

ActDB COVID Language for SEM Leaders

Leader instructions

Title your activity and the town in which it is located, e.g. Hike Sandwich. Write a one or 2 sentence description of your hike which will include difficulty rating, type of terrain, mileage, estimated time and any other details that you feel are important. If you do not provide a start time, provide an expectation of end time. We advise that you not provide specific location until you confirm the registration. You can include information about required gear and other activity details.

Adjustments to language can be made for trips outside of MA based on local requirements, particularly relating to face coverings and social distancing. Trips cannot be to or from states that require quarantine.

Copy and paste the paragraphs below into the posting.

Copy to Web Description of Activity Posting

You must bring and be willing to wear a face covering in compliance with local, state, and AMC requirements. All participants must bring masks and be prepared to wear them in case social distancing becomes difficult.

Anyone who does not register or does not bring a face covering will not be allowed to join the activity. Group size is limited and activities are often waitlisted, so please cancel your registration if you can no longer attend or are not feeling well.

Online registration is required. AMC membership is not required, but you will need to set up a free AMC online account if you do not already have one. Click "Register" button to accept the risks, provide contact info, and sign the AMC liability waiver. Each person must register individually; you cannot register for a friend or household member.
