Save the Date

for our first ever

Chapter Retreat

on

Cape Cod

September 21 -23, 2018

This year, as an alternative to Chapter Hut Weekend in New Hampshire, we will be assembling on Cape Cod in East Sandwich at Camp Burgess for a weekend of biking, hiking, paddling, and socializing with some of the finest outdoor enthusiasts around, your fellow SEM members. Just think, you can take a bike trip, hike a trail AND paddle a kayak/canoe ALL IN A SINGLE WEEKEND and all in Southeastern Massachusetts, and we'll throw in a couple of evening campfires, too.

So save the date. Planning is underway. Volunteers to help out always welcome. For further information contact your Retreat Coordinator, len ulbricht, at lenu44@gmail.com
