #2- Mt. Morgan- Mt. Percival Loop, NH. Join us for hike #2 of the Winter Hiking Series of 4 hikes. We will hike a 5.5 mile loop, with approximately 1500 ft. of elevation change, in the Sandwich Mountain Range of Waterville Valley, NH. We will be rewarded with beautiful views at the summits, weather permitting. There are also interesting rock formations & caves along the trail. Proper winter clothing & gear are required (which may require snowshoes/ traction), as well as previous winter hiking experience &/or participation in the SEM Winter Hiking Workshop. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) L Maureen Kelly (617-943-4288, mokel773@aol.com)

Sat., Feb. 1. Winter Series Hike #3 - 4000' Hike in Crawford Notch, NH. Join us for hike #3 of the SEM Winter Hiking Series on a 4000' mountain in Crawford Notch, NH. The hike will be chosen depending on weather, trail conditions and number of participants. Possibilities include Mt. Pierce, Mt. Jackson, Mt. Tom or Mt. Field. The hike will be approximately 6+ miles with about 2300 ft. of elevation. Proper winter clothing & gear are required (which may require snowshoes/ traction/ full crampons), as well as previous winter hiking experience &/or participation in the SEM Winter Hiking Workshop. L Maureen Kelly (617-943-4288 before 8 pm, mokel773@aol.com) L Paul Miller (paulallenmiller@verizon.net)

Tue., Feb 4. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Fri., Feb. 7-9. Winter Hiking and Cross-Country Ski Weekend - Noble View, Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA, 01071, MA. Join the SEM Chapter for its eighth annual winter weekend get-away at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. The centers quiet, pristine, mountaintop location offers breathtaking views of the Pioneer Valley east to Mt. Wachusett. Numerous trails wind through quiet woodlands, pass old cellar holes or descend to two waterfalls. Snowshoeing and cross-country skiing will be offered assuming enough snow and hiking otherwise. Participants will need to bring their own equipment. Please note the leader will have his well-behaved dog, Sunny, with him. The cottages have electricity, water, wood-stove heating, and shared bedrooms. Separate but next to the cottages is a heated bathhouse with toilets and hot showers. Hot meals are included in the registration fee starting with dinner Friday night through lunch on Sunday. We have reserved all 28 beds in both cottages, and we hope you decide to join us; this event is popular however, so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Jeannine Audet L Joanne Newton

Tue., Feb 11. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Sat., Feb. 15. Snowshoe #2, TBA, ME. We will be chasing snow to begin a graduated series of snowshoe hikes in New Hampshire and Massachusetts. Hike locations will be posted 1 - 2 weeks prior to the planned hike. Full winter gear with snowshoes and microspikes will be required. HIKING

Thu., Feb. 20. Thursday Morning Hike - Pratt Farm Middleboro, Meet at Oliver Mill Park, 8 Nemasket Street, Middleboro, MA 02346 for car pool to trail head., MA. Explore the many paths and byways of Pratt Farm. Mostly gentle rolling hills. We will meet at an off site parking area due to limited trail head parking and car pool to Pratt Farm. Do NOT go to Pratt Farm directly. Meet before 10:00AM at the Oliver Mill parking area at the intersection of Rte 44 and Plymouth Street in Middleboro. Hike is approximately 5 miles and 2 - 3 hours depending on routes taken and time spent exploring. Bring light lunch, water and appropriate weather gear. Heavy snow or rain will cancel. Possible shorter snow shoe hike if weather permits. L Richard Carnes (508-947-3204 before 9 PM, rcarnes2@aol.com)

Tue., Feb 25. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Fri., Feb. 28-Mar. 1. Lonesome Lake overnight, Franconia Notch, NH. Join us on a wonderful overnight trip to Lonesome Lake Hut. This is the last in the Winter Hiking Series. We leave from the Lafayette Campground on Friday and return Sunday morning. There is a possible Saturday hike into the hut but that is not final. Those hiking in on Friday will have day hikes on Saturday to Canon, Kinsmans or around the hut. Registrants are responsible for booking their bunk (details to follow-- 20 bunks are currently reserved) at the hut. Dinners and breakfasts are group meals and participants will be required to carry some food. Costs of the meals will be evenly divided among the participants. Participation in a winter hiking workshop is required and participants will need appropriate clothing, micro spikes, snowshoes, full crampons and a minimum zero degree rated sleeping bag. L George Danis (danisdad51@outlook.com) L Jeannine Audet (milmod@aol.com), R Jeannine Audet (milmod@aol.com)

Tue., Mar 3. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Tue., Mar 10. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Tue., Mar 17. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Thu., Mar. 26. Thursday Morning Hike - Burrage Pond WMA - Halifax/Hanson, 15 Hawks Ave, Hanson, MA. Hike in The Burrage Pond WMA in Hanson & Halifax. A three hour, 5 to 6 mile moderate hike on mostly flat sandy trails. This area was once the largest cranberry bog operation in the country and is now being reverted back to wild lands. Bring lunch, water, warm clothing and especially warm windproof head gear as these open spaces can get very chilling in the winter with a stiff breeze. Heavy rain or heavy snow will cancel. Good snow shoeing if weather permits. Please contact leader BEFORE bringing DOGS on this hike. L Richard Carnes (508-947-3204 Before 8 PM, rcarnes2@aol.com)

Sat., May 16-17. Beginner Map & Compass for Hikers (Sat/Sun), Blue Hills, MA. Come learn navigation skills using a map and compass to find your way in this two-day weekend workshop. The course assumes no prior map or compass experience and is open to anyone that has not taken a map and compass course before. The class starts with basic instruction and progresses over the two days to cover some intermediate skills. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small daypack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a US geological survey topographical map that does not show the trails and you will need to make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday (9 am-5 pm). Only those that have not taken a map and compass course previously are eligible for the workshop, this ensures everyone in the group is at the same level. The fee for the workshop is \$60 (which includes both days). In addition, you will need to purchase and bring to class the Suunto M-3 NH which is a navigating compass with adjustable declination correction, list price \$44 (but currently \$29.69 on Amazon). If interested, please contact Doug Griffiths to register. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.), R Doug Griffiths ([reddougg@aol.com](mailto:redDoug@aol.com))

SKIING

Fri., Jan. 10-12. Cross Country Skiing in Waterville Valley, Mountain Fare Inn, 5 Old Waterville Rd., Campton, NH. Join us for a weekend of cross country skiing at the Waterville Valley Ski Resort. We will stay at the beautiful Mountain Fare Inn in Campton, NH, just a short drive from skiing. The inn offers a full breakfast & later checkout on Sunday @ 3:00 pm, so we can ski for 2 days. We will dine out for dinners. Other potential activities include snowshoeing, fat tire biking & hiking, depending upon snow conditions & group interest. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Jeff Hyman CL Dia Prantis

Fri., Feb. 7-9. Winter Hiking & Cross-Country Ski Weekend, Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA. Join the SEM Chapter for its eighth annual winter weekend get-away at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. The centers quiet, pristine, mountaintop location offers breathtaking views of the Pioneer Valley and east to Mt. Wachusett. Numerous trails wind through quiet woodlands, pass old cellar holes or descend to two waterfalls. Snowshoeing and cross-country skiing will be offered assuming enough snow and hiking otherwise. Participants will need to bring their own equipment. Please note the leader will have his well-behaved dog, Sunny, with him. The cottages have electricity, water, wood-stove heating, and shared bedrooms. Separate but next to the cottages is a heated bathhouse with toilets and hot showers. Hot meals are included in the registration fee starting with dinner Friday night through lunch on Sunday. We have reserved all 28 beds in both cottages, and we hope you decide to join us; this event is popular, however, so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Jeannine Audet L Joanne Newton

Fri., Mar. 6-8. Cross Country Skiing & Snowshoeing in the White Mountains, The Old Field House, 347 NH 16A, Intervale, NH. Join us for a weekend of cross country skiing & snowshoeing in the beautiful White Mountains. We will stay at the lovely Old Field House in Intervale, NH. The B&B is located near many xc skiing areas; we will choose based upon snow conditions. Snowshoeing is also available, including on trails outside the B&B. Depending upon trail conditions & interest, hiking will also be an option. Or, you may spend some time at the inn with a book or go shopping in North Conway. All rooms have a private bath, & breakfast is included. We will dine out at nearby restaurants for dinner. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Dia Prantis CL Wayne Cardoza

Winter preview along the Bay Circuit Trail

By: Ken Cohen, Hiking Vice Chair

In New England, winter arrives whenever and wherever it pleases. The schedule on the calendar (December 21st every year) has absolutely nothing to do with it.

On December 5, Bob Vogel and Joanne Newton led 17 hikers on a regularly scheduled AMC-SEM Thursday hike that turned into a preview of winter hiking. The season's first significant snowfall, during the two days prior to the hike, had most of us on microspikes for more than five slippery miles on part of the Easton to Sharon section of the Bay Circuit Trail.

The Bay Circuit Trail and Greenway (BCT) is a 230-mile trail extending through 37 towns in Eastern Massachusetts, linking parks and open spaces from Plum Island to Duxbury/Kingston Bay. To a large degree, it is a multi-use trail allowing hiking, trail running, backpacking, biking, horseback riding, cross country skiing, snowshoeing, and paddling.

As we hiked in the cold air on a brilliantly lit morning, the snow-covered forests and waterways were indeed a series of sights to behold.

See more photos on page 4

View from the Chair: 50 Ways to Love the Winter!

I don't need a calendar to know winter is coming. I just have to peer out my window at the descending snowflakes of what will be the first snowfall for this winter season. It's time to shift gears and break out warm base layers, insulated footwear and gloves, puffy jackets and wool hats. And that's not all. There are boot traction devices, hand and toe warmers and, of course, the skis or snowshoes or fat tire bikes.

There are many ways to enjoy a New England winter, fifty in fact, as of now. That's how many winter trips our chapter trip leaders have already posted on the AMC activities database. And there's quite a variety, too. There are trips all over the Southeastern Mass region on both sides of the canal, trips on weekends and weekdays, one-of-a-kind trips as well as weekly, bi-weekly, and monthly trips, day trips and overnights, close-to-home and NH or western Mass trips. To check them out, click on [All SEM activities](#).

In closing out this last View for 2019, let me extend a hearty thank you to the 100 or so volunteers who led trips throughout the year, served the chapter on our Executive Board, or came out to lend a helping hand at the Fall Gathering. What a great bunch you are! And last, to all our 4,000 SEM members and their families, my best wishes for a safe and healthy holiday season and coming New Year. Enjoy, and remember:

Be Outdoors!

Post-Thanksgiving ‘massacree’ hike

By Joanne Newton, Conservation Chair

In true form with Arlo Guthrie’s 1965 Thanksgiving arrest for littering, recounted in the song "Alice’s Restaurant Massacree," six 1960s throwbacks braved the cold on December 1st to go "pick up the garbage" along Rt. 28, Randolph Ave., in the Blue Hills. They concentrated on all the trailheads along the southern end. Ten 50-gallon bags of garbage were collected and loaded into Bill Cannon’s "red VW micro bus." This Activity was part of AMC-SEM’s Conservation Activities.

We covered just over one mile of the roadway. Many strange pieces of garbage were picked up, including Lottery tickets, plastic bags of grass clippings, car parts, a crutch, a trash can on wheels loaded with construction materials, and an endless supply of glass and plastic bottles.

From The Seven Principles of Leave No Trace #3: Dispose of Waste Properly By The Leave No Trace Center for Outdoor Ethics

The Center encourages outdoor enthusiasts to consider the impacts that they leave behind, which will undoubtedly affect other people, water and wildlife.

“Pack it in, Pack it out” is a familiar mantra to seasoned wildland visitors. Any user of recreation lands has a responsibility to clean up before he or she leaves. Inspect your campsite and rest areas for trash or spilled foods. Pack out all trash and garbage.

Plan meals to avoid generating messy, smelly garbage. It is critical to wildlife that we pack out kitchen waste, such as bacon grease and leftovers. Don’t count on a fire to dispose of it. Garbage that is half-burned or buried will still attract animals and make a site unattractive to other visitors.

Overlooked trash is litter, and litter is not only ugly—it can also be deadly. Plastic bags, cigarette butts, fishing line and other trash can be harmful to our environment when not properly disposed of.

Carry plastic bags to haul your trash (and maybe someone else’s). Before moving on from a camp or resting place, search the area for micro-trash such as bits of food and trash, including organic litter like orange peels or pistachio shells. Invite the kids in your group to make a game out of scavenging for human sign.

Join 'New Member' hikes in 2020 and enjoy AMC-SEM camaraderie

By Ellen Thompson, Membership Chair

Want to meet other hikers and join the camaraderie of the Southeastern Mass Chapter of the AMC?

The SEM Membership committee wants to help. For 2020 we have added four "New Member" hikes—one for each season!

These hikes are designed for our newer members and those who have been unsure of how to become more involved with the Southeastern Mass. Chapter. They are also a great opportunity for all hikers to socialize and learn more about the Chapter's offerings.

We would love to meet you on one or even all four of these hikes. This is a great opportunity to try a group hike

May 19th New Member Hike at Wompatuck State Park.
Photo by Sue Svelnis

at a leisurely pace, tour some of our local nature parks, and enjoy a few hours of fresh air and good company. Our hike leaders will be sharing more details on some of the other activities offered by the Chapter. And we hope many of you more active members will join and share your experiences about hiking with the SEM chapter.

Oh, and the best part: We will have seasonal refreshments after each hike! Here's our schedule:

01/04/2020 Experience the Southeastern Mass. Bioserve at Copicut Woods with Joanne Newton, followed by hot chocolate and goodies.

<https://activities.outdoors.org/search/index.cfm/action/details/id/116690>

04/25/2020 Celebrate Earth Day in Wompatuck State Park with Sue Svelnis, then indulge in home-made treats.

06/20/2020 Welcome summer at Myles Standish State Forest with Maureen Kelly, and enjoy a summer snack.

10/24/2020 Take in the foliage at Borderland State Park with Bill Cannon, and indulge in some of our favorite fall treats.

Hikes will be posted seasonally. Watch the website for "New Member Hike."

<https://activities.outdoors.org/search/index.cfm?type=1&grp=10&com=20>

We hope you will join us!

AMC-SEM Winter Series hikers play in the snow at Mt. Wachusett

By Paul Miller, Winter Hiking Leader & Communications Chair

Twenty hikers turned out bright and early on the morning of Dec. 7th, gathering in the rapidly filling parking area at Mt. Wachusett Ski Area in Princeton, MA, for the first hike in this year's Winter Hiking Series. We were rewarded with wonderful winter weather, with sunny skies, temps in the low 20s, light wind, and about 20 inches of reasonably fresh snow on the trails.

While the trails were largely broken out, most of us wore our snowshoes; those that didn't wore their microspikes. The snowshoes improved our traction, helped pack down the snow on the trails, and helped prevent post-holing. We did the same enjoyable loop hike that we've done in several previous years: Balance Rock Trail to Old Indian Trail, to Semuhenna Trail, to West Side Trail, and then back onto the Old Indian Trail up past the top of the quad chairlift at the ski area to the summit.

After a quick lunch, we started our descent from the summit as planned via the relatively steep (but very pretty!) Harrington Trail. This was a little challenging, but excellent practice for future Winter Series hikes up in New Hampshire. Once we made it down this section of the Harrington Trail, it was a relatively easy jaunt back down to the trailhead through the snow-draped forest. The late afternoon sunlight made this part of the hike particularly beautiful.

This hike (originally designed by SEM hike leader Mike Woessner) includes a section of the Midstate Trail, offers a nice variety of terrain, passes through some really beautiful areas (including a rare stand of old-growth forest), offers great views, and—at 4.2 miles and approximately 1,000 feet elevation gain—provides an appropriate challenge for our first Winter Series hike of the season.

Once back at the trailhead, many of us took advantage of the restrooms and hot coffee available in the nearby ski lodge before hitting the road home.

If you like to hike but have never done so in the winter, I strongly recommend that you give it a try. While our Winter Series hikes are limited to those that have either taken our SEM Winter Workshop or have prior winter hiking experience, the chapter also offers a wide variety of other hikes, snowshoe trips, and XC ski trips during the winter months. These include many local hikes in the Blue Hills and on the Cape, as well as up in New Hampshire.

[Click here](#) to see the SEM winter trips (December 2019 through early March 2020) currently posted to the AMC trip listing system. Or you can always check out the trip listings included in this and future issues of the *Breeze* e-newsletter. Please note that our trip leaders are constantly adding new trips, so remember to check back frequently. Better yet, log in to www.outdoors.org, and click on the “My Outdoors” tab, where you can create your own customized [Activity Digests](#) to keep abreast of all the great chapter activities that you think you might be interested in.

Heading home! Photo by Nancy Tutko

Volunteer of the Month: Bill Doherty By Len Ulbricht, Chapter Chair

Each month the SEM recognizes one of our amazing volunteers. We are so fortunate to have people give their time, energy, and resources to make our chapter one of the best! This month the Trails Committee recognizes **Bill Doherty** for his contributions to trail maintenance.

Bill joined Appalachian Mountain Club in 2003. He took the Introduction to Backpacking course at AMC headquarters on Joy Street and hiked about a dozen of the 4,000-footers and stayed in all the huts in the next few years. He also participated in the New Hampshire Chapters winter program for three years.

In 2010, Bill discovered Red Lining in the Blue Hills and he was hooked. It was close to home, fun, social, and still an excellent workout.

Bill is a frequent volunteer with the Trails Committee and has been doing trail work for about five years. He believes it is important for those who can to help with clean-up of the trails. Without organizations such as AMC, the Friends of Blue Hills, and other volunteer groups, our local hiking experiences would not be as great. Further, trail work is not difficult, takes just half the day, and no special skills are required.

Thank you, Bill, for all you do! Bill will receive a Volunteer of the Month certificate and a \$50 REI gift card.

AMC Annual Summit is January 25, 2020
Register by December 31 to take advantage of \$40 Early Bird Pricing. Regular rate of \$50 applies on January 1. Note that last year’s Annual Summit sold out in December. Register Today!

“Where the heck can you go backpacking in NH?”

By Bob Vogel, Hike Leader

Well, let's limit this discussion to the White Mountain National Forest. That will give you plenty of places to start.

In the White Mountains there are several levels of accommodations. So let's look at these options and some pros and cons of each.

The AMC High Huts: You, unless you are a chef, won't beat the AMC hut food. And you get an indoor place to sleep and drinkable water. Sounds pretty good—but on the flip side, it's \$129/night/person. And you sleep in a bunk room, where the chances of someone snoring seems (based on my experiences!) to be close to 100 percent. (Life Pro Tip: Bring earplugs if you go!) But there is much fun to be had at the huts. If someone gave me a “Free Hut Pass,” I'd use it at times.

Shelters: Well, there is a roof over your head, which usually doesn't leak. It probably has a composting toilet nearby, which is nice. And it's a place to get out of the rain! But you have to share the shelter with whoever shows up, and on a rainy night it can get crowded. Don't expect a long, uninterrupted night's sleep. Even if you don't have to go answer the call of nature, everyone else will have to. Oh, and the popular locations have caretakers, and a \$10/night/person fee. See shelter listings and descriptions at [AMC Backcountry Campsites in New Hampshire](#).

Tent Platforms: You get a “deck” on which to pitch your tent. On the plus side, it's flat with no sharp rocks in the middle of your back. It probably has a composting toilet, which is nice. Cons? If it's a weekend, you probably will have to share the “deck” with others and their tents. So you will be sleeping maybe 5 feet from someone else, who may snore. (Hope you saved those earplugs!) And there typically will be that caretaker collecting the \$10/night/person fee. See tent site listings and descriptions at [AMC Backcountry Campsites in New Hampshire](#).

The Backcountry: Well, once you hike away from the shelters and tent platforms—typically 1/4-mile—you are in “the backcountry.” And usually you can camp there. There are rules you need to follow. You have to camp 200 feet from streams, ponds, and trails. (So you don't pollute the water or detract from the enjoyment of those hiking past.) The full rules are spelled out in this [Forest Service pamphlet](#). The disadvantages of the backcountry are that there are no, as in zero, “facilities.” No composting toilet, no graded tent site, no platform, on which to camp. No bear box to store your food in to keep the animals away from it. (Bears, sure, but also mice and raccoons, etc.) But on the plus side, you will have the peace and quiet of the woods.

Maybe, if you are hiking alone, that won't have much appeal at first, but a couple weekends ago I went (alone) to Three Ponds, the sight of our July 16–18 backpack, and there was no one at the shelter. I went another 1/3 of a mile and pitched my tent. The nearest person was three miles away down in the valley. It was just me and the occasional black fly. Even they weren't out in great numbers. When I got up in the morning and walked back to the pond, there were fresh moose prints. It was almost enough to make me wish I'd gotten up earlier. But I saw two moose later in the day, after I hiked back out and went kayaking, so it balanced out. The quiet was relaxing. And the ponds at dusk and dawn were as pretty as you could ask for. Alas! Someone had warned the fish it was “free fishing day” in New Hampshire, and they weren't biting, so my idea of freshly caught trout for breakfast didn't work out. 😊 But it was still a great time.

BICYCLING

Wed., Jan. 1. AMC-SEM16th Annual New Year's Day Cycling, North Falmouth, MA. We'll cycle the streets and Shining Sea Bike Path from North Falmouth to Woods Hole and return for 27+/- miles for 2/3 hours or so. We'll do a shorter ride if the weather is iffy. We'll start at the Shining Sea Bike Path parking lot in North Falmouth. First re-group is Old Silver Beach and a look toward Marion, Rochester, Mattapoisett, Fairhaven, New Bedford and Fon du Lac. Perhaps I'll include a couple of side tours into Gunning Point and Racing Beach areas. Then we're on to Woods Hole for refreshments. The return ride will bring us to Nobska Light and then the Shining Sea Path. Start time - late morning with riders and tires pumped and ready to roll. Helmets, water, spare tube required; pump and tire changing tools would be appreciated. Contact leader – paulbcurrier@comcast.net - 508-833-2690 - for start time and registration. L Paul Currier (508-833-2690 8-7, paulbcurrier@comcast.net)

CAPE HIKING

Sat., Dec. 21. Hike Greenough Pond Yarmouth, MA. 3 1/2 hour hike on wooded trails with hills. Hiking boots and poles recommended. Bring lunch. Directions: From Rt 6, take Exit 7 North on Willow Street. Right turn on Route 6A. At sharp curve turn right onto Summer Street. Park at Dennis Pond Beach parking lot on right. L Richard Kaiser (508-432-3277 Before 9 pm, rjkaiser@comcast.net)

Thu., Dec. 26. Hike Eagle Pond Cotuit, MA. Hike in historic conservation land, some roads to Cotuit Bay and around a white cedar swamp. Terrain is fairly flat, many roots and most trails are wide. Driving Directions: Take Rte 6 (mid Cape Highway) to Exit 5) and turn S on Rte 149, follow signage and take 149 to Rte 28, Turn R. At traffic light with shopping plaza on R and CVS on L turn L onto Putnam Ave. Travel a mile or less until you see dirt cutout on L. Park in cutout. From Falmouth take Rte 28 towards Hyannis and at lights in Marston Mills with shopping plaza on L and CVS on R, turn R on Putnam Rd and proceed a mile or less until you see dirt cutout on L, park in cutout. Meet at 9:45 AM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sat., Dec. 28. Hike Boulders at Beebe, Falmouth, MA. Some 20,000 years ago, the Buzzards Bay arm of the Laurentide ice sheet retreated northward, leaving behind an undulating terrain of ridges, kettle holes, and glacial erratics along western Cape Cod. Within the 475 acres of Falmouth's Beebe Woods, you'll find all these features. For this hike of 6+ miles, we'll traverse woodlands, up and over the glacial moraine, around the Punch Bowl kettle pond, and down the picturesque Esker Trail, passing nearly all of Beebe's named boulders. If we're lucky, we'll get a peek of Buzzard's Bay through the trees. Some short, steep ascents/descents and uneven footing. Difficulty C3C -Moderate Hike route may be modified in icy conditions About 3+ hours **Please check AMC website before leaving home for possible cancellation.** www.amc.org select CAPE HIKING under COMMITTEES then select CAPE HIKE SCHEDULE, then LOOK FOR THE STATUS OF THIS HIKE. Any questions, please call Leader Cathy Giordano 508 243 3884 **Required;** daypack with water, snacks, sturdy footwear, weather-appropriate layers recommended: traction devices such as microspikes, hiking poles Directions: Route 28 South toward Woods Hole. Highway narrows to 1 lane just before you approach downtown Falmouth. Continue on Route 28 to Depot Rd. Turn Right onto Depot Road, all the way up hill, past the bus station, past Highfield Hall and park on the left in the lot between Highfield Theater and the Conservatory. If using GPS, use 56 Highfield Dr., Falmouth, MA 02540 about 15 mins.from signs for Rt 151, Old Silver Beach, North Falmouth. CAPE HIKING

Sun., Dec. 29. Hike--Sandy Pond Recreation, West Yarmouth, MA. Wooded trails, pond views in Mid-Cape area. Route 6 Exit 7S, left on Camp Street, left on Buck Island Road, and left at Sandy Pond Recreation Area. L Janet Kaiser (508-432-3277 before 9:00 p.m., jtkaiser@comcast.net) CL Richard Kaiser (508-432-3277 Before 9:00 p.m., rjkaiser@comcast.net)

Thu., Jan. 2. Hike--Great Neck Preserve, Wareham, Wareham, MA. This 4 mile, 2 hour hike in the Great Neck Preserve in Wareham is on wooded trails through New England Forestry Foundation and Wildlands Trust lands. There are several hills and some wet areas. Hikers will pass a sheep farm, see Swan Pond, and have views of marshes with Buzzards Bay in the distance. Please note that the parking and trailhead are not either at the Great Neck trailhead or the Audubon property. Go over the Bourne Bridge and continue on Route 25 for 6.7 miles. Take Exit 2, Onset/Wareham/Glen Charlie Road. Bear right on the ramp and continue through 2 traffic lights. As you cross Route 28/6/Cranberry Highway, the name changes to Depot Street. As you cross Onset Ave/Minot Ave., the name changes to Great Neck Road. Stay on Great Neck for 1.2 miles, turn right onto Crooked River for .5 mile. Turn left onto Indian Neck for .4 mile. Turn left to stay on Indian Neck for .3 mile. Take sharp left onto Bourne Point Road. Park on right side only off the roadway. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 4th year Level I SEM/Cape hike leader with WFA training)

Sun., Jan. 5. Hike Bell's Neck Conservation, Sand Pond prkg on RT 39 Harwich, MA. 4.5 mile mostly flat hike along East & West reservoirs, cranberry bogs, marshland and a herring run. Exit 10 to 124S to end. R on 39S x 1.9 mi to Sand Pond prkg on right. Arv 12:45 pm for 1 pm start. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, Level 1 hike & bike leader.)

Sun., Jan. 12. Hike Long Pond, Falmouth, MA. 2 hour hike in the Falmouth Town Forest with scenic views of Long Pond and a small kettle hole. The hike includes some hilly sections with uneven footing. Heavy precipitation cancels. Arrive at 12:45 for 1 PM start. L Cindy Tobey (cindyltobey@gmail.com) CL Deborah Hayden (shaferhayden@gmail.com)

Sun., Jan. 19. Hike Eagle Pond Cotuit, Cotuit, MA. Hike in historic conservation land, some roads to Cotuit Bay and around a white cedar swamp. Terrain is fairly flat, many roots and most trails are wide. Driving Directions: Take Rte 6 (mid Cape Highway) to Exit 5) and turn S on Rte 149, follow signage and take 149 to Rte 28, Turn R. At traffic light with shopping plaza on R and CVS on L turn L onto Putnam Ave. Travel a mile or less until you see dirt cutout on L. Park in cutout. From Falmouth take Rte 28 towards Hyannis and at lights in Marston Mills with shopping plaza on L and CVS on R, turn R on Putnam Rd and proceed a mile or less until you see dirt cutout on L, park in cutout. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sun., Feb. 2. Hike Ryder Conservation/Lowell Holly Reservation Hike, Cotuit Rd., Sandwich, MA. Join us for a 4-4.5 mi hike in Sandwich conservation area and Mashpee Trustees of Reservation property. The terrain is mostly flat with a few steep but short climbs thrown in. Meet at 12:45 for a 1 p.m. start. Rt 6 to Exit 3 > Quaker Meetinghouse Rd South x 2.5 mi > L @ light on Cotuit Rd x 2 mi. Trailhead parking on R for about 12 cars. L Barbara Gaughan (781-572-1321 before 9 p.m., barbaragaughan12@comcast.net, SEM Level 1 hike & bike leader)

Thu., Feb. 6. Hike Santuit Pond, Mashpee, MA. This will be a relatively flat hike to Santuit Pond and River to view herring ladder and continue on past active and inactive cranberry bogs.. We will be starting from a new location which provides better parking. Meet up time is 12:45 PM. Driving Directions: From Rte 28 in Mashpee turn onto Rte 130 to Sandwich and look for Santuit Pond Parking area in 0.6 miles on right. From Rte 6 take Exit 2 off of Mid Cape and Turn S on Rte 130 go 8.4 to parking area on L. L David Selfe (508-771-0620, kdsselfe@comcast.net)

Sun., Feb. 9. Hike Scorton Creek Sandwich, Old County Rd. East Sandwich, MA. Hike along saltmarsh, through old state game farm and past one of the original pilgrim homesteads. Contour is fairly flat, with lots of roots and some trails may be muddy. Driving Directions from Sagamore Bridge take exit 3 and turn N on Quaker Meetinghouse Rd to 6A and turn R and follow 6A to E Sandwich Post Office and turn R onto Old County Rd and park in horseshoe across from Grange Hall. From down cape take Rte 6 to Exit 4 Chase Rd and turn N and take 2nd L onto Old County Rd and park in horseshoe on L across from Grange Hall. Meet at 12:45 PM for 1 PM hike start. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

CAPE HIKING

Sun., Feb. 23. Hike--Bourne Town Forest and Four Ponds, Bourne, MA. This 2 hour approximately 4.5 mile hike is in the Bourne Four Ponds Conservation Area and adjacent Bourne Town Forest. The terrain is wooded pathways, fire roads, and mountain bike trails with several moderate hills. It offers views of the ponds and some wildlife. It is a loop so does not offer easy bail-out points. This is not a novice hike. Note that the parking and trailhead is not the Four Ponds parking lot. From the Bourne Rotary/Cape side, take Route 28S for 1.7 miles. Take a right onto Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 0.5 miles and turn left onto Valley Bars Road. Go 0.3 miles and park on the side of the road before the Weary Traveler's club. Do not use your GPS to find this location. Please bring water for drinking, dress in layers. Sturdy boots/shoes are suggested. If you have questions please contact leader -Robin McIntyre 508 789-8252. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net, Robin is a fourth year Level 1 SEM/Cape hike leader with WFA training)

Sun., Mar. 15. Hike Shawme Crowell State Park Sandwich, MA. Two hour hike on wooded trails through the scenic campground, some hills. Driving directions: Take Rte 6 to Exit 2, Rte 130 and turn N. Stay on Rte 130 until you see entrance sign for Shawme Crowell. From Sagamore Bridge take 1st exit and at bottom of ramp turn R at lights, follow Sandwich Rd and merge left on 6A and then turn R onto Rte 130. Turn into Shawme Crowell and turn right drive past entrance booth and follow road until you come to open space and paved cutout on R. Park along road off pavement if possible. Meet at 12:45 PM. L Jane Harding (508-833-2864 Before 9 PM, janeharding@comcast.net)

Sun., Mar. 22. Hike--Plymouth Lane, Plymouth, MA. This 5 mile, 2.5 hour hike is in the triangle of land of Plymouth/Bourne/Wareham with the hike in Plymouth. The terrain is wooded pathways with some ruts and hills. Poles are strongly recommended with orange headgear and vests. From the OFF Cape side of the BOURNE Bridge rotary, exit the rotary onto Head of the Bay Road, between the Mobil gas station and Too Jasper motel. Go 1.2 miles to Plymouth Lane and go right for .9 miles to turn left on White Island Pond Road. Park on the left side of the road, facing outward, just adjacent to but not obstructing the sidewalk. We will carpool to the trailhead which is on a busy road with a very limited parking area. L Robin McIntyre (508-789-8252 Before 9 pm, robinmcintyre@comcast.net, Robin is a 4th year Level 1 hike leader for Cape Hikes/SEM with WFA training.)

Thu., Apr. 30. Hike--Monk's Park and Little Bay, Bourne, MA. This 2 hour hike over approximately 4 miles is in Bourne Conservation Trust properties of Little Bay and Monk's Park. We will hike wooded trails and a fire road with views of Little Bay from the bluff. A beach walk section will be included with views of Buzzards Bay. The terrain is moderate rolling hills on the wooded trails throughout the hike. Do not use your GPS to find the start of this hike. From Bourne Bridge/Cape side, take Route 28S toward Falmouth for 1.7 miles. Go right on Clay Pond Road/Monument Beach (green state sign) before McDonald's. Go 1.3 miles, cross County Road onto Beach Street for .2 mile. Go left onto Shore Road (Cumberland Farms on corner) for 1 mile. Go right onto Valley Bars Road and Monk's Park is at the end. Park at the end just before the underpass. L Robin McIntyre (508-789-8252 Before 9 p.m., robinmcintyre@comcast.net Robin is a fourth year Level 1 SEM/Cape hike leader with WFA training.)

EXECUTIVE COMMITTEE

Volunteer Opportunities

Ongoing. Communications Chair - Southeastern Mass. Chapter, MA. As a key member of the SEM Executive Board, the Communications Chair oversees the timely production and distribution of chapter communications to chapter members and non-members, including: - monthly issues of the Southeast Breeze newsletter (in conjunction with the Breeze editor) - monthly Blast email announcements of important events (in conjunction with both the Chapter Chair and Blast editor). - SEM annual report (jointly with the contributing chapter activity chairs such as hiking, biking, paddling, skiing, etc.) The Communications Chair also: - works closely with both the chapter Webmaster and Social Media Administrator to keep members (and potential members) informed. - participates in monthly Executive Board meetings, soliciting content to communicate in a timely manner. - interacts with AMC staff to ensure chapter communications follow current guidelines and best practices. This is a great opportunity for anyone with good communication skills and is comfortable with social media who wants to help keep the SEM chapter vital and encourage active engagement by members. For more information or to volunteer for this important position, please send an email to communicationschair@amcsem.org and/or to chair@amcsem.org. L Leonard Ulbricht (chair@amcsem.org)

Rating codes (e.g. C4D): first letter indicates distance in mi (AA=13+, A=9-13, B=5-8, C=less than 5 mi), middle number indicates pace (1=very fast, 2=fast, 3=moderate, 4=leisurely), second letter indicates terrain (A=very stren., B=stren., C=average, D=easy)

(NM) Tue., Dec. 24. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. For your hiking pleasure, a continuing Tuesday Morning Blue Hills Series. We will hike 'all' of the trails within the Blue Hills over time, meeting in different parking lots and hiking different routes each week. So, if you are interested in hiking in the Blue Hills Tuesdays, from 10 to about 2:00, Contact the Leader/Registrar, Bob Vogel. He will provide full information about these hikes. That information will allow you to make an informed decision about your choice to partake in this exciting, slightly different, hiking series. In addition to 'just hiking', this series also aims to provide 'skill building', both for participants and Leaders. We will incorporate a range of 'educational opportunities' as we hike, :-). Come hike, and learn. This will be a "Register once, come as often as you want" series. L Bob Vogel (vogel.r@comcast.net, Bob is a 4 season Hike leader for the Southeastern Mass Chapter, as well as a hike leader for Boston Local Walks and a 3 Season Leader for Boston H/B.) L Joanne Newton (vogel.r@comcast.net), R Bob Vogel (vogel.r@comcast.net)

(FT) (NM) Thu., Dec. 26. Thursday AM Ponkapoag Pond Hike, Ponkapoag Golf Course, Canton, MA. Meet at 10AM in Ponkapoag Golf Course Parking Lot for a five-mile hike/snowshoe (depending on conditions) around the pond. Bring: water, snack and appropriate footwear. L Deborah Lepore (617-778-4339 before 9 PM, DLepore2@GMail.com) CL Hans Luwald (508-668-0462 Before 9 PM, Hans.Luwald@Gmail.com)

Sat., Dec. 28. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. Main Houghton Pond Parking Lot - Meet near playground, MA. Saturday "Yeti" weekly hikes at the Blue Hills. 840 Hillside Street, Milton, MA. 2 - 3 hours of up & down, up & down...at a moderate to vigorous pace. Leave at 10 AM. Proper fitness and equipment is needed. One time registration required. L Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net, See whiddenschool.com or zazenzone.com), R Roger Whidden (781-834-7722 9 am - 9 pm, wsfi1@verizon.net)

Tue., Dec. 31. White Line the Blue Hills, Blue Hills Reservation, MA. What is "White Lining?" White Lining is an honor system quest to hike all of the mapped trails in the Blue Hills Reservation between the Winter Solstice and the Spring Equinox. For most folks White Lining takes several winter seasons to complete, hiking trails both on their own as well as in our fun White Lining group! For the sixth year, this popular series will have 12 hikes and will run from December 31, 2019 through March 17, 2020. We will meet on Tuesdays at 9:45 AM to hike trails in the Blue Hills Reservation for 3 to 4 hours. We will hike at a moderate pace, perfect for moving and chatting at the same time. We will also enjoy lunch while out on the trails. Please consider the number of weeks you will be able to attend when deciding if this is the right group for you to join. If you are "White Lining" and think you can attend most of the 12 hikes, this is the group for you. If "White Lining" isn't your goal, there is another AMC winter hike also offered on Tuesdays in the Blue Hills that may be a better option. You only need to register one time for all 12 hikes. Registered hikers will be sent an email during the prior week detailing the meet up location and map plan of the hike. Hikes will be cancelled during active snow storms, heavy rain, icy conditions and/or excessive cold. Winter hiking clothing, insulated hiking boots, micro-spikes, snow shoes and hiking poles are a must. Prior winter hiking experience is helpful but we welcome hikers with proper clothing and gear to register. A complete clothing and gear list will be reviewed with you when you register. White Line the Blue Hills! Lots of fun, adventure, no bugs, and gorgeous winter landscapes! L Pamela Johnson (617-448-4446, pjohnson8992@gmail.com, Pam loves being outdoors! She is an AMC SEM Hike Leader and co-leads the White Lining Series, Conditioning Series and Introduction to Hiking Series in the Blue Hills. In the summer she volunteers as a "Naturalist" and "Information Volunteer" in the AMC high mountain huts. Pam has climbed the NH48 and is now working on 52WAV.) L Claire MacDonald (Claire and her husband, Craig, are AMC SEM Hike leaders. Claire and Craig have both completed their "Red Line" of the Blue Hills and have also completed the NH48. They love international treks including adventures hiking in Nepal and Patagonia. Claire and Craig were co-leaders of the White Lining series last year.) L Craig MacDonald (Craig is an AMC SEM hike leader and together with his wife, Claire, has been co-leader on the White Lining series and is also co-leader on the Conditioning Series.), R Claire MacDonald (508-265-3858, cfmacdonald@hotmail.com)

HIKING

(NM) Tue., Dec. 31. Blue Hills Tuesday Hiking Series, Blue Hills, Milton, MA. See details at Tues., Dec. 24, listing.

Thu., Jan. 2. Advanced Conditioning Hike series, Blue Hills Reservation, Milton, MA. This is a series of advanced conditioning hikes in the Blue Hills Reservation during the winter months on alternating Thursdays. The hikes are intended for those with previous winter hiking experience. This experience could include previous SEM white lining hiking in the Blue Hills. The series is not suitable for beginners. We will be doing at least 4 miles at a moderate to moderate fast pace on rugged trails in the Blue Hills Reservation to achieve over 1000 feet of vertical climbing. The hikes will take 3 to 4 hours. MICROspikes or similar spikes will be required since we will be looking for icy places to use them. Also, backcountry snowshoes (ones that have built-in traction) are required. The series will also focus on efficient layering and climbing techniques. Steady rain or bad driving conditions will cancel. Registration is required. Group size is limited to 10. Contact the leader at: dexpdoc@gmail.com to register. L Dexter Robinson (dexpdoc@gmail.com, Dexter is an avid 4 season hiker. He has been a member of the AMC since 1994 and for many years led AMC hikes and backpacks to various locations both local and throughout New England. He has climbed all of the NH four thousand foot mountains in winter and recently completed climbing the New England hundred highest mountains.), R Dexter Robinson (dexpdoc@gmail.com)

Sat., Jan. 4. Winter Series Hike #2- Mt. Morgan- Mt. Percival Loop, NH. Join us for hike #2 of the Winter Hiking Series of 4 hikes. We will hike a 5.5 mile loop, with approximately 1500 ft. of elevation change, in the Sandwich Mountain Range of Waterville Valley, NH. We will be rewarded with beautiful views at the summits, weather permitting. There are also interesting rock formations & caves along the trail. Proper winter clothing & gear are required (which may require snowshoes/ traction), as well as previous winter hiking experience &/or participation in the SEM Winter Hiking Workshop. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com) L Maureen Kelly (617-943-4288, mokel773@aol.com)

(FT) (NM) Sat., Jan. 4. New Member Hike at Copicut Woods, Indian Town Rd, Fall River/Westport, MA. Join some of your AMC members for a winter hike through this Bioreserve property. This hike is open to all new members. We also welcome existing members who are willing to share their experiences with the group. Meet at 10:00 a.m. at the Indian Town Rd Parking lot. Required equipment: hiking boots, rain gear, water and snacks. As there may be snow and ice, micro spikes are recommended. This 516-acre property is both a prime destination and the southern gateway to the Southeastern Massachusetts Bioreserve. Copicut introduces nature lovers and outdoor enthusiasts to an entire regional ecosystem. We will be hiking on many relatively flat trails bordering beautiful stone walls. There are some bog bridges so make sure you have sturdy hiking boots. There is an old farm house and barn foundations to explore also. Hike will be approximately 4.5 miles. Refreshments will be served after the hike. L Joanne Newton (508-215-9470 Best before 9 PM, newt665@comcast.net) CL Ellen Thompson (ethompson1111@aol.com), R Joanne Newton (Berkley, MA 02779-1402, 508-215-9470 Before 9 PM, newt665@comcast.net)

Thu., Jan. 23. Blue Hills hike-- Yellow triangle, 840 Hillside Street Milton MA. Meet at Houghtons Pond parking lot at far end. 4.5, 5 mile hike following the yellow triangle starting behind Ranger headquarters: very hilly, strenuous in sections, no skyline though. Bring water and food for a quick lunch stop. Traction devices may be necessary. Heavy rain or snowstorm cancels. Please meet at far end of parking lot where we will leave on street to cross at headquarters. No dogs. L Rachel Thibeault (774-360-2539 before 8:00 PM, rateebo@yahoo.com)

Sat., Jan. 25. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Sun., Jan. 26. Winter Morning Out Hike at Myles Standish State Forest, Plymouth/Carver, MA. Join me for an 8 am Sunday morning hike at Myles Standish State Forest in Plymouth/Carver with the Friends of Myles Standish. See the beauty of the forest in winter. Combining the flat, pond-side East Head Loop and the hilly, wooded Bentley Loop will give us about 7 miles of beautiful trails. Once we're done, we'll still have the rest of the day for other things. Meet at 7:45 at the Forest Headquarters Parking Lot, 194 Cranberry Road, Carver, 02330. We'll plan on a moderate pace to complete the hike in approximately 3 hours. Registration is not required, but email the leader with questions or concerns. If we have snow, the hike will become a snowshoe and the distance will be adjusted. HIKING

Fri., Feb. 7-9. Winter Hiking and Cross-Country Ski Weekend - Noble View, Noble View Outdoor Center, 635 South Quarter Rd, Russell, MA, 01071, MA. Join the SEM Chapter for its eighth annual winter weekend get-away at Noble View Outdoor Center in Russell, MA, approximately 2 hours' drive west of Boston. The centers quiet, pristine, mountaintop location offers breathtaking views of the Pioneer Valley east to Mt. Wachusett. Numerous trails wind through quiet woodlands, pass old cellar holes or descend to two waterfalls. Snowshoeing and cross-country skiing will be offered assuming enough snow and hiking otherwise. Participants will need to bring their own equipment. Please note the leader will have his well-behaved dog, Sunny, with him. The cottages have electricity, water, wood-stove heating, and shared bedrooms. Separate but next to the cottages is a heated bathhouse with toilets and hot showers. Hot meals are included in the registration fee starting with dinner Friday night through lunch on Sunday. We have reserved all 28 beds in both cottages, and we hope you decide to join us; this event is popular however, so register early. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.) L Jeannine Audet L Joanne Newton

HIKING

Fri., Feb. 28-Mar. 1. Lonesome Lake overnight, Franconia Notch, NH. Join us on a wonderful overnight trip to Lonesome Lake Hut. This is the last in the Winter Hiking Series. We leave from the Lafayette Campground on Friday and return Sunday morning. There is a possible Saturday hike into the hut but that is not final. Those hiking in on Friday will have day hikes on Saturday to Canon, Kinsmans or around the hut. Registrants are responsible for booking their bunk (details to follow-- 20 bunks are currently reserved) at the hut. Dinners and breakfasts are group meals and participants will be required to carry some food. Costs of the meals will be evenly divided among the participants. Participation in a winter hiking workshop is required and participants will need appropriate clothing, micro spikes, snowshoes, full crampons and a minimum zero degree rated sleeping bag. L George Danis (danisdad51@outlook.com) L Jeannine Audet (milmod@aol.com), R Jeannine Audet (milmod@aol.com)

Sat., Feb. 29. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Tue., Mar 3. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Sat., Mar. 7. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Tue., Mar 10. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Sat., Mar. 14. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Tue., Mar 17. White Line the Blue Hills, Blue Hills Reservation, MA. See details at the Sat., Dec. 31, listing.

Sat., Mar. 21. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Thu., Mar. 26. Thursday Morning Hike - Burrage Pond WMA - Halifax/Hanson, 15 Hawks Ave, Hanson, MA. Hike in The Burrage Pond WMA in Hanson & Halifax. A three hour, 5 to 6 mile moderate hike on mostly flat sandy trails. This area was once the largest cranberry bog operation in the country and is now being reverted back to wild lands. Bring lunch, water, warm clothing and especially warm windproof head gear as these open spaces can get very chilling in the winter with a stiff breeze. Heavy rain or heavy snow will cancel. Good snow shoeing if weather permits. Please contact leader BEFORE bringing DOGS on this hike. L Richard Carnes (508-947-3204 Before 8 PM, rcarnes2@aol.com)

Sat., Mar. 28. Saturday Yeti Hike in the Blue Hills, 840 Hillside Street, Milton, MA. See details at the Sat., Jan. 4, listing.

Sat., May 16-17. Beginner Map & Compass for Hikers (Sat/Sun), Blue Hills, MA. Come learn navigation skills using a map and compass to find your way in this two-day weekend workshop. The course assumes no prior map or compass experience and is open to anyone that has not taken a map and compass course before. The class starts with basic instruction and progresses over the two days to cover some intermediate skills. All activities will take place at the Blue Hills Reservation; you will need appropriate hiking gear and be able to hike approximately 4 miles with a small daypack. On Saturday we'll use the conference center at Brookwood Farms for both indoor and outdoor instruction. You'll learn how to read a topographic map, how to use a compass and how a map and compass work together. In the afternoon you'll get to practice your skills on a directed hike in the Blue Hills using the DCR trail map. On Sunday your group will plan your own route to find flags hidden both on and off the trail. For this hike, you will be using a US geological survey topographical map that does not show the trails and you will need to make use of terrain features such as valleys, brooks, and hills to stay found. Each group will have an instructor to help facilitate learning. Prior reservation is required, and class size is limited to promote small group learning. To register for this workshop, you must commit to attending both Saturday and Sunday (9 am-5 pm). Only those that have not taken a map and compass course previously are eligible for the workshop, this ensures everyone in the group is at the same level. The fee for the workshop is \$60 (which includes both days). In addition, you will need to purchase and bring to class the Suunto M-3 NH which is a navigating compass with adjustable declination correction, list price \$44 (but currently \$29.69 on Amazon). If interested, please contact Doug Griffiths to register. L Paul Brookes (603-799-4399 After 7am and before 9pm, PaulBrookes1966@outlook.com, Living in Boston I enjoy hiking around Greater Boston and beyond. You may often find me in the Blue Hills with my dog Sunny.), R Doug Griffiths ([reddoug@aol.com](mailto:redDoug@aol.com))

SKIING

Fri., Jan. 10-12. Cross Country Skiing in Waterville Valley, Mountain Fare Inn, 5 Old Waterville Rd., Campton NH. Join us for a weekend of cross country skiing at the Waterville Valley Ski Resort. We will stay at the beautiful Mountain Fare Inn in Campton, NH, just a short drive from skiing. The inn offers a full breakfast & later checkout on Sunday @ 3:00 pm, so we can ski for 2 days. We will dine out for dinners. Other potential activities include snowshoeing, fat tire biking & hiking, depending upon snow conditions & group interest. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Jeff Hyman CL Dia Prantis

Fri., Mar. 6-8. Cross Country Skiing & Snowshoeing in the White Mountains, The Old Field House, 347 NH 16A, Intervale, NH. Join us for a weekend of cross country skiing & snowshoeing in the beautiful White Mountains. We will stay at the lovely Old Field House in Intervale, NH. The B&B is located near many xc skiing areas; we will choose based upon snow conditions. Snowshoeing is also available, including on trails outside the B&B. Depending upon trail conditions & interest, hiking will also be an option. Or, you may spend some time at the inn with a book or go shopping in North Conway. All rooms have a private bath, & breakfast is included. We will dine out at nearby restaurants for dinner. L Jeannine Audet (508-493-8221 weeknights after 7:00 pm, weekends anytime, milmod@aol.com, Jeannine is the Skiing Chair for the SEM Chapter.) CL Dia Prantis CL Wayne Cardoza

Happy Trails!

THE END
